CONCILIATION AGREEMENT

This matter having been initiated by the Federal Election Commission (hereinafter "the Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities, and after reasonable cause to believe having been found that the Regular Democratic Organization ("Respondent") violated 2 U.S.C. § 434(a)(1) by not filing pre- and post-election reports, filing late quarterly reports and by filing a quarterly report without being signed by Respondent's treasurer; 434(b)(9) by failing to report each candidate's allowable portion of each expenditure and for failing to report the dates on which expenditures were made; 434(b)(12) by failing to continue reporting debts and obligations until extinguished; and 441a(a)(1) by making contributions in excess of the statutory limits; and 11 C.F.R. § 104.2 by failing to file reports on FEC Form 3;

MUR 858(78)

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter was referred to the General Counsel's Office from the Reports Analysis Division. It concerns the Regular Democratic Organization ("RDO"), a political committee based in Louisiana.

RDO endorses and makes expenditures on behalf of candidates at both the local and federal levels. In order to benefit from RDO's support, candidates underwrite the cost of the expenditures involved in RDO's efforts. The funds which RDO receives from a candidate or a candidate's committee usually approximate the amount RDO expends on behalf of that particular candidate.

The Commission has found reasonable cause to believe that RDO violated 2 U.S.C. §§ 434(b)(9), 434(b)(12) and 441a. The Commission has also found reason to believe that RDO violated 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.2. Finally, the Commission authorized this office to transmit a proposed conciliation agreement to the respondent.

Jesse S. Guillot, the attorney representing RDO, during telephone conferences with the staff counterproposed a civil penalty

79010170299

in the amount of \$500, rather than the \$1,000 civil penalty provided for in the proposed agreement. Mr. Guillot was informed that this office would recommend the reduced civil penalty if all other terms of the Commission's proposed agreement were accepted.

On Friday, November 2, 1979, this office received the signed agreement and a check for \$500 "in payment of the penalties." The agreement was identical to the one proposed by the Commission even to the extent that the \$1,000 civil penalty figure remains unchanged. On November 9, 1979, the Commission received a revised agreement from Mr. Guillot, changing the civil penalty to \$500. (Attachment II).

II. LEGAL ANALYSIS

We believe that the conciliation agreement should be approved by the Commission with the \$500 civil penalty. The agreement contains the express admissions the Commission determined should be included in addition to an agreement not to undertake any activity in violation of the Act; it prevents future violations while also correcting past ones.

It should be noted that in the interest of expediting resolution of this matter, the agreement, as proposed by the Commission and approved by RDO, provides that reasonable cause to believe has been found as to RDO's violations of 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.2, even though the Commission has not yet found reasonable cause to believe that these provisions were violated. Therefore we recommend that the Commission find reasonable cause to believe that

RDO violated these provisions before approving the conciliation agreement. This approach has been used before in the interest of expediting the conclusion of an enforcement proceeding. See, e.g., In the Matter of Vermillion East Range Conservation Council, MUR 914. (Reasonable cause to believe found, and conciliation agreement accepted, on October 9, 1979).

III. RECOMMENDATIONS

The Office of General Counsel recommends that the Commission:

1. find reasonable cause to believe that RDO violated 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.2;
2. approve the conciliation agreement with a civil penalty of \$500;
3. close the file; and
4. file a copy of the agreement with RDO's reports.

Re: MUR 858(78)

Dear Mr. Guillot:

On September 26, 1979, the Commission determined there was reasonable cause to believe that your client, the Regular Democratic Organization, violated 2 U.S.C. §§ 434(b)(9), 434(b)(12) and 441a (a)(1)(A) of the Federal Election Campaign Act of 1971, as amended, and reason to believe that the Regular Democratic Organization had violated 2 U.S.C. § 434(a)(1) (by failing to file pre- and post-election reports, failing to file timely quarterly reports and filing a quarterly report which was not signed by its treasurer) and 11 C.F.R. § 104.2 (by not filing reports on F.E.C. Form 3).

As to the Commission's reason to believe findings, please recall that you have an opportunity to demonstrate that no action should be taken against your client. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis.

As to the Commission's reasonable cause to believe findings, the Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. § 437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may, upon a finding of probable cause to believe a violation has occurred, institute civil suit in United States District Court and seek payment of a civil penalty not in excess of \$5,000.

We enclose a conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the civil penalty to the Commission within ten days. I will then recommend that the Commission approve the agreement. Please make your check for the penalty payable to the U.S. Treasurer.

SUBJECT: Interim Conciliation Report and Letter to
Jesse S. Guillot, Esq.

DATE: October 19, 1979

Attached is a cover letter transmitting a copy of the SOUL conciliation agreement to respondent's counsel in MUR 858 and an Interim Conciliation Report in which we advise the Commission of the status of conciliation efforts and that we are sending respondent's counsel a copy of the agreement.

The recommendations in our last General Counsel's Report were adopted on a 5-0 48-hour vote basis, with Commissioner McGarry approving the recommendation but objecting to the use of SOUL as precedent. Nonetheless, I believe we should send a copy of the agreement as requested, since it is a public document which counsel could obtain from Public Records. Forcing him to do so, however, would be detrimental to creating an atmosphere which would facilitate conciliation negotiations.

INTERIM CONCILIATION REPORT

On September 26, 1979, the Commission found reasonable cause to believe that RDO violated 2 U.S.C. §§ 434(b)(9), 434(b)(12) and 441a and reason to believe RDO violated 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.2. The Commission also authorized this Office to transmit to RDO a notification letter with a proposed conciliation agreement enclosed. The letter and proposed agreement were sent on September 27, 1979, and were received by Jesse S. Guillot (RDO's attorney) on October 1, 1979.

As of October 17, 1979, we had not received any response from RDO, and so Jay B. Myerson, the attorney handling this matter for the Commission, telephoned Mr. Guillot. Mr. Guillot informed Mr. Myerson that he had forwarded the proposed agreement to RDO for consideration and was awaiting directions from his client. Mr. Guillot expressed his client's and his own substantial dissatisfaction with the agreement as proposed, noting that RDO had sought to comply with the Act and to cooperate with the Commission's requests. He also requested a copy of the Commission's conciliation agreement with the Southern Organization for Unified Louisiana. Mr. Myerson provided Mr. Guillot with examples of the inadequacy of some of the information provided by Mr. Guillot, agreed to have this Office send Mr. Guillot

79 OCT 23 12: 09

a copy of the agreement with the Southern Organization for Unified Louisiana and sought to alleviate certain of Mr. Guillot's misconceptions, including Mr. Guillot's apparent belief that the Commission's proposal was a non-negotiable take it or leave it offer and that the Commission had asked RDO to send a representative to Washington to meet with the Commission or Commission staff.

Mr. Guillot and Mr. Myerson will talk again next week, at which time they will discuss the proposed agreement.

CONCILIATION AGREEMENT

70010170320
This matter having been initiated by the Federal Election Commission (hereinafter "the Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities, and after reasonable cause to believe having been found that the Regular Democratic Organization ("Respondent") violated 2 U.S.C. § 434(a)(1) by not filing pre- and post-election reports, filing late quarterly reports and by filing a quarterly report without being signed by Respondent's treasurer; 434(b)(9) by failing to report each candidate's allowable portion of each expenditure and for failing to report the dates on which expenditures were made; 434(b)(12) by failing to continue reporting debts and obligations until extinguished; and 441a(a)(1) by making contributions in excess of the statutory limits; and 11 C.F.R. § 104.2 by failing to file reports on FEC Form 3;

NOW, THEREFORE, the Commission and Respondent, having duly entered into conciliation pursuant to 2 U.S.C. § 437g(a)(5), do hereby agree as follows:

I. The Commission has jurisdiction over the Respondent and the subject matter of this proceeding.

II. Respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondent enters voluntarily into this Agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. Respondent is a political committee as defined by 2 U.S.C. § 431(d).
2. Respondent endorses both Federal and local candidates and campaigns for the candidates it endorses, but it is not part of the Democratic Party structure nor is it authorized by or affiliated with any Federal candidate or political committee.
3. Respondent prepares a campaign budget and each candidate endorsed by Respondent, or an authorized committee of each endorsed candidate, pays the candidate's pro rata share of the expenses. The factors considered in allocating expenses include the type of election, the candidate's opposition and the office's importance.
4. Respondent made expenditures on behalf of Federal candidates in excess of \$1,000.
5. Prior to August 1977, Respondent maintained one bank account into which it deposited all monies it received. Since August 1977, Respondent has deposited all monies it received from Federal candidates or their committees into a separate account.
6. Respondent has never filed a pre- or post-election report with the Federal Election Commission.

70010170321

7. Quarterly reports filed with the Commission by Respondent have been filed late.
8. Quarterly reports filed with the Commission by Respondent have failed to disclose the portion of each expenditure allocated to each Federal candidate and the date on which the expenditures were made.
9. Respondent failed to continuously report outstanding debts and obligations until they were extinguished.
10. Respondent's October 10, 1976, quarterly report was signed by Jesse Guillot rather than by the Respondent's treasurer. Respondent's registration statement does not identify Mr. Guillot as its assistant treasurer.
11. Respondent has filed reports with the Commission on FEC Short Form 6 rather than on FEC Form 3.

WHEREFORE, Respondent agrees:

V. Respondent's failure to file pre- or post-election reports is a violation of 2 U.S.C. § 434(a)(1)(A).

VI. Respondent violated 2 U.S.C. § 434(a)(1)(C) by filing late quarterly reports.

VII. Respondent failed to disclose the portion of each expenditure allocated to each Federal candidate and the dates on which the expenditures were made in violation of 2 U.S.C. § 434(b)(9).

VIII. Respondent failed to continuously report outstanding debts and obligations until extinguished in violation of 2 U.S.C. § 434(b)(12).

70040170322

IX. Respondent filed a quarterly report which was not signed by its treasurer in violation of 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.12.

X. Respondent filed reports on incorrect forms in violation of 11 C.F.R. § 104.2.

XI. Respondent made expenditures on behalf of Federal candidates in excess of \$1,000 each per election, in violation of 2 U.S.C. § 441a(a)(1)(A).

