Kathryn,

Thank you for taking my call earlier. As discussed on the phone, my campaign committee as of October 30th of this year (2023), had not raised over the \$5000 reporting threshold. After inquiry and counsel from the FEC itself last month, I was notified that I was not yet required to file a report if I chose not to. I have attached screen grabs to this email of the response I received from the FEC when I inquired. Should there be need, I am more than willing to provide copies of my WinRed and Anedot accounts, as well as any bank statements you might require to verify my total fundraising to date.

Thank you for what you and your team do in order to ensure the transparency of our elections. Please email me back to confirm your receipt of my response to the complaint filed.

Blessings,

Dan Eubanks
