ENFORCEMENT PRIORITY SYSTEM

DISMISSAL REPORT

MUR: 8275

Respondents: Hamilton County Republican Party
John Carter for Congress and Todd
Meredith in his official capacity as
treasurer

Complaint Receipt Date: June 13, 2024

Response Receipt Dates: June 28, 2024; July 3, 2024

Alleged Statutory/

Regulatory Violations:

52 U.S.C. §§ 30104(b), 30116(a)(2)(A), (d)(4), (f)
11 C.F.R. §§ 104.3(a), (b), 104.13, 109.32, 109.37

The Complaint alleges that the Hamilton County Republic Party, a local party committee in Texas (the “County Party”), made, and John Carter for Congress and Todd Meredith in his official capacity as treasurer, the principal campaign committee of Representative John Carter,¹ a candidate for Texas’s 31st Congressional District in the 2024 election cycle (the “Carter Committee”)² and other unidentified committees, knowingly accepted and failed to disclose excessive in-kind contributions of \$6,000, or alternately that the County Party made a coordinated party expenditure of the same amount during a primary election supporting Carter and apparently the other unidentified committees,³ in violation of the Federal Election Campaign Act of 1971, as amended (the “Act”).

² Rep. John Carter, Statement of Candidacy at 1 (Nov. 10, 2022), <https://docquery.fec.gov/pdf/998/202211109546748998/202211109546748998.pdf>.

³ Compl. at 1-2 (June 13, 2024).

1 The Complainant, a candidate for Texas’s 31st Congressional District in the 2024 election
2 cycle, states that he was denied an opportunity to speak at a County Party “candidate fair” on
3 February 5, 2024, whereas four other primary candidates, including Carter, spoke at the event,
4 constituting in-kind contributions from the County Party to the speakers or a prohibited coordinated
5 party expenditure during a primary election, with an approximate value of \$6,000.⁴

6 In Response, the County Party and Carter Committee each state that no money was spent by
7 the County Party to hold its meeting on February 5, 2024, and argue that the Commission should
8 dismiss the Complaint.⁵

9 Based on its experience and expertise, the Commission has established an Enforcement
10 Priority System using formal, pre-determined scoring criteria to allocate agency resources and
11 assess whether particular matters warrant further administrative enforcement proceedings. These
12 criteria include (1) the gravity of the alleged violation, taking into account both the type of activity
13 and the amount in violation; (2) the apparent impact the alleged violation may have had on the
14 electoral process; (3) the complexity of the legal issues raised in the matter; and (4) recent trends in
15 potential violations and other developments in the law. This matter is rated as low priority for
16 Commission action after application of these pre-established criteria. Given that low rating and low
17 apparent dollar amount at issue we recommend that the Commission dismiss the Complaint,
18 consistent with the Commission’s prosecutorial discretion to determine the proper ordering of its
19 priorities and use of agency resources.⁶ We also recommend that the Commission close the file

⁴ *Id.* at 1-2.