XII. Respondent will pay a civil penalty to the Treasurer of the United States in the amount of one thousand dollars (\$1,000) pursuant to 2 U.S.C. § 437g(a)(6)(B).

XIII. Respondent agrees that it shall not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431, et seq.

GENERAL CONDITIONS

XIV. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

XV. It is mutually agreed that this agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

70010170323

XVI. It is agreed that respondent shall have no more than thirty (30) days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter was referred to the General Counsel's Office from the Reports Analysis Division. It concerns the Regular Democratic Organization ("RDO"), a political committee based in Louisiana.

RDO endorses and makes expenditures on behalf of candidates at both the local and federal levels. In order to benefit from RDO's support, candidates underwrite the cost of the expenditures involved in RDO's efforts. The funds which RDO receives from a candidate or a candidate's committee usually approximate the amount RDO expends on behalf of that particular candidate.

The Commission has found reason to believe that RDO violated 2 U.S.C. §§ 434(b)(9), 434(b)(12) and 441a(a)(1)(A).

Description of RDO

RDO has been registered with the Commission since November 1976. Although RDO endorses Federal and non-Federal candidates and runs a campaign on behalf of the endorsed candidates, RDO is not part of the Democratic Party structure, nor is it an authorized committee of a Federal candidate or identified as an affiliate of any other political committee.

79010170331

After determining which candidates it will endorse, RDO prepares a budget for its political activities and each candidate bears his or her pro-rata share of the expenses. The factors RDO considers in allocating the expenses include the type of election, the candidate's opposition and the importance of the office. This method usually results in each candidate (or candidate's committee) transferring roughly the same amount to RDO as RDO spends in support of the candidate. The following chart was compiled from reports on file with the Commission and from correspondence with RDO.

RDO-endorsed Federal candidate	Amount RDO received from Federal candi- date or candidate's committee	Amount RDO expended on behalf of Federal candidate	Difference
<u>1976</u>			
Congresswoman Boggs	\$2,500.00	\$2,365.00	\$135.00 ^{1/}
James Moreau	6,450.00	5,956.46	493.54 ^{2/}
Congressman Tonry	1,359.00	1,357.00	2.00
<u>1977</u>			
Ronald Faucheux	\$1,900.00	\$1,901.73	\$1.73
<u>1978</u>			
Congresswoman Boggs	\$1,500.00	The information submitted to date by RDO for 1978 generally does not allocate expenses by candidate.	
L. E. Jenkins	7,500.00		
Congressman Livingston	1,500.00		

- ^{1/} The \$135.00 which was received from, but not expended on behalf of, Congresswoman Boggs was apparently expended by RDO on behalf of a non-Federal candidate.
- ^{2/} The \$493.54 which was received from, but not expended on behalf of, James Moreau was apparently expended by RDO on behalf of a non-Federal candidate.

79040170332

Prior to August 1977, RDO apparently did not maintain accounts for the money it received from candidates or their committees. In August 1977, RDO amended its registration statement to provide that henceforth it would maintain a separate account for funds received from Federal candidates.

RDO's Reports

RDO made expenditures on behalf of Federal candidates in six elections from 1976 through 1978.^{3/} During that period, RDO did not file any pre- or post-election reports.^{4/} It did file reports for the five quarters in which it had receipts or made expenditures.

RDO has, at times, failed to itemize, by date and amount, the transfers it received from other political committees or candidates; failed to disclose each federal candidate's allocated share of reported expenditures and the date of each expenditure; failed to continuously report its debts and obligations until extinguished; and failed to file its reports on the proper forms. Additionally, on one occasion RDO filed a report which was not signed by its treasurer or a properly designated assistant treasurer. Finally, RDO's reports for every quarter

^{3/} The six elections were the August 14, 1976, primary, the October 2, 1976, runoff election, the November 1976 general election, the June 25, 1977, primary, the August 27, 1977, special election and the September 16, 1978, primary.

^{4/} Arguably, RDO's July and October 1977 reports could be deemed to be pre- and post-election reports, since RDO was not required to file the quarterly reports because it did not receive contributions or make expenditures in excess of \$1,000 in either quarter.

79010170333

in which it disclosed receipts or expenditures were filed late.

The following chart correlates the reporting problems with the particular quarterly reports:

Report	Filing Date (434(a) (11))	Failed to report date and amount of each transfer (434(b)(4))	Failed to report date and each Federal candidate's allocation of itemized expenditures (434(b)(9))	Reported on Incorrect Form (11 C.F.R. § 104.2)	Report not signed by treasurer or properly designated agent (434(a)(11))	Reported debts and obligations outstanding--not subsequently reported as extinguished (434(b)(12))

II. LEGAL ANALYSIS

79010170335
The Commission has found reason to believe that RDO violated 2 U.S.C. §§ 434(b)(9) by failing to identify which expenditures were in support of which candidates and in what amount; 434(b)(12) by failing to continuously report its outstanding debts and obligations; and 441a(a)(1) by making contributions to Federal candidates in excess of the statutory limit. This Office has concluded that there is reasonable cause to believe RDO violated these requirements. This Office has also concluded that there is reason to believe RDO violated 2 U.S.C. §§ 434(a)(1)(A) by failing to file pre- and post-election reports and 434(a)(1)(C) by filing late quarterly reports. Additionally, we have concluded that RDO violated 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.12(a)(1) by failing to have a properly designated individual sign its October 10, 1977, quarterly report. Finally, this Office has concluded that there is reason to believe RDO violated 11 C.F.R. § 104.2 by not reporting on FEC Form 3.

A. The Reporting Violations

1. 2 U.S.C. § 434(a)(1)(A)

Section 434(a)(1)(A) requires political committees to file pre- and post-election reports. RDO made expenditures on behalf of Federal candidates in six elections between 1976 and 1978,^{5/} yet RDO has never filed a pre- or post-election report

^{5/} The six elections were identified supra at n. 3.

as such.^{6/} This Office has therefore concluded that there is reason to believe that RDO violated 2 U.S.C. § 434(a)(1)(A) by failing to file pre- and post-election reports for elections in which it made expenditures on behalf of Federal candidates.

2. 2 U.S.C. § 434(a)(1)(C)

Section 434(a)(1)(C) prescribes the filing dates for quarterly reports. As a political committee, RDO is required to file such reports in election years for each quarter in which it receives contributions or makes expenditures in excess of \$1,000. Such reports are due to be filed on April 10, July 10, October 10 and January 31, for the preceeding quarter. However, if the deadline for filing the quarterly report is within ten days before or after an election, the quarterly report is not required if the pre-election report is timely filed. RDO should have filed quarterly reports with the Commission on October 10, 1976,^{7/} January 31, 1977, and October 10, 1978. The October 10, 1976, report, and the first amendment thereto, were not received by the Commission until November 11, 1976;

^{6/} As was recognized supra at n.4, an argument can be made that two of the quarterly reports should be deemed to be pre- and post-election reports. Even if these reports are treated as pre- and post-election reports, RDO failed to file pre- and post-election reports for five other elections.

^{7/} The October 10, 1976, quarterly report would not have been required if RDO had filed a timely pre-election report for the October 2, 1976, runoff election. Since the pre-election report was not filed, the quarterly report was required.

7 0 0 1 0 1 7 0 3 3 6

the January 31, 1977, report was not signed by RDO's treasurer until August 5, 1977; and the report due October 10, 1978, was not received until February 22, 1979. Thus, there is reason to believe that RDO violated 2 U.S.C. § 434(a)(1)(C).

3. 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.12

Section 434(a)(1) imposes on the political committee's treasurer the responsibility of filing reports with the Commission and 11 C.F.R. § 104.12(a) provides that the individual responsible for filing the report shall sign the original. Gasper J. Schiro has been RDO's treasurer since RDO registered with the Commission in November 1976. RDO has not designated an assistant treasurer, as permitted by 11 C.F.R. § 102.7(b)(2), and so Schiro must sign the original of each report filed by RDO.

Jesse Guillot, RDO's Vice Chairman and lawyer, signed Schiro's name to RDO's October 10, 1977, quarterly report, and added the notation "By Jesse Guillot, Acting Secretary and Treasurer." (Attachment L). The Commission advised RDO that "[a]ll Reports and Statements required to be filed must be signed in the original by the treasurer and/or his or her designated agent." (Attachment M). The Commission also informed RDO that "the Commission notes that Jesse S. Guillot has signed a report for the treasurer, Gasper J.

7 2 0 1 0 1 7 0 3 3 7

Schiro. In order for this to be done, Mr. Guillot must be designated on a Statement of Organization as agent for the treasurer." (Attachment N). When RDO did not respond, the Commission advised RDO that its failure to respond gave the Commission reason to believe that RDO was in violation of the Act but that the Commission would take no action until RDO had a reasonable opportunity to respond. (Attachments O and P). RDO has not responded, and we have concluded there is reason to believe RDO violated 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.12(a).

4. 2 U.S.C. § 434(b)(4)

Section 434(b)(4) requires the reporting of the name and address of each political committee or candidate from which a reporting committee receives any transfer of funds, together with the amounts and dates of all transfers. Although RDO reported the total amount it received from each candidate or candidate's committee during a given reporting period, it has at times failed to report the specifics of the individual transfers. So, for example, RDO summarily reported receiving \$3,500 from James Moreau between July 19 and August 19, 1976, and \$2,950 from him between August 19 and October 20, 1976. The Moreau Congressional Campaign Committee correctly disclosed each of its expenditures to RDO during those periods as follows: \$1,500 on July 22, 1976; \$2,000 on July 29, 1976; \$2,000 on September 4, 1976; and \$950 on September 22, 1976.

72010170339

(Compare Attachments D-3, H and S-1 with Y-1-Y-3).

Although RDO's disclosure of these transfers was technically inadequate, the public interest in disclosure is not hampered where, as here, the reporting committee disclosed the total amount received during the period from that source.^{8/}

Therefore, we have concluded the Commission should not find reason to believe RDO violated section 434(b)(4).

