Good afternoon,

The Response to MUR 8248 is due this week, but we would appreciate an additional 30-day extension in which to respond as we have been tied up with litigation matters. Our understanding is that this additional extension may require tolling, and we are willing to agree to a 30-day tolling period if necessary. Per our prior email correspondence, please let us know if the request is granted and send the tolling agreement at your earliest convenience so we can review.

Thank you!

Sincerely,
Caitlin
