Kadys for Congress Committee	)	

GENERAL COUNSEL'S REPORT

Summary of Allegations

On December 19, 1978, a complaint was filed by Gary DeDell, Treasurer for the Kadys for Congress Committee against the candidate, Clarence Kadys. Mr. DeDell's complaint centered around the fact that Kadys made several unreimbursed expenditures for his campaign and failed to report the expenditures to his campaign committee for proper reporting. In addition, DeDell alleged that Kadys, having previously waived his reporting obligation, violated that waiver by making unreimbursed expenditures for his campaign in violation of 11 C.F.R. § 101.3. 1/

Factual and Legal Analysis

Although Kadys did file a 10 day pre-primary report related to his unreimbursed expenditures, the Commission expressed concern regarding the source of the funds expended by him. The reports filed by both Kadys and the committee were confusing and contradictory. Therefore, on January 31, 1979, the Commission decided to refer this matter to the Audit Division for an audit report.

1/ The Federal Election Campaign Act was amended by Pub.L. No. 96-187, effective January 8, 1980. All citations to the Act and Regulations in this report refer to the Act and the Regulations as they existed prior to Pub.L. No. 96-187.

The Audit Division's recommendation indicated that although an audit should be made, both the candidate and committee reports contained numerous discrepancies with respect to the expenditures made. Therefore, on April 5, 1979, the Commission directed the Reports Analysis Division to send a request for additional information in order to ascertain the source of Kady's income, and to hold in abeyance the matter of the audit.

RAD sent out the appropriate request for information, however, neither the candidate (Kadys), nor the treasurer (DeDell), responded. Reason to believe letters were then sent by RAD to both respondents and, on July 18, 1979, the Commission determined that if a reply was not received from the respondents within 15 days from the time the reason to believe letters were sent from RAD, the General Counsel would be directed to proceed.

On August 6, 1979, DeDell responded stating that he no longer had possession of the committee records and that they had been transferred to Kadys' accountant (Exhibit A). On August 20, 1979, the Commission adopted the recommendation of the General Counsel to issue an order and interrogatories to Kadys in an effort to ascertain the source of his funds. Kadys returned the order and interrogatories to the Commission unanswered stating that he had no knowledge of any financial reporting to the Commission and that DeDell should be the individual questioned (Exhibit B). In the same letter, Kadys indicated the name of his attorney, George Van Lengen, with whom General

Counsel staff began communications in an attempt to learn the source of the candidate's funds.

Mr. Van Lengen, in response to the General Counsel's September 24th letter, responded to but one of the three questions in the interrogatories (Exhibit C). That question (#3) requested the source of Kadys' money spent in connection with the campaign, the total amount expended for the election and the assets which Kadys possessed at the time he announced his candidacy. Mr. Van Lengen's response indicated that the money spent by Kadys was his own, that Kadys spent about $30,000 for his campaign and that Kadys' property interest totalled in excess of $500,000.

On December 3, 1979, in an effort to confirm the fact that Clarence Kadys spent only his personal funds to finance his campaign, the Commission adopted the recommendation of the General Counsel and authorized the issuance of a subpoena for the production of all campaign records and documents relating to the respondent, Kadys. On December 19, 1979, General Counsel staff received a disorganized assortment of cancelled checks, receipts, invoices and other miscellaneous documents from Kadys' accountant, Constantine Wolczyk (Exhibit D). After a review by General Counsel and Reports Analysis Division staff members, it was determined that the materials would need to be referred informally for Audit review. The Audit Division thereafter informed the General Counsel, that in order for an Audit to be made of the candidate and committee, additional

3 0 0 4 0 2 1 3 2 0

documents not in the possession of the accountant would be required.

Subsequent contact between General Counsel staff and Kadys' attorney and accountant finally produced the report required of Kadys regarding his unreimbursed expenditures (Exhibit E).

Conclusion

Since the primary question of concern to the Commission; the source of the candidate's funds has been satisfactorily addressed by Kadys' final report, the Office of General Counsel recommends that the Commission take no further action with regard to Clarence Kadys and the Kadys for Congress Committee.

Recommendations

1. Take no further action.
2. Close the file.
3. Approve and send the attached letters.

Gary J. De Dell, being duly sworn, deposes and says as follows:

That this affidavit is made at the request of Mr. James Allen of the Federal Election Committee, and is pursuant to his telephone call to me of July 31, 1979.

That the allegations of the Federal Elections Commision's letter of July 25th and the mailgram of the same date are without foundation, that I have indeed responded to each and every letter received from the Federal Election Commision regarding subject reports since their writings started April 2nd, 1979.

That, contrary to the allegations of said letter and mailgram that it is the Federal Election Commision that has not acknowledged and responded to my answers and queries.

That, contrary to the allegations of said letter and mailgram, the undersigned has filed a statement of organization and relationship for and between the Kadys for Congress Committee and the Professionals for Kadys Committee.

That, this document is to serve as an amendment to Page 1 of said reports filed since last August to present for said Committee (s), as the Professionals for Kadys Committee handled all financial transactions and acted as a financial "umbrella" for the Committee for Kadys (for Congress).

That, the undersigned agrees to correct any mathematical, clerical, or tabulating errors in said reports, provided that said reports are returned to the undersigned.

That, Mr. Clarence J. Kadys, Candidate for Congress, without permission, broke into the undersigned's place of business on Thursday, October 19, 1978, and took records relating to the Campaign and its finances. That this transgression was witnessed by two others at the time. That certain records were lost by said candidate or retained by said candidate and therefore the undersigned cannot be responsible for same.

That, attached hereto is Page 1, as requested, with said change in name, effecting an amendment.

That, attached herewith are copies of undersigned responses to your previous inquiries.

1447.16

1715 Teall Avenue
Syracuse, New York 13206

That, in October, 1978, December, 1978, and again in February, 1979, I submitted my resignation to the Federal Election Commission; the Secretary, the New York State Board of Elections; and to the clerk, U.S. House of Representatives because of the problems detailed in accompaning letters, detailing the complaints about the candidate to said above three parties.

That, pursuant to a settlement of a Court Action that I have instituted and my business has instituted in the Courts of the City of Syracuse, County of Onondaga, State of New York, all records regarding the finances of said committee (s) were transferred to Mr. Clarence J. Kadys' agent Mr. Constantine Wolczyk, 164 State Street, Auburn, New York on or about the 22nd of May, 1979. That he was to retain these records for only two weeks so that the undersigned could comply with your request. And, that, to date, these records have not been returned despite many repeated requests on the part of the undersigned and my counsel. That said actions in the courts of law for the undersigned have been taken by my counsel, Mr. Norbert F. Abend, Jr., Attorney at Law, 205 South Townsend Street, Syracuse, New York 13202, telephone (Area Code 315) 476-2191. And, that, said records were transferred to behest settlement and said records were to be returned by agreement of the undersigned, the Candidate, Mr. Kadys; his agent, Mr. Wolczyk; his counsel, Mr. George Van Lengen, Esq., and Mr. Abend.

And, that, the undersigned finds it impossible to comply with the April 10 Quarterly, October 10 Quarterly, and Year End 1978 Reports of Receipts and Expenditures missing required information without the presence of said material that has been both been taken by the candidate without permission and that has been retained by his agent, as detailed above.

So Help Me God, I Swear To The Truth of The Above.

Re: MUR 901

Dear Mr. Oldaker:

Since you wrote to me directly, under date of September 24, by certified mail, I am answering you and not Duane A. Brown, although I shall be glad to correspond with Mr. Brown as well.

Mr. Kadys is presently a client of mine and, although I was completely aware of his candidacy for the Democratic nomination for Congress from the 33rd District in the summer of 1978, I had absolutely nothing to do with that campaign.

As a matter of fact, a letter was circulated to prominent people in this area seeking funds for Mr. Kadys' campaign and bearing my signature; even to the extent of giving me a law office address at least a half mile away from my office in the City of Syracuse.

The letter was, of course, a blatant forgery and you may rest assured that I let it be known as such.

Unfortunately, Mr. Kadys has been subjected to four lawsuits, three of which have been in Syracuse City Court and the fourth in Onondaga County Supreme Court, with the result that he has had to accumulate all records with regard to the campaign and forward them to his accountant, Constantine Wolczyk, of 164 State Street, Auburn, New York 13021, who has not yet returned them to me, despite my urgent requests. All the lawsuits have been engendered by Gary DeDell, the so-called campaign manager, except one, which was brought by a factor with whom we settled in Court. The obvious answer to question number 3 submitted by you is that all the money spent by Mr. Kadys was his own money; he collected absolutely none from anyone else. The total amount spent by him was approximately $30,000.00 and the assets which he had at the time he announced his candidacy were approximately the following:

Real Estate	$ 120,000.00
Bank Accounts	$ 250,000.00
Investments (Stocks & Bonds)	$ 100,000.00
Mortgages	$ 70,000.00

This does not take into account personal items and household goods.

The great problem here has been the complete and open hostility between the campaign manager and one of his cohorts and Mr. Kadys, to the extent that it took a great effort on my part to obtain their records, which the accountant is still sifting.

I cannot give you, nor can Mr. Kadys, any more information at the present time. We are simply trying to obtain, for our own litigation purposes, the same information which you seek. I expect we will have the same within the forseeable future and I shall be glad to forward it to you as soon as it is available in intelligible form.

Very truly yours,

George H. Van Lengen

INTERIM INVESTIGATIVE REPORT #3

In the Interim Investigative Report #1, dated April 10, the Office of General Counsel reported that telephone contact had been made with Kadys' attorney in an effort to persuade Kadys to file an amended report reflecting all expenditures made by him relating to his campaign activity. On April 15, a letter was mailed to the attorney, George Van Lengen, confirming the telephone conversation and indicating the specific information required of his client. Mr. Van Lengen was forced to undergo emergency surgery prior to his receipt of our letter but promised that the requested information would be forwarded to the Commission promptly. On July 7, General Counsel staff telephoned Mr. Van Lengen inquiring as to the status of his written response. Mr. Van Lengen stated that the response had been mailed, during the previous week, yet our office has not received it. On July 15, General Counsel staff again telephoned Mr. Van Lengen and requested that he forward a copy of his response to this office.

Once this information is received, a report will be prepared for review by the Commission.

Re: Clarence Kadys

Dear Mr Borwn:

This is to confirm our telephone conversation of yesterday in regards to the final report for one Clarence Kadys, petion 2493. Your demanded that the report be sent out the same day, and definitely not later than the following days, ie, June 20, 1980.

As explained in our letter of May 30, 1980 ani in our telephone conversation on the telephone, it was impossible to get out the report before now as we had to get out the tax extensions by June 15, 1980 and the various clients sales tax reports by June 20, 1980. You said this was not any of your concern and you wanted the report, period. We have informed you that the report will be out by next week and that is the best we can do under the present circumstances.

I would like to add that this whole matter would have been resolved in December 1979, if we were allowed to work on the reports for an extra two days. This was the last time you called this office and demanded the records by 5:00 P M of the same day. On the day of your telephone call, we had imformed you that we almost had the report completed and the requested extra time was needed to finish the job, as the time was allocated to the job and proper staff was used for the report.

I may also add that when we sent out the records, we were under the impression from you that the report will be completed by your office. Your office has kept the records over two months. We only needed two days to completed our original report.

We regret that this delay in reporting had caused you any inconvience, however, this is a small office and we try to allocate time for various clients and most of time this does not work out in actual pratice.

Gentlemen:

Your FEC Fprm 3, Revised, sent to George H. Van Lengen, Esquire of 1300 State Tower Building, 109 South Warren Street, Syracuse, New York on behalf of Clarence Kadys has been referred to the undersigned for reply.

This office is gathering the necessary information for the required report and expect to have it available within two weeks from today.

In as much all of the records were originally send to your office in December 1979 and kept by your office in excess of two months, we have presumed that you have obtained all the desired information to bring your files to date. It appears that this is not the case as new forms have been sent out by your office.

This office would have had the report completed, but your office insisted that the records were required like yesterday. We now have to pick up where we left off on our work in December 1979.

We regret if this delay in filing the report will cause any inconvience to your office.

cc: George Van Lengen, Esq.

INTERIM INVESTIGATIVE REPORT #2

In the Interim Investigative Report #1, dated April 10, the Office of General Counsel reported that telephone contact had been made with Kadys' attorney in an effort to persuade Kadys to file an amended report reflecting all expenditures made by him relating to his campaign activity. On April 15, a letter was mailed to the attorney, George Van Lengen, confirming the telephone conversation and indicating the specific information required of his client.

On May 5, General Counsel staff received a letter from Mr. Van Lengen indicating that four days prior to the receipt of our April 15 letter, he was hospitalized and forced to undergo emergency surgery. Consequently, Van Lengen states, the opportunity to confer with his client regarding the contents of our April 15 letter, occurred only recently. Mr. Van Lengen did indicate, however, that the information requested would be forwarded to our office "as soon as possible".

Once this information is received, a report will be prepared for review by the Commission.

Re: MUR 901

Dear Mr. Van Lengen:

This is to confirm your telephone conversation of April 2 with Duane Brown of this office in which you discussed your interest in concluding this matter as expeditiously as possible.

In the discussion, Mr. Brown stated that it was important that your client, Clarence Kadys, file an amended report indicating all monies spent out of pocket and in support of his campaign. These reports need not reflect the activity of the Kadys for Congress Committee.

Accordingly, we have enclosed the reports which are required to be returned to the Commission upon completion by Mr. Kadys. Please return them within 15 days of your receipt of this letter. In addition, this office has returned the materials subpoenaed from Mr. Kadys' accountant, Constantine Wolczyk, since this information would probably be of assistance in filing the reports.

If you have any further questions, please telephone Duane Brown at (202) 523-4057.

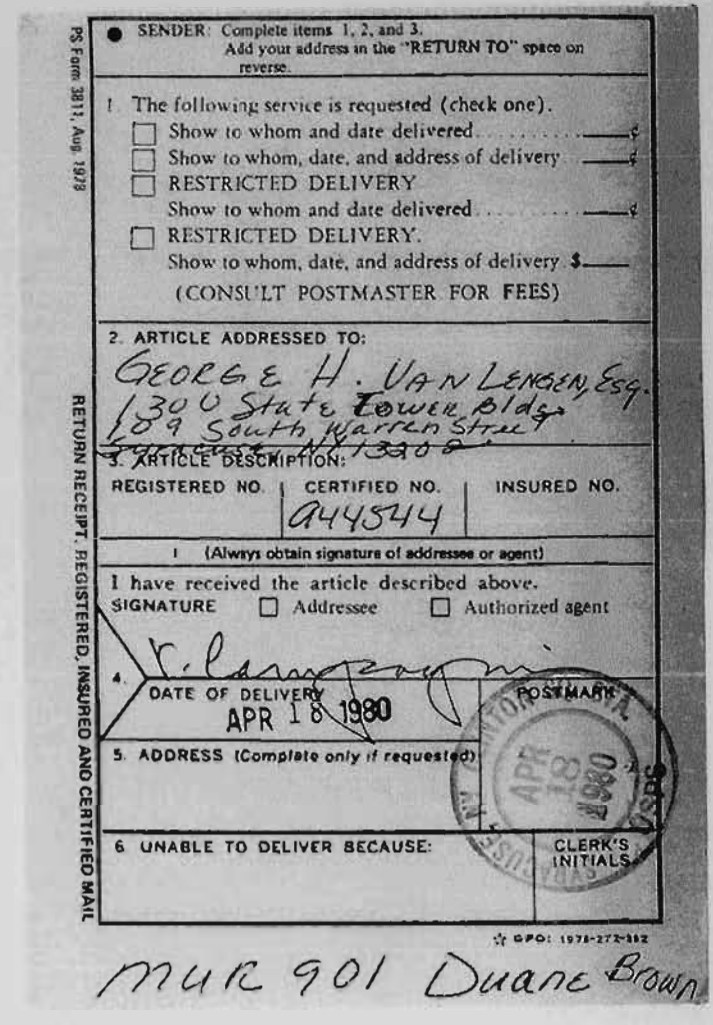

Sincerely,

Charles N. Steele

INTERIM INVESTIGATIVE REPORT #1

Clarence Kadys was a candidate for the House of Representatives in 1978. Even though Kadys had organized a committee for purposes of expending funds for his campaign, a split between the candidate and committee treasurer occurred and the candidate began spending sums of money out of his pocket in support of his election.

General Counsel staff have attempted to determine the total amount of unreimbursed expenditures made by the candidate. As a result, we have determined through information received from Kadys' attorney, that Kadys spent all his own money on the campaign and that at the time of the campaign Kadys was worth in excess of $500,000.

General Counsel staff telephoned Kadys' attorney on April 2, 1980 in an effort to persuade Kadys to file an amended report reflecting all expenditures made relating to his campaign activity. This office expects to submit a further report in three weeks.

INTERIM INVESTIGATORY REPORT

On December 3, 1979, the Commission adopted the recommendation of this office and authorized the issuance of a subpoena for the production of all records and documents relating to the respondent, Clarence Kadys.

On December 19, our office received a disorganized assortment of cancelled checks, miscellaneous documents, receipts and invoices from Clarence Kadys' accountant, Constantine Wolczyk.

A General Counsel's report will be submitted once Commission staff review the materials and determine the relevance of that which was submitted to the information sought. We hope to submit a recommendation to the Commission during the week of January 21-25.

Dear Mr Brown:

As requested in our letter of December 7, 1979, we have kept the records of Clarence Kadys election records for an extra 10 days so that they may be review by this office. We now are sending these records to your attention Upon receipt of these records, we respectfully request that a copy of the list of records be sign and return to the undersigned. We have not completed our audit, as we did not find all of the necessary papers required for such work.

In reviewing the records, we found missing the following type of records which we require to make our review more complete:

1. Bank statement from July 1, 1978 to July 15, 1978 was not available to us.
2. Although we have seen the cancelled check in November 1978 or thereabout, they were not with the records when we picked up the records in the fall of 1979.
3. No N Y S tax report was available for the quarter ended June 1978.
4. No cashdisbursement sheet was available to us for the months of April, 1978, May, 1978 and June 1978. Likewise no paid out sheets were available after September 30, 1978.
5. There could be other data which we may have required to complete our audit review of the Clarence Kadys election campaign, however, at this time, we are not sure what additional data we may require to do our work.

Upon completion of your work with the records, we respectfully request that they be sent back to the undersigned. We also request a sign receipt for these records. We prepared an extra copy for your which can be signed an sent back to us.

We have not included any of our work sheet recrods as they are incomplete at this time. You likewise indicated that you only wanted the records and nothing else from the undersigned.

RE: Authorization to Issue Subpoena in connection with MUR 901

On two occasions, the respondent, Clarence Joseph Kadys has been ordered to answer certain questions relevant to the Commission's investigation. On each occasion Kadys either failed to answer certain questions or the answers submitted were unacceptable. Respondent bases his lack of compliance on the argument that he has not been able to obtain the committee records around which certain questions regarding his financial activity are concerned. Mr. Kadys alleges that his records are being held by his accountant, Constantine Wolczyk.

We therefore recommend that the Commission authorize the issuance of the attached subpoena in furtherance of our investigation in this matter.

Re: Your letter of October 26, 1979

Dear Mr. Tiernan:

I have taken your letter of October 26, 1979 to my accountant so that a reply can be made at the earliest possible time. I am not purposely causing a delay, but the records which were turned over to my accountant at the insistence of my attorney in two lawsuits of the three which have been commenced against me by Gary DeDell have made it impossible for me, up to this point, to give you any detailed analysis of what happened during my abortive campaign in 1978.

In answer to your question number 1, where the filed report shows income of $12,076.00, as opposed to expenditures of $21,262.00, the difference would be in monies contributed by me to the committee in order to fund unpaid bills which the committee incurred. Just as you have problems in trying to reconcile the report submitted by my committee, the accountant is trying to unravel the myriad of bills to the report of the committee, such as it is. Invoices were not cross-referred to the filed report, which has caused my accountant great difficulty in concluding his report. My accountant refuses to certify any amounts spent by the committee until all invoices and receipts are reviewed by him and these records fill up a large cardboard box.

Your question number 2 states in part: "The committee discloses a debt owed by you to the committee totalling $50,000.00, with a cumulative payment as of that time (October 10, 1978) of $25,111.27." There is absolutely no substance to the claim by the committee that I owe the committee a debt of $50,000.00, offset only to the extent of $25,111.27. That is what part of the lawsuits mentioned are concerned with.

I was not aware that my committee was playing fast and loose with monies forwarded to it by me until I found that a certain bank deposit which the committee claimed to have made did not appear on the following bank statement. At that point I began paying bills myself, on behalf of the campaign committee. My checks were so marked to reflect payments made on behalf of the Kadys committee, as instructed by your office so that the election regulations could be complied with. Additionally, the bank account of the committee was overdrawn for the simple reason monies forwarded by me to the committee and not deposited gave a false checkbook balance several times.

