Kathryn,

I would like to request a further extension to respond to the complaint filed. My newly hired CPA is preparing this year's filing. He has expressed that he would need until April 31st to amend the reports addressed in the complaint. We want the response to be thorough and complete, to show that we are working in good faith with the intentions of clarifying any issues specified by Mr. Darnowsky.

I appreciate your patience in this matter. I will attach the CPA's information to this email in the case that you may need to reach him.

Sincerely,
Samantha Meadows
