RE: MUR 8086

To whom it may concern:

I am writing in my capacity as treasurer of Committee to Elect Sam Peters to provide additional facts and a response to an alleged violation against Mr. Peters, his campaign committee, and myself as treasurer.

The complaint is moot. Upon review of prior reports filed with the Federal Election Commission it was determined that the election cycle net debts needed applied to the 2020 election cycle not the 2022 cycle. The Committee has already filed an amended October Quarterly report on November 11, 2022, to depict the necessary changes and reflect proper allocations in compliance with regulations surrounding raising to net debts. Please see the Committee's publicly disclosed reports for the amended data.

As acknowledged by the Federal Election Commission, a committee may file an amended report as needed to provide clarification, update erroneous information, or make further adjustments. Pursuant to the rules of the Federal Election Commission, the Committee updated necessary reports to clarify the appropriate allocation of contributions.

If you have any further questions in regards to this matter I'd be glad to provide additional information in order to resolve this matter swiftly, you may reach out to me via e-mail at

Sincerely,

Thomas Datwyler, Treasurer  
Committee to Elect Sam Peters