Please note that in your interrogatory labeled "2", you repeat the allegation of the committee that I owe it $50,000.00, but with a cumulative balance as of that time of $25,111.27. Whereas, in question "1", the same report submitted by the committee apparently disclosed total receipts of $12,076.00 and total expenditures of $21,262.00.

To the best of my knowledge, I furnished most of the monies which the committee had at its disposal. I have no record, and have never been able to obtain one, of any monies collected from other donors.

In answer to question number three, as I have already said, the source of money spent by me was my own, through savings of many years and I already informed you of my financial condition at the time I announced my candidacy, which shows that I have a net worth of over a half million dollars.

As soon as my accountant can unscramble the unbelievable mass of financial data relating to my campaign, I shall be glad to follow this letter with any proof you desire in the way of bank deposits, cancelled checks, invoices and receipts.

This is all that I can furnish you at this moment. If you care to place the proceeding in Federal District Court, so be it. I am doing the very best that I am able.

Very truly yours,

Clarence Kadys

10 DAY PRE-PRIMARY REPORT

The reports filed by you and your committee disclose contributions from your personal funds. Section 110.10(b) of the Commission's Regulations defines personal funds as:

(1) Any assets to which at the time he or she became a candidate the candidate had legal and rightful title, or with respect to which the candidate had the right of beneficial enjoyment, under applicable State law, and which the candidate had legal right of access to or control over, including funds from immediate family members; and

(2) Salary and other earned income from bona fide employment; dividends and proceeds from the sale of the candidate's stocks or other investments; bequests to the candidate; income from trusts established before candidacy; income from trusts established by bequest after candidacy of which the candidate is the beneficiary; gifts of a personal nature which had been customarily received prior to candidacy; proceeds from lotteries and similar legal games of chance.

Please confirm for the public record the source of your personal funds as defined above.

Your report discloses on Schedule D the total gross proceeds resulting from fund-raising events. Any receipt in excess of $100 contained in the total gross proceeds should be itemized on Schedule A and included in the total for itemized receipts on Line 14a on the Detailed Summary Page. Receipts of $100 or less contained in the proceeds should included as unitemized receipts on Line 14b. Please amend your report to reflect this breakdown.

The total expenditures reported on Lines 20a and 22a of the Detailed Summary Page equal the same amount ($16,571.37). In addition, you disclose a transfer out of $16,571.37 to an affiliated committee but fail to itemize this transfer on Schedule B, as required by Section 104.2(b)(4) of the Commission Regulations. Please clarify these entries.

Section 104.2(b)(9) of the Commission's Regulations requires that all expenditures which aggregate over $100 to a single payee be itemized to include the identification of payee, particulars of each expenditure, date (month/day/year), and amount. All expenditures to payee whose aggregate amount is less than or equal to $100 should be reported as unitemized expenditures on Line 20b of the Detailed Summary Page. (Revised November 1978)

COMMITTEE FOR KADYS
C00102533
OCTOBER 10 REPORT

On your report you disclose $12076 in total receipts and $21,262 in total expenditures. Please amend your report to disclose the source of all funds received. These funds should be itemized on Schedule A and included in total receipts on the Summary Page and Detailed Summary Page.

In addition, the calendar year-to-date totals should include the total amount of receipts and expenditures for the committee from January 1 or from the time the committee had financial activity. The calendar year-to-date figures indicate undisclosed sources of receipts and undisclosed expenditures. Please amend your report to explain this apparent discrepancy.

Please be advised that Section 104.2(b)(2) of the Commission's Regulations requires that all receipts which aggregate over $100 from an individual be itemized. The identification, occupation, principal place of business, date, and amount must be disclosed. Please amend Schedule A to provide the exact date (month/day/year) for the itemized receipts. All receipts from individuals whose aggregate amount is less than or equal to $100 should be reported as unitemized receipts on Line 14b on the Detailed Summary Page (page 2).

Section 104.2(b)(9) of the Commission's Regulations requires that all expenditures which aggregate over $100 to a single payee be itemized. The identification, particulars of each expenditure, date (month/day/year) and amount must be disclosed. All expenditures to payees whose aggregate amount is less than or equal to $100 should be reported as unitemized expenditures on Line 20b of the Detailed Summary page. Please amend Schedule B to include the name, address and exact date for the itemized expenditures.

On Line 12 of Schedule C, you disclose a debt owed to the committee by Clarence Kadys for $50,000 and a cumulative payment to date of $25,111.27. However, your report does not reflect total receipts from Mr. Kadys for this amount. Please amend your report to explain this discrepancy.

Please be advised that Schedule C, FEC Form 3, calls for the Name, Address, original amount and exact date of incurrence of all outstanding debts. The committee report discloses a debt to Gary DeDell incurred on 10/9/78. The amount for each debt should not be aggregated with successive debts from Mr. DeDell; rather, each debt should be reported by date, amount or original debt, cumulative payment to date, outstanding balance at close of period, and the nature of the obligation (terms of repayment etc.).

The total expenditures reported on Lines 20a and 22a of the Detailed Summary Page equal the same amount ($21,262.43). In addition, you disclose a transfer out of $21,262.43 to an affiliated committee but fail to itemize this transfer on a Schedule B, as required by Section 104.2(b)(4) of the Commission Regulations. Please clarify these entries.

Re: MUR 901

Dear Mr. Oldaker:

Since you wrote to me directly, under date of September 24, by certified mail, I am answering you and not Duane A. Brown, although I shall be glad to correspond with Mr. Brown as well.

Mr. Kadys is presently a client of mine and, although I was completely aware of his candidacy for the Democratic nomination for Congress from the 33rd District in the summer of 1978, I had absolutely nothing to do with that campaign.

As a matter of fact, a letter was circulated to prominent people in this area seeking funds for Mr. Kadys' campaign and bearing my signature; even to the extent of giving me a law office address at least a half mile away from my office in the City of Syracuse.

The letter was, of course, a blatant forgery and you may rest assured that I let it be known as such.

Unfortunately, Mr. Kadys has been subjected to four lawsuits, three of which have been in Syracuse City Court and the fourth in Onondaga County Supreme Court, with the result that he has had to accumulate all records with regard to the campaign and forward them to his accountant, Constantine Wolczyk, of 164 State Street, Auburn, New York 13021, who has not yet returned them to me, despite my urgent requests. All the lawsuits have been engendered by Gary DeDell, the so-called campaign manager, except one, which was brought by a factor with whom we settled in Court. The obvious answer to question number 3 submitted by you is that all the money spent by Mr. Kadys was his own money; he collected absolutely none from anyone else. The total amount spent by him was approximately $30,000.00 and the assets which he had at the time he announced his candidacy were approximately the following:

Real Estate	$ 120,000.00
Bank Accounts	$ 250,000.00
Investments (Stocks & Bonds)	$ 100,000.00
Mortgages	$ 70,000.00

This does not take into account personal items and household goods.

The great problem here has been the complete and open hostility between the campaign manager and one of his cohorts and Mr. Kadys, to the extent that it took a great effort on my part to obtain their records, which the accountant is still sifting.

I cannot give you, nor can Mr. Kadys, any more information at the present time. We are simply trying to obtain, for our own litigation purposes, the same information which you seek. I expect we will have the same within the forseeable future and I shall be glad to forward it to you as soon as it is available in intelligible form.

Very truly yours,

79 AUG 6 AM 11:39

Gary J. De Dell, being duly sworn, deposes and says as follows:

That this affidavit is made at the request of Mr. James Allen of the Federal Election Committee, and is pursuant to his telephone call to me of July 31, 1979.

That the allegations of the Federal Elections Commision's letter of July 25th and the mailgram of the same date are without foundation, that I have indeed responded to each and every letter received from the Federal Election Commision regarding subject reports since their writings started April 2[illegible], 1979.

That, contrary to the allegations of said letter and mailgram that it is the Federal Election Commision that has not acknowledged and responded to my answers and queries.

That, contrary to the allegations of said letter and mailgram, the undersigned has filed a statement of organization and relationship for and between the Kadys for Congress Committee and the Professionals for Kadys Committee.

That, this document is to serve as an amendment to Page 1 of said reports filed since last August to present for said Committee (s), as the Professionals for Kadys Committee handled all financial transactions and acted as a financial "umbrella" for the Committee for Kadys (for Congress).

That, the undersigned agrees to correct any mathematical, clerical, or tabulating errors in said reports, provided that said reports are returned to the undersigned.

That, Mr. Clarence J. Kadys, Candidate for Congress, without permission, broke into the undersigned's place of business on Thursday, October 19, 1978, and took records relating to the Campaign and its finances. That this transgression was witnessed by two others at the time. That certain records were lost by said candidate or retained by said candidate and there are the undersigned cannot be responsible for same.

That, attached hereto is Page 1, as requested, with said change in name, effecting an amendment.

That, attached herewith are copies of undersigned responses to your previous inquiries.

1715 Teall Avenue
Syracuse, New York 13206

That, in October, 1978, December, 1978, and again in February, 1979, I submitted my resignation to the Federal Election Commission; the Secretary, the New York State Board of Elections; and to the clerk, U.S. House of Representatives because of the problems detailed in accompaning letters, detailing the complaints about the candidate to said above three parties.

That, pursuant to a settlement of a Court Action that I have instituted and my business has instituted in the Courts of the City of Syracuse, County of Onondaga, State of New York, all records regarding the finances of said committee (s) were transferred to Mr. Clarence J. Kadys' agent Mr. Constantine Wolczyk, 164 State Street, Auburn, New York on or about the 22nd of May, 1979. That he was to retain these records for only two weeks so that the undersigned could comply with your request. And, that, to date, these records have not been returned despite many repeated requests on the part of the undersigned and my counsel. That said actions in the courts of law for the undersigned have been taken by my counsel, Mr. Norbert F. Abend, Jr., Attorney at Law, 205 South Townsend Street, Syracuse, New York 13202, telephone (Area Code 315) 476-2191. And, that, said records were transferred to behest settlement and said records were to be returned by agreement of the undersigned, the Candidate, Mr. Kadys; his agent, Mr. Wolczyk; his counsel, Mr. George Van Longen, Esq., and Mr. Abend.

And, that, the undersigned finds it impossible to comply with the April 10 Quarterly, October 10 Quarterly, and Year End 1978 Reports of Receipts and Expenditures missing required information without the presence of said material that has been both been taken by the candidate without permission and that has been retained by his agent, as detailed above.

So Help Me God, I Swear To The Truth of The Above.

Gary J. De Dell

To Whom It May Concern:

Because the Federal Election Commission acted upon my complaint that the candidate had not paid his bills, and because I have had to prepare F.E.C. Expenditure and Receipt Reports without remuneration, and because of all the foregoing as stated in my October 9 letter and in my November 10th 1978 I herewith resign from my position on the J. Kadyk Campaign Committee.

In the future, all inquiries should be directed to Mr. Clarence J. Kadyk, [illegible] Street, Syracuse, New York 13203.

Sincerely,

Mary [illegible]

To Whom It May Concern:

Because the Federal Election Commission has not acted upon my complaint that the candidate has not paid his bills, and because I have had to prepare the F.E.C. Expenditure and Receipt Reports without renumeration, and because of all the reasons cited in my October 9 letter and in my November 18th letter of 1978 I herewith resign from my position on Clarence J. Kadys Campaign Committee.

In the future, all inquiries and mail are to be directed to Mr. Clarence J. Kadys, 1912 West Genesee Street, Syracuse, New York 13204.

Sincerely yours,

Gary J. DeDell
Campaign Manager

Effective October 9, 1978
TO WHOM IT MAY CONCERN:

Please be advised that effectively immediately I wish to register the complaints as follows against the candidate, Clarence Joseph Kadys who ran for Congress in the Democratic Primary in the 33rd Congressional District of New York State:

(1) The candidate refuses to submit his own report that is an integral part of the Federal Elections Commission - October 10th report.
(2) The candidate has not given all the information to his committee to submit a genuinely complete report to the FEC.
(3) The candidate has made his own expenditures on behalf of his candidacy but will not give the exact receipts to his committee.
(4) The candidate owes to the committee members and myself money loaned for campaign expenses which he promised to honor, but has not for over two months.
(5) The candidate owes me many personal expenditures.
(6) Although the candidate promised to fund his own campaign, myself and other members have been harrassed at the candidate's direction by creditors to pay his campaign bills, and bills that he has charged out of our pockets.
(7) My own business is owed funds by the candidate now approaching 90 days.
(8) There are outstanding monies due suppliers, workers, temporary employment agencies, etc. which the candidate will not honor.
(9) The candidate states that I am to make good payments to workers and suppliers for checks which have not been honored by the bank. Although these supplies were used by the candidate, he expects me to pay for them.
(10) The undersigned has personally been embarrassed by Court action because of a check which was not honored by the bank. The candidate took three weeks to make good the check.
(11) I have not been paid for any work I have done for the candidate.
(12) The candidate refuses to listen to his committee about obligations, and also refuses their advice regarding his responsibilities about filling out his own FEC report.
(13) He has not heeded nor answered demands from his committee, his suppliers, his workers, his lawyers, the District Attorney, and creditors at large. When he does, he refers them to the committee for payment, for satisfaction.
(14) For a month the candidate has intercepted all committee mail, receipts, and bill Although the candidate has signed a waiver, he has superseded the committee function for which the waiver was intended.

Despite his promises to fund his campaign, the credit demands he has placed upon his committee may cause committee members to exceed the $1000 loan which the FEC allows. The committee members are either faced with that or legal action locally from the creditors and/or the Courts.

Sincerely yours,

Gary J. DeDell
Treasurer

P.S. It has been considered that I resign, and in turn the committee nominate Clarence Joseph Kadys as Treasurer. Should this take place, we want to know whether or not this allows us any leverage to make the candidate financially responsible to us, the members of the committee, for the monies that he presently owes us. Will the FEC please advise immediately?

Dear Mr. Allen:

We are in receipt of Mr. Potter's letter of May 2nd. Please be advised that I have resigned from the Committees for Clarence Kadys campaign for Congress.

The Committee for Kadys for Congress was an umbrella committee. It was a committee in name only. It had no function whatsoever. All the moneys received from Mr. Kadys, contributions received, and expenditures made were done through the Professionals for Kadys Committee. Therefore, I wish to know whether or not all the reports thus far filed on behalf of the Committee for Kadys for Congress can be copied with a new title in the committee's name box for Professionals for Kadys?

I also find that FEC form was filed on behalf of the Professionals for Kadys in August of 1978. If you do not find this form, I will send you a Xerox copy of the one that we have. Please advise if I am relieved of any responsibilities regarding the Professionals for Kadys Committee because I have resigned? Please advise if I am relieved of any further responsibilities for the Committee for Kadys for Congress because I have resigned? Please respond in writing.

Thank you.

Sincerely,

RE: MUR 901

Dear Mr. Van Lengen:

On April 26, 1979, your client, Clarence J. Kadys was notified by the Commission that certain required information was omitted from the 10 Day Pre-Primary Report of Receipts and Expenditures filed by him. On July 13, 1979, Mr. Kadys was again notified that his failure to amend his report would give the Commission reason to believe that he was in violation of 2 U.S.C. §434. Mr. Kadys has failed to respond to either correspondence. On August 20, 1979, the Commission ordered Mr. Kadys to answer certain interrogatories sent to him. Mr. Kadys ignored the order and returned the interrogatories unanswered. Mr. Kadys in his response asserts that he did not answer the interrogatories because "he has no knowledge of any figures or financial reporting to the Federal Election Commission." In fact, our records show that Clarence Kadys did file certain reports of receipts and expenditures regarding his campaign - although not all. Therefore, the statement that he has no knowledge of any financial reporting to the Commission is inaccurate. In addition, our records indicate that Mr. Kadys has actual, if not, constructive possession of all financial records relating to his campaign. Therefore, Mr. Kadys should have been able to answer the interrogatories since he now has the source of the information requested. Even if we assume that Mr. Kadys was not able to answer questions #1 and #2, he should be able to answer question #3 based simply on personal knowledge. Therefore, we will not tolerate Mr. Kadys' refusal to answer whether or not the funds expended by him in connection with his campaign were his personal funds at the time he announced his candidacy. If Mr. Kadys is unable to answer the other questions, he must demonstrate why he is unable.

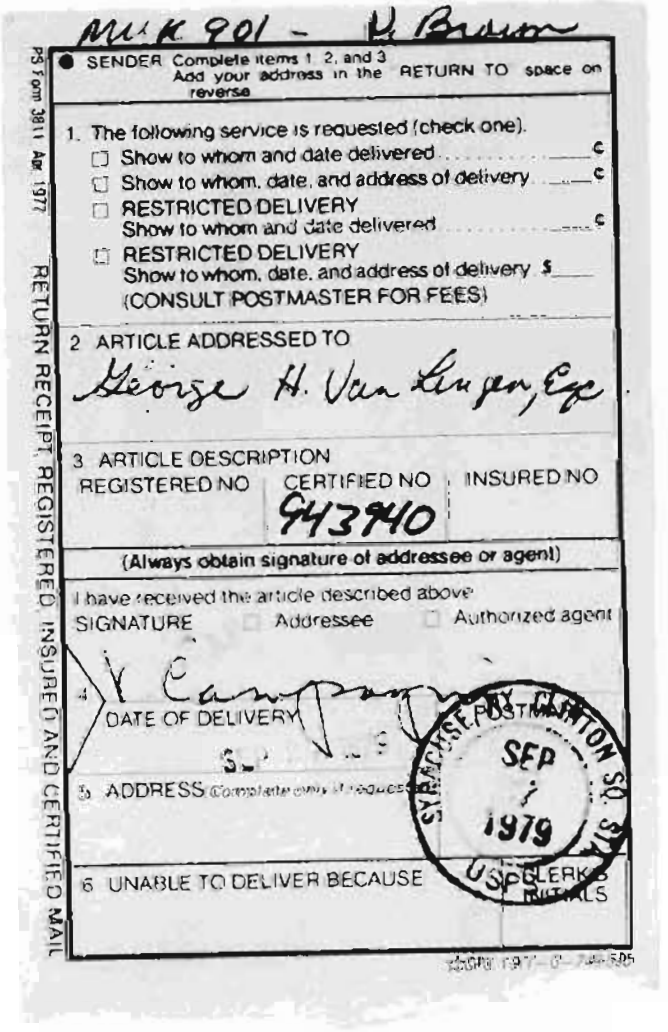

The Commission has again attached the Order and Interrogatories for your client. His failure to respond to this issuance would require that the General Counsel enforce the order in the federal courts. The answers must be submitted under oath within ten (10) days of your receipt of this Order, to the Federal Election Commission, 1325 K Street, N.W., Washington, D.C. 20463, Attention: Duane A. Brown, Office of the General Counsel.

If you have any questions, please contact Duane A. Brown at (202) 523-4057.

Sincerely,

William C. Oldaker

Clarence Kadys MUR 901

Please answer the following interrogatories. Where appropriate documentation should be made to substantiate any factual claims.

1. On the October 10 quarterly report submitted by the Committee For Kadys, a disclosure of $12,076 in total receipts and $21,262 in total expenditures was submitted. This disparity indicates an undisclosed source of receipts totalling $9,186. Please explain this apparent discrepancy and submit appropriate documents if necessary.

   a. If in answer to #1, you indicated that monies were spent "out-of-pocket" and not drawn on the campaign depository, please document the total amount spent by submitting copies of cancelled checks and receipts to that effect.

   b. If in answer to #1, you indicated that monies were not spent "out-of-pocket" but derived from another source, please specify the source and document any expenditures made from that source.

2. On the October 10 quarterly report submitted by the Committee For Kadys, the Committee discloses a debt owed by you to the Committee totalling $50,000, with a cumulative payment as of that time of $25,111.27. Please explain.

3. Please state the source of all money spent by you in connection with your campaign. In response to this question, please state the total amount you expended on the election and the assets which you had at the time you announced your candidacy.

INTERIN INVESTIGATIVE REPORT

On January 31, 1979, the Commission adopted the recommendation of the General Counsel and referred this matter to the Audit Division for a recommendation.

On April 5, 1979, the Commission adopted the recommendation of the Audit Division to direct the Reports Analysis Division to send a request for additional information to the respondent in order to ascertain the source of the candidate's income, and to hold in abeyance at that time the matter of the audit.

On April 26, 1979, requests for additional information were sent to Clarence Kadys for the 10 Day Pre-Primary Report and the Committee for Kadys for the April 10, October 10, and January 31 Reports. As of this report, no response has been received from either the candidate or the committee. The Reports Analysis Division is reportedly preparing a reason to believe letter against both the candidate and committee for their failure to respond.

