ENFORCEMENT PRIORITY SYSTEM

DISMISSAL REPORT

MUR 8287

Respondents: The Joshua Super PAC and Kathy Fishel in her official capacity as treasurer
Bernie Moreno for Senate and Paul Kilgore in his official capacity as treasurer
Kathy Fishel
Scott Fishel

Complaint Receipt Date: July 15, 2024

Last Response Date: Oct. 21, 2024

Alleged Statutory/

Regulatory Violations:

52 U.S.C. §§ 30104(a)-(b), 30116(a), (f)
11 C.F.R. §§ 104.3, 109.20, 109.21

The Complaint alleges that The Joshua Super PAC and Kathy Fishel in her official capacity as treasurer (the “Joshua PAC”), an independent expenditure-only political committee,¹ as well as Kathy Fishel and Scott Fishel in their individual capacities, made, and Bernie Moreno for Senate and Paul Kilgore in his official capacity as treasurer (the “Moreno Committee”), the principal campaign committee of Senator Bernie Moreno, 2024 candidate for Senator from Ohio,² knowingly accepted, unreported, excessive, and prohibited coordinated in-kind contributions, in violation of the Federal Election Campaign Act of 1971, as amended (the “Act”).³

³ Compl. at 1 (July 15, 2024). The Complaint makes a number of allegations involving the Joshua PAC’s interactions with state committees that are outside the Commission’s jurisdiction.

1 The Complaint states that Kathy and Scott Fishel “hosted a number of fundraisers” in
2 support of Moreno’s candidacy and paid for communications in coordination with the Moreno
3 Committee, without further specifying.⁴ The Complaint includes a picture of an invitation to an
4 event “in support of” the Moreno Committee held at another individual’s home with live
5 entertainment and valet parking, displaying “[l]eadership [c]ommittee” followed by four monetary
6 amounts, and listing “Kathy and Scott Fishel” as members of the leadership committee.⁵

7 During the 2024 election cycle, the Joshua PAC reported a total of \$31,661.95 in receipts
8 and \$34,351.68 in disbursements, and did not report making any contributions to the Moreno
9 Committee.⁶ On November 15, 2023, prior to the submission of the Complaint, the Joshua PAC
10 was administratively terminated.⁷ The Moreno Committee disclosed aggregated contributions
11 totaling \$3,330 designated for the 2024 primary election and \$3,300 designated for the 2024 general
12 election from an individual named Scott Fishel.⁸

13 In Response, the Joshua PAC and Kathy Fishel in her personal capacity argue that the
14 Complaint is “frivolous,” state that the Joshua PAC has never coordinated with any campaign, and
15 specifically deny each allegation made in the Complaint.⁹ In Response, Scott Fishel states that the
16 Complaint does not allege that he violated the Act and specifically denies the allegations.¹⁰

¹⁰ Scott Fishel Resp. at 1-4 (Sept. 19, 2024).

1 In Response, the Moreno Committee argues that the Complaint does not identify any
2 coordinated communication made by Joshua PAC in support of any federal candidate.¹¹ The
3 Moreno Committee argues that the Complaint is purely speculative and that Joshua PAC has never
4 made a public communication in support of Senator Moreno’s candidacy.¹²

5 Based on its experience and expertise, the Commission has established an Enforcement
6 Priority System using formal, pre-determined scoring criteria to allocate agency resources and
7 assess whether particular matters warrant further administrative enforcement proceedings. These
8 criteria include (1) the gravity of the alleged violation, taking into account both the type of activity
9 and the amount in violation; (2) the apparent impact the alleged violation may have had on the
10 electoral process; (3) the complexity of the legal issues raised in the matter; and (4) recent trends in
11 potential violations and other developments in the law. This matter is rated as low priority for
12 Commission action after application of these pre-established criteria. Given that low rating, we
13 recommend that the Commission dismiss the Complaint, consistent with the Commission’s
14 prosecutorial discretion to determine the proper ordering of its priorities and use of agency
15 resources.¹³ We also recommend that the Commission close the file effective 30 days from the date
16 the certification of the vote is signed (or on the next business day after the 30th day, if the 30th day
17 falls on a weekend or holiday) and send the appropriate letters.
