OFFICE OF GENERAL COUNSEL

MUR 8303

20 August, 2024

To whom it may concern,

On August 7, 2024 I submitted this to the FEC website via email. I was unsure that it was to be considered a complaint and a notarized letter was not submitted. This is an updated, notarized complaint letter.

While searching your website for individual contributions, I came across a couple donations to a current political campaign in my state that I knew were not possible. Attached you will find screen captures of 2 donations by an individual that I know to be deceased. There is also a screen capture of the individual's local obituary for reference. I have checked the State of Ohio, Ottawa County, voter rolls from our Secretary of State and the individual has been removed, however the spouse is still listed. The individual, a one "Carol Ann Baker" of 18903 W. SR 105 Elmore Ohio, died December 10, 2023. There are two donations to "Friends of Sherrod Brown" dated 5/3/2024 and 5/21/2024.

Thank You