Re: MUR 901

Dear Mr. Kadys:

This is in reference to the letter from your attorney, George Van Lengen, dated October 2, 1979 in connection with the Commission's investigation in the captioned matter. The Commission had issued an order on August 22, 1979 which required you to answer certain questions. Your attorney responded to the order on your behalf. The response is insufficient in that it is not your own, sworn response, as required by the order, nor does it answer the questions. Although the answer given to question # 3 is acceptable, the Commission insists that you answer questions 1a, 1b and 2 since the information regarding these questions are considered to be within your personal knowledge and not of the type which might require your referring to the committee records. For example, since you, through Mr. Van Lengen, stated that approximately $30,000 of your own money was spent for your campaign, this statement can and must be documented by you by submitting receipts and cancelled checks to this effect. Also, question # 2 can be answered without your having to resort to committee records. Our understanding regarding this question is that you promised the committee $50,000.00 at the inception of the campaign yet gave it only $25,111.27. It is necessary that you further clarify this arrangement and document the cumulative payments paid to date.

These questions are being sent to you under the authority of the original order, therefore, your failure to answer will force the Commission to enforce the order in the United States District Court. It is important that you respond within 5 days of your receipt of this letter and that your answers be submitted under oath.

If you have any questions, please call Duane A. Brown, the attorney assigned this matter at (202) 523-4057.

INTERIM INVESTIGATIVE REPORT

On August 20, 1979, the Commission authorized the Office of General Counsel to issue an order and interrogatories to Clarence Kadys in an effort to determine the source of the funds used in his election.

Mr. Kadys returned the order and interrogatories to the Commission unanswered stating that he had no knowledge of any financial reporting to the Commission and that Gary De Dell, formerly the Kadys Committee treasurer, should be the individual questioned. (Attachment) The Commission has previously received an affidavit from Gary De Dell stating that the records regarding the finances of the Committee were transferred to an agent for Kadys, Constantine Wolczyk, and that after repeated requests by De Dell and his counsel, the records were never returned.

Office of General Counsel staff are communicating with Kadys' attorney in an attempt to secure answers to the interrogatories before seeking to enforce the order. A report will be forthcoming setting forth the results of that communication.

MEMORANDUM

TO: The Commission

FROM: William C. Oldaker
General Counsel

RE: MUR 901 - Clarence Kadys: Order and Interrogatories

On April 5, 1979, the Commission directed the Reports Analysis Division to send a request for additional information to the respondent in this matter in order to ascertain the source of the candidate's funds. No response was received from the candidate or the candidate's treasurer until August 6, 1979 when the treasurer, in a letter to the Commission, stated that all committee records had been transferred to the candidate. On July 18, 1979, the Commission authorized the General Counsel to proceed if a reply was not received from the respondent within 15 days from the time the RTB letters were sent from RAD (July 13).

Since the candidate has failed to respond to the request for additional information and since our records indicate that the candidate, Clarence Kadys, now has actual possession of committee finance records, the order and interrogatories primarily concentrate on the Commission's original concern -- the unreported source of the candidate's funds.

Accordingly, we have attached for your approval an order and interrogatories to be submitted to Clarence Kadys.

RE: MUR 901

Dear Mr. Kadys:

On April 26, 1979, you were notified by the Reports Analysis Division that you omitted certain required information from the 10 Day Pre-Primary Report of Receipts and Expenditures filed by you. On July 13, 1979, you were again notified that your failure to amend your report would give the Commission reason to believe that you are in violation of 2 U.S.C. §434. As of this date, we have received no response from you.

Accordingly, the Commission has authorized the General Counsel to take legal action against you in the form of the attached Order and Interrogatories. You are therefore required to answer the interrogatories and to submit any documents that may substantiate your answers within 10 days from your receipt of this letter. If you fail to respond within the 10 days, the General Counsel has the authority to enforce this order in the United States District Court.

If you have any questions, please contact Duane A. Brown, the attorney assigned to this matter at (202) 523-4057.

COMPLAINANT'S NAME: Gary J. DeDell

RESPONDENT'S NAME: Clarence J. Kadys

RELEVANT STATUTE: 2 U.S.C. §434
11 C.F.R. §101.3(b), 108.3, 104.1(2)(B), 104.2(B)(1)

INTERNAL REPORTS CHECKED: Candidate Committee

FEDERAL AGENCIES CHECKED: None

SUMMARY OF ALLEGATIONS

In a notarized complaint dated December 6, 1978, complainant who is the treasurer of respondent's committee alleges that respondent committed numerous violations of the Federal Election Campaign Act of 1971, as amended ("the Act"). The gist of the complaint seems to center around the fact that the respondent, Clarence Kadys, made several unreimbursed expenditures for his campaign after he had waived his reporting obligation, in violation of 11 C.F.R. §101.3(b). Complainant contends that the Respondent lost his waiver once he made unreimbursed expenditures, and in so doing, violated §101.3(b).

ANALYSIS

While it is true that the candidate forfeited his waiver once he made unreimbursed expenditures, see §101.3(c), his subsequent reporting of those expenditures satisfies his reporting obligation. The purpose inherent in this provision, to insure that all candidate expenditures are reported, is thus satisfied.

December 6, 1978

FEDERAL ELECTION COMMISSION

Dear Mr. Scall:

As per my conversation with Mr. James Allen, of the Federal Election Commission, and per your instructions, herewith is a signed, sworn and notarized affidavit.

My name is Gary J. DeDell, 816 No. State Street, Syracuse, Onondaga County, New York, 13208. My phone #area code 315/422-4725.

As per your recommended format, I state that Mr. Clarence J. Ladys, 1912 W. Genesee Street, Syracuse, NY, 13204, candidate for the 33rd Congressional District, New York, in the Democratic Primary, lost his status of waiver (FEL section 101.3). He did not file his own report on October 10, and in so doing, violated section 101.3 (B). Not filing under section 108.3 was also violated because he paid television stations, committee workers and suppliers out of his own pocket. Further, he has hampered reporting of the Committee for Ladys as detailed in our letter of October 9, our letter of October 27, and our mailgram of October 30.

808518

According to section 104.2 (B) (10, and section 104.1 (2) (B,, he has further violated the Federal Campaign Act of 1971, as amended. In particular, he spent over $1,000 with three TV stations in the Syracuse Area during the month of Sept.,1978, namely channels 3,5 & 9; paid over $1,000 to his campaign workers, numbering 18 or more also during that time; paid at least four suppliers over $200; and over $1,000 to the U.S. Post Office likewise during the month of September. All of these expenditures were out of his own pocket. The members of the campaign committee were witnesses to these transactions. These monies were in direct relationship for his candidacy for airtime, campaign work, campaign supplies, and campaign postage. The undersigned was a witness to the second and last payments, and other members of the committee were witnesses to the first, second and third payments.

I am not acting on behalf of us or on the request of any candidate.

If you would be kind enough to check with Ms. Joan Aikens, or Mr. James Allen, both of the FEC Reports Committee, you will find a copy of my letter dated October 9, 1978. It was attached to our committee report.

I have also talked at length with Mr. James Allen, of your Commission, regarding this problem. I have specific requests in my letters to your Commission, and accordingly, I ask that you answer same. Had you done so upon receipt of the October 9 letter, we may have been able to resolve this problem without my now making a formal complaint.

Regardless, my complaints stand. I believe the above is the format you have recommended.

I HEREBY SWEAR TO THE ABOVE - SO HELP ME GOD.

Sincerely,

Gary J. DeDell

Dear Mr. Dedell:

We have received your letter of November 18, 1978, inquiring into the possibility of a violation of the Federal Election Campaign Act of 1971, as amended.

As set forth in 2 U.S.C. section 437g(a)(1), the Commission is not empowered to take action unless complaints are signed, sworn and notarized by the complainant. Under Section 111.2 of the Commission's regulations, it is also required that a complaint contain: (1) The full name, address and telephone number of the complainant; (2) a clear and concise statement of the acts which are alleged to constitute a violation of the Federal Election Campaign Act of 1971; (3) any documentation of allegations of the complaint available to the complainant; and (4) an assertion that the person complaining, if not a candidate, is not filing the complaint on behalf of or at the request of a candidate, unless such is the fact, in which case it shall be set forth.

In the interests of complying with the above procedures, excerpts from the Federal Election Campaign Act of 1971, as amended, and the Commission's regulations are enclosed with this letter. I hope that an examination of these materials will answer most of your questions and will enable you to be specific in any assertions or allegations you might make, in the event you wish to file a complaint with the Commission.

TERMINATION NOTICE TO CANDIDATES AND COMMITTEES WHO PARTICIPATED IN 1978 ELECTIONS

Following the 1978 General Election, many candidates and committees may wish to terminate their reporting obligations under the Federal Election Campaign Act. The termination process may be accomplished by filing a **Termination Report**, provided several basic requirements of the Act are met.

REQUIREMENTS FOR TERMINATION

CANDIDATE

The candidate may terminate if all obligations relating to the campaign for which the candidate is personally responsible have been extinguished.

NOTE: Candidate status will be automatically terminated by the Federal Election Commission for those candidates having a **Waiver of Candidate Reporting Requirements.**

AUTHORIZED COMMITTEES OTHER THAN PRINCIPAL CAMPAIGN COMMITTEE

Authorized committees may terminate provided 1) all debts and obligations owed to or by the committee have been extinguished, and 2) the committee either seeks to disband or determines that it will no longer receive contributions or make expenditures for Federal elections during the calendar year in an aggregate amount in excess of $1,000.

PRINCIPAL CAMPAIGN COMMITTEE

Before a principal campaign committee may terminate, the candidate and all authorized committees must have terminated. Once this condition is met, the principal campaign committee may terminate its own reporting obligations provided 1) all debts and obligations owed to or by the committee have been extinguished, and 2) the committee either seeks to disband or determines that it will no longer receive contributions or make expenditures for Federal elections during a calendar year in an aggregate amount in excess of $1,000.

NOTE: The principal campaign committee is the last filer associated with a campaign to terminate.

TERMINATION REPORT

The Termination Report should be filed on FEC Form 3 or FEC Form 6, as appropriate. The candidate or committee should check the appropriate box in Question 4 on either form. The report may be filed at any time and should disclose any previously unreported receipts and expenditures, and should contain a statement as to the actual or anticipated disposition of residual funds.

If you have any questions concerning how to terminate or how to settle debts, please contact the Federal Election Commission on the toll free line: 800/424-9530. The local number for the Reports Analysis Division is 202/523-4172 (House) or 202/523-4048 (Senate).

I am not acting on behalf or on the request of any candidate.

If you would be kind enough to check with Joan Aikens, or Mr. James Allen, of the reports committee, you will find a copy of my letter dated October 9, 1978.

I have also talked at length with Mr. James Allen of your commission regarding this problem. I have specific requests in my letters to your commission, and accordingly, I ask that you answer same. Had you done so upon the receipt of the October 9 letter, we may have been able to resolve this without my now making a formal complaint.

Regardless, my complaints stand.

I hereby swear to the above - so help me God.

Sincerely,

Gary J. DeDell

Effective October 9, 1978
TO WHOM IT MAY CONCERN:

Please be advised that effectively immediately I wish to register the complaints as follows agains the candidate, Clarence Joseph Kadys who ran for Congress in the Democratic Primary in the 33rd Congressional District of New York State:

(1) The candidate refuses to submit his own report that is an integral part of the Federal Elections Commission - October 10th report.

(2) The candidate has not given all the information to his committee to submit a genuinely complete report to the FEC.

(3) The candidate has made his own expenditures on behalf of his candidacy but will not give the exact receipts to his committee.

(4) The candidate owes to the committee members and myself money loaned for campaign expenses which he promised to honor, but has not for over two months.

(5) The candidate owes me many personal expenditures.

(6) Although the candidate promised to fund his own campaign, myself and other members have been harrassed at the candidate's direction by creditors to pay his campaign bills, and bills that he has charged out of our pockets.

(7) My own business is owed funds by the candidate now approaching 90 days.

(8) There are outstanding monies due suppliers, workers, temporary employment agencies, etc. which the candidate will not honor.

(9) The candidate states that I am to make good payments to workers and suppliers for checks which have not been honored by the bank. Although these supplies were used by the candidate, he expects me to pay for them.

(10) The undersigned has personally been embarrassed by Court action because of a check which was not honored by the bank. The candidate took three weeks to make good the check.

(11) I have not been paid for any work I have done for the candidate.

(12) The candidate refuses to listen to his committee about obligations, and also refuses their advice regarding his responsibilities about filling out his own FEC report.

(13) He has not heeded nor answered demands from his committee, his suppliers, his workers, his lawyers, the District Attorney, and creditors at large. When he does, he refers them to the committee for payment, for satisfaction.

(14) For a month the candidate has intercepted all committee mail, receipts, and bills. Although the candidate has signed a waiver, he has superseded the committee function for which the waiver was intended.

Despite his promises to fund his campaign, the credit demands he has placed upon his committee may cause committee members to exceed the $1000 loan which the FEC allows. The committee members are either faced with that or legal action locally from the creditors and/or the Courts.

Sincerely yours,

Gary J. DeDell
Treasurer

P.S. It has been considered that I resign, and in turn the committee nominate Clarence Joseph Kadys as Treasurer. Should this take place, we want to know whether or not this allows us any leverage to make the candidate financially responsible to us, the members of the committee, for the monies that he presently owes us. Will the FEC please advise immediately?

STANDARD SPOT TELEVISION CONDITIONS

Approved 1970 by the American Association of Advertising Agencies, National Association of Broadcasters, Station Representatives Association and Television Bureau of Advertising. Such approval does not mean that any parties considering the purchase of television time are obligated to use this form or these conditions.

The organization contracting for television time covered by this contract (hereinafter called AGENCY) and the station executing this contract (hereinafter called STATION) hereby agree that this contract shall be governed by the following terms and conditions:

1. PAYMENT AND BILLING

(a) STATION will bill AGENCY monthly, using the Final Sunday Fiscal Month, unless otherwise provided on the face of this contract.

(b) Payment by AGENCY is due within 15 days after receipt of invoice and affidavit of performance by AGENCY.

(c) Invoices shall contain date and exact time of telecast, length of commercial announcement, cost and if commercial code identifying each commercial announcement was supplied by AGENCY, such code for each commercial announcement.

(d) Invoices shall state that dates and times were taken from the official log, maintained by STATION, as required by FCC regulations. This statement when sworn to by STATION shall be the affidavit of performance and act as proof-of-performance.

(e) STATION agrees to hold AGENCY solely liable for payments to be made under this contract, except that where AGENCY is not an advertising agency, the person, firm or corporation which authorizes AGENCY to contract for television time hereunder shall be liable in the event of default by AGENCY.

2. TERMINATION

(a) Commercial announcements or programs of less than 5 minutes duration may be cancelled by STATION or AGENCY upon 14 days prior notice, but no such cancellation shall be effective until 28 days after start of telecasting hereunder, unless otherwise stated on face of confirmation.

(b) Programs of 5 minutes or more duration may be cancelled by STATION or AGENCY upon such prior notice as stated on the face of confirmation.

(c) If AGENCY cancels contract, earned rates will apply. If STATION cancels contract, AGENCY shall have the benefit of the same discounts which it would have earned had it been allowed to complete the contract.

3. RENEWAL

(a) Commercial announcements or programs of less than 5 minutes duration may be renewed upon 14 days notice prior to expiration.

(b) Programs of 5 minutes or more duration may be renewed upon such prior notice as stated on the face of confirmation.

4. EFFECT OF BREACH

(a) STATION reserves the right to cancel this contract upon default by AGENCY in the payment of bills or other material breach of the terms hereof at any time upon prior notice. Upon such cancellation, all charges for telecasts completed hereunder and not paid shall become immediately due and payable. If STATION cancels by reason of AGENCY's material breach, AGENCY's only liability shall be to pay for telecasts completed hereunder prior to cancellation by STATION.

(b) In the event of a material breach by STATION in performing this contract, AGENCY reserves the right to cancel this contract at any time upon prior notice.

5. FAILURE TO TELECAST

(a) If, due to public emergency or necessity, force majeure, restrictions imposed by law, acts of God, labor disputes or for any other cause, including mechanical or electronic breakdowns beyond STATION's control, there is an interruption or omission of both the audio and video signals of any commercial announcement or program contracted to be telecast hereunder, STATION may suggest a substitute time period for the telecast of the interrupted or omitted commercial announcement or program. If no such substitute time period is acceptable to AGENCY, STATION shall allow AGENCY 1) with respect to a program, a pro rata reduction in the time and/or program charges hereunder in the amount of money assigned to the time and/or program charges at time of purchase and 2) with respect to a commercial announcement, a reduction in the time charges equal to the amount of money assigned to the commercial announcement at time of purchase. AGENCY shall have the benefit of the same discounts which would have been earned if there had been no interruption or omission in the telecast.

(b) Failure of either the audio or video signal, but not both, shall entitle AGENCY to a reasonable reduction in the time charges hereunder.

6. SUBSTITUTION OF PROGRAMS OF PUBLIC SIGNIFICANCE

(a) STATION shall have the right to cancel any telecast or portion thereof covered by this contract in order to telecast any program which, in its absolute discretion, it deems to be of public significance. In any such case, STATION will notify AGENCY in advance if reasonably possible, but where such notice cannot reasonably be given, STATION will notify AGENCY within one business day after such scheduled telecast has been cancelled.

(b) If AGENCY and STATION cannot agree upon a satisfactory substitute day and time, the telecast time so pre-empted shall be deemed cancelled without affecting the rates, discounts, or rights provided under this contract, except that AGENCY shall not have to pay the cancelled STATION charges. However, in such case, if the program substituted by STATION is a sponsored program, STATION shall pay to AGENCY AGENCY's actual non-cancellable live talent cost incurred by AGENCY for the production of a live program (not filmed nor recorded) in the cancelled time, and the reasonable allocated print or rental cost of films or tapes scheduled for the cancelled telecast and not usable for future scheduling.

7. RATES AND CHARGES

(a) STATION represents that the rate for time used or to be used in this contract, is the lowest rate made by STATION for like announcements at the time this contract is entered into. If at any time during the term of this contract STATION makes a lower rate for like announcements, such lower rate shall be continued at such lower rate from the effective date of such lower rate.

(b) STATION reserves the right to increase rates, but such increases shall be applied to telecasts under this contract, or renewals thereof, only three months after notification in writing to AGENCY, and then only for rate revisions affecting this contract.

(c) Telecasts of a parent and/or its subsidiary companies within 52 weeks from the date of first telecast under this contract, or within a period of a predetermined contract year, may be combined for discount.

(d) Terms of combinability of commercial announcements of various lengths or in various locations, or combinability of programs and commercial announcements, are subject to STATION's published rate card.

8. PROGRAM AND COMMERCIAL MATERIAL

(a) Unless otherwise noted on the face of this contract, all program material, excluding commercial announcements, shall be furnished by STATION, and all commercial announcement material shall be furnished by AGENCY. All expenses connected with the delivery of commercial announcements to STATION, and with return therefrom, if return is directed, shall be paid by AGENCY.

(b) STATION is required to advise AGENCY by collect telegram if AGENCY furnished program or commercial material and Scheduling Instructions do not arrive 72 hours in advance of telecast date. If such material and Instructions do not arrive at STATION within 48 hours after STATION has requested it from AGENCY, STATION may bill AGENCY for the time reserved. STATION will exert all reasonable effort to telecast material received from AGENCY after late receipt.

(c) If, due to public emergency or necessity, force majeure, restrictions imposed by law, acts of God, labor disputes or for any other cause beyond AGENCY's control, AGENCY cannot provide commercial and/or program material prior to scheduled telecast hereunder, AGENCY shall not be liable to STATION. In such event STATION shall suggest a substitute day and time period for telecast of said commercial and or program material. If no such substitute day and time period is mutually agreed upon, STATION shall credit AGENCY for the time and/or program charges hereunder in the amount of money assigned to the time period and or program at time of purchase. AGENCY shall have the benefit of the same discounts which would have been earned if the commercial announcement and or program had been telecast.

(d) Television program and commercial material provided by AGENCY is subject to STATION approval and STATION may exercise a continuing right to reject such material, including a right to reject for unsatisfactory technical quality.

In the event the program material is unsatisfactory, STATION shall notify AGENCY by collect telegram, and, unless AGENCY furnishes satisfactory material by 72 hours in advance of telecast, STATION shall have the right to substitute its own program at no penalty to AGENCY. In the event the commercial material is unsatisfactory, STATION shall notify AGENCY by collect telegram, and unless AGENCY furnishes satisfactory material 24 hours prior to telecast time, this contract may be terminated by either party without penalty to either party.

9. TELECAST LIABILITIES

STATION agrees to hold and save AGENCY and Advertiser harmless against all liability resulting from the telecast of (1) program material except program material furnished by AGENCY and (2) musical compositions licensed for telecasting by a music licensing organization of which STATION is a licensee. AGENCY agrees to hold and save STATION harmless against all liability resulting from the telecast of commercial material or program material furnished by AGENCY except musical compositions licensed as stated above.

