Re: VTDigger Response to FEC MUR 8065 Second Supplemental Information

Dear Attorney Lockett:

VTDigger responds to your letter dated November 4, 2022 regarding the second supplemental information filed by complainant Cris Ericson. I am VTDigger's designated representative.

The second supplemental information mentions past debates. Presumably, one of these debates was a September 8, 2022 debate held by VTDigger. VTDigger addressed that debate in its response and declaration dated and filed on October 5, 2022. VTDigger reiterates that response here.

Otherwise, the complainant's supplemental and second supplemental information do not, in any manner, involve VTDigger. Rather, the second supplemental information relates to other persons and entities.

The original complaint, supplemental information, second supplemental information and VTDigger's responses filed in MUR 8065 establish that VTDigger did not commit any violation. No further action is warranted. MUR 8065 should be dismissed.

VTDigger looks forward to this matter's prompt resolution. Please let me know if we can provide any further information.

Sincerely,
