Kathryn,

Thank you for the suggestion. I've attached the blanket designation for all of the committees signed by the treasurer.

We request to consolidate this MUR in our global response. Additionally, we respectfully request a fourteen-day extension of time for our global response. This extension of time will permit us to properly evaluate the new allegations and compile the necessary documentation. Specifically, we are still working to overcome issues with the previous treasurer who is in possession of the relevant records that are needed to ensure a complete and accurate response to these allegations.

Thank you,

Ben