5. 2 U.S.C. § 434(b)(9)

2 U.S.C. § 434(b)(9) and section 104.2(b)(9) of the regulations require the identification of each person to whom expenditures have been made by the reporting committee during the calendar year aggregating in excess of \$100 and the amount, date and purpose of each such expenditure, as well as the name and address of, and office sought by, each candidate on whose behalf such expenditure is made. Additionally, 11 C.F.R. § 104.7 requires that where a committee makes an expenditure on behalf of more than one candidate, the committee shall "report the allocation for each Federal candidate." While RDO has generally identified each person to whom such expenditures were made, it often

^{8/} See the Campaign Finance Study Group, An Analysis of the Impact of the Federal Election Campaign Act, 1972-1978: Final Report to The Committee on House Administration of the U.S. House of Representatives, "The Federal Election Commission" at 6-28.

79010170339

has failed to disclose each candidate's allocable portion of each expenditure. Additionally, RDO has failed to report the dates on which some of the expenditures were made. Because of this, there is reasonable cause to believe that the respondent violated 2 U.S.C. § 434(b)(9).

6. 2 U.S.C. § 434(b)(12)

The Commission has found reason to believe that RDO violated 2 U.S.C. § 434(b)(12), which requires a committee to continuously report its debts and obligations until they are extinguished and to file a statement as to the circumstances and conditions under which a debt or obligation is extinguished and the consideration therefor. RDO reported owing debts and obligations totaling \$2,282.58 as of October 20, 1976. (Attachment D-4). However, RDO's subsequent reports make no mention of the obligations. RDO has advised this Office that the debts and obligations were incurred on behalf of non-Federal candidates and were paid in full with funds derived from only non-Federal candidates. RDO is thereby asserting that it was not required to report these obligations, either initially or until extinguished.^{9/}

The facts underlying this reasoning are not substantiated by the materials submitted by RDO in that it appears the major

^{9/} Attachment S-1 at 2 and Attachment T at III.

70040170341

debt was incurred, in part, for a Federal candidate. The obligations reported as outstanding as of October 20, 1976, were \$616 rent due Mason Smith Realty Co., \$94 to the Braniff Place Hotel for a meeting with the candidates and \$1,572.58 to the Saxony Restaurant for a citywide party and rally.^{10/} On September 8, 1976, RDO paid \$500 to the Saxony Restaurant as a deposit for the citywide rally, of which \$50 (10%) was allocated to the Federal candidates. (Exhibit A to Attachment T). RDO made a second payment to the Saxony Restaurant on October 4, 1976. This payment also was for the citywide rally for candidates and once again the Federal candidates were allocated a ten percent share of the expenses (\$200 of a \$2,000 payment). Thus, it would seem that the Saxony obligation was incurred for both Federal and non-Federal candidates, and so reporting was required until the obligation was extinguished. This conclusion is further buttressed by RDO's February 19, 1979, letter to the Commission which reported that between August 19 and October 20, 1976, RDO made an expenditure of \$50.00 to the Saxony Restaurant as congressional candidate Moreau's portion of expenses, noting "for all candidates Federal and Local." We believe that this \$50 expenditure

^{10/} Attachment D-4.

on Moreau's behalf is the 10% of the security deposit for the Saxony that was attributed to Federal candidates by RDO and we believe that it demonstrates that this was an obligation on behalf of Federal and non-Federal candidates.

Even if the Commission accepts RDO's statement that the debts and obligations were not incurred for Federal candidates and were paid in full with funds derived only from non-Federal candidates, the requirements of 2 U.S.C. § 434 (b)(12) would still apply. The obligations were created in 1976. RDO did not maintain separate accounts for Federal and non-Federal candidates until August 1977.^{11/} Thus, the funds RDO received from Federal and non-Federal candidates were commingled in one account prior to August 1977 and therefore all activity involving expenditures prior to that time had to be reported to the Commission. Since RDO did not continuously report these debts and obligations prior to the establishment of separate accounts, there is reasonable cause to believe RDO violated section 434(b)(12).

7. 11 C.F.R. § 104.2

11 C.F.R. § 104.2(a) requires political committees to file reports on FEC Form 3. RDO has filed most of its

^{11/} In August 1977, RDO amended its registration statement. The amended statement disclosed that RDO "will maintain separate account for candidates for Federal Office." Attachment U at Para. 8(b).

reports on FEC Short Form 6 rather than Form 3. On January 16, 1978, the Commission advised RDO that RDO's reports had to be on FEC Form 3 and requested RDO to submit its October 10, 1977, report on Form 3, providing itemizations on Schedules A,B,C and D, as necessary.^{12/} (Attachment M). When RDO did not respond, the Commission advised RDO that it had reason to believe that RDO was in violation of the Act but that the Commission would take no action until RDO had a reasonable opportunity to respond. (Attachment O). RDO has not responded, and so we have concluded there is reason to believe RDO violated 11 C.F.R. § 104.2(a).

B. Violation of the Limitation on Contributions

The Commission has also found reason to believe that RDO violated 2 U.S.C. § 441a. As discussed in the First General Counsel's Report, this matter is similar to the Matter of Southern Organization for Unified Louisiana ("SOUL"), MUR 519(78), and it is submitted that RDO should be treated in a similar matter. The Commission, in SOUL, dealt with a Louisiana organization which campaigned for the candidates it supported, spending on each

^{12/} The letters sent by the Commission which are discussed in this section also were discussed above in the section considering RDO's submission of a quarterly report which was not signed by RDO's treasurer.

7 9 0 1 0 1 7 0 3 4 4

candidate the same amount as it received from the candidate. That matter was resolved by a conciliation agreement in which the Commission agreed that the money expended by SOUL on behalf of a candidate was equal to the amount the candidate transferred to SOUL; also, SOUL admitted in the conciliation agreement it had violated section 441a by commingling the funds received from the different candidates and then making expenditures on behalf of the candidates in excess of the statutory limit.^{13/} The commingling of the candidates' funds is significant since the § 441a limits were applicable to SOUL not because SOUL could not spend a candidate's own money on his behalf without limit but because the funds expended by SOUL could not be traced to any particular candidate.^{14/}

RDO, like SOUL, is a Louisiana committee which receives funds from candidates and makes expenditures on their behalf. Here, as in SOUL, the funds received from the candidates were commingled and RDO's expenditures exceeded the statutory limit.

^{13/} A copy of this agreement is attached for the Commission's convenience (Attachment EE).

^{14/} See the September 27, 1978, General Counsel's Report in MUR 519(78) at 6-7. (Attachment FF).

Therefore, there is reasonable cause to believe that RDO violated section 441a(a)(1) of the Act.

RECOMMENDATIONS:

We recommend that the Commission:

1. find reasonable cause to believe that RDO violated 2 U.S.C. §§ 434(b)(9), 434(b)(12) and 441a;
2. find reason to believe RDO violated 2 U.S.C. § 434(a)(1) and 11 C.F.R. § 104.2; and
3. authorize transmittal of the attached letter and conciliation agreement.

Re: Regular Democratic Org.
My file no. 2385

Gentlemen:

OPINION REQUEST

788

I am the legal officer for the above Corporation.

This Corporation has been in existence in the State of Louisiana for 100 years.

We endorse candidates at local and Federal levels during all elections.

During the past Congressional Election, we endorsed James A. Moreau for Congressman and Congresswoman Lindy Boggs.

I read over the pamphlet on the Federal Election Commission Campaign Guide, but find it difficult to determine whether the organization should file a report if it endorsed Lindy Boggs and James A. Moreau, the two candidates who ran for the Congressional seat. The two districts from which these candidates ran are within the Metropolitan New Orleans, area and it's surrounding areas, but total with in the State of Louisiana.

Additionally we supported candidates for two State Judgeship positions.

→ The amount received in contribution from Boggs and from Moreau for their pro rata share of expenses was approximately \$3,000.00 each. This was used for ballot printing cost, distribution

and advertisement conducted by the organization.

We would appreciate your advise and information and guide lines on this important matter.

Very truly yours,

MEMORANDUM TO: Bill Oldaker
THROUGH: Brad Litchfield
FROM: Kerry Adams
SUBJECT: Regular Democratic Organization

Mr. Jesse Guillot as the legal officer of the Regular Democratic Organization has written to us to inquire whether the organization should register as a political committee (see attached letter). I spoke to Mr. Guillot to learn precisely what he was asking and to determine more facts.

The Regular Democratic Organization is a Louisiana corporation which is not part of the Democratic party structure. The organization endorses and makes expenditures to promote the election of both State and Federal candidates. This year it is supporting four State candidates and two Congressional candidates, Lindy Boggs and James A. Moreau. The Committee first estimates its budget for such things as ballot printings, registration and get-out-the-vote drives, and advertisements, then it seeks reimbursement from the candidates. The organization has prorated the entire budget and has received approximately \$3,000 each from the two Federal candidates to cover their respective share.

There is no doubt this organization meets the definition of a "political committee" and should be registered with us. I so informed Mr. Guillot, who said that the two Federal candidates have been telling him that the committee should file reports with us. He has so far read only the FEC Campaign Guide for Committees (June 1976) which he obtained from Mrs. Boggs' office. We are sending him the initial committee package of forms and information.

It appears that the committee should have registered with us long before now. The fact that it is a corporation is not as disturbing since it may well fall under the

exception for incorporated political committees (although it is unregistered) under 3116.12(a) of the proposed regulations. However, I am not sure whether it has incorporated solely for liability purposes. I did not broach the subject of corporate contributions with Mr. Guillot, who seems to be completely uninformed about the provisions of the Act.

It appears to be inappropriate to send Mr. Guillot an advisory opinion or informational letter at this time. He is asking only whether and how he should register the committee, and we are sending him the proper materials from the Information Department. However, we would like to inform the Compliance section about the circumstances surrounding the Regular Democratic Organization in case you would like to investigate the matter further.

ATTENTION: MR. CARROLL BOWEN

Re: Regular Democratic Organization
NY File #5887

Dear Mr. Bowen:

By telephone conversation, I have attempted to explain the manner in which our organization operates.

