Our reports have been amended to reflect the disputed debt, which was unknown to me (the treasurer) until receiving the complaint. This is a contract dispute, and the FEC doesn't have jurisdiction over contract disputes so this matter should be dismissed.

Thank you, but we do not need a signed Designation of Counsel if you do not have an attorney or Law Firm representing you. I do however need a response to the complaint. If you are not going to send in a response I will annotate the file and process it with no response but if you are going to submit one I would like to know when we will receive it because it was due on November 14th.

Thank you,

Christal
