Derek,

Thank you for the designation of counsel. This email confirms your extension is granted and your clients response is now due on June 21, 2024. Enjoy your day.

Kind regards,  
Christal

Christal -

Attached please find the designation of counsel in MUR 8255. As I have only been recently retained and many of the allegations relate to expenditures more than 10 years old, I am requesting an additional 30 days to file a response so that I can work with my client to obtain and review the relevant records.

Thanks,

Derek