We are a political organization. We operate in the City of New Orleans. In an election, we vote to endorse candidates which may include Federal positions as well as candidates for State election or City election. We provide the cash for us to run a campaign for the entire ticket we endorse. We provide the cash to all the candidates endorsed.

The total contribution made to us, therefore, is the proceeds share of money charged to the candidates endorsed, whether they be local, State or Federal candidates.

Our organization did not make contributions to any candidate. It merely makes cash the candidates for their pro-rata share of expenses for the printing of printing ballots, advertising, cost of mailing ballots to voters, etc.

The 50,000 ballots were created by Americans from the Louis Agency for the printing of ballots, printing of ballots, photographs prepared for the printing of the ballots. The postal cost was a check issued to the

United States Post Office for the cost of stamps for the bulk mailing of letters to the voters in the City of New Orleans in their election.

The \$11,280.00 was charged to the members on their share of expenses, and that amount of expenses was substantiated to us by the following:

1. At Large City Councilman, Joseph Claiborne	\$ 3,000.00
2. At Large City Councilman, Joseph B. Brown	3,000.00
3. District Councilman, Frank F. Smith	2,000.00
4. District Councilman, A. L. Davis	1,000.00
5. District Councilman, E. B. Brown	1,000.00
6. District Councilman, Fred Brown	1,280.00
7. District Councilman, William C. Brown	3,000.00
8. U.S. Congressman, James Brown	2,000.00
	<u>\$11,280.00</u>

See copy of return filed with the State of Louisiana.

I trust the above answers all of the questions of the committee.

Very truly yours,

James A. Gullage

I.D. #068357

My File No. 5887

Gentlemen:

Thank you for your letter of February 7, 1979 regarding the above organization.

Enclosed please find the following:

Report for April 1, 1978 to June 30, 1978
Report for July 1, 1978 to September 31, 1978
Report for October 1, 1978 to December 31, 1978

Our organization previously had discussed with members of your office the problems regarding funds from State, Local and Federal Candidates in an election. We estimate the cost of a Campaign and we prorate this between the candidates, depending on the type of election, the opposition of the candidate, the importance of the position and many other factors.

After my several discussions with representatives of your office we have discontinued filing a complete report of all receipts and expenditures and now file for the Federal Candidates, as your office suggested. We had discussed the 1976 reports several times already and we thought they were all approved.

For the period covering July 1976 through August 19, 1976 we received from:

Lindy Boggs	\$2,500.00
James Moreau	\$3,500.00

Our record indicate that the proration of expenses applied to Boggs and Moreau were as follows:

OFFICERS PHONE:

JOSEPH CANGIAMILLA 568 5834 JESSE GUILLOT 322 7706 FRANK LETELLIER 486 7321 GASPERSCHINE 548 9033 HARRY LADAS 561 3400

828 Perdido St.

New Orleans, La. 70112

	<u>Boggs</u>	<u>Moreau</u>
Dixie Forms	\$100.00	\$100.00
Cangiamilla	\$ 15.00	\$ 25.00
Mrs. A. Bagert	\$ 15.00	\$ 15.00
Postmaster - Permit	\$ 10.00	\$ 10.00
Bagert - Computer	\$349.25	\$349.25
Ladas Agency (Advertisements)	\$350.00	\$500.00
A. L. Davis	- 0 -	- 0 -
Postmaster	\$1,525.75	\$2,465.00
 TOTAL	 \$2,365.00	 \$3,464.25

The balance of the expenditures appearing on our reports were for the expenses of Judge Mule and Judge Thomas Early, local Candidates, that were running Citywide.

The next report covering the period August 19, 1976 through October 20, 1976 we received from James Moreau the sum of \$2,950.00. Our records indicate the following expenses for Moreau. There were 8 total candidates, 7 local and 1 Federal.

	<u>Moreau</u>
Saxony Restaurant - For all candidates Federal and Local	\$ 50.00
Ladas Agency for Advertisements in Newspapers of all Candidates	\$ 313.44
Dixie Forms for printing of ballots which included all can-idates	\$ 50.00
Dixie Forms for additional printing of ballots and other leaflets	\$ 101.20
Postmaster for mailing of ballots	\$1,600.00
Bank of Louisiana Computer Service	\$ 22.50
Ladas Agency for Advertisements in Newspapers and T.V.	\$ 65.37
Saxony Restaurant - For Citywide Party	\$ 200.00
Sal Cusimano for stamps	\$ 3.00
Nick Belanger - Headquarters for all candidates	\$ 10.00
Absentee Balloting for all candidates	\$ 15.00
Cangiamilla Truck to haul ballots	\$ 8.50
Audler Printing	\$ 18.60
Ladas Agency	\$ 34.60
 TOTAL	 \$2,492.21

The other debts and obligations which are listed on that report for \$2,282.58 were paid by the local candidates in the run off election. No part of those expenses were paid by any funds received from the Federal Candidate.

In answer to No. 2 for possible violations listed in your letter, please be advised that the persons to whom all of the funds have been paid is listed above or itemized and their addresses given in our report.

Enclosed is a sample of the ballot that we print and mail to registered voters and a copy of the newspaper advertisement.

Possible violation No. 3 has also been answered above, but if you feel you need further explanation please let us hear from you and we will do our best to conform.

Very truly yours,

ATTENTION: MR. J. MYERSON

Re: MUR 858
My File No. 5887

Dear Mr. Myerson:

In answer to your letter of the Federal Election Commission, dated May 1, 1979, please be advised that the following are the answers to questions I through IV:

II(A)1. During the period of 10/31/76 thru 12/31/76 we made only one disbursement for federal candidates. That disbursement was made to Ladas Agency for newspaper ads for Rick Tonry's candidacy. The check was for \$1359, and we received during that period from Rick Tonry the sum of \$1359. (Exhibit "E")

II(A)2. For the period 4/01/77 thru 6/30/77, we received from Ron Faucheux, candidate for U.S. Congressman, the sum of \$900. In that time period, we disbursed on June 15, 1977 a check to Ladas Agency to cover the cost to print and distribute ballots and the cost for newspaper advertisement in the sum of \$1321.82, of which amount \$900 was paid by the receipts from Ron Faucheux and \$421.82 was paid by the local candidate, Leroy Hartley, running for the local school board. (Exhibit "C")

II(A)1. For the period 7/01/77 thru 9/30/77, we received from Ron Faucheux candidate for U.S. Congressman, the sum of \$1000. During that same period we issued a check to Ladas Agency for the cost of printing the ballots and for the cost of advertisement in the newspaper for the candidate Ron Faucheux, in the sum of \$999.73. (Exhibit "E")

II(A)2. For the period 7/01/78 thru 9/30/78, we received from Bob Livingston \$1500, we received from L. E. Jenkins \$1500, and we received from Lindy Boggs \$1500, for a total of \$4500. For distribution names and amounts, see description at Exhibit "F". The amount we received from Woody E. Jenkins of \$3500 on 8/15/78 is an error on the Report, and should be \$3000. Also distributions on Report of itemized distributions have been corrected. (See amended Report attached).

7, 9, 9, 4, 0, 1, 6, 3, 0, 4, 9, 1

III. Enclosed please find a breakdown for the period 8/19/76 thru 10/20/76 marked Exhibit "A". That breakdown advises the state candidates who paid off the \$2282.58 which was a state candidate obligation and not a federal candidate obligation, as clearly indicated by the reporting. At that time, our organization was reporting a complete reporting of monies received by local and federal candidates and the expenditures on behalf of both state, local and federal candidates, and I believe this is what caused the confusion. (Exhibit "A")

IV(A). The R.D.O. endorses state, local, and federal candidates by what is commonly called a ballot ticket (see Exhibit "G" attached). After our organization endorses candidates, we then formulate a budget for our political activities, and we break down the budget prorata cost with the candidates endorsed. Some candidates are so minor, such as school board candidates, that their prorata of costs is far less than the prorata of someone running for an entire district or state level. That prorata of costs is then spent for that candidate on the budget activities.

IV(B). We filed a statement of organization for a political committee and received I.D. No. 000072710. We are a political organization that represents and endorses an entire ticket and not any one particular individual or any one federal position or any one state position.

Please advise if you need further information.

Very truly yours,

JOSEPH S. GUILLOT

BEFORE THE FEDERAL ELECTION COMMISSION
September 27, 1978

In the Matter of

Salvador E. Gutierrez)
Gutierrez Campaign Committee)
Southern Organization for Unified Louisiana)
Thomas Jasper)

MUR 519(78)

GENERAL COUNSEL'S REPORT

On April 12, 1978, the Commission found reason to believe that the above-named respondents violated various provisions of the Federal Election Campaign Act of 1971, as amended. An investigation into these matters commenced, and on July 10, 1978, the Commission authorized the issuance of subpoenas to two of the respondents and others for the production of documents..We have received and analyzed the responses to these subpoenas and make the following recommendations.

Salvador E. Gutierrez, Jr.

In 1976, Mr. Gutierrez ran for his party's nomination for Congress in the Louisiana primary. Based on a review of the reports filed by his principal campaign committee, the Commission found reason to believe that Mr. Gutierrez violated 2 U.S.C. §441g by making contributions to his campaign in cash which, in the aggregate, exceeded \$100. In response to the Commission's letter of notification, Mr. Gutierrez admits having made cash contributions totaling \$31,600, but he asserts that the cash limitation of 2 U.S.C. §441g is not applicable to candidates making cash contributions to their campaigns, much in the same way that the contribution limitation

Southern Organization for Unified Leadership (SOUL)

Based on a review of the reports filed by SOUL, the Commission found reason to believe that SOUL violated 2 U.S.C. §441a(a) by making contributions to candidates with respect to a federal election which, in the aggregate, exceeded \$1,000. These reports show that on August 6, 1976, Salvador E. Gutierrez,^{1/} a candidate in the Louisiana primary for First Congressional District seat, transferred \$8,450 to SOUL, and that on August 10, 1976, Mr. Gutierrez paid \$11,550 to a vendor for expenditures incurred by SOUL. These reports further show that on September 16, 1976, Rick A. Tonry, a candidate for his party's nomination in the run-off election for Louisiana's First Congressional District seat paid \$10,000 to a vendor for expenditures incurred by SOUL, that on August 4, 1976, Lindy Boggs, a candidate for her party's renomination for Louisiana's Second Congressional seat transferred \$500 to SOUL, and that four local candidates made transfers in varying amounts to SOUL.^{2/} As a political committee, SOUL may receive contributions up to \$5,000, and may make expenditures on behalf of any federal candidate in an amount not to exceed \$1,000.

