Re: MUR 8210

Dear Ms. Jacobs and Mr. Busser:

On February 12, 2024, the Federal Election Commission notified your clients, Andrea Salinas for Oregon and Sue Jackson in her official capacity as treasurer, Salinas Victory Fund and Sue Jackson in her official capacity as treasurer (terminated), and Salinas Victory Fund and Shayne Thoman in his official capacity as treasurer, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended (the "Act"). A copy of the complaint was forwarded to your clients at that time.

Upon further review of the allegations contained in the complaint, and information supplied by your clients, the Commission, on October 16, 2024, voted to dismiss this matter effective November 15, 2024. A copy of the General Counsel's Report, which more fully explains the Commission's decision, is enclosed for your information.

Documents related to the case will be placed on the public record today. *See* Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016). If you have any questions, please contact Christine C. Gallagher, the attorney assigned to this matter, at (202) 694-1505 or [cgallagher@fec.gov](mailto:cgallagher@fec.gov).

Sincerely,

Lisa J. Stevenson

The Complaint alleges that, during the 2022 election cycle, Andrea Salinas, U.S. Representative for Oregon’s 6th Congressional District, her principal campaign committee, Andrea Salinas for Oregon and Sue Jackson in her official capacity as treasurer (the “Committee”),<sup>1</sup> and her joint fundraising committees, Salinas Victory Fund and Sue Jackson in her official capacity as treasurer (“terminated JF Committee”) and Salinas Victory Fund and Shayne Thoman in his official capacity as treasurer (“active JF Committee”),<sup>2</sup> received either a

The Response, filed on behalf of Salinas, the Committee, and both the terminated and active JF Committees (“Salinas Response”), requests that the matter be dismissed.<sup>4</sup> The Salinas Response asserts that on August 25, 2022, the then-active and now terminated JF Committee received \$1,000 from La Mota, LLC.<sup>5</sup> According to the Salinas Response, at the time it received the contribution, La Mota informed the terminated JF Committee that the contribution should be allocated among its partners with \$500 attributed to Rosa Cazares and \$500 to Aaron Mitchell.<sup>6</sup> Subsequently, the terminated JF Committee transferred the contribution to Committee.<sup>7</sup> The Salinas Response further asserts that due to a data entry error, the terminated JF Committee, and subsequently the principal campaign committee, failed to properly disclose the attribution of the contribution among the LLC’s partners.<sup>8</sup> The Salinas Response further asserts that upon receiving the Complaint in this matter, the Committee conducted an internal investigation and amended its reports to properly disclose that the La Mota contribution was attributable to

1   Cazares and Mitchell.<sup>9</sup> In addition, the Salinas Response asserts that in May 2023, prior to  
2   receiving the Complaint, the Committee had already disgorged the \$1,000 contribution from La

5           Based on its experience and expertise, the Commission has established an Enforcement  
6   Priority System using formal, pre-determined scoring criteria to allocate agency resources and  
7   assess whether particular matters warrant further administrative enforcement proceedings. These  
8   criteria include (1) the gravity of the alleged violation, taking into account both the type of  
9   activity and the amount in violation; (2) the apparent impact the alleged violation may have had  
10   on the electoral process; (3) the complexity of the legal issues raised in the matter; and (4) recent  
11   trends in potential violations and other developments in the law. This matter is rated a low  
12   priority for Commission action after application of these pre-established criteria. Given that low  
13   rating, low apparent dollar amount at issue, and that the Committee has amended its disclosure  
14   reports, we recommend that the Commission dismiss the Complaint, consistent with the  
15   Commission's prosecutorial discretion to determine the proper ordering of its priorities and use  
16   of agency resources.<sup>11</sup> We also recommend that the Commission close the file effective 30 days  
17   after the date the certification of this vote is signed (or on the next business day after the 30th