10. GENERAL

(a) STATION shall exercise normal precautions in handling of property and mail, but assumes no liability for loss of or damage to program or commercial material and other property furnished by AGENCY in connection with telecasts hereunder. STATION will not accept or process mail, correspondence, or telephone calls in connection with telecasts except after prior approval.

(b) This contract, including the rights under it, may not be assigned or transferred without first obtaining the consent of STATION in writing, nor may STATION be required to telecast hereunder for the benefit of any other Advertiser than the one named on the face of this contract. Failure of STATION or AGENCY to enforce any of the provisions herein shall not be construed as a general relinquishment or waiver as to that or any other provision.

(c) STATION's obligations hereunder are subject to the terms and conditions of licenses held by it and to applicable federal, state and local laws and regulations.

(d) This contract contains the entire agreement between the parties relating to the subject matter herein contained, and no change or modification of any of its terms and provisions shall be effective unless made in writing and signed by both parties.

Mr. Clarence Kadys
1912 West Genesee Street
Syracuse, New York 13204

Dear Mr. Kadys:

I know what it feels like to have put on a good campaign and to have lost. I share with you your feelings of regret.

Just remember, you have put on a good fight, and you did a good job. I, for one, am proud of you. I hope that you will continue the battle and be out there in the next election, building from where you left off.

If, at any time, I can be of help to you, feel free to call on me.

Best wishes.

Sincerely,

Hubert H. Humphrey

Kadys seeks Walsh's seat

Clarence Kadys has thrown his name in the list of candidates to succeed retiring Rep. William F. Walsh as congressman in the 33rd District.

Kadys, a Democrat, is a former member of the State Legislative Committee of the Greater Syracuse Chamber of Commerce. He also was former chairman of the city's Recreation Commission, under former mayor Anthony A. Henninger.

Among his concerns are more congressional offices to be established in outlying counties, and bringing industry, jobs and federal monies to the Finger Lakes area and Central New York.

Dear Mr. Gamble

Part of the problem in Washington today is lack of leadership. You and I are more painfully aware of that fact since we have some experience as leaders. We see those in Washington failing the test that we've had to pass in order to succeed in our professions and businesses.

Part of our responsibility as leaders in our community is to send those to Washington who will reflect our views. I believe we have such a leader in Clarence Kadys who will represent the people in the 33rd Congressional District and provide some of that badly needed, responsible leadership in Washington. I have contributed to his campaign and I ask you to do the same. Our contributions are tax deductible.

The enclosed tickets are to events designed to give you and other leaders a chance to meet Clarence and to confirm for yourselves that he not only represents your views, but can lead the fight to have them heard in Washington.

Clarence makes clear his stand on the questions that affect our lives---rather than using the "pat" phrases of most politicians. He is dedicated to cutting inflation by cutting waste and wasteful programs in government while freeing up business from Washington interference that strangles our economic life. He is for America first, which means no trade nor aid to Cuba or other unfriendly nations. He will help the able-bodied get jobs, but will insist the unemployed are put to work cleaning up the country, helping the people, communities and business, not just collecting unemployment or welfare checks. He will support embargoes and/or import taxes to protect American Industry. Finally, he is dedicated to the cause of the conservative: the cause to reduce Federal debts.

800-402-2273

That's just part of his platform. That should give you some feel for the man. Not a politically easy phrase, but a hard and specific program to lead us out of our problems. That is a mark of leadership in my book. You may not agree with him on all of his positions, but when you meet him you will agree that he is a leader who can represent us well.

I write to you because you are among the leaders in our community. Local leaders have the opportunity to make a choice now. Local leaders have the responsibility to help send sensible and capable representatives to Washington. We can't complain about Washington if we don't do our part. In short, WE must be a part of the solution, not the problem.

The two tickets are for both events for 2 people (each). Please use the enclosed envelope for response. If you need more tickets please make your request when sending in your contribution.

Please join with me and others who care to do their part. I think you'll be pleased to help Clarence and his campaign.

Sincerely,

George H Van Lengen

P.S. Hope to see you at the events on July 17th & 23rd

September 28, 1978

Dear Sir:

I am in receipt of copies of your micro film records which shows a deposit slip written on the 31st of July that apparently was machine receipted on the 4th of August. This is not correct. I find this deposit accounts for your bank statement ~~dated~~ shows that deposit entry on the 31st of July. I have a machine receipt for the 4th of August. I also and most importantly have a machine receipt for the 1st of August.

All of these receipts/deposits/entries are for $3,000 each.

I demand an explanation as to where the $3,000 is for the 1st of August. I am attaching again a copy of the bank statement which shows no deposit entry on August 1st.. Also enclosed is a machine receipt for $3,000 dated August 1st. ! Where is our money? I want an answer by return mail. I need a copy of explanation all checks which have bounced. I ask for a treasurers check made out to me for this amount. These bounced checks have personally gotten me into serious trouble and I now am holding the bank legally responsible for same. If I do not receive an answer by return mail along with the treasurers check I am turning the matter over to the District Attorney and my Lawyer.

Sincerely yours,

Gary J. DeDell,
Treasurer, Professionals for Kadys

3004021717

Gary. Your Mother asked me to go over this with her. You have to show a copy of the bank receipt for Aug 4th (same as attached one for Aug 1st) - that will prove you had 2 deposits for $3000. Can we see the July statement?

September 28, 1978

Dear Sir:

I am in receipt of copies of your micro film records which shows a deposit slip written on the 31st of July that apparently was machine receipted on the 4th of August. This is not correct. I find this deposit accounts for your bank statement ~~just~~ shows that deposit entry on the 31st of July. I have a machine receipt for the 4th of August. I also and most importantly have a machine receipt for the 1st of August.

All of these receipts/deposits/entries are for $3,000 each.

I demand an explanation as to where the $3,000 is for the 1st of August. I am attaching again a copy of the bank statement which shows no deposit entry on August 1st.. Also enclosed is a machine receipt for $3,000 dated August 1st. ! Where is our money? I want an answer by return mail. I need a copy of explanation all checks which have bounced. I ask for a treasurers check made out to me for this amount. These bounced checks have personally gotten me into serious trouble and I now am holding the bank legally responsible for same. If I do not receive an answer by return mail along with the treasurers check I am turning the matter over to the District Attorney and my Lawyer.

Sincerely yours,

Gary J. DeDell,
Treasurer, Professionals for Kadys

Attn: Town Court Clerk

Subject: Bishop vs. Professionals for Kad,

Dear Mrs. Rinaldo:

Enclosed is the $50 to redeem the check issued Mrs. Carol Bishop. Please give the receipt and the check to the messenger.

This money is paid only with the stipulation that you enter in the court records that I deny that the check was without value and further that you enter also into evidence the three attachments from Marine Midland Bank's records: my letter of protest; deposit slip for $3,000 from August 1 and deposit slip for $3,00. from August 4; the bank statement showing only the deposit from August 4 being recorded in the account.

I will not pay you this money on that check if you will not enter these items into the court records. This money is being paid out of conscience. I am trying to get the money back from the bank but as the check has not been made good by the bank I am in turn doing so.

I, therefore, in order to substantiate my claim against the bank, need both the receipt and the check from you. Without these two being given to the messenger I again refuse payment. If you cannot accept my money under these conditions, please state your reasons in writing. A copy of this letter is already in the hands of Mr. Richard Lyons of the Onondaga County District Attorney's office. Also the attachments have been sent to him. If you have any questions regarding my request, please feel free to call me or Mr. Lyons.

I attempted to pay you yesterday, September 28, 1976, but you were not there. To prove that I had attempted this, I called and left word with Mr. Hennessey's secretary in the D.A.'s office. For that reason I would also appreciate your writing the date of the receipt as September 28, 1976 as I was prepared to pay on that date. If you cannot date this for September 28, please put down today's date and stipulate on the receipt that I attempted to pay on the 28th.

Thank you.

Sincerely,

Jay A. Bissell

Dear Sir:

I am sure that you appreciate the fact that today it is most important to establish credit responsibility before allowing a customer credit privileges on an open account. Routinely, after your call came in for office help, credit was checked before sending people on the job. In your case, of course, there was no problem.

Now, however, after a lapse of two months, you are asking that we rebill your account to other people. These people are unknown to us nor have we had any relationship with them. Certainly their credit and responsibility has not been checked. As you requested, to aid you, we are inclosing copies of our original invoices. If you wish to resubmit them to your organization that is up to you. Responsibility for payment however, is yours.

We have allowed you a credit which cancels invoice #1502 for $6.23.

Hope the above will work out well for you and that we will have early payment.

Very truly yours,

October 22, 1973

Dear Norb:

Our congressional hero, Clarence Ladye, appeared yesterday morning. He wished to take the records with him, and had no time to make any review of the material. He indicated he would pay the bills, but only after his accountant reviewed them (his accountant wrote me and stated all he wished to do was audit, repeat audit, a report that I was preparing). Clarence further stated that he had no check and that he intended to pay nothing on account, yesterday the 21st, and that he had no intention of paying anything on account or in full without his accountant's review.

Needless to say, he left here with no records. I see no reason why he could not have made a payment on account to the undersigned, to Clay, and/or my mother.

As of 10:00 o'clock last night, Clarence is in receipt of a telegram from the Federal Elections Commission warning him of the penalties he faces because of his failure to submit his report.

I had hoped that the telegram would have elicited a response from him. But it is now 9:30 o'clock Sunday evening, and I have not received a call.

Because of the extreme financial crisis he has put the shop in, and myself in, and because I am faced with court action on four checks that I issued for services, I ask that he be served immediately and given the minimum amount of time to respond. Whereas I am sure he will pay his bills, he is affecting my credit and my legal standing in this community, and he is causing my mother undue financial hardship. I want as much pressure brought to bear with the least financial cost. And I want action to be able to be stopped short of a courtroom battle should he respond. For your information, your advice was followed and there was no pressure, and no intimidation.

I need immediate action and service upon him right now.

Sincerely,

Gary

GDD/tj
P.S. Clay is too busy to dictate a letter, but he wishes action similar to mine and his signature hereunder is authorizing same.

THE EVERLASTING MATERIAL

November 6, 1978

Dear Clarence:

For someone who has been in business as long as you have I cannot imagine that anyone has done the things to you that you have done to my firm and to the people who have worked for you. For months people gave unselfishly their time and in some cases their money to advance your candidacy. Likewise, Kaufman DeDell Printing gave you many dollars worth of goods and services. Because you have not paid our firm for four months we are unable to buy paper with the money you owed us. Had we been able to buy paper we would have been able to bill 3½ times that amount for the goods that we would have produced. To have been unkind to those who have worked so hard for you and your memory is very short lived for all the sacrifices that people have made on your behalf. When no other people were by your side, you were able to count on us for your support but now it appears to be a vainglorious attempt at self-satisfaction.

I remember sitting in my office and again at the dinner given in your honor when I heard you recite a poem about friendship.

Apparently your memory has failed you in its meaning. I waited several months for you to pay your bills and during that time I never lost sight of what the poem meant. You have done a very cruel thing to those around you. Had you paid your bills we would not be faced with this calamity which you have helped create. I cannot understand how you cannot pay people for working for you nor can I understand how you could deny owing for all the printing that you have received and you have used. It will cost me much money to pursue any claim and all it will do is to make a lawyer rich and cause us to owe money to those we justly owe. I am sure that in your experience no one has ever done such a shameful thing to you and for you to have lied when you promised that you would take care of this matter after meeting with me on September 15 within one day once your accountant had seen the material (he was supposed to be here on September 16) is something we have never done to you. You have my money, Clarence, for I have paid for your campaign headquarters, your help and your printing out of my pocket. I hope that you can sleep at night. I know that there are many sleepless nights that you have given to the people who have helped you and to the people you have put out of work. God forgive you, Clarence, because I cannot.

Sincerely,

MD

Dear Mr. Johnson:

It has been almost two months since I requested an answer regarding the missing $3,000.00 deposit of August 1. I talked with you twice during the month of October regarding this problem and each time you promised to give back to me visual proof of what had happened. To date there is no clear-cut explanation as to where this deposit is or a resolve of the August 1 receipt for this deposit. May I hear from you by return mail.

Sincerely yours,

Dear Mr. DeDell:

Your letter of September 28, 1978 has been referred to me for some investigative followup. If you can provide me with the following information, we will look into the matter further:

1) Who is the individual you referred to, where does he live, what is his phone number, and what kind of vehicle does he drive?

2) What actual proof do you have that the payment of $100.00 was for the obtaining of signatures? (A sworn, notarized statement from a witness will do).

3) What correspondence or contacts have you had with him?

4) Can you supply me with a copy of the check he cashed?

5) Can you supply me with sworn statements from campaign workers that the person you are accusing kept the money himself and did not pay the workers?

Once you supply me with all of the above information, we will pursue the matter.

Very truly yours,

Dear District Attorney Hennessey:

I was wondering if you could advise what routes we might take under the following circumstances: during the month of August the Committee, Professionals for Kady's, issued a check to a worker for work done in hours spent in gathering signatures. Eventually, after the check was cashed, we find that the signatures therein were fraudulent and useless to us. This person who cashed the check was the payee, but he in turn was to reimburse his workers. They received no money and he kept all of what was paid. The person does not live in this County at this time, but he is within a half hour from Syracuse. The amount of the check was around $100.00. Promises by him over the past two months have resulted in nothing more than broken promises. His offer to return the money has not taken place. He realizes that the money he collected was under fraudulent purposes and that was the reason he offered to pay the check's value. We do have a description of his car, his address, his phone number (unless he changed it). We have a description of the person, and we have a statement from his workers that he kept the money. Can you help us in tracking down the person and collecting the money involved? The undersigned was the signer of the check. Is my own signature on the Complaint enough for you to go further in this matter?

We thank you for your assistance.

Very Sincerely Yours,

Dear Mr. Menkin:

Thank you for your letter of November 4, which was received on November 11.

In answer to your questions:

(1) The individual I refer to is Mr. Stan Sansone. He lives at 650 Main Street, Phoenix, New York, 13155 and he drives a blue Datsun sportscar (260-Z). This car was for sale when last seen in August;

(2) The amount was two checks ($90. and $125) therefore, totaling $215.00. On the front of each check was memoed that it was for obtaining signatures. A sworn, notarized statement from the undersigned, and Clay Orbesen, were given to the secretary of the Assistant District Attorney in the Public Safety Building.

(3) Throughout the months of August & September, we had both telephone contact and contact at our office between Mr. Sansone, myself, and three other members of the committee. He promised in each instance, and to all these people, that he would repay the money or make good the money by working it off in sales. Needless to say, he did not.

(4) Copies of the checks were left for Mr. J. Kevin Mulroy, Assistant District Attorney on the 19th of October.

(5) Sworn statements have been given on the 19th of October by the undersigned and Mr. Orbesen. One other statement locally can be obtained. And a further witness who now lives in New Jersey might also be available.

Thank you for your help.

Sincerely yours,

Dear Karl:

I have tried to explain to you the situation with Clarence Kelley at many different times. As I had shown you and Carol Marine Midland Bank has apparently lost a $3000 deposit. It is some five weeks since we discovered it and they have not satisfactorily explained what has happened.

When we sat down next door, Clarence stated he had contributed $35,000 to his campaign but the committee could only show $25,000 or so in expenditures. The fact was he had contributed only $20,000 at the time and the committee had spent over $40,000.

There has not been one penny ever spent of his for any purpose other than what he authorized. I have every receipt which has been paid for. I have every invoice for everything that has been charged. I have an accounting for everything I spent out of my pocket.

Clarence owes Clay since the beginning of June for work performed. Clarence owes so likewise. The money due the shop has not been paid, nor has Clarence to this date alloted it. No money has been advanced ever. Everything done for Clarence was done with his authority or by the committee as has spent, and there was never anything he disclaimed. Further, all printing was distributed at his express direction and he personally loved everything. He paid the people to distribute this literature. He himself used every different item so printed.

As for the Polonia Gazette's - he distributed them both. He saw to the distribution of both of them and he also saw the proofs on the second issue. On the first issue he saw the copy.

Since the Sept. 15 meeting at 812 he has failed to pay any money of consequence. He owes almost $4,000 to me, $13,000 to the shop, $3300 to Clay Orbeson (which includes money Clay gave to Clarence out of his commissions), $600 to Emerald, and about $2000 in miscellaneous bills. Clarence has referred his creditors to me; Clay, myself and the shop.

He makes outlandish statements that he has not received these goods which is not true in any case. On the checks that he is to make good (he received the goods and services that were purchased; but now refuses to and is now letting me make up out of my pocket or face court action.

lastly, we scheduled a meeting on Sept 15 and his accountant deferred it until Sept. 20. Then, his accountant never showed on Sept 23 and deferred it until Oct. 16. Hopefully today it will come about.

On Oct. 19, Clarence Tafyo broke in and took records which were at his and other records which he did not pay for. Since Sept.15, Clay, I and Herb have placed 20 calls to Clarence, written 5 letters, have met with him 8 times and offered to meet with him another 6. Results - Zero.

By holding the records is the only lever I can think of to make his pay. Clarence has referred his creditors also to George Van Lenten, his lawyer, who advised Clarence to pay and as of three weeks ago refuses to represent him.

Clarence has also refused his creditors to his accountant who refers them to me. I am sorry for what Clarence is doing to the shop but I will see to it that he pays the bill in full. I am paying Herb out of my pocket to this end.

I am sending a copy of this letter to George Mannie and to Herb and to the Federal Election Commission and keeping two here in case Clarence backs out in this next meeting.

Sincerely,

Gary S. De Bell

Oct. 14, 1978

Dear Clarence:

Unfortunately, the letter of Oct. 12 I sent you the beginning and end totals were wrong. The figure I sent to you totaled $2150.34 less the $700 you paid on the 12th and leaves a balance of $1450.34.

Please be advised that I have no records to work with thats to you. You again have failing memory. On Thursday you told me to make sure Gretchen finished her work by Friday which meant you had the power to hire and fire her. On Friday you told Gretchen that you were not paying her and that she should look to me for her pay as I hired her. Now, lets make a few things clear: She worked on YOUR records, she did YOUR accounting, and the work she did was for YOUR FEC report. Because you have done what you did-you and I-and I mean YOU particularly will very likely to end up in serious trouble with the FEC. Combined with what happened Thursday night with Marty, all I can say is that you must look more realistically at what is happening. The fact that Marty was not able to cash his check is indicative that you prevented it.

You have indicated to me that you had spent $35,000 so far on your campaign on cashed bonds. As you can see by the records you and I have we have come up with a little over $20,000. Although, $20,000 is a lot of money it is no wheres what you had thought you had spent and it is no wheres what the campaign needed to be spent.

Now, I need the $1450., Gretchen needs her $220 and Mom needs her $13,000 and Clay needs his money.

Should you not honor your obligations today: Mom will not be able to buy paper that you have kept her from buying in the past six weeks and the government will cancel their orders. They will penalize her and she will not get paid her money that she has spent because she is not able to buy this paper. And it is because of you five people directly as a result of the non-payment are out of work and are on relief. Further, she is contemplating closing up this week.

Next, although I cannot speak for Clay we both know you owe him money regardless of what course of action he takes. I don't know how you expected him to support himself during the past few months while all he did and had time for was to work for you and your campaign.

Non-payment to Gretchen is disasterous. Neither your accountant nor I can do a thing but the FEC care as hell can. Now you are obligated to send in a report and you must face it. The FEC has made it very clear that Clarence Kelly must report. They have put nothing in writing but we have tape recording of their conversation. YOU also must pay Gretchen.

Kaufman De Dell Printing, Inc.

(315) 422-4889 — 422-4899

Unless you pay me and not in dribbles and drabs, there are three checks outstanding and there are several workers outstanding all of whom gave last Friday as their dead line and indicated they would take legal action against YOU if you did not pay YOUR Bbligations. Beyond this of course, you owe me some money for my work for your campaign. You came in last week and said you wanted to settle things peaceably and without the aid of lawyers. I agreed this is the way it should be done but things can no longer wait. The creditors and suppliers have no intention of waiting any longer and you never placed a limit on what could be totally spent or on what you wanted ordered. You left that up to me. There was nothing that was wasted. There was nothing that was unused. You used this material, and even directed its distribution after it was printed. You were oolivious to the printing bills and asked that they be sent to 816 North State Street rather than your house.

You are aware of all the printing that was done and you saw each and every printed piece. At no time did you indicate there was any printing or any printed piece you did not want done. In fact you personally ordered and reordered the posters, the bumper stickers, and saw both Polonia Gazette's and saw second proofs on the Polonia Gazette. You ordered the distribution on everything we had, and you also increased the printed amount of flyers done for you.

It is one month after the campaign ended and though you have not paid your bills in full we are still doing work for you for tasks you are specifically requesting.

Mom needs her money, and she is going to legal means if there is not money on account today. If I am forced into a legal bind, I will likewise take you into court this week. Remember Herb explained to you more than $700 is needed to pay your debts (like another $1450). This also does not include other outstanding amounts.