^{1/} Mr. Gutierrez appointed SOUL to be an authorized political committee pursuant to 11 C.F.R. §102.12.

^{2/} It should be noted that Louisiana law allows state and local candidates to accept contributions from corporations.

70040170443
79010004001
79040110694

SOUL was created in 1976 in an attempt to comply with the reporting provisions of the Act, and is the political arm of Southern Organization for Unified Leadership, a non-profit organization for the advancement of minority interests in New Orleans. To further these interests, SOUL, which has a proven ability to get out the black vote in New Orleans, uses this ability to support the election of selected candidates. In order to benefit from SOUL's support and ability to get out the vote, the candidates underwrite the cost of the expenditures involved in SOUL's efforts to get out the vote. These expenditures include the mailing of a sample ballot, poll watchers, canvassers, telephone operators, and other expenditures incidental to getting out the vote.

In response to the Commission's letter of notification, SOUL through its attorney, raises the following points. 1) SOUL is not a political committee, and therefore is not subject to the limitations of 2 U.S.C. §441a. 2) Even if SOUL is a political committee, the monies it received from candidates over \$5,000 and the expenditures it made over \$1,000 on behalf of these same candidates is not violative of 2 U.S.C. §441a(a), since a candidate may spend his personal funds without regard to limitations on his own behalf, and the amount of money SOUL expended on behalf of any one candidate was the same amount transferred to SOUL by that candidate.

An argument can be made that SOUL is not a political committee, but rather a conduit or intermediary through which candidates transfer their funds and have these funds expended on their own behalf. However, at 2 U.S.C. §431(d) political committee is defined as "...any group of persons which...make expenditures during a calendar year in an aggregate amount exceeding \$1,000." SOUL is

7 9 0 4 0 1 7 0 4 4 4
7 9 0 4 0 0 9 1 9 0 5
7 9 0 4 0 1 1 0 6 9 5

within this definition, having made expenditures on behalf of federal candidates in excess of \$1,000, and is therefore a political committee. Accord In the Matter of 17 Baltimore Clubs, MUR 223 (76).

As a political committee, SOUL is subject to the limitations set out in 2 U.S.C. §441a(a). This section imposes a \$1,000 limitation on a political committee making contributions and expenditures on behalf of a federal candidate for the purpose of influencing an election. SOUL asserts that the \$1,000 limit on contributions and expenditures does not apply to it based on the following circumstances present in this matter. In 1976, the source for all the money expended by SOUL came from the candidates themselves on whose behalf SOUL made expenditures. SOUL asserts that the amount expended by it on behalf of a candidate was equal to the amount of money that the candidate transferred to SOUL, therefore, SOUL argues that it should not be bound by the \$1,000 limitation. However, SOUL admits that it did not maintain separate bank accounts for each candidate from whom it received funds. This failure to maintain separate accounts resulted in commingling of the candidates monies (SOUL commingled funds of federal, state and local candidates on whose behalf it made expenditures.) Therefore the §441a limits are applicable to SOUL, not because SOUL could not spend a candidates own money on his behalf without limit, but the limits are applicable in that the funds expended by SOUL cannot be traced to any particular

79010170445
79010091996
79010110696

candidate.

Additionally, the records filed with the Commission fail to indicate how the expenditures made by SOUL were allocated among the various candidates. 2 U.S.C. §434(b)(9). This provision states that a political committee must report the identity of the person to whom expenditures have been made by such committee, the amount, date, and purpose of each such expenditure and the name and address of, and office sought by each candidate on whose behalf such expenditure was made.

For this reason we recommend that the Commission find reason to believe that SOUL violated 2 U.S.C. §434(b)(9). We also recommend that the Commission find reasonable cause to believe that SOUL violated 2 U.S.C. § 441a and that it enter into conciliation with SOUL. We have incorporated into the proposed agreement provisions regarding 2 U.S.C. §434(b)(9) with the expectation that the agreement, if acceptable, could apply to both violations of the Act.

Thomas Jasper

As treasurer of SOUL in 1976, Thomas Jasper was responsible for reporting the identification of each candidate on whose behalf SOUL made expenditures. Mr. Jasper also had the duty to comply with the provision of the Act which required SOUL, as an authorized campaign committee of Mr. Gutierrez, to report to the Gutierrez Campaign Committee instead of the Commission.

Re: MUR 858(78)

Dear Mr. Guillot:

On September , 1979, the Commission determined there was reasonable cause to believe that your client, the Regular Democratic Organization, violated 2 U.S.C. §§ 434(b)(9), 434(b)(12) and 441a (a)(1)(A) of the Federal Election Campaign Act of 1971, as amended, and reason to believe that the Regular Democratic Organization had violated 2 U.S.C. § 434(a)(1) (by failing to file pre- and post-election reports, failing to file timely quarterly reports and filing a quarterly report which was not signed by its treasurer) and 11 C.F.R. § 104.2 (by not filing reports on F.E.C. Form 3).

As to the Commission's reason to believe findings, please recall that you have an opportunity to demonstrate that no action should be taken against your client. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis.

As to the Commission's reasonable cause to believe findings, the Commission has a duty to attempt to correct such violations for a period of 30 days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. 2 U.S.C. § 437g(a)(5)(A). If we are unable to reach an agreement during that period, the Commission may, upon a finding of probable cause to believe a violation has occurred, institute civil suit in United States District Court and seek payment of a civil penalty not in excess of \$5,000.

We enclose a conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed conciliation agreement, please sign and return it along with the civil penalty to the Commission within ten days. I will then recommend that the Commission approve the agreement. Please make your check for the penalty payable to the U.S. Treasurer.

This matter was last before the Commission on July 25, 1979, at which time we advised the Commission that we were awaiting the respondent's promised answers to our questions and that if the answers were not received by the end of July, we would recommend that the Commission order the Regular Democratic Organization ("RDO") to respond. RDO had advised us that its response was in the mail; the response was received on July 27, 1979. Our analysis of these materials necessitated our reviewing all the reports filed by RDO with the Commission, as well as reports filed by certain campaign committees which had transferred funds to RDO and on behalf of whose candidates RDO had made expenditures in the form of in-kind contributions. We have now completed this review and are in the process of preparing our report to the Commission recommending further action.

MUR 858

INTERIM INVESTIGATIVE REPORT

79010170461

The Commission voted on April 19, 1979, to take further action in this matter by sending a letter and questions to the respondent Regular Democratic Organization concerning possible violations of 2 U.S.C. §§ 434(b)(9), 441a(a)(1)(A) and 434(b)(12). The General Counsel's recommendation was approved subject to the amending of the proposed letter to be sent to the respondent. This letter was amended and mailed, together with questions to the respondent's attorney, Mr. Jesse Guillot, on May 1, 1979. According to our records, these documents were received by him on May 7, 1979. Counsel for the respondent was given until the week of May 28, 1979 to respond due to his heavy workload and court appearances. To date, however, the Commission has not received answers to its questions.

This office was in communication with Mr. Guillot on July 17 and 18, 1979. Mr. Guillot explained that the questions had not been answered by the week of May 28, 1979, due to his having an extended trial. On July 18, 1979, Mr. Guillot stated that he has started answering the questions and that he will send the Commission the answers within the next few days. We will await

these answers until July 24, 1979. If we have not received the answers by that date, we will recommend that the Commission order responses to its questions.

ATTENTION: MR. J. MYERSON

Re: MUR 858
My File No. 5887

Dear Mr. Myerson:

In answer to your letter of the Federal Election Commission, dated May 1, 1979, please be advised that the following are the answers to questions I through IV:

I(A)1. During the period of 10/21/76 thru 12/31/76 we made only one disbursement for federal candidates. That disbursement was made to Ladas Agency for newspaper ads for Rick Tonry's candidacy. The check was for \$1359, and we received during that period from Rick Tonry the sum of \$1359. (Exhibit "B")

I(A)2. For the period 4/01/77 thru 6/30/77, we received from Ron Fauchaux, candidate for U.S. Congressman, the sum of \$900. In that time period, we disbursed on June 15, 1977 a check to Ladas Agency to cover the cost to print and distribute ballots and the cost for newspaper advertisement in the sum of \$1321.80, of which amount \$900 was paid by the receipts from Ron Fauchaux and \$421.80 was paid by the local candidate, Leroy Hartley, running for the local school board. (Exhibit "C")

II(A)1. For the period 7/01/77 thru 9/30/77, we received from Ron Fauchaux candidate for U.S. Congressman, the sum of \$1000. During that same period we issued a check to Ladas Agency for the cost of printing the ballots and for the cost of advertisement in the newspaper for the candidate Ron Fauchaux, in the sum of \$999.73. (Exhibit "E")

II(A)2. For the period 7/01/78 thru 9/30/78, we received from Bob Livingston \$3800, we received from L. E. Jenkins \$7500, and we received from Lindy Boggs \$1500, for a total of \$12,800. For distribution names and amounts, see description at Exhibit "F". The amount we received from Woody E. Jenkins of \$3800 on 8/15/78 is an error on the Report, and should be \$3000. Also distributions on Report of itemized distributions have been corrected. (See amended Report attached).

79010170463

72010170464

III. Enclosed please find a breakdown for the period 8/19/76 thru 10/20/76 marked Exhibit "A". That breakdown advises the state candidates who paid off the \$2282.58 which was a state candidate obligation and not a federal candidate obligation, as clearly indicated by the reporting. At that time, our organization was reporting a complete reporting of monies received by local and federal candidates and the expenditures on behalf of both state, local and federal candidates, and I believe this is what caused the confusion. (Exhibit "A")

IV(A). The R.D.O. endorses state, local, and federal candidates by what is commonly called a ballot ticket (see Exhibit "G" attached). After our organization endorses candidates, we then formulate a budget for our political activities, and we break down the budget prorata cost with the candidates endorsed. Some candidates are so minor, such as school board candidates, that their prorata of costs is far less than the prorata of someone running for an entire district or state level. That prorata of costs is then spent for that candidate on the budget activities.

