Dear Ms. Ross,

Thank you for recent correspondence. Please permit this response to confirm that we have been authorized and can now confirm receipt of the Commission's recent notification sent to us on behalf of our client, Prince George's County, Maryland.

Given the hectic state of affairs at this time of year and our refocusing efforts to the issues raised in the notification, we greatly appreciate your grant of the 30 day extension referenced in your August 7, 2024 e-mail. We will attempt to marshal all necessary information to respond to the Commission's notification. In an effort to eliminate confusion, may I suggest that we confirm that the County's response is expected by September 15, 2024. I would hasten to add that my partner, Sydney Patterson and I are scheduled to be in a three plus week trial in federal court and hope to complete this task by then. We will keep you posted on our progress.

Again, thank you again for your courtesy and cooperation in affording us additional time to respond. As always, should you have any questions or need to contact us feel free to do so using the e-mail addresses contained in this communication.

Sincerely,

Bruce L. Marcus