Gretchen not being paid will only cause problems with the FEC and your creditors. Clay's not being paid will give you sleepless nights, I hope. When I resign, I shall issue a change of address for all of your accounts here and the new address will either be your house or my lawyer's office or your lawyers offices. You have had enough time to get the records from your bank. You have had enough time to get the money owed on your account. Another $20,000 or so should clear your credit, and close out your campaign debts in full.

I am sorry for the length of the letter and for its contents. But, as your friend I strongly recommend you heed it immediately.

With kindest regards

Gary J. De Dell

Dear Gary,

This note concerns the money that I OU. Clay told me you need something in writing. You may give this note to Clarence...

Dear Clarence,

I owe Gary approximately 600 dollars for expenses incurred through the duration of the campaign. I remember that when I purchased the television time you said that I could keep the commission, which comes to about $150.00 dollars. Perhaps I should have had you put this in writing. But you, being a man of your word, I'm sure will honor your promise to me. Please give $150.00 to Gary.

During the campaign I spent approximately another $5000 of my own money. This money

covered a bout $65.00 in gasoline (which was used exclusively for trips relating to the campaign), food housing and odds and ends. At the time I did not ask a penny of you, to support myself. I spent this money gladly, because I believed in the cause for which I was spending nearly 14 hours a day on. Now I am asking something of you. Please cover the debt I have incurred with Gary. For all of this money was spent in hopes of you getting elected, and specifically for your cause.

I regret that we did not win. But it can't be because we didn't try hard enough. I've gone over it in my head a hundred times. And more and more I think that we did not win because the system we were up against was too goddamn corrupt and too organized to allow us to win. I don't think Syracuse is ready for an honest approach to politics. They proved it. By not knowing what to do when they had an opportunity to elect an honest politician. Take care of your self boss.

Sincerely,

P. Kevin Strode

Dear Mr DeDell:

I received your letter of September 28, 1978 over the week end in which you have stated several times that no records on the capaign for Clarence Kadys will be released from your office under any circumstances for various reasons, including the one stating that you are responsible for the filing of the reports to the proper governmental agencies.

We have been hired by Clarence Kadys to do an audit of the financial income and expenses for his unsuccessful capaign for the 33rd district candidacy for the Democratic party.

We were not primary interested in filing of his report, but in making the audit. We would help in the preparation of the report, but to do an audit, we can not make out the report, as we would be auditing ourselves. As you are responsible for the filing of said report, you should continue getting the information ready and file said report by the due date of October 10, 1978.

To do an audit on the premises, I must schedule my time accordingly. Currently, we are booked thru October 15, 1978 and the only way we could do an audit is by bringing the books and records to the office and have our help do it here under my supervision. I can not spare the time to go out of town until after October 15, 1978, as we have final extensions on tax returns and they expire October 15, 1978. They come first and must be completed by October 15, 1978.

Financial matters that you have with Clarence Kadys are not part of my audit and they have to be resolved between you and him. I will not get into this phase of work under no condition.

For the audit program, we will need the income and expense records, along the bank statements to date. We will also require the interim report, along with the report of October 10, 1978 which you will be filing. We can start our audit after October 15, 1978 when all of the above items are resolved.

If this arrangement is not satisfactory, please advise us accordingly. The status of the records should be resolved by that time.

You also asked for a notarized statement to the effect that prior to the audit and/or at the time of audit, I will swear that no records will leave the office. For the record, we do not give and never had given a notarized statement for taking out records. The records are the property

of the rightful owner and that would be Clarence Kadys.

We also do not give copies of our audit to any one except to the person that request the audit. If he wants to give you a copy of the audit, he is free to do so. Your demand for a copy of the audit therefore must be denied, as I could be sued for giving out other people property without prpper authorization. I believe you can readly under stand this point quite easily.

Re: Clarence Kadys politicial campaign

Dear Mr De Dell:

Clarence Kadys, who recently lost his bid to become the democratic candidate from the 33rd Congressional district, has asked me to get all of his campaign records together for the purposes of filing his last report by October 10, 1978.

In as much you have all the records of receipts and disbursements of Clarence Kadys in your possession; also in as much there is not much time left to get out the required reports, we respectfully request that such records of the campaign be made available to this office as soon as possible. If possible, we would like to get these records by this Friday September 29, 1978 as they have to be sorted and grouped for proper reporting. We would also require the bank statements with the cancel checks; along with the cash receipts and cash disbursements for the purpose of filing said report. I also presume that there was an interm report which was filed on behalf of Kadys and that would also be required.

As there is a time limit for the filing of this report, your co-operation in getting the records ready by this Friday, September 29, 1978 would be appreciated.

On the other hand, if you can not have then ready by this Friday, please advise us as to what date we can pick up the papers. Your co-operation in this matter will be appreciated.

Dear Mr. Wolczyk:

In response to your letter of Sept. 26;

In as much as I am the Treasurer of the Committee for Kadys for Congress, and my Corp. is owed much money by the candidate and as I am legally responsible for any audit and reporting, and personally owed money by the candidate and as the candidate has threatened several members of the committee with jail- there is no way that I am letting these records out of my hands.

If you wish to conduct an audit here on my premises you are most welcome to. If you wish to do this account during any part of a business day you are most welcome to or in the evening or weekends.

You will receive any assistance you need and any and all records will be made available to you. However, you will not be allowed to leave with any records. If you wish to have copies of them, you most certainly may do so but they must be paid for ahead of time. The report for filing is also available at this office.

I am as anxious as the candidate to have this report both correct and complete but I will be in serious trouble if I were to let these records leave. If they were to be lost or any one of them to be lost there would be serious problems. The bank already has apparently lost a $3,000 deposit, yet the candidate has leveled charges only against his committee not the bank.

The records are in order and should not take you long to decipher and account.

I also want a record of your accounting and I will pay for the copy not the man hours. I am sorry if this makes your task a little more difficult, but you must understand my position which is definite. Lastly any equipment and space you need will be made available to you. I ask that you send me a sworn notarized statement or bring with you one that all records will remain here during your accounting.

Thankyou.

PROPER AND TIMELY SUBMISSION OF 361s (DISREPs) TO AFAFC

When commercial CONUS carriers are responsible for loss/damage of DOD shipments, claims for the loss/damage are entered against the carriers by cognizant finance centers. To support such claims actions, AR 55-38, et al, the DISREP regulation, prescribes that copies of SF 361s (DISREPs) be distributed to the cognizant finance center, as indicated in Appendix E, Tables E-1 and E-2. The DISREP regulation also identifies cognizant finance centers in Appendix F, Glossary.

Headquarters Air Force Accounting and Finance Center, Denver, CO 80279 (AFAFC) is the cognizant finance center for Air Force (AF) freight claims against carriers when AF (57) funds are charged for transportation on the GBL. That office advises they are not receiving completed DISREPs on a timely basis. They attribute part of the problem to a large percentage of DISREPs being sent to US Army Finance and Accounting Center (USAFAC) vice AFAFC. Furthermore, there are instances in which AFAFC is apprised by USAFAC that a basis exists for a claim against a carrier, but transportation officers have neglected to provide a DISREP. This makes AFAFC request the DISREP, and the attendant and unnecessary delay frequently impedes claims actions.

Traffic managers are urged to assure that personnel follow procedures for timely and accurate DISREP submission to cognizant finance centers.

CHANGES TO DISCON MESSAGE REPORTING PROCEDURES

Distribution of Change 1 to AR 55-38, et al, Reporting of Transportation Discrepancies In Shipments, 4 Aug 77, is anticipated by June 1978. This change, which is essentially editorial in nature, also clarifies DISCON reporting procedures.

Interim change 1-1, AR 55-38, et al, was transmitted to Shipper Service headquarters on 20 April 1978; it:

1. Changes the distribution of DISCON messages pertaining to classified or protected shipments and theft, vandalism, or pilferage of cargo valued in excess of $25. In addition to distribution prescribed by Appendix D, Commander, MTMC, ATTN: MT-SS, Washington, DC, as well as the appropriate MTMC Area Command (i.e., HQ MTMC Eastern Area (MTC-IT), Bayonne, NJ, or HQ MTMC Western Area (MTW-IT), Oakland Army Base, Oakland, CA) are now included as information addressees.

2. Expands the purview of footnote h, Table D-1, used in determining the Area Command to which DISCON information will be furnished. DISCONs reporting

Dear Clarence:

I am returning the envelope that you left for your accountant who neith had the decency to show up nor call regarding Friday's appointment. After finally reaching him Saturday, I now understand that he is not in a position to do either the accounting or the Federal Election Report.

What do you want me to do? Would you be kind enough to put it in writin as you requested that all things should be so commissioned?

You and I have not talked yet about what money would be due me for doing the work as Campaign Manager, nor have you and I really settled on amounts of money that I have personally settled on the campaign either in payment of bills, sundry expenses or in payment of help.

Lastly, there are unpaid bills, some unredeemed checks which we have yet to receive or be notified on and, of course, Kaufman DeDell Printing Inc account. Let me know what you want to do about these specifically. Toby Clay told me that you called this morning while I was out but that you didn't have time to leave a message. I am sorry that I was not here when you called.

Also advise me what you think about my offer for the house.

Would you be in a position to make that investment/loan I suggested to you last week?

Thank you.

Best regards,

Gary J. DeDell

October 4, 1976

Constantine J. Wolczyk
164 State Street
Auburn, New York

Dear Mr. Wolczyk:

Thank you for your letter of October 2, 1976. I would have appreciated knowing that you were not able to make it to my office on the 29th of September, 1976, so that I may have applied myself to other responsibilities.

Whereas I am responsible for submitting a report to the FEC and/or the House Clerk and/or the Department of State in Albany, please be advised that Mr. Kadys is likewise responsible and must submit a report of his own. A copy of this letter is going to Mr. Kadys to advise him likewise of his responsibility.

For these reasons, I wish to have your help in the preparation of this report. I understand your regard about auditing yourself but I do not want to make any mistakes. As my time for Mr. Kadys has been unpaid and as he expects me to do this report as a non-paid accountant/treasurer, and as I am held legally responsible for it's content, I have no intent of doing this alone, unpaid, or under that kind of responsibility. I am sure that my records are more than complete...I have probably forty pounds of receipts and invoices, but I have no knowledge of what Mr. Kadys' expenses are that he has paid and because I lack both his paid expenses as well as his own paid-in contributions, my report -and therefore your audit -- can not be complete nor correct.

I also doubt that I will be able to supply the man-hours to get the report done by October 10 if I were to do it alone.

I understand your prior committments, but your letter stated otherwise regarding both the report and the audit.

I understand that you are not part of the financial matters between Clarence Kadys and myself. However, as of yesterday afternoon, October 3, 1976, at 4:45p.m. Mr. Kadys advised myself and his committee that all future financial problems and expenditions/obligations on his behalf were to be brought to your attention. Since that time, we have been advising his creditors to contact you for payment. I realize that this is unusual, but again, this is his direction. As for your audit, again let me state that the income and expenses records are incomplete unless it is enjoined with what Clarence has. The bank statement is far from complete as there is a $3,000 deposit which the bank has not included on our statement, and which the bank has yet to explain as to it's whereabouts.

I take issue with the fact that these records belong to Mr. Kadys at this point. Being responsible to the Federal Government, and

partly under the items that I have already mentioned in my letter of September 28, I take exception to what you have written. As for giving me a copy of the audit, I understand your position. It was because I thought it was to be a joint effort and bec ause it might help resolve any incomplete records here that I thought that it might be of some help.

For the record, I wish that this matter be resolved as quickly as possible because of the financial matters that concern me and my firm. The candidate has withheld moneys owed me and my firm, and I am reluctant at this point to sink any more money or effort out of my own pocket in support of his candidacy doing work for him for which I'll not be reimbursed or pay his bills which he indicates that I am responsible for, and for which I would likewise not be reimbursed. Therefore, under the circumstances, I am trying to resolve these matters, but I believe that the candidate should clarify:

1) What he wants you and I to do specifically
2) exactly what he intends to do about payment for this accounting;
3) the whereabouts and inclusion of the records he now holds
4) payment of his old bills (nothing you nor I can complete an audit or an accounting without this knowledge especially if he has no intention of paying them)
5) What about reimbursements and salaries to his committee members.

Although I understand this is not your concern directly, these items are definitely both an inclusive part of both my report and accounting; and your audit.

I therefore suggest that neither of us do anything until the candidate puts something in writing.

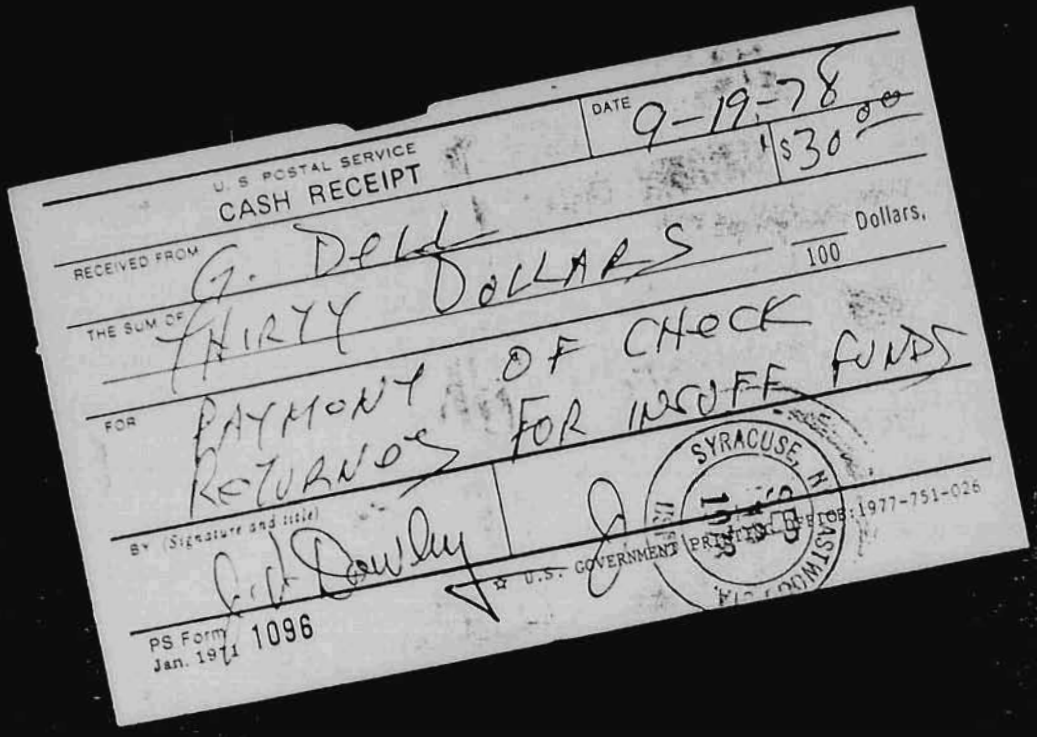

Once again, you are welcome to copies of these items should you or the candidate wish to pay for them, but let me re-emphasize the ramifications should anything be lost.

Thank you.

Sincerely,

Gary J. DeDell

Dear Gary,

This note concerns the money that I OU. Clay told me you need something in writing. You may give this note to Clarence...

Dear Clarence,

I owe Gary approximately 150 dollars for expenses incurred through the duration of the campaign. I remember that when I purchased the television time you said that I could keep the commission, which comes to about $150.00 dollars. Perhaps I should have had you put this in writing. But you, being a man of your word, I'm sure will honor your promise to me. Please give $150.00 to Gary...

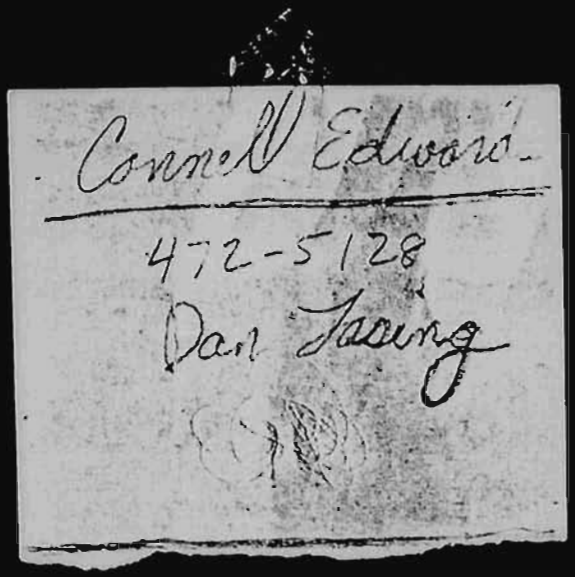

During the campaign I spent approximately another $500.00 of my own money. This money

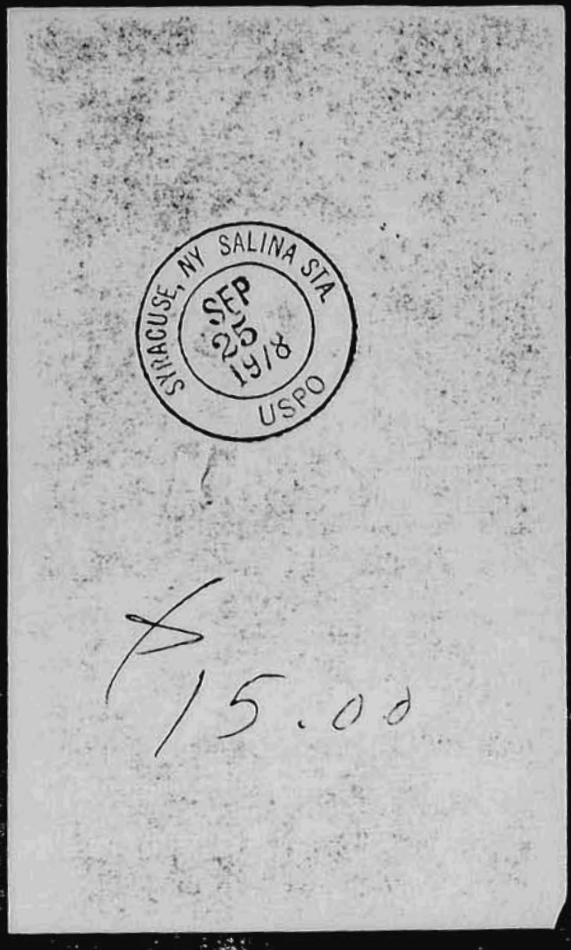

covered about $65.00 in gasoline (which was used exclusively for trips relating to the campaign), food housing and odds and ends. At the time I did not ask a penny of you; to support myself. I spent this money gladly, because I believed in the cause for which I was spending nearly 14 hours a day on. Now I am asking something of you. Please cover the debt I have incurred with Gary. For all of this money was spent in hopes of you getting elected, and specifically for your cause.

I regret that we did not win. But it can't be because we didn't try hard enough. I've gone over it in my head a hundred times. And more and more I think that we did not win because the system we were up against was too goddamn corrupt and too organized to allow us to win. I don't think Syracuse is ready for an honest approach to politics. They proved it. By not knowing what to do when they had an opportunity to elect an honest politician. Take care of your self boss.

Sincerely,

P. Kevin Hood

The name listed below is that of Stan Sansone who was hired by the Committee for Kadys to collect and organize people to collect signatures for Clarence Kadys who was running for Congress. Mr. Sansone collected signatures during a period of around two months. In this time he hired people to collect signatures for him, but some of his people never got paid and he kept all the money which was paid by the Committee for Kadys to Mr. Sansone.

Two payments were made for the time spent by Mr. Sansone and his workers, one on August 3 for the amount of $120.00, and one on August 4 for the amount of $95.00. After the payment was made the signatures were reviewed and found the majority were fraudulent.

When this information was spotted we contacted Mr. Sansone and told him of the problem. He admitted he was responsible for this matte and that he had kept all the money that was given to him for payment of himself and his workers. He then agreed to work off this debt by the collection of more signatures and by the sales of ads for the newspaper of Polonia Gazette (this newspaper is owned and edited by Clarence Kadys, the candidate,) Mr. Sansone gathered no more signatures and sold no commissionable ads in order for payment of this debt.

As of this date Mr. Sansone has still not paid off this debt of $215.00 despite promises to the contrary. Therefore, I ask that you get our money back and take whatever legal action is necessary.

Dear Norb:

This letter will primarily deal with Krupsak, but I wish to remind you of two pressing matters first:

1) Our suit against the US Dept of Labor (mom needs the $)
2) What about mom's chances of abridging her claim against the EPA to get the $60,000 difference.