IV(B). We filed a statement of organization for a political committee and received I.D. No. C00072710. We are a political organization that represents and endorses an entire ticket and not any one particular individual or any one federal position or any one state position.

Please advise if you need further information.

Very truly yours,

JESSE S. GUILLOT

Re: MUR 858

Dear Mr. Guillot:

We have received the answers to our first set of questions in your letter dated February 19, 1979. Our investigation, however, requires more information than that which was included in these answers.

Specifically, the Commission requests information concerning expenditures made by the Regular Democratic Organization (hereafter "RDO") during the time periods described in the attached set of questions. 2 U.S.C. § 434(b)(9) of the Federal Election Campaign Act of 1971, as amended, requires the amount, date and purpose of each expenditure as well as the name and address of, and office sought by, each candidate on whose behalf such expenditure was made. 2 U.S.C. § 441a(a) establishes limitations for expenditures made on behalf of federal candidates. A violation of this section may have also occurred if the funds expended by RDO cannot be specifically traced to any particular candidate (see questions I and II on the attachment).

In addition, please provide further itemization of funds used which extinguished RDO's \$2,282.58 debt (see attached questions). This debt was disclosed on RDO's quarterly report covering the time period from August 19, 1976, through October 20, 1976 (see question III on the attachment).

- 2 -

Also, with respect to the limitations set forth in 2 U.S.C. § 441a(a) on persons contributing to political committees, please explain RDO's relationship with the federal candidates who provided funds to RDO by answering question number IV on the attachment.

In this regard we would appreciate your answering the questions listed on the attachment to this letter. We request that your answers be in notarized form and that they be forwarded to the Commission within ten days after your receipt of this letter.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you have any questions, please contact Christopher Tow, the attorney assigned to this matter at (202)523-4057.

Sincerely,

William C. Oldaker
General Counsel

INTERIM INVESTIGATIVE REPORT

7 2 0 1 0 1 7 0 4 9 5

The Commission voted on April 19, 1979, to take further action in this matter by sending a letter and questions to the respondent Regular Democratic Organization concerning possible violations of 2 U.S.C. §§ 434(b)(9), 441a(a)(1)(A) and 434(b)(12). The General Counsel's recommendation was approved subject to the amending of the proposed letter to be sent to the respondent. This letter was amended and mailed, together with questions to the respondent's attorney, Mr. Jesse Guillot, on May 1, 1979. According to our records, these documents were received by him on May 7, 1979.

In a recent telephone conversation, Mr. Guillot explained that the delay has been due to his heavy workload and court appearances. He assured us that we would receive answers to the questions during the week of May 28, 1979. We are presently awaiting these answers.

Re: MUR 858

Dear Mr. Guillot:

We have received the answers to our first set of questions in your letter dated February 19, 1979. Our investigation, however, requires more information than that which was included in these answers.

Specifically, the Commission requests information concerning expenditures made by the Regular Democratic Organization (hereafter "RDO") during the time periods described in the attached set of questions. 2 U.S.C. § 434(b)(9) of the Federal Election Campaign Act of 1971, as amended, requires the amount, date and purpose of each expenditure as well as the name and address of, and office sought by, each candidate on whose behalf such expenditure was made. 2 U.S.C. § 441a(a) establishes limitations for expenditures made on behalf of federal candidates. A violation of this section may have also occurred if the funds expended by RDO cannot be specifically traced to any particular candidate (see questions I and II on the attachment).

In addition, please provide further itemization of funds used which extinguished RDO's \$2,282.58 debt (see attached questions). This debt was disclosed on RDO's quarterly report covering the time period from August 19, 1976, through October 20, 1976 (see question III on the attachment).

Also, with respect to the limitations set forth in 2 U.S.C. § 441a(a) on persons contributing to political committees, please explain RDO's relationship with the federal candidates who provided funds to RDO by answering question number IV on the attachment.

In this regard we would appreciate your answering the questions listed on the attachment to this letter. We request that your answers be in notarized form and that they be forwarded to the Commission within ten days after your receipt of this letter.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you have any questions, please contact Christopher Tow, the attorney assigned to this matter at (202)523-4057.

GENERAL COUNSEL'S REPORT

BACKGROUND

This matter was referred to the General Counsel's Office from the Reports Analysis Division. It concerns the Regular Democratic Organization (hereafter "RDO"), a political committee based in Louisiana.

As discussed in the First General Counsel's Report, RDO endorses and makes expenditures on behalf of candidates at both the local and federal levels. In order to benefit from RDO's support, candidates underwrite the cost of the expenditures involved in RDO's efforts. The funds which RDO receives from a candidate are roughly equivalent to the amount RDO expends on behalf of that particular candidate.

The Commission found reason to believe that RDO violated 2 U.S.C. §§ 434(b)(9), 441a(a)(1)(A) and 434(b)(12) and mailed questions to the respondent committee. Answers to these questions have been received by this office.

ANALYSIS

Concerning its violation of § 434(b)(9), we requested that RDO list each individual expenditure and list which federal candidate on whose behalf the expenditure was made for the time

79040170512

period covering July 19, 1976, to March 31, 1978. RDO responded to this request by supplying only information for the time period from July, 1976, to October 20, 1976 (see Attachment I).

RDO's reports on file at the Commission do reveal that most of its financial activity occurred between July 19, 1976, and October 20, 1976 (see Attachments II and III), the time period covered by its answers to our questions. RDO, however, did not give information in its answers concerning expenditures it made from October 21, 1976, to March 31, 1978, as was also requested (see Attachments IV through IX).

While it is true that there may have been less financial activity between October 21, 1976, and March 31, 1978, RDO did make expenditures during this time period which were not fully reported in accordance with § 434(b)(9). More specifically, RDO failed to fully itemize expenditures listed on its January 31, 1977, report (see Attachment IV) and its July 10, 1977, report (see Attachment VI) and failed to state on whose behalf these expenditures were made. Also on its October 10, 1977, report (see Attachment VII) and its October 10, 1978, report (see Attachment X) which was sent in with its answers, RDO failed to state on whose behalf expenditures were made.

It appears that the total amount of expenditures listed on each report in question (see Attachments IV, VI, VII and X) is roughly equivalent to the total amount of receipts received from federal candidates for the same time period. While it should not be assumed by the Commission that these expenditures were made

70040170513

on behalf of these federal candidates without an appropriate designation of each expenditure as required under § 434(b)(9), RDO should be able to clearly state on whose behalf these expenditures were made and itemize its expenditures where it has not done so. We therefore recommend taking further action in this matter by sending the attached letter to RDO requesting this additional information.

70040170514
RDO's failure to comply with § 434(b)(9) may have resulted in a possible violation of § 441a(a)(1)(A) as was discussed in our earlier report. See also In the Matter of Southern Organization for Unified Louisiana, MUR 519(78). Because RDO failed to state on whose behalf each of its expenditures were made, it is possible that RDO expended funds in excess of the \$1,000 limitation imposed by § 441a(a)(1)(A). Such funds may have been expended on behalf of a federal candidate from whom RDO had received much less. Therefore, it must be determined on whose behalf each expenditure was made by RDO in order to decide with any certainty whether a violation of § 441a(a)(1)(A) has occurred. Thus the attached questions, which ask on whose behalf each of RDO's expenditures was made, relate not only to the reporting requirements set forth in § 434(a)(9), but also to the limitation set forth in § 441a(a)(1)(A).

Concerning its failure to report in accordance with 2 U.S.C. § 434(b)(12) of the Act, RDO had listed a debt of \$2,282.58 on one of its reports which was not listed in any of its subsequent reports. Section 434(b)(12) requires a continuous reporting of

debts owed by the Committee until such debts are extinguished. After the debt is extinguished, a statement as to the circumstances under which the debt was extinguished and the consideration for it are required.

In RDO's response to our questions, it was explained that the debt was "paid by local candidates in the runoff election" and that no part of these expenses were paid for by funds received from federal candidates (see Attachment I page 2). There has been no itemization of the funds used by RDO to pay off this \$2,282.58 debt. It was not stated which "local candidates" paid off the debt, what amounts were given by each of these "local candidates," and the date when this debt was finally extinguished. We therefore recommend that the Commission take further action by sending the attached letter to RDO requesting this information.

RECOMMENDATION:

Take further action in this matter by sending the attached letter and questions to the Regular Democratic Organization concerning possible violations of 2 U.S.C. §§ 434(b)(9), 441a(a)(1)(A) and 434(b)(12).

My File No. 5887

Gentlemen:

Thank you for your letter of February 7, 1979 regarding the above organization.

Enclosed please find the following:

Report for April 1, 1978 to June 30, 1978
Report for July 1, 1978 to September 31, 1978
Report for October 1, 1978 to December 31, 1978

Our organization previously had discussed with members of your office the problems regarding funds from State, Local and Federal Candidates in an election. We estimate the cost of a Campaign and we prorate this between the candidates, depending on the type of election, the opposition of the candidate, the importance of the position and many other factors.

After my several discussions with representatives of your office we have discontinued filing a complete report of all receipts and expenditures and now file for the Federal Candidates, as your office suggested. We had discussed the 1976 reports several times already and we thought they were all approved.

For the period covering July 1976 through August 19, 1976 we received from:

Lindy Boggs	\$2,500.00
James Moreau	\$3,500.00

Our record indicate that the proration of expenses applied to Boggs and Moreau were as follows:

The next report covering the period August 19, 1976 through October 20, 1976 we received from James Moreau the sum of \$2,950.00. Our records indicate the following expenses for Moreau. There were 8 total candidates, 7 local and 1 Federal.

Re: MUR 858

Dear Mr. Guillot:

We have received the answers to our first set of questions in your letter dated February 19, 1979. Our investigation, however, requires more information than that which was included in these answers.

