Re: MUR 8192

I received the Complaint in the above-referenced matter by e-mail. The Complaint against me should be dismissed with prejudice.

Although my full name is mentioned in the Complaint (pages 41, 48 and 56), I am not listed as a named Respondent. Further, there is no allegation in the Complaint that I may have violated the Federal Election Campaign Act of 1971. The reference to my campaign contributions (pages 48 and 56) are compliant with the statute. The other statements made referencing me are scurrilous, speculative and without any basis in fact. Those statements should be stricken from the Complaint

Respectfully submitted,

ROBERT S. ELLENPORT