During the month of August, Mrs. Cohen contacted our office and asked for help of our committee for Mary Anne Krupsak. In turn she offered Mary Anne to Clarence for a full day of campaigning. When we discussed a dinner, Sue Cohen stated splitting the cost and profits down the middle. We talked about Mary Anne having an ad in the Polonia Gazette. Sue asked for rates. We gave them to Sue. She never said to give the rates to Madison North. We held up publication for 2-3 wks awaiting copy from Madison North. They all stated that they could not send copy without Sue's approval. We called Sue and she said go, and that she would likewise tell Madison North. We called Madison North. She did not contact them. We called Sue, she repeated the ok, and it ended there. She was the ONE that had the final and the primary ok. NO ONE ELSE. When the first paper went to press she saw a proof. She saw the paper when it was printed (we mailed here copy) and she picked a copy up at the August 29th dinner. She never said it was a no-no. We were to meet that night and go over other printing that Sue wanted KDPI to do for Mary Anne, but as the It. Gov was behind schedule the meeting never went thru. We had already contracted for the second edition. We received the copy right where Sue said we could get it. We discussed the ad copy of both editions. As for the dinner, two days after the dinner, the son (Dave) of Leg. Lytel of the Onondaga Co. Legislature, called me and asked where the split of the money was for Sue and Mary Anne from the dinner. (his mother called the Herald and said there would be no dinner costing us many $ on the day of the dinner.) The dinner was a loss, and therefore the bill. We received no help from any MAK's local committee for the dinner. I can go into more detail, tell me what you want. Other people we talked to at the It. Gov. office, the committee hdqtrs, etc?? Lytel was told to call us at the direction of Sue Cohen (& agent). Affidavits are available from the undersigned, Clay Orbesen, Kevin Strader all of whom talked to Sue and Madison North, her committee, and left messages trying to reach Sue, etc. etc. Other possibles (I have yet to talk to them) are: Clarence; Donna, the secretary; David Barna; Adrian Sedgwick; etc. The dates of the conversations can be verified by our long distance phone bills. At least 2 people from here were on the same phone on these matters. Why did she not reject the Krupsak in August?

Adios,

Gary

Dear Norb,

Clarence Kadys was in at 1:40 today. He took from Kaufman DeDell Premises and Clay Orbesen and Associates Premises files which belonged to both for work done for Clarence Kadys.

These files generally had to do with work done for Kdydys and showed the contract that we had between him and both parties above.

He took these files bodily, without permission, and without our assistance. We constantly told him not to take the files, but did not bodily restrain him. We called you for assistance.

We ask that you get these files back as I/we believe these belong to us until and unless he pays for these files and the services perfomred to collect them.

We therefore ask that you get an order for their return and a restrining order to keep him off the premises until he pays what he owes to Gary DeDell, Kaufman DeDell Printing, Inc. and Orbesen & Associates and Clay Orbesen.

Thank you.

Dear Mr. Holczyk:

On November 16, you borrowed the checks from me and promised to return them on the 17, which you had also made an appointment. It is now almost a week later, and you have not returned these checks. Upon receipt of this letter, would you send all of the checks back, via registered mail, to me?

Would you also explain to me why you have not kept your appointment and/or why you have not called me as Clarence Ladyo indicated you would and/or why your office has not given me the courtesy of informing me that you would not keep your appointment?

Clarence Ladyo has received the notice from the IRS and it now appears that he has exceeded the time limit that they imposed last month. Based upon Mr. Ladyo action of last Friday, when he made accusations to the IRS and the fact that we have not seen you during the past week, nor heard from you, at no time in the future will I allow any material to leave my office until Mr. Ladyo has settled his account in full. Further, this will not prevent you, however, from completing your taxes here as had been scheduled.

I trust that you will respond to this letter, as Mr. Ladyo has made it very clear that these checks and the checking accounts are not his property or responsibility. Furthermore, sir, Mr. Ladyo turned over some financial records to Clay Orbeson which were in his trunk. Apparently when Mr. Ladyo took these materials and other files which did not belong to him without our permission on October 19, some information from these files are now missing. This will make your audit more difficult and we take no responsibility for their loss. We will avail these records to you, but these records interferred with a correct IRS report and the bookkeeping that Mr. Ladyo hired me to do. This may or may not endanger Mr. Ladyo's legal situation with the IRS. I will expect the checks to be in my hands Saturday of this week and a reply to this letter shortly thereafter. Failure to return the checks to me will cause me to seek other means for their return. The District Attorney has advised me that these checks are definitely not the property of Mr. Ladyo, simply because of the statements that Clarence Ladyo himself made to him. In judging by the situation that Mr. Ladyo has put me in, I would feel that these are my property until these matters are resolved.

Be further advised, that because Mr. Ladyo did not make payment last Friday, that legal action has been instituted against him by several of his creditors. If you recall, he was told that such a situation would likely happen when you and he visited my office on November 16. The IRS will delay no longer, Mr. Holczyk, and if Mr. Ladyo wants their report complete, perhaps, if you are unable to help him, you might recommend another accountant.

Sincerely,

Dar J. Dell

Dear Clarence:

I am in receipt of your note from the letter sent to you on November 16. Please be advised that I have no intention of corresponding this problem until I get the checks back which were borrowed last Thursday, and I get one that you owe me and the check, and until you have your promise to rectify the work that you and your accountant have agreed to complete a long time ago. I have yet to hear from you, regarding this, and your accountant has failed to call as promised. Likewise, I have been in communication with the Federal Election Commission, and the information that I have is to you to clear the problem on the note sent to us.

As we have tried to tell you many times and tried to [illegible] the tape recording many times, it is your duty to be subject to fine and imprisonment. Your delaying on this matter will only put yourself in jeopardy with the law. I cannot understand why you do not pay your bills, and frankly, Clarence, I will leave it up to the IRS who will not hesitate to, [illegible] on the levy issued against you and up to the maximum to collect the money you owe me. If I do not hear from you upon receipt of this letter, in an answer to the request made to the first paragraph of your letter, I will legally return the return of the checks which you have failed to too many people as "no interest", and I will no longer accommodate in your problem with the Federal Election Commission.

You have put other people into a jeopardy - how do you like it?

Dear Clarence:

Dear Mr DeDell:

Received your registered letter today.

As you may recall on my last visit, I had a slight fever & running cold that evening. I had a fever of 101°. I have not been to work since that time.

To find the source of my illness I have been in the hospital for the past several days & expect to be in the hospital until next Wednesday.

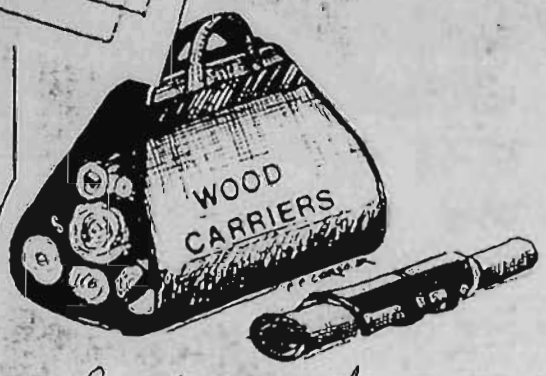

Verna Kody was to call you as to why I could not make it again to your office.

I don't have any records in the hospital & will get to you soon & possible.

Circumstances beyond our control curtailed our work on this project.

Sincerely,

J Wolczyk

Bob,

I have been served Summons with Notice from Labor Pool of Syracuse. The amount that I am being sued for is 127.94. I was served on 12/12/78 in the afternoon.

The services that labor pool rendered, (Laborpool is employment office) is were; secretaries that were used only for the Committee for Kadyk. They were doing such things as addressing envelopes typing press releases ect.... These people were not used for Orbeen and Associates, but completely for Clarence Kadyk.

I would like you to take any actions that can be taken against Mr. Kadyk, naming him party to the Summons. This must be done very soon.

On the Summons with Notice my name is spelled Orbeen instead of Orbeen. I would like to know if this has any effect on a delay of this.

I will be going out of town from Dec 18 till Jan 1st or 2nd. Action will have to be taken by then and I must be advised on what I should do.

Thx

Dear Mr. Scall:

Herewith is a signed, sworn and notarized complaint. My name is Gary J. DeDell, 816 No. State Street, Syracuse, New York, 13208. My phone # area code 315-422-4889.

I charge that Mr. Clarence J. Kadys, 1912 W. Genesee Street, Syracuse, New York, 13204, candidate for the 33rd Congressional District, New York, in the Democratic Primary, lost his status of waiver (section 101.3). He did not file his own report on October 10 and in so doing, violated Section 101.3 (B). Not filing under Section 108.3 was violated because he paid televisionstations, committee workers, and suppliers out of his own pocket. Further, he has hampered reporting of the committee as detailed of our letter of October 9, our letter of October 27, and our mailogram of October 30.

According to Sections 104.2 (B) (10) and Section 104.1 (2) (B) he has further violated the Federal Campaign Act of 1971, as amended. In particular, he spent over $1,000 with three TV stations in the Syracuse Area during the month of September, 1978, namely channels 3,5, and 9; and paid over $1,000 to his campaign workers numbering 18 or more also during that time; and paid at least four (4) suppliers over $200.00, out of his own pocket; and over $1,000 to the U.S. Post Office during the month of September out of his own pocket. These monies were in direct relation to his candidacy for air time, campaign work, canpaign supplys, and campaign postage. The undersigned was a witness to the second and last payments and other members of the committee were witnesses to the first, second and third payments.

I am not acting on behalf or on the request of any candidate.

If you would be kind enough to check with Joan Aikens, or Mr. James Allen, of the reports committee, you will find a copy of my letter dated October 9, 1978.

I have also talked at length with Mr. James Allen of your commission regarding this problem. I have specific requests in my letters to your commission, and accordingly, I ask that you answer same. Had you done so upon the receipt of the October 9 letter, we may have been able to resolve this without my now making a formal complaint.

Regardless, my complaints stand.

I hereby swear to the above - so help me God.

Sincerely,

Gary J. DeDell

Dear Mr. Scall:

As per my conversation with Mr. James Allen, of the Federal Election Commission, and per your instruction, herewith is a signed, sworn and notarized affidavit.

My name is Gary J. DeBell, 816 No. State Street, Syracuse, Onondaga County, New York, 13208. My phone (area code 315/422-4729.

As per your recommended format, I state that Mr. Clarence J. Lady, 1912 W. Genesee Street, Syracuse, NY, 13204, candidate for the 33rd Congressional District, New York, in the Democratic Primary, lost his status of waiver (FEL section 101.3). He did not file his own report on October 10, and in so doing, violated section 101.3 (B). Not filing under section 100.3 was also violated because he paid television stations, committee workers and suppliers out of his own pocket. Further, he has hampered reporting of the committee for months as detailed in our letter of October 5, our letter of October 27, and our mailgram of October 30.

According to section 104.2 (B) (10) and section 104.1 (2) (B), he has further violated the Federal Campaign Act of 1971, as amended. In particular, he spent over $1,000 with three TV stations in the Syracuse area during the month of Sept., 1978, namely channels 3, 5 & 9; paid over $1,000 to his campaign workers, numbering 10 or more also during that time; paid at least four suppliers over $200; and over $1,000 to the U.S. Post Office likewise during the month of September. All of these expenditures were out of his own pocket. The members of the campaign committee were witnesses to these transactions. These monies were in direct relationship for his candidacy for airtime, campaign work, campaign supplies, and campaign postage. If you would be kind enough to check with Mr. Joan Aikens, or Mr. James Allen, both of the FEC reports committee, you will find a copy of my letter dated October 5, 1978. It was attached to our committee report.

I have also talked at length with Mr. James Allen, of your Commission, regarding this problem. I have specific requests in my letters to your Commission, and accordingly, I ask that you answer same. Had you done so upon receipt of the October 5 letter, we may have been able to resolve this problem without my now making a formal complaint.

Dear Clarence,

Today you said that I had told you that I was working as a volunteer during the course of your campaign. I had said that I was volunteering to help your campaign. I did not say that I was doing all that work, putting all that time into your campaign for no money what so ever. I had many hours that I am not billing you at all. Granted I would have put down less money, if all the threats had not been made upon myself. Threats ranging from jail to telling me that I would never suceed in profession because I was dishonest. Many times you told me that you would make it right with me. This is now what I am asking and waiting for, from you.(Your PROMISE)

I have never taken a cent from you that was at any way, shape, or time, dishonest. In reconsidering the money that you said you had given me at the S.I.N. hall, as I remember you would not give me any money whatsoever because you were upset with the turnout there was and the fact that you had to write out a check for 25 dollars.

I do recall me going out and asking you for money, but I also recall that your interest got tied up with the payment of the S.I.S. hall owner and when payment of the 25 dollars was paid you told me to take care of the bill myself. This I did and the amount was a total of $5.40. I would appreiciate being repaid for this said amount right away. The main reason you did not pay me there and then was, you said you only had a ten dollar bill and 3 one dollar bills, and you said you needed at lest ten dollars for the Polish dinner you had to attend that night.

Sincerely,

Clyde D. Orbeson

Dear Clarence:

Enclosed are a copy of a transcript of a telecon between Clay and the FCC today. He advised that a report is definitely needed to be submitted by you. I am quite serious: I must have money and the shop must have money on account immediately before I can start

any more money or time with your ventures.

I know you feel that you have not gotten full use of your money. But if you're wrong, and you are, you are doubly wrong for creating the financial hardships upon myself, my mother and Cory. I must have money on account. My mother also needs her money. And calling + Cory and several other of your creditors have informed me that they are taking legal steps to

[redacted]

[redacted]

nately lack of payment he or she is going to wait until October 15 for your account. (That's a Sunday, by the way.) Don't hesitate to get in touch with me if you have any questions.

Lastly, the numbers are not random. You clearly told me to pay people in alphabetical order, your doctor, and your manager. You wanted discharge to Linda Moore, Barbara Godnow and then. I hope to hear from you soon.

Sincerely,

1. If the candidate has made expenditures of paying bills, paying committee workers, or receiving donations, what are his requirements in regards to the FEC statement of October 10, if the committee has not reimbursed him for his money?

A) 1. If the candidate expects to be paid back by the committee then they could be called "loans in kind" and reported as such on the committee's report. If it is reported as "loan in kind" then it must be listed on Line 16 of the detailed report. Line 16 of the detailed summary page (you would have to state it on Line 16 of the detailed summary page and also list it on the separate Schedule A required It must also be stated as expenditures on whatever line that is and be stated on Schedule B. There must also be a notation "loan in kind" next to the expenditure.

If the committee lists all expenditures (loans in kind) then the only responsibility the candidate has is to give all money that he personally spend or collected during his campaign a report

2. If the committee is not expected to reimburse the candidate, then what must be done on the financial report?

A) If the committee does not refund the candidate's money, then the money brought in by the candidate or paid by the candidate must be listed as "contributions in kind." If the committee does not list the candidate's personal expenditures, then what form would the candidate be required to fill out and what would be his responsibilities on that?

A) Then the candidate would be required to fill out Form 3 or Form 6 on a documented financial statement and his ex waiver would no longer be effective. If his waiver is no longer effective then the candidate would not only be required to fill out Form 3 or Form 6 but would also be required to fill out the complete financial statement. The committee would still have its responsibilities to fill out their report as well. If there are any debts not paid off, then they will be listed under "money owed." The money that is owed must be listed in every following financial report as money owed until the money is paid off and this is the responsibility of the candidate.

This was dealing with the conversation between Clay Orbeson and Beverly White on 10/10/75 in regards to the responsibility that Clarence Kadys has dealing with the October 10 financial report.

RE: NOTICE TO CANDIDATES REQUESTING A WAIVER OF REPORTING RESPONSIBILITIES UNDER 2 U.S.C. 436(b)(1)

This notice will acknowledge receipt of your Statement of Candidate received 8/31/78. In that statement, you have indicated that your principal campaign committee will be receiving and disbursing all funds in support of your candidacy in the 1978 election(s). Therefore, based upon this certification, your waiver of your reporting responsibility as a candidate is confirmed.

Section 101.3 of the Federal Election Commission Regulations requires that such a waiver shall continue in effect as long as the candidate complies with the conditions under which it was granted. Those conditions are as follows:

1. Within 5 days after personally receiving a contribution, the candidate will surrender possession of the entire contribution to the treasurer of his or her principal campaign committee without expending any of the proceeds thereof. No contributions shall be commingled with the candidate's personal funds or accounts. Contributions conveyed by check, money order, or other written instruments shall be consigned directly to the political committee and shall not be cashed or redeemed by the candidate.

2. The candidate shall not make any unreimbursed expenditures for his or her campaign, except that this paragraph does not preclude a candidate from making an expenditure from personal funds to the candidate's designated principal campaign committee which shall be reported by the committee as a contribution received.

If you have any questions concerning this or any other matter, please do not hesitate to write the Reports Analysis Division at the address above or contact us at our toll free number (800)424-9530. Our local Washington, D.C. number is (202)523-4179.

It has been our desire to avoid placing on you an unnecessary burden of costs and expense. If you do not pay your account, however, no other course is open to us. We will have to take the necessary steps to enforce collection.

We hate to do this. A lawsuit over an uncollectible account becomes a part of you permanent credit record, and is always a reflection on the debtor's willingness and abilty to pay his bills.

We shall expect to hear from you no later than September 20, 1978

Attn: Town Court Clerk

Subject: Bishop vs. Professionals for Kids

Dear Mrs. Rinaldo:

Enclosed is the $60 to redeem the check issued Mrs. Carol Bishop. Please give the receipt and the check to the messenger.

This money is paid only with the stipulation that you enter in the court records that I deny that the check was without value and further that you enter also into evidence the three attachments from Marine Midland Bank's records: my letter of protest; deposit slip for $3,000 from August 1 and deposit slip for $3,000 from August 4; and bank statement showing only the deposit from August 4 being recorded in the account.

I will not pay you this money on that check if you will not enter these items into the court record. This money is being paid out of conscience. I am trying to get the money back from the bank but as the check has not been made good by the bank I am in turn doing so.

I, therefore, in order to substantiate my claim against the bank, need both the receipt and the check from you. Without these two being given to the messenger I again refuse payment. If you cannot accept my money under these conditions, please state your reasons in writing. A copy of this letter is already in the hands of Mr. Richard Lyons of the Onondaga County District Attorney's office. Also the attachments have been sent to him. If you have any question regarding my request, please feel free to call me or Mr. Lyons.

I attempted to pay you yesterday, September 28, 1970, but you were not there. To prove that I had attempted this, I called and left word with Mr. Hennessy's secretary in the D.A.'s office. For that reason I would also appreciate your writing the date of the receipt as September 28, 1970 as I was prepared to pay on that date. If you cannot date it for September 28, please put down today's date and stipulate on the receipt that I attempted to pay on the 28th.

Thank you.

Sincerely,

Guy C. Bishop

PPA #102 (1/77)

These last few weeks you and I have watched the politicians from California to Washington scrambling to cut the bloated governments that they have created. They call the California vote on Proposition 13 a tax revolt, but it is more than that. We, the people, want our government back and we are at last being heard.

We are tired of taxes being wasted, tired of supporting those who will not work, tired of sending dollars to Cuba and other unfriendly nations, tired of government red tape strangling our businesses and personal lives and tired of giveaway government. I know, because the government owes my business over six figures since a year ago.

At last those of us who want to restore businesslike common sense to government have a chance to continue what the California voters started. But we can't do it with scrambling politicians who, as usual, endorsed each other and didn't get the message. This year, thinking New Yorkers do have a choice. This election is vastly different from any previous one; this time a truly conservative candidate can win. And he's running in **both** the Democratic and Republican Primaries on Sept. 12. He truly wants to represent us all.

Clarence Kadys is that kind of a candidate. As a successful businessman for over 26 years, he learned well the importance of making sound management decisions to cut waste.

As a community leader he founded and manages the successful annual Polish Scholarship Day, bringing many groups together in this cooperative effort and has sent over 130 scholarship winners on to the colleges of their choice.

As your Congressman, he will take these skills to Washington and take on the tough task of trimming the Federal government down to size. Putting business sense back in government is a job only for a businessman, not a politician. Clarence is the **only non**-politician in the race. He deserves our support now.

The enthusiastic response to Clarence confirms that we are on the way to victory if we can just spread the word to the voters. That takes money for television, billboards, newspaper advertising and brochures. For example, we need 750 people to contribute an average of $20 each in the next two weeks to reserve and pay for television time. Our victory depends on your help now. Without your help now this golden opportunity to replace confused politicians with a common sense conservative businessman may be lost. Please write a check today. You will be making the best tax saving investment ever—and, it's tax deductible!

Sincerely,

Gary J. DeDell
Vice President

P.S.—Clarence is having a businessmen's rally soon in your area. Please attend this important rally; there will be speakers and entertainment. Bring your problems and questions. I promise you will be heard and you will get answers. Clarence is concerned about fellow small businessmen of the Finger Lakes area and Central New York as you will see.

P.P.S.—Clarence is having a dinner at 7 p.m. at Drumlins, Syracuse, on Tuesday, August 29. Mary Anne Krupsak, candidate for Governor, will be sharing the head table. You are cordially invited to attend. Your attendance will assure State and Federal attention to your problems. Cost $50 a couple ($25 each). Phone me at 315/422-4906 for reservations.