Specifically, the Commission requests information concerning expenditures made by the Regular Democratic Organization (hereafter "RDO") during the time periods described in the attached set of questions. 2 U.S.C. § 434(b)(9) of the Federal Election Campaign Act of 1971, as amended, requires the amount, date and purpose of each expenditure as well as the name and address of, and office sought by, each candidate on whose behalf such expenditure was made.

Also, 2 U.S.C. § 441a(a)(1)(A) establishes a \$1,000 limitation for expenditures made on behalf of federal candidates. A violation of this section may have occurred if the funds expended by RDO cannot be traced to any particular candidate.

In addition, please provide further itemization of funds used which extinguished RDO's \$2,282.58 debt (see attached questions). This debt was disclosed on RDO's quarterly report covering the time period from August 19, 1976, through October 20, 1976.

- 2 -

In this regard we would appreciate your answering the questions listed on the attachment to this letter. We request that your answers be in notarized form and that they be forwarded to the Commission within ten days after your receipt of this letter.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you have any questions, please contact Christopher Tow, the attorney assigned to this matter at (202) 523-4057.

Sincerely,

William C. Oldaker
General Counsel

I.D. #068357

ATTENTION: MR. WILLIAM L. OLDAKER

Gentlemen:

My File No. 5887

Thank you for your letter of February 7, 1979 regarding the above organization.

Enclosed please find the following:

Report for April 1, 1978 to June 30, 1978
Report for July 1, 1978 to September 31, 1978
Report for October 1, 1978 to December 31, 1978

Our organization previously had discussed with members of your office the problems regarding funds from State, Local and Federal Candidates in an election. We estimate the cost of a Campaign and we prorate this between the candidates, depending on the type of election, the opposition of the candidate, the importance of the position and many other factors.

After my several discussions with representatives of your office we have discontinued filing a complete report of all receipts and expenditures and now file for the Federal Candidates, as your office suggested. We had discussed the 1976 reports several times already and we thought they were all approved.

For the period covering July 1976 through August 19, 1976 we received from:

Lindy Boggs	\$2,500.00
James Moreau	\$3,500.00

Our record indicate that the proration of expenses applied to Boggs and Moreau were as follows:

Re: MUR 858

Dear Mr. Schiro:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found that you, in your capacity as treasurer, and your committee may have violated certain provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). Specifically it appears that the Regular Democratic Organization (hereafter "RDO") violated 2 U.S.C. §441a(a) by making expenditures on behalf of Federal candidates in excess of the \$1,000 limitation prescribed by this section. This violation may have occurred because the funds expended by RDO cannot be traced to any particular candidate.

Also it appears that RDO violated 2 U.S.C. §434(b)(9) which requires that a political committee report not only the identity of the person to whom expenditures have been made and the amount, date, and purpose of each such expenditure, but also the name and address of and office sought by each candidate on whose behalf such expenditure was made.

In addition it appears that RDO violated 2 U.S.C. §434(b)(12) which requires a continuous reporting of debts and obligations until such debts and obligations are extinguished. Also required is a statement as to the circumstances

7 2 0 4 0 1 7 0 5 4 9

and conditions under which any such debt or obligation is extinguished and the consideration for it. We have numbered this matter MUR 858.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Additionally, please submit answers to the enclosed questions. Where appropriate, statements should be submitted under oath.

The Commission is under a duty to investigate this matter expeditiously. Therefore, your response should be submitted within ten days after your receipt of this notification.

If you have any questions, please contact Christopher Tow, the attorney assigned to this matter, at (202)-523-4073.

This matter will remain confidential in accordance with 2 U.S.C. §437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you intend to be represented by counsel in this matter, please have such counsel so notify us in writing.

Sincerely yours,

MUR 858

Possible violation of 2 U.S.C. §441a(a)(1)(A) and 2 U.S.C. §434(b)(9)

1. Can the Regular Democratic Organization trace each expenditure it made on behalf of a specific Federal candidate and attribute these individual expenditures to such a specific Federal candidate for the time period beginning July 19, 1976 to March 31, 1978?

2. If so, please list each individual expenditure and list which Federal candidate the expenditure was made on behalf of for the time period beginning July 19, 1976 to March 31, 1978.

Also, please give the identity of the person to whom these expenditures have been made, the amount, date and purpose of such expenditure in addition to the name and address of and the office sought by each candidate on whose behalf such expenditure was made.

Possible violation of 2 U.S.C. §434(b)(12)

3. The RDO's amended October 10, 1976 report reveals debts and obligations owed by the RDO of \$2,282.58. The RDO's next report reveals no debts and obligations as does all of its subsequent reports. Please explain this omission if the debt is still outstanding. If the debt or obligation has been extinguished, please explain the circumstances and conditions under which it was extinguished and the consideration for it.

GENERATION OF MATTER

This matter was generated by a referral from the Reports Analysis Division (See Attachment I). It concerns possible violations of the Act by the Regular Democratic Organization (hereafter the "RDO"), a political committee not a part of the Democratic Party structure, located in New Orleans, Louisiana.

The RDO endorses and makes expenditures on behalf of candidates at both the local and Federal levels. In order to benefit from RDO's support, candidates underwrite the cost of the expenditures involved in RDO's efforts. These efforts include the underwriting of ballot printing costs, distribution, and advertising conducted by RDO for these candidates.

ANALYSIS

The referral from Reports Analysis includes RDO's reports from July 19, 1976 to October 20, 1976. These reports disclose that all of RDO's funds were received from local and Federal candidates. Also disclosed are RDO's aggregate itemized expenditures made on behalf of this group of candidates. These itemized expenditures were "pro-rated" according to the amount spent on each candidate to cover their respective shares (See Attachment II). Candidates would then give RDO money for their share of expenses.

From October 21, 1976 to March 31, 1978, RDO's reports filed with the Commission reveal that it supported only two candidates, both of them for Federal office. Their names are Rick Tonry and Ron Faucheux (See Attachment III).

Under these circumstances, it might be argued that RDO is merely a conduit through which Federal candidates transfer their funds to be expended on their own behalf. However, it appears that RDO is a "political committee" within the definition of 2 U.S.C. §431(d) of "any committee, club, association, or other group of persons which... makes expenditures during a calendar year in an aggregate amount exceeding \$1,000." Having apparently made expenditures on behalf of Federal candidates in excess of \$1,000, RDO qualifies as a political committee. In the Matter of Southern Organization for Unified Louisiana, MUR 519(78).

Because it is a political committee, RDO is subject to the limitations set forth in 2 U.S.C. §441a(a). More specifically, it appears from RDO's activity that the limitations of §441a(a)(1)(A) would apply. This section places a \$1,000 limitation for political committees making contributions and expenditures on behalf of a Federal candidate for the purpose of influencing an election.

RDO might argue that it should not be bound to this \$1,000 limitation on the grounds that a candidate is able to spend personal funds on his own behalf regardless of these limitations. Also, the amount of money RDO expended on a particular candidate appears to have been the same amount transferred to RDO by that same candidate.

However, RDO failed to maintain separate bank accounts for its endorsed Federal and state candidates until August 22, 1977. This resulted in a commingling of all the candidates' monies. Therefore the §441a limits are applicable to RDO because the funds expended by it cannot be traced to any particular candidate—not because RDO could not spend a candidate's own money on his behalf without limit. In the Matter of Southern Organization for Unified Louisiana, MUR 519(78).

For these reasons, we recommend that the Commission find reason to believe that RDO violated 2 U.S.C. §441a(a)(1)(A) from July 19, 1976 to August 22, 1977, the date the Commission received an amended Statement of Organization declaring that RDO was keeping a separate account for candidates for Federal office.

In addition, RDO's reports fail to indicate how the expenditures it made were allocated among the various candidates. 2 U.S.C. §434(b)(9) requires that a political committee report the identity of the person to whom expenditures have been made by such committee or on behalf of such... candidate, the amount, date, and purpose of each such expenditure and the name and address of and office sought by each candidate on whose behalf such expenditure was made. It appears that RDO violated §434(b)(9) on all of its reports during the period July 19, 1976 to March 31, 1978 in the Reports Analysis referral to this office because of its failure to report in the above described manner. Of particular concern is the omission of the name and address of, and the office sought by each candidate on whose behalf such expenditure was made (See Attachment IV).

7 9 0 1 0 1 7 0 5 5 7

We therefore recommend that the Commission find reason to believe a violation of 2 U.S.C. §434(b)(9) occurred.

In addition, it appears that RDO violated 2 U.S.C. §434(b)(12). Section 434(b)(12) requires that committee reports shall disclose the amount and nature of debts and obligations owed by the committee, in such form as the Commission prescribes, and a continuous reporting of debts and obligations at periods as the Commission may require until such debts and obligations are extinguished. Also required is a statement as to the circumstances and conditions under which any such debt or obligation is extinguished and the consideration for it.

The RDO's amended October 10, 1976 report reveals a debt owed by it in the amount of \$2,282.58. The respondent committee's next report however, lists no debts owed by RDO (see Attachment IV). There is no statement as to how this debt disappeared or was extinguished. We therefore recommend that the Commission find reason to believe a violation of 2 U.S.C. §434(b)(12) occurred.

RECOMMENDATIONS

- 1) Find reason to believe The Regular Democratic Organization violated 2 U.S.C. §441a(a)(1)(A).
- 2) Find reason to believe The Regular Democratic Organization violated 2 U.S.C. §434(b)(9).
- 3) Find reason to believe The Regular Democratic Organization violated 2 U.S.C. §434(b)(12).
- 4) Send the attached letter.

Re: Regular Democratic Org.
My file no. 2385

Gentlemen:

OPINION REQUEST

1788

I am the legal officer for the above Corporation.

This Corporation has been in existence in the State of Louisiana for 100 years.

We endorse candidates at local and Federal levels during all elections.

During the past Congressional Election, we endorsed James A. Moreau for Congressman and Congresswoman Lindy Boggs.

