My name is Bill Griffin. My contact is as follows:

I would like to file a complaint, as I understand these circumstances may merit action by the FEC.

I have recently seen multiple video advertisements on Youtube and other internet platforms such as Pluto TV. I have enclosed a screen shot of an ad. These ads tout the legislative accomplishments of Lucy McBath who is a member of the US House of Representatives, Georgia 7th district.

As you can see, the screenshot states: "Visit advertiser mcbath.house.gov"

So, either the US government is the advertiser or there is another advertiser and consumers of this ad are directed to a government website.

Either way, my understanding is that this is illegal. My complaint is that house member Lucy McBath is abusing her office. I have contacted Lucy McBath's office via phone and email and have not received a response.

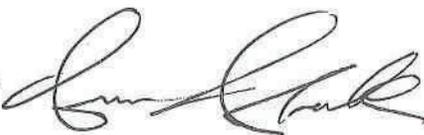

Please let me know what the next steps are.

Kind regards,

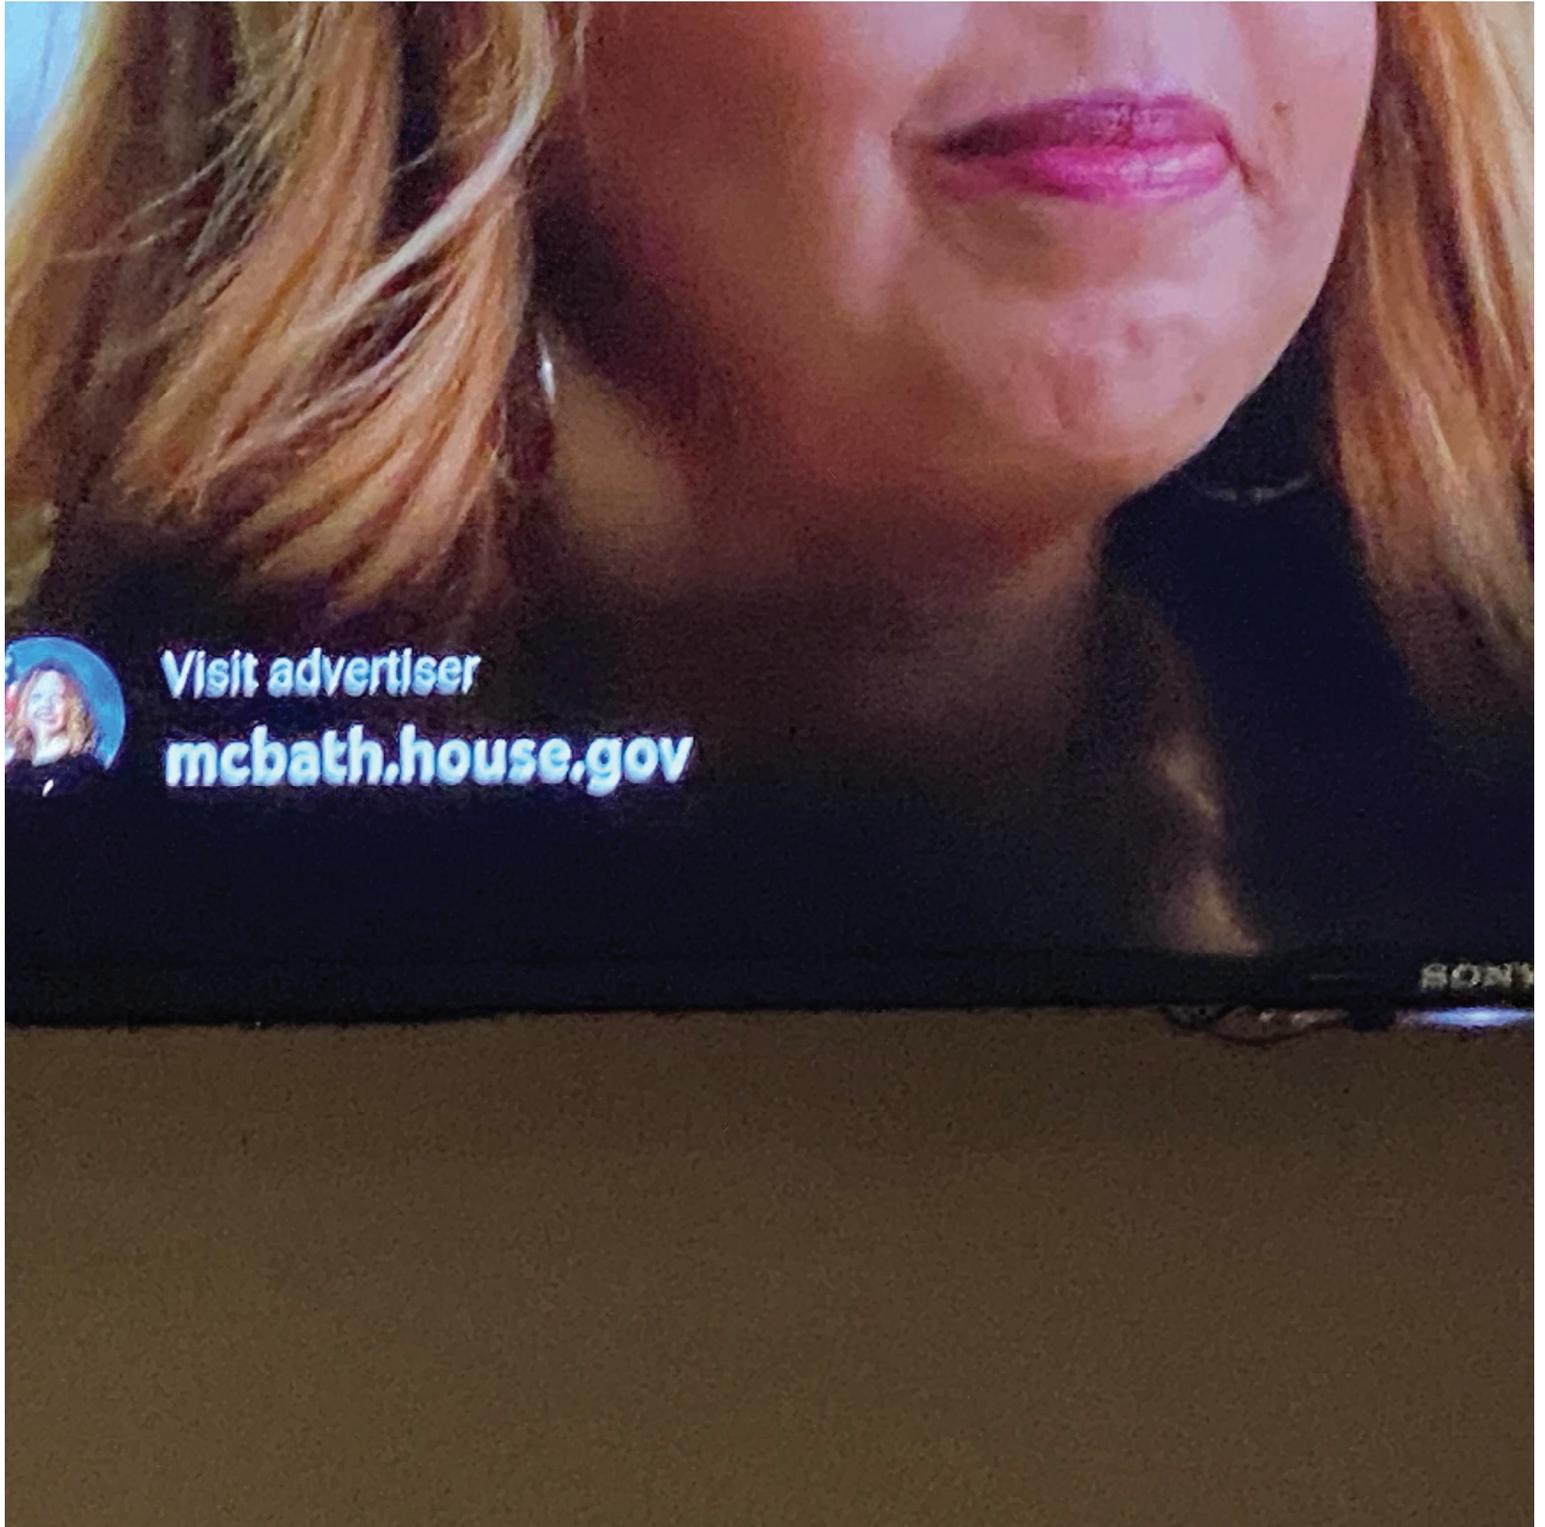

Bill Griffin
