Subject: MUR 8082 - Request for Extension
Date: Tuesday, December 20, 2022 4:17:35 PM

Hello -

I've been asked to represent the following respondents in MUR 8082:

Grow United, Inc.
Richard Alexander
Sean Jason Alexander
Broken Promises
Stand Up for Justice

I understand from other counsel that the Commission has granted all respondents an extension of time to respond to the complaint until December 30, 2022. As I am just now being asked to engage in this matter, with the upcoming holiday weekend and then vacation travel planned for the last week of the year, I am seeking a further extension of time to respond to the complaint on behalf of the respondents identified above until January 17, 2023.

I do not have designation of counsel forms to present at this time, because I am not accepting the engagement unless and until I am able to secure an extension of time to respond.

Thank you in advance for your consideration.

Sincerely,
Chris Ashby
