RE: MUR 8280
(TCR Grassroots PAC)

Dear Ms. Campbell:

This is in reference to the complaint you filed with the Federal Election Commission on June 26, 2024, concerning TCR Grassroots PAC. Based on that complaint and after considering the circumstances in this matter and information provided in response to the complaint, on April 9, 2025, the Commission voted to dismiss and close the file, effective May 12, 2025.

The General Counsel's Report, which more fully explains the basis for the Commission's decision, is enclosed. Documents related to the case will be placed on the public record today. *See* Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016).

The Complaint [REDACTED] allege that TCR Grassroots PAC and Regina McManus in her official capacity as treasurer, a multi-candidate political action committee, violated the Federal Election Campaign Act of 1971, as amended (the “Act”), and Commission regulations when it: (1) failed to timely register with the Commission as a political committee in March 2024; (2) disseminated campaign literature and social media posts without disclaimers; (3) failed to file disclosure reports for the period between January 1, 2024, and March 1, 2024; and (4) apparently fraudulently misrepresented that it acted on behalf of the Trumbull County Republican Party.¹

¹ Compl. at 1-2, MUR 8280 (May 26, 2024); [REDACTED]

Respondent states that it filed its Statement of Organization on March 11, 2024, and represents that it began operations on February 1, 2024.² Regarding its financial activities and disclosures, Respondent states that its total receipts and disbursements for the period in question was \$1,543 which were in-kind contributions from its treasurer and used to produce slate cards.³ This activity was apparently reported on TCR Grassroots PAC's 2024 April Quarterly Report, dated April 15, 2024, covering the period January 1, 2024, to March 1, 2024.⁴ Regarding the disclaimer issue, Respondent states that the Complaint "conflated other personal/protected speech by Regina McManus [the committee's treasurer] as PAC activity."⁵ Regarding the apparent fraudulent misrepresentation violation, again, Respondent states that the activity in question, online social media posts, were not the committee's activity and that its only activity was to produce slate cards.⁶

Based on its experience and expertise, the Commission has established an Enforcement Priority System using formal, pre-determined scoring criteria to allocate agency resources and assess whether particular matters warrant further administrative enforcement proceedings. These criteria include (1) the gravity of the alleged violation, taking into account both the type of activity and the amount in violation; (2) the apparent impact the alleged violation may have had on the electoral process; (3) the complexity of the legal issues raised in the matter; and (4) recent

The committee initially filed its 2024 April Quarterly Report by mail, dated April 15, 2024, without itemizing its receipts and disbursements. On April 30, 2024, the Commission's Reports Analysis Division issued a Request for Additional Information instructing the PAC to file its report electronically. On June 3, 2024, the PAC electronically filed its report, itemizing its receipts and disclosures, as well as a Form 99, explaining its receipt of in-kind contribution from its treasurer and its expenditures.

2 priority for Commission action after application of these pre-established criteria. Given that low