I read over the pamphlet on the Federal Election Commission Campaign Guide, but find it difficult to determine whether the organization should file a report if it endorsed Lindy Boggs and James A. Moreau, the two candidates who ran for the Congressional seat. The two districts from which these candidates ran are within the Metropolitan New Orleans, area and it's surrounding areas, but total with in the State of Louisiana.

Additionally we supported candidates for two State Judgeship positions.

The amount received in contribution from Boggs and from Moreau for their pro rata share of expenses was approximately \$3,000.00 each. This was used for ballot printing cost, distribution

and advertisement conducted by the organization.

We would appreciate your advise and information and guide lines on this important matter.

Re: MUR 858

Dear Mr. Schiro:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found that you, in your capacity as treasurer, and your committee may have violated certain provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). Specifically it appears that the Regular Democratic Organization (hereafter "RDO") violated 2 U.S.C. §441a(a) by making expenditures on behalf of Federal candidates in excess of the \$1,000 limitation prescribed by this section. This violation may have occurred because the funds expended by RDO cannot be traced to any particular candidate.

Also it appears that RDO violated 2 U.S.C. §434(b)(9) which requires that a political committee report not only the identity of the person to whom expenditures have been made and the amount, date, and purpose of each such expenditure, but also the name and address of and office sought by each candidate on whose behalf such expenditure was made.

In addition it appears that RDO violated 2 U.S.C. §434(b)(12) which requires a continuous reporting of debts and obligations until such debts and obligations are extinguished. Also required is a statement as to the circumstances

and conditions under which any such debt or obligation is extinguished and the consideration for it. We have numbered this matter MUR 858.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Additionally, please submit answers to the enclosed questions. Where appropriate, statements should be submitted under oath.

The Commission is under a duty to investigate this matter expeditiously. Therefore, your response should be submitted within ten days after your receipt of this notification.

If you have any questions, please contact Christopher Tow, the attorney assigned to this matter, at (202)-523-4073.

This matter will remain confidential in accordance with 2 U.S.C. §437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you intend to be represented by counsel in this matter, please have such counsel so notify us in writing.

Sincerely yours,

Questions

MUR 858

Possible violation of 2 U.S.C. §441a(a)(1)(A) and 2 U.S.C. §434(b)(9)

1. Can the Regular Democratic Organization trace each expenditure it made on behalf of a specific Federal candidate and attribute these individual expenditures to such a specific Federal candidate for the time period beginning July 19, 1976 to March 31, 1978?

2. If so, please list each individual expenditure and list which Federal candidate the expenditure was made on behalf of for the time period beginning July 19, 1976 to March 31, 1978.

Also, please give the identity of the person to whom these expenditures have been made, the amount, date and purpose of such expenditure in addition to the name and address of and the office sought by each candidate on whose behalf such expenditure was made.

Possible violation of 2 U.S.C. §434(b)(12)

3. The RDO's amended October 10, 1976 report reveals debts and obligations owed by the RDO of \$2,282.58. The RDO's next report reveals no debts and obligations as does all of its subsequent reports. Please explain this omission if the debt is still outstanding. If the debt or obligation has been extinguished, please explain the circumstances and conditions under which it was extinguished and the consideration for it.

OTHER RELEVANT INFORMATION:

The Regular Democratic Organization did not submit a Report of Receipts and Expenditures for the July 10 period. However, due to the fact that they submitted a letter reporting no receipts or expenditures for the April 10 period, they were not sent a non-filer notice per Directive 1 of Non-Filer Procedures (2/28/78).

The Committee has not filed the October 10 Report.

Legal Referral—Regular Democratic Organization

The Regular Democratic Organization is a Louisiana corporation which is not part of the Democratic party structure. The Organization endorses and makes expenditures to promote the election of both State and Federal candidates. The Committee first estimates its budget for such activities as ballot printings, registration and get-out-the-vote drives, and advertising, and then seeks payment from the candidates. The funds received from the candidates represents their pro rata share of the expenses. (Attachments 2, 3 and 4).

The Regular Democratic Organization was incorporated by court ruling in the state of Louisiana on September 11, 1964 (Attachment 5). At the time of registration with the Federal Election Commission, the Organization was operating out of one account which included monies from both State and Federal candidates (Attachment 6). Although the Committee filed an amended Statement of Organization on August 22, 1977 (Attachment 7), claiming that they will maintain a separate account for Federal candidates, prior to that date State and Federal funds were being co-mingled. The State funds may have contained corporate contributions. Due to this possibility, their reports indicate apparent violation of 2 U.S.C. §441b.

Since the Regular Democratic Organization, at the time of its apparent in-kind contributions on behalf of Congresswoman Lindy Boggs, Congressman Richard Tonry, Ron Faucheux and James Moreau, did not qualify as a multi-candidate committee, the Organization exceeded its contribution limitation of \$1,000 per election, per candidate, under 2 U.S.C. §441a. (Attachments 8, 9, 10, 11, 12, 13 and 14).

In addition, the Regular Democratic Organization did not accurately report the receipts of the monies from the Federal candidates, nor the allocation or designation of in-kind contributions under 2 U.S.C. §434(b) (4) and (9). (Attachments 8, 9, 10, 11, 12, 13 and 14).

Furthermore, the Organization never submitted a Schedule C—Debts and/or Obligations—for their first two detailed summary reports. The outstanding balance for debts and obligations owed by the Organization at the end of the reporting period (October 28, 1976) was \$2,282.52. This omission constitutes an apparent violation of 2 U.S.C. §434(b)(12). (Attachments 8 and 9).

Re: Regular Democratic Org.
My file no. 2385

Gentlemen:

OPINION REQUEST 788

I am the legal officer for the above Corporation.

This Corporation has been in existence in the State of Louisiana for 100 years.

We endorse candidates at local and Federal levels during all elections.

During the past Congressional Election, we endorsed James A. Moreau for Congressman and Congresswoman Lindy Boggs.

I read over the pamphlet on the Federal Election Commission Campaign Guide, but find it difficult to determine whether the organization should file a report if it endorsed Lindy Boggs and James A. Moreau, the two candidates who ran for the Congressional seat. The two districts from which these candidates ran are within the Metropolitan New Orleans, area and it's surrounding areas, but total with in the State of Louisiana.

Additionally we supported candidates for two State Judgeship positions.

The amount received in contribution from Boggs and from Moreau for their pro rata share of expenses was approximately \$3,000.00 each. This was used for ballot printing cost, distribution

and advertisement conducted by the organization.

We would appreciate your advise and information and guide lines on this important matter.

Very truly yours,

Jesse S. Guillot

MEMORANDUM TO: Bill Oldaker
THROUGH: Brad Litchfield
FROM: Kerry Adams
SUBJECT: Regular Democratic Organization

Mr. Jesse Guillot as the legal officer of the Regular Democratic Organization has written to us to inquire whether the organization should register as a political committee (see attached letter). I spoke to Mr. Guillot to learn precisely what he was asking and to determine more facts.

72040170590
The Regular Democratic Organization is a Louisiana corporation which is not part of the Democratic party structure. The organization endorses and makes expenditures to promote the election of both State and Federal candidates. This year it is supporting four State candidates and two Congressional candidates, Lindy Boggs and James A. Moreau. The Committee first estimates its budget for such things as ballot printings, registration and get-out-the-vote drives, and advertisements, then it seeks reimbursement from the candidates. The organization has prorated the entire budget and has received approximately \$3,000 each from the two Federal candidates to cover their respective share.

There is no doubt this organization meets the definition of a "political committee" and should be registered with us. I so informed Mr. Guillot, who said that the two Federal candidates have been telling him that the committee should file reports with us. He has so far read only the FEC Campaign Guide for Committees (June 1976) which he obtained from Mrs. Boggs' office. We are sending him the initial committee package of forms and information.

It appears that the committee should have registered with us long before now. The fact that it is a corporation is not as disturbing since it may well fall under the

exception for incorporated political committees (although it is unregistered) under 5116.12(a) of the proposed regulations. However, I am not sure whether it has incorporated solely for liability purposes. I did not broach the subject of corporate contributions with Mr. Guillot, who seems to be completely uninformed about the provisions of the Act.

It appears to be inappropriate to send Mr. Guillot an advisory opinion or informational letter at this time. He is asking only whether and how he should register the committee, and we are sending him the proper materials from the Information Department. However, we would like to inform the Compliance section about the circumstances surrounding the Regular Democratic Organization in case you would like to investigate the matter further.

Re: Regular Democratic Organization
My File #5887

Dear Ms. Bowen:

By telephone conversation, I have attempted to explain the manner in which our organization operates.

We are a political organization. We operate in the City of New Orleans. In an election, we vote to endorse candidates which may include Federal nominees as well as candidates for State election or City election. We prorate the cost for us to run a campaign for the entire ticket we endorse. We prorate the expenses to all the candidates endorsed.

The total contribution made to us, therefore, is the pro-rata share of expenses charged to the candidates endorsed, whether they be local, state or federal candidates.

Our organization did not make contributions to any candidates. It received monies from the candidates for their pro-rata share of expenses for the operation of printing ballots, advertising, cost of mailing ballots to voters, meetings, etc.

The \$3,134.35 expenses were covered by invoices from the Ladas Agency for newspaper advertisement, printing of ballots, photographs prepared for ballots and for advertisements. The postal cost was a check issued to the

79230315060925

United States Post Office for the cost of stamps for the bulk mailing of ballots to the voters in the City of New Orleans in that election.

The \$24,200.00 was charged to the candidates as their share of expenses, and that amount of expenses was reimbursed to us by the following:

1. At Large City Councilman, Joseph Giarusso	\$ 5,500.00
2. At Large City Councilman, Joseph DiRosa	5,000.00
3. District Councilman, Farnk Friedler	2,000.00
4. District Councilman, A. L. Davis	1,000.00
5. District Councilman, C.O. Dupuy	3,000.00
6. District Councilman, Brad Bagot	1,250.00
7. District Councilman, Phillip Ciaccia	3,500.00
8. U.S. Congressman, James Moreau	2,950.00
TOTAL	<u>\$24,200.00</u>

See copy of return filed with the State of Louisiana.

I trust the above answers all of the questions of the committee.

Very truly yours,

Jesse S. Guillot