Dear Sir:

I am sure that you appreciate the fact that today it is most important to establish credit responsibility before allowing a customer credit privileges on an open account. Routinely, after your call came in for office help, credit was checked before sending people on the job. In your case, of course, there was no problem.

Now, however, after a lapse of two months, you are asking that we rebill your account to other people. These people are unknown to us nor have we had any relationship with them. Certainly their credit and responsibility has not been checked. As you requested, to aid you, we are inclosing copies of our original invoices. If you wish to resubmit them to your organization that is up to you. Responsibility for payment however, is yours.

Hope the above will work out well for you and that we will have early payment.

Very truly yours,

Oct. 20, 1978

Dear Mr. Wolczyk:

I am in receipt of your letter of the 19th of October. For someone who has been as unconcerned as you regarding Clarence Kadys debts, to have written me the letter you did, and copy to the Federal Election Commission is not understood by this writer.

Telling the things you have out of context, which you neglect to put in writing at any time, I shall here upon refresh your memory:

1. Clarence Kadys has not paid me any money for my services.

2. Clarence Kadys has not paid my firm for its services.

3. Clarence Kadys has not paid my business associates for his services.

4. I have not been reimbursed for my expenses on his behalf.

5. YOu, and I, and his lawyer, Mr. Van Langen have been hounded, as has my firm and Mr. Orbeton regarding payment of his accounts.

These creditors have been sent to all of us at his direction. Although it is primarily the dispute between myself and Mr. Kadys and perhaps you, I failed to see where you mention in your letters his moral responsibility in the matter. I also failed to see in your letters where you advised him not to send his creditors to you. Does this absence mean you have no objection to same?

Let us go a step further. I have no intention of answering your letter point by point because you have taken things out of context for whatever reasons I do not know. The reason this girl was in my office on the 13th was because Mr. Kadys directed she finish up by that date. He did so in person on a visit to this office during that week. My letters of Oct. 4 indicates very clearly the responsibility of Mr. Kadys and, you, as his accountant, should have advised him of same.

Kaufman De Dell Printing, Inc.

I see no such admonishment in your letter. To this date he refuses to acknowledge any responsibility but said Federal Election Commission has advised very strongly in a tape recorded interview exactly what penalties, fines and imprisonment he might be subject to.

For everyones information there is nothing I have nor have had that he needs to prepare his own report. He states he will not do any reporting until he is notified in writing. I have done my job by notifying him and the Federal Election Commission has done their job by sending him a copy of their rules and regulations.

For you to admonish me where I have put Mr. Kadys money is entirely out of place and without any regard to our correspondence. I will not handle any records, nor will I transmit them to you until Mr. Kadys, unless and until, he pays his bills in full.

You, as an accountant, are entitled to keep his records until he pays you. And as long as this girl is working here at Mr. Kadys direction and as long as it was his conversation with her that caused her to withdraw the records then I feel your charge is off-base, at the least.

As far as records being lost, when Mr. Clarence Kadys raided this office yesterday, the 19th, he took records from our files in our cabinets without our permission. He was not physically prevented from doing this but he was warned . He violated the law according to both my attorney and the lawyer he consulted this morning.

I am not concerned with that but I do want you to know he dropped many of the records on North State Street and he has yet to pick them up.

As you have bothered to notify the Federal Election Commission you must take the responsibility for whatever happens.

The records in my office according to law are completely legal for me to retain. I have not been reimbursed for the cost of preparing & reproducing these records, the secretarial time, the Xeroxing, etc.,etc. These records are most definitely NOT Mr. Kadys and do belong to me until he pays his bills. Beyond this he took records that do not belong to him whatsoever and are part and parcels of the firm and the undersigned.

I fail to understand how you could not have advised Mr. Hadys better than you have. I again assure you that your letter of Oct. 19th is unwarranted.

My efforts to reach HIS bookkeeper were nil. I did not hire her (despite your letter). And I did not release her except upon Mr. Hadys instructions (which he did not put in writing). And until I do get said written instructions, or until I find her your remarks are moot. I suggest quite frankly that the candidate be more concerned about paying her and then I am sure these records will be returned by her.

At this time, two of our attorneys, 12 pieces of correspondence, my mother, letters from the District Attorney, a tape recording from the Federal Election Commission, five meetings at our place of business have failed to get Mr. Hady to own up to his responsibilities. Nevertheless my business, my credit, and my legal standing in the community has suffered. My mother's business and her credit have likewise been adversely affected.

There is one meeting tomorrow morning on the 21st. As Mr. Hadys has been advised by our lawyers and several others, he stands in great jeopardy if he fails to resolve these matters at that time.

His libelous and slanderous statements have not gone unnoticed. But I will use this forum to answer them for your edification:

1) It is not the people he constantly accuses who are faced with jail (the absurdity, concerning a 16 yr old who never touched a cent of Mr. Hady's money)
2) As he himself ascertained he has only placed $28,000 not $35,000 into use. He told many people he spent $35,000 so far but the committee can't account for it.
3) There are no fake records
4) There are no phony receipts or bills
5) His money was used for his campaign and any funds of his spent were for those purposes.
6) He stated to the former committee members that there are 4 or 5 checks as of date that were not cashed. I know nothing of these checks, but I ask that you personally look into their whereabouts. I ask that you send me a copy of their endorsements if you find them. Or I shall pursue this information. As Mr. Hady's lawyer stated that these checks were in the hands of his committee. Untrue.
7) Mr Hadys has constantly referred HIS creditors to us, you and others for payments of HIS bills for HIS campaign. As late as today there has been an additional $1,000 of which he told his creditors to send us out for payment. Obviously he is aware of these debts.
8) I see no reason why Mr. Hadys cannot pay some money on account for these services he has had done. He is jeopardizing his credit & the well being of these people and firms.

He relinquished his written advisement that no money could be spent without his written consent. He was the first person to violate this rule. The following people were verbally contracted by him during Sept. This altered, of course, his written statement. Yet on more than one occassion he told these same people to come to ME for payment. The following people were witness or party to these seven occassions: Miss Barbara Goodnow, Mrs. Linda Moore, Mr. Kevin Strader, the undersigned, 2 television salespeople, 3 members of his committee who worked at this address, several distribution people, a typesetter who set type for the 2nd issue of the Columia Gazette, which Clarence says he never authorized, yet this same typesetter went over proofs with Clarence and with the undersigned when Clarence was present, members of my firm, and 4 creditors. Statements can be produced to prove this.

This will be my last correspondence to you, Mr. Wolczyk. As you are a friend of Clarence, your letter and contents were misaddressed. You are not advising him fully, and that concerns me as well. You should advise him regarding his credit, his creditors and submission of HIS report.

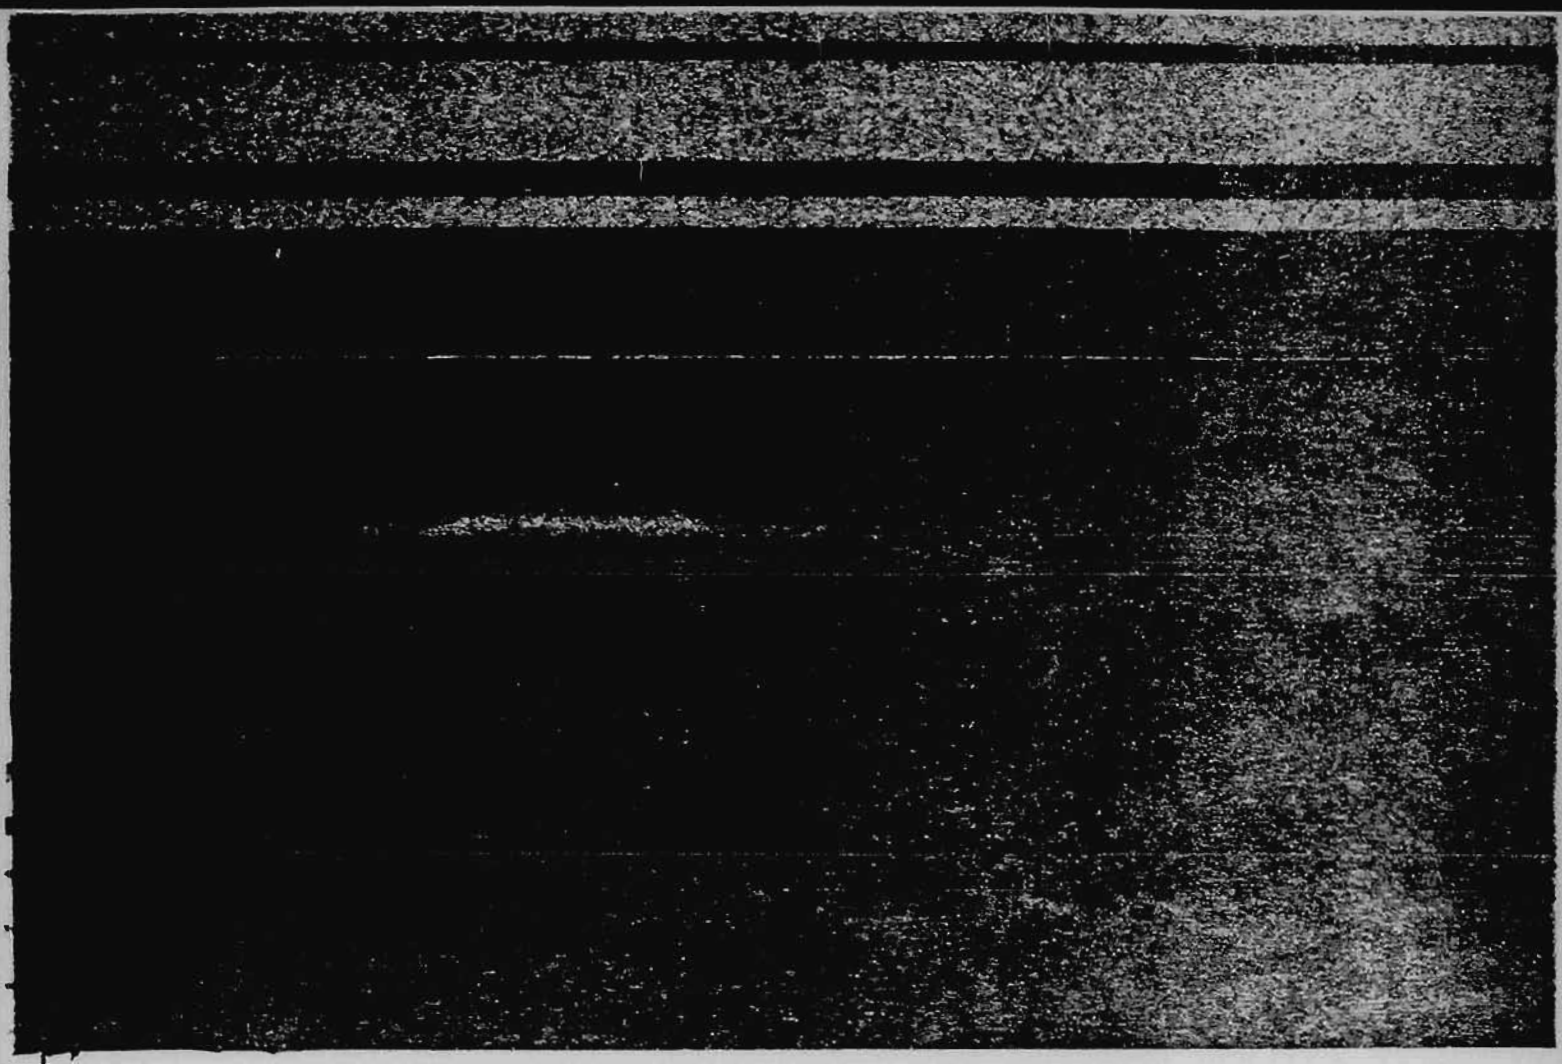

Should you doubt any of this letter's contents, I do ask that you write me once more stating exactly what you wish to have proven. At that point I will gladly see to it that as many of the aforementioned people in this letter attest to what I have written.

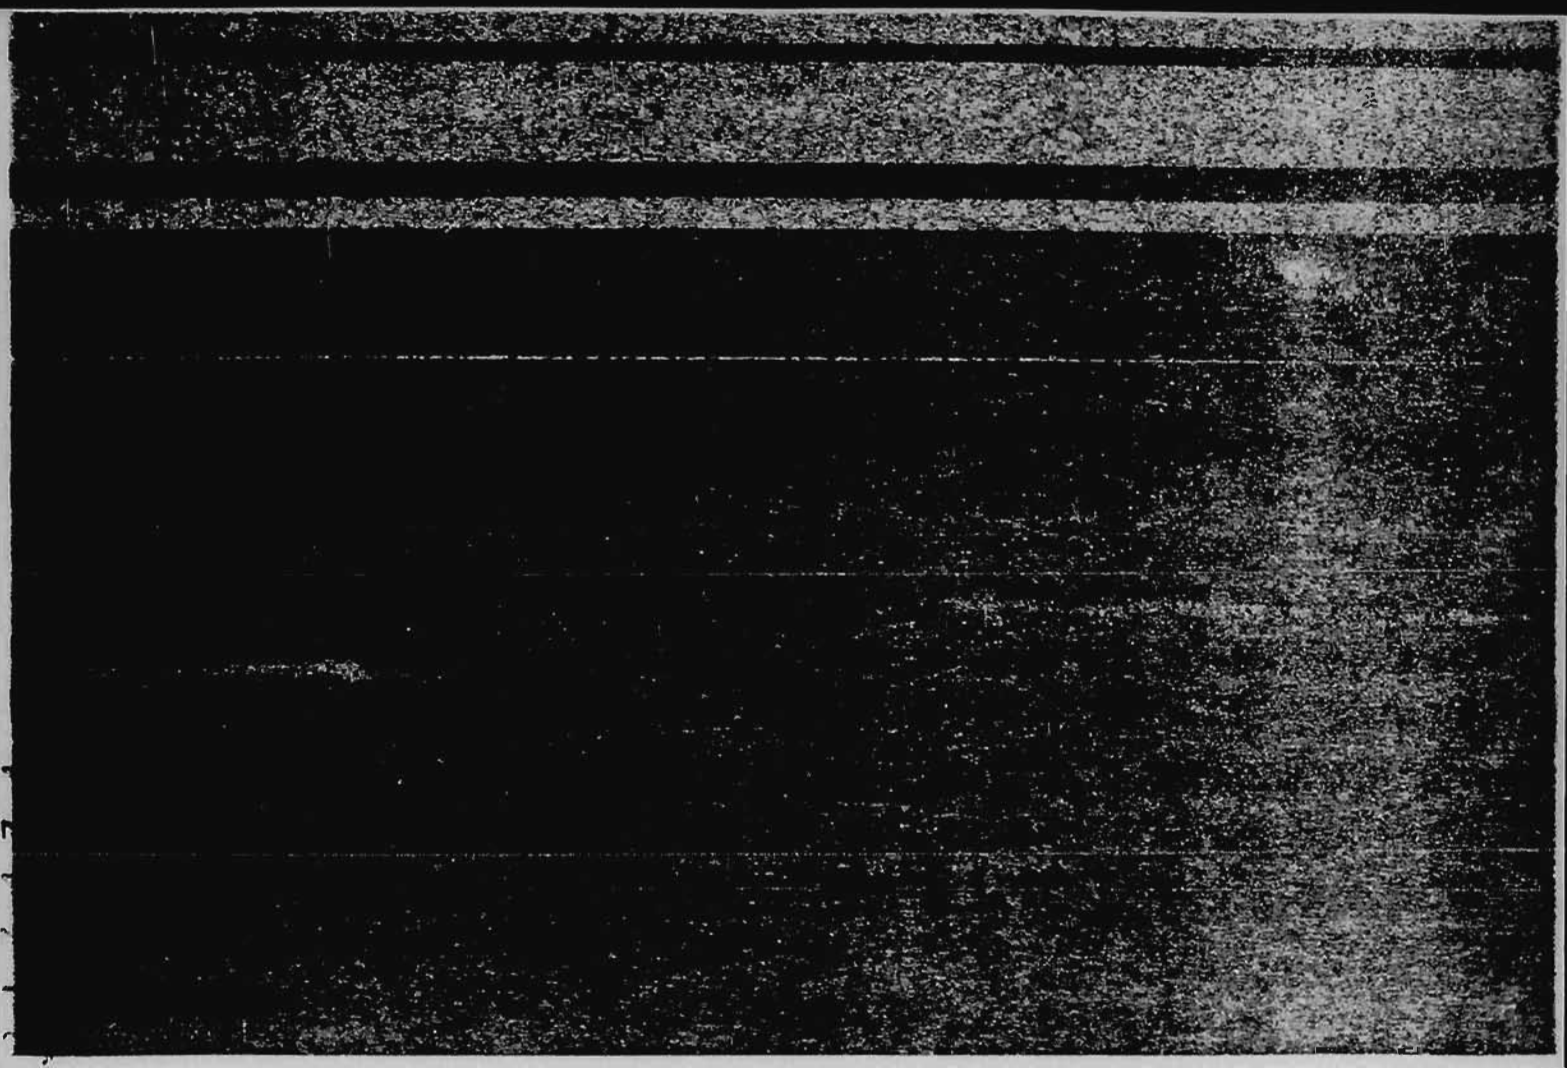

Very truly yours,

Gary J. DeDell

Dear Sir:

On Friday night June 30th I called up your office and asked for a typist. I was told the typist would have skills commensurate with our needs. We were working on dinner invitations selling at $[illegible] a ticket. The girl you sent us was assigned to type the addressed envelopes from a printed list. Her typing was inaccurate and extremely slow. She left off cities and zip codes and had streets wrong left uncorrected on the envelopes. After an hour and a half she went home and said she was coming in in the morning to complete her 4 hour minimum. She did not finish this minimum that same night. She failed to show up the next morning and failed to have me sign her bill.

Judging by the incompetency of the operator and the need for us to correct her work, we ask that you forgive this bill.

Sincerely yours,

Clay Olsen

4. Establish an ombudsman system to protect YOU, the public.
5. PREVENT government officials from raising THEIR own SALARIES.
6. Induce foreign industry to LOCATE in America.
7. Examine welfare violations and make able-bodied people go to work for their money.
8. REDUCE real estate taxes.
9. Trade embargoes with unfriendly nations; trade embargoes & higher duties to protect American industry.
10. Reduce the national debt, by making tax dollars do double duty.

KADYS—THE TAXPAYER'S CHOICE
PRIMARY DAY—Tuesday, September 12
ELECTION DAY—Tuesday, November 7
FOR HONESTY IN POLITICS
KADYS FOR CONGRESS
KADYS FOR YOU!

Paid for by the Committee for Kadys KOPI

DEAR VOTER:

Here's A Man Who Is . . .

NOT A POLITICIAN

He was NOT Hand-Picked

By the PARTY BOSSES . . .

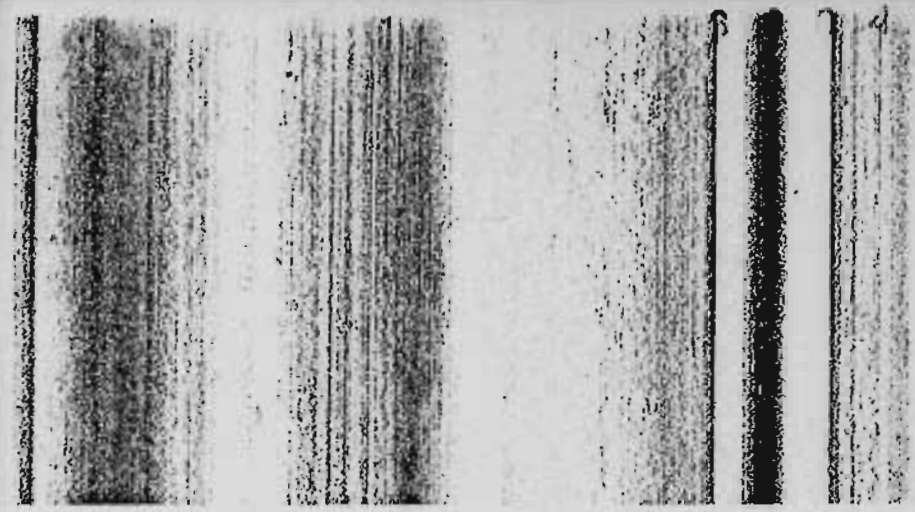

He's From the GRASSROOTS!

The ONE Candidate Who

Is Not Owned by Anyone;

Who OWES NOTHING to Anybody

BUT YOU!

Make him the Representative you want . . .

The Representative We NEED . . .

We are tired of taxes being wasted, tired of supporting those who will not work, tired of sending dollars to Cuba and other unfriendly nations, tired of government red tape strangling our businesses and personal lives, tired of give away government.

At last those of us who want to restore businesslike common sense to government have a chance to continue what the California voters started. But we can't do it with scrambling politicians who, as usual, endorsed each other and didn't get the message. This year thinking New Yorkers *do* have a choice. This election is vastly different from any previous one; this time a truly honest candidate can win.

"NOT FROM THE PARTY MACHINE"

Clarence Kadys is that kind of a candidate. As a successful businessman for over 25 years he learned well the importance of making sound management decisions to cut waste. As a community leader he founded and manages the successful annual Polish Scholarship Day, and has sent hundreds of winners on to the colleges of their choice. As your congressman he will take these skills to Washington and take on the tough task of trimming the federal government down to size. Putting business sense back in government is a job for a businessman *not a politician*. Clarence is the only non politician in the race. He deserves our support now.

As a businessman he didn't sell what he wanted to sell . . . he sold what *you* wanted to buy.

As your Congressman he will represent *Your* ideas, *your* problems, *your* solutions . . . not just his!

Married . . . from a coal mining family of 12 . . . college graduate . . . small businessman . . . using $50,000 of his own money to put YOU in office . . . full time to campaign, full time to represent you . . . member of Legislative Advisory Committee, Press Club, Church Clubs, YMCA, Chamber of Commerce, Captive Nations, Panslavonic Alliance, Consultant to Accord, Elks Club, Republican and Democratic Parties, Member and Chairman of Parks and Recreation Commission . . . serving without pay.

LET KD DO IT!

Would you like to be an expert on inflation? It's really very simple.

There are only two inflationary factors worth worrying about. One is big government deficits. When the government runs big deficits, it increases the money supply and the demand for goods. So prices start rising.

The other factor is when we all try to get more money *without* producing more goods. Our incomes go up, but the supply of goods stays the same. Demand rises, costs rise, and so do prices.

That's it in a nutshell. Until we control *both* these forces, we're not going to lick inflation. There's no way.

A small businessman from the old country kept his accounts payable in a cigar box, his accounts receivable on a spindle, and his cash in the cash register.

"I don't see how you can run your business this way," said his son. "How do you know what your profits are?"

"Son," replied the businessman, "when I got off the boat I had only the pants I was wearing. Today you, sister is an art teacher, your brother is a doctor, and you're an accountant. I have a car, a home, and a good business. Everything is paid for. So you add it all up, subtract the pants, and there's your profit."

KADYS $ You

It was 9 A.M. on a gloomy Monday morning and the elevator was overflowing. As the car started up, the elevator man began humming a tune and dancing a little jig. One passenger seemed particularly irritated by the man's mood and snapped, "What have you got to be so happy about today?"

"Well, Sir," replied the man happily, "I ain't never lived this day before!"

A good neighbor is a fellow who smiles at you over the back fence but doesn't climb over it.

With the cost of living choking us to death, you'd think we'd be smart enough to send some people to Washington to stop the spending spree that's causing it all. The trouble is that there are still too many people in this country who don't realize THERE IS NO SUCH THING AS A FREE LUNCH. We pay for every government benefit we get—usually far more

than it's worth. If we don't pay in taxes, we pay in inflation—higher prices for everything we buy.

Charm is the ability to make someone think both of you are quite wonderful.

You can pretty well judge your importance in an organization by how hard it is to take a vacation. If you have to work like the devil to get things in shape before you take off, then struggle to make up for lost time after you get back, it's a pretty good indication your services would be hard to replace.

When we were young, everybody—teachers, textbooks, and newspapers—told us how wonderful this country was. Nobody mentioned its flaws. True or untrue, it was a precious illusion. It was thrilling to have a country you could be proud of, worth living and dying for.

I know now that the United States of America isn't as pure, wonderful, and flawless as they tried to tell us when we were young. But neither is it as selfish and evil as it is painted today. I know that our heroes were human, sometimes with feet of clay, but they also had some extraordinary attributes and abilities.

What we need today is a little reassurance that—as countries go—ours is a fine country, far more often an agent of good than of evil, a leader in improving the lot of mankind. I know that's true. I'm also sure that by working together we can make it better.

JOHN LUTHER

Sign in a Los Angeles paint store: husbands ordering specially-mixed colors must have signed notes from their wives.

If you were running a business, how would you like to have the United States Government for a competitor—a government agency that pays no taxes and gets hundreds of millions of dollars a year in subsidies?

There's a private enterprise that operates under exactly these circumstances. It's doing beautifully, thank you.

The United Parcel Service delivers packages weighing 50 lbs. or less in 40 states. In this category it handles more business than the U.S. Post Office, is faster, more reliable, and gives better service. It also makes a very handsome profit.

How can they do this in spite of subsidized government competition? There's a very simple reason: when you give people a chance to make a profit it stimulates efficiency. The gain in efficiency, which benefits everyone, is many times bigger than the profit itself.

If you think twice before you speak, you may never get into the conversation.

A man stopped at a cafe and ordered a cup of coffee. When the waitress delivered it, he attempted to make conversation. "Looks like rain, doesn't it?" he ventured.

"I can't help what it looks like," she said, "we sell it for coffee."

A number of companies are complaining that they've been unable to raise the money they need to build new plants and buy new equipment. That means fewer jobs available. It takes about $25,000 in plant and equipment to provide a job for a single worker.

The trouble is that the government is borrowing so much money—over and above the amount it already collects in taxes—that there isn't enough left for industry. The money industry needs to create jobs, increase production, and raise our standard of living is pouring over the dam in benefit payments instead.

We doubt if there's any other country in the world where people spend so much money to buy

8 0 2 1 0 2 1 3 6 0 2

out of every $ how we make. So who do we vote for when it comes around to election time? You guessed it — the same old politicians who claim they're going to bring us a lot of new benefits and make somebody else pay for them.

Children are more apt to follow a parent's example than a parent's advice.

A state trooper pulled a driver to the side of the road and asked him if he realized that he was driving without taillights. Seeing that the motorist was visibly shaken by the news the officer added reassuringly: "Don't worry, it's not a serious infraction."

"It may not be serious to you, but it is to me," said the motorist. "I've lost a trailer, my wife, and three kids."

We're always amazed at people who blithely assume that government ownership of industry would be better than the profit system. They seem to believe this firmly and faithfully. Yet virtually everywhere government ownership has been tried, it has raised more problems than it solved.

History is an endless account of the *evils* of government. Government control doesn't clear things up — more often it messes things up with graft, corruption, influence peddling, and padding the payroll with friends and relatives.

Just because people work for the government doesn't guarantee honesty. President Harry Truman, a meticulously honest individual, found some people "on the take", accepting graft, at every level of government, from the county road department to the United States Senate.

And what about government red tape and inefficiency? The fifteen or so copies of every document, and the foolish, colossal waste of public tax money because nobody cares — because nobody has any reason or incentive to cut expenses.

If they ever decide to substitute government ownership for private enterprise, stop the world! We want to get off!

Note left by a ten-year-old boy: "Mom, I came home with a very bad headache and stomach ache. I've taken two aspirins, a glass of milk, and I've gone out to play football."

Our rider lawn mower had broken down and I had been working fruitlessly for two hours trying to get it back together. Suddenly my new neighbor appeared with a kit full of tools. "Can I give you a hand?" he asked.

In twenty minutes he had the mower functioning beautifully. "Thanks a million," I told him. "Say, what do you make with such a fine kit of tools?"

"Mostly friends," he smiled. "I'm available any time."

Good judgment comes from experience. Experience comes from bad judgment.

Men: Would you like to live five years longer, earn 20 to 25% more; lose only half as much time through illness, and have fewer accidents? Then kiss your wife every morning before leaving for work! According to a study by a life insurance company in West Germany, men who do so seem to fare better in all these respects. Frankly, we're skeptical of the benefits, but it's a nice custom anyway.

The agitation for a shorter work week with no drop in pay is interesting. It isn't impossible. It has happened before in this coun-

try. We used to work 50 to 60 hours a week and our standard of living is higher *now* than it was then.

The secret is productivity. In the past, our productivity—the amount each of us could produce with an hour's work—was rising sharply. That's why we could work shorter hours without reducing our income.

But let's not kid ourselves—unless productivity increases sharply, if we *work* less, we're going to *have* less. Nowadays, we think most people would rather use increases in productivity to boost their earnings rather than shorten their hours.

Sign on a roadside shop: we buy junk and sell antiques.

A man who works with his hands is a laborer. A man who works with his hands and his brain is a craftsman. A man who works with his hands and his brains and his heart is an artist.

LOUIS NIZER

"My folks were immigrants," Sam Levenson used to say, "and they fell under the spell of the American legend that the streets of America were paved with gold. When Pop got here, though, he found out three things: (1) the streets were not paved with gold; (2) the streets were not even paved; (3) *he* was supposed to do the paving."

It always impresses us when someone who is supposed to be an expert shrugs his shoulders and admits he doesn't know the answer to some question. Our confidence in him zooms immediately.

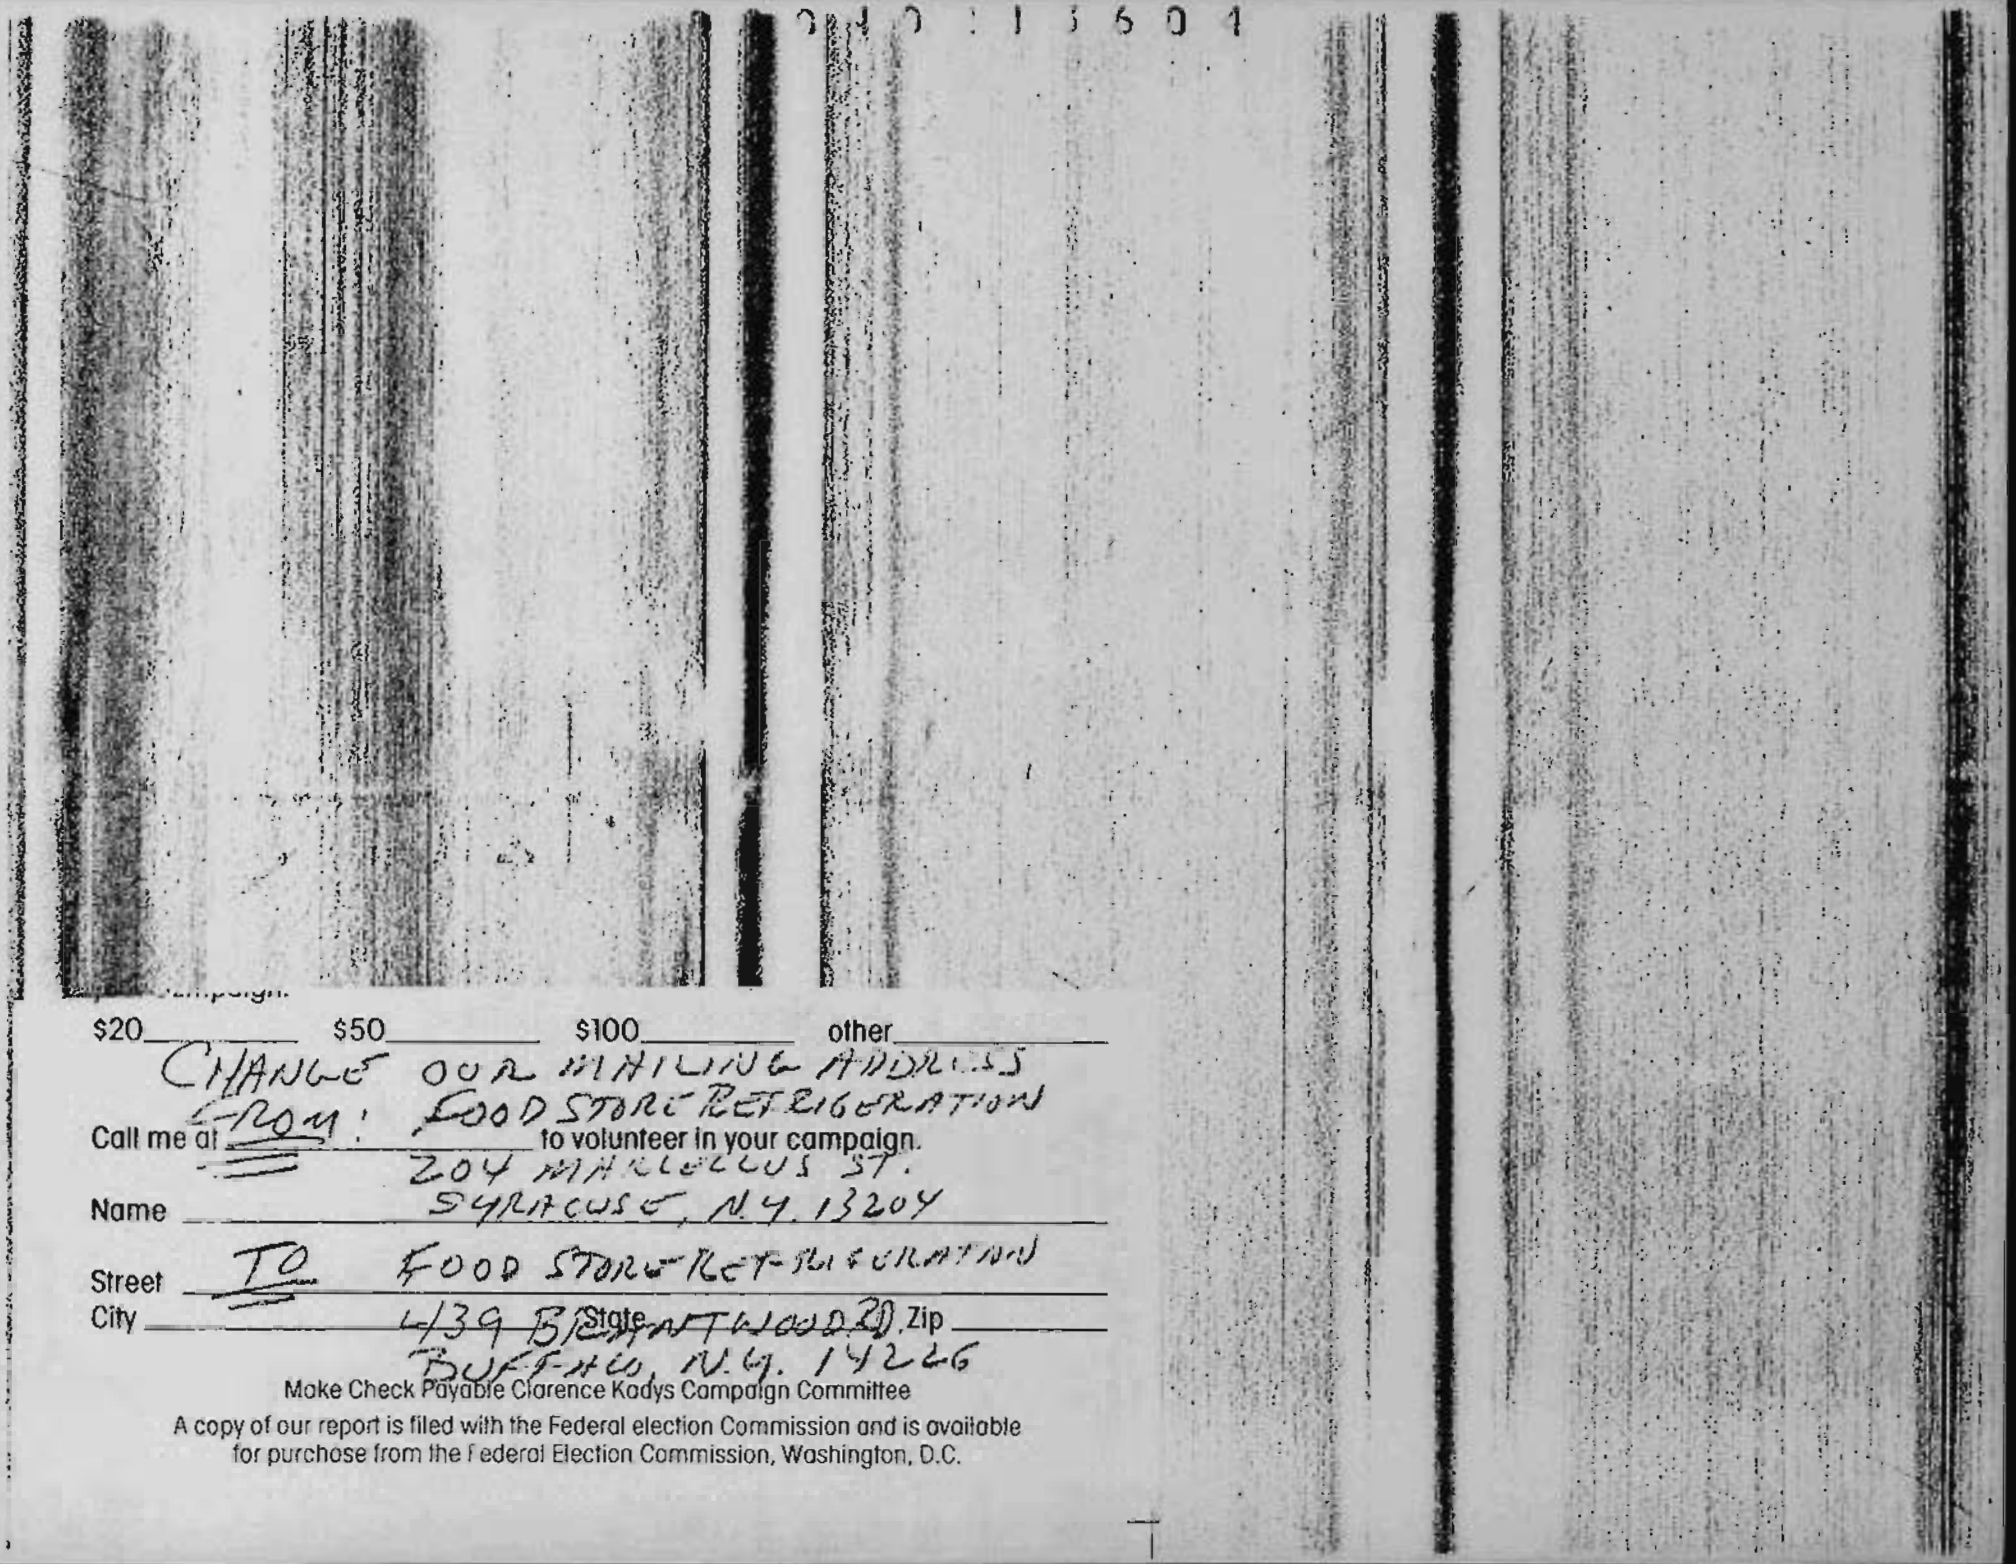

The key to willpower is *want*power. People who *want* something *badly* enough can usually find the willpower to achieve it.

People are funny. We holler like crazy about taxes.

We resent the fact that the government takes a big slice of our income *before* we even get it — social security taxes and income taxes that are deducted from our pay.

When we spend what's left, we pay more taxes — hundreds of taxes hidden in the cost of everything we buy.

Taxes of one kind or another take almost $33

Dear Mr. Sonneborn:
Dear Mr. Lyons:

In response to your form letter regarding the checks that were written, please be advised of the following circumstances:

(1) As previously brought to the attention of the District Attorney's office, Marine Midland Bank apparently has lost a $3,000 deposit which we made on the 1st of August. It is now three months later, and the bank has still made no explanation of its whereabouts. Mr. Johnson, of the North Side Office, is looking into this matter. We have protested its loss, in writing, and have sent a copy to the attention of Mr. Lyons, Assistant District Attorney.

We, therefore, feel that we cannot make up this difference until the whereabouts of that deposit is known.

(2) Regardless, Mr. Clarence J. Kadys, 1912 W. Genessee Street, Syracuse, New York, 13204, was the recipient of the goods and services paid with this check (checks). The check was issued by the Professionals for Kadys committee, which was to be entirely funded by Mr. Clarence J. Kadys. However, Mr. Kadys has obligations in the amount of over $20,000 which he refuses to release the funds for and which he had prior committed to pay. He owes the undersigned over $3,000. He owes the undersigned's firm over $13,000. The undersigned has paid out of his own pocket over $1,500 to cover the expenses for Mr. Kadys and Mr. Kadys has not reimbursed him.

If there is to be any action taken against the undersigned, upon the advice of my lawyer, Mr. Norbert Abend, Jr., it is requested that Mr. Kadys be named as co-defendant in any action taken by your office.

Unless Mr. Kadys pays the funds he owes, or Marine Midland finds the $3,000 deposit, the undersigned has no money to make up these checks which were issued for services for Mr. Kadys.

Kindly keep me advised. And should monies be forthcoming, you can be assured that the undersigned will endeavor to make payment on Mr. Kadys behalf.

The undersigned hereby swears that he acted only as agent for Mr. Kadys, and further states that the undersigned was not the recipient of any goods or services.

Very truly yours,

Gary J. DeDell
