GENERAL COUNSEL'S REPORT

BACKGROUND

On February 26, 1979, the Reports Analysis Division referred to the Office of the General Counsel the Democratic State Central Committee of Colorado (the "Committee") for its failure to properly itemize the proceeds from a fundraiser on its April 10, 1978, quarterly report.

On March 22, 1979, the Commission issued an order to the Committee for it to submit the missing § 434(b) information. The Committee responded on April 5, 1979.

ANALYSIS

An examination of the amended April 10, 1979, quarterly report indicates that the missing § 343(b) information has been adequately supplied. Furthermore, it appears from the report that no disproportionate distribution of proceeds or sharing of expenses occurred.

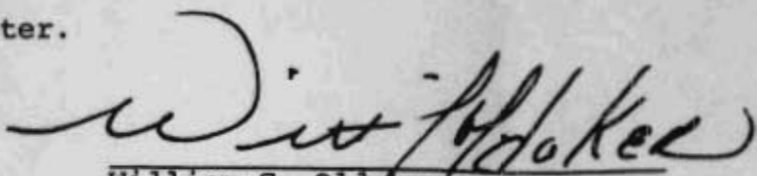

RECOMMENDATION

1. Take no further action against the Democratic State Central Committee of Colorado for its failure to supply the necessary §434(b) information on its April 10, 1978, quarterly report.

Re: MUR 924 (79)

Dear Ms. Cummings:

Enclosed please find copy of a letter dated August 28, 1978 sent to your office Att: Chadwick R. Gore, which, we felt, explains the apportionment of expenses and distribution of income on the Dinner with the Vice-President function. Approximately two months later the amended list of names of contributors were forwarded to your office, by regular mail without certification or return receipt. Inasmuch as we had no further communication from your office, in regard to this matter, we assumed all was in order and acceptable, as submitted. Unfortunately, there isn't a cover letter with same.

Enclosed is another list of names, as amended, and addition to the original FEC report of April 10, 1978 filing.

We trust this will satisfy the demands of your order of March 19, 1979.

If anything further is required, please advise.

Very truly yours,

THE COLORADO DEMOCRATIC PARTY

Re: FEC Reports for Quarters
3/31/78
6/30/78

Dear Mr. Gore:

We are in receipt of your letters requesting additional information on the FEC reports filed for the above referred to quarters.

We are attempting to compile the information requested by you, but need a little more time to do so, as we have to go back into our 1977 files to consolidate the ticket sales for the Dinner with the Vice-President. After doing so, we will forward amended reports for these quarters.

In response to item 4, page 2 of your July 17, 1978 letter, regarding monies we received from the Dinner with the Vice President Committee, we actually received the following:

\$4,131.72 in the form of checks, of which checks in the amount of \$105.49 and \$26.23 were for reimbursement of postage and office expenses, and not 1/2 of net profit as listed on the original filing of the report. We also received \$1,765.13 on 4/18/78, and said amount was reported as being received in the report filed for the second quarter of 1978. Therefore, our receipts equal the amount shown on the report filed by the Dinner with the Vice President, Committee. \$5,000.00 received in the first quarter of 1978 and \$1,765.13 received in the second quarter of 1978 for a total of \$6,765.13 received as 1/2 of the net profits from said dinner. The balance of the checks we received were to reimburse us for postage and office expenses.

The balance of our cash on hand was a deficit balance

Re: MUR 924 (79)

Dear Ms. Cummings:

Enclosed please find copy of a letter dated August 28, 1978 sent to your office Att: Chadwick R. Gore, which, we felt, explains the apportionment of expenses and distribution of income on the Dinner with the Vice-President function. Approximately two months later the amended list of names of contributors were forwarded to your office, by regular mail without certification or return receipt. Inasmuch as we had no further communication from your office, in regard to this matter, we assumed all was in order and acceptable, as submitted. Unfortunately, there isn't a cover letter with same.

Enclosed is another list of names, as amended, and addition to the original FEC report of April 10, 1978 filing.

We trust this will satisfy the demands of your order of March 19, 1979.

If anything further is required, please advise.

Very truly yours,

THE COLORADO DEMOCRATIC PARTY

Re: FEC Reports for Quarters
3/31/78
6/30/78

Dear Mr. Gore:

We are in receipt of your letters requesting additional information on the FEC reports filed for the above referred to quarters.

We are attempting to compile the information requested by you, but need a little more time to do so, as we have to go back into our 1977 files to consolidate the ticket sales for the Dinner with the Vice-President. After doing so, we will forward amended reports for these quarters.

In response to item 4, page 2 of your July 17, 1978 letter, regarding monies we received from the Dinner with the Vice President Committee, we actually received the following:

\$4,131.72 in the form of checks, of which checks in the amount of \$105.49 and \$26.23 were for reimbursement of postage and office expenses, and not 1/2 of net profit as listed on the original filing of the report. We also received \$1,765.13 on 4/18/78, and said amount was reported as being received in the report filed for the second quarter of 1978. Therefore, our receipts equal the amount shown on the report filed by the Dinner with the Vice President, Committee. \$5,000.00 received in the first quarter of 1978 and \$1,765.13 received in the second quarter of 1978 for a total of \$6,765.13 received as 1/2 of the net profits from said dinner. The balance of the checks we received were to reimburse us for postage and office expenses.

The balance of our cash on hand was a deficit balance

GENERAL COUNSEL'S REPORT

BACKGROUND

A review of the April 10, 1978 quarterly report filed by the Democratic State Central Committee of Colorado (the "Committee") revealed a failure to properly itemize the proceeds from a fundraiser held by its affiliate, Dinner With The Vice President Committee, ("DVPC") on December 10, 1977.

An RFAI was sent to the Commission on July 17, 1978 1/ which specified what information the Committee had failed to provide in accordance with AO 1977 - 61. 2/ A response from the Committee was received on September 5, 1978, 3/ however on September 1st a reason to believe notification was sent

1/ Prior to the sending of the RFAI three communications occurred on 2/23/78, 3/2/78 and 3/14/78 between the Commission and RAD. (Attachment I)

2/ In addition to the items being dealt with in this MUR, the RFAI requested other information concerning §434(b)(9) information on certain specified expenditures. However Directive No: 12, approved by the Commission on 8/31/78, deemed as adequate "particulars" categories and so no further action was taken. Item 4 of the RFAI was adequately answered in the Committee's 8/28/78 response.

3/ The response letter was dated 8/28/78. While it stated that the Committee would appreciate an extension to respond fully, no further response has been received.

7904013123

79040123427

because of the Committee's earlier failure to respond. This matter was referred by the Reports Analysis Division to the Office of the General Counsel on February 26, 1979, since the Committee had inadequately responded to the RFAI. (Attachment II)

DISCUSSION

The AO that specified how the fundraising event was to be reported had been requested by the DVPC on October 28, 1977. The Advisory Opinion request explained that the DVPC was a political committee affiliated with People for Haskell ("PH") and the Committee, which would raise funds through a single event. After the event the DVPC would dissolve, transferring all of its funds to PH and the Committee on an equal basis. The Commission responded to DVPC on February 21, 1978. In this AO it was stated that the DVPC may transfer all of its funds to PH and the Committee if proper records are maintained and safeguards are established to prevent excessive contributions. (Attachment III)

The DVPC filed its year end report on February 3, 1978 listing \$1,250.00 in itemized receipts, \$20,081.25 in unitemized receipts, and \$3,177.89 in expenditures. The termination report was filed on April 17, 1978 listing \$535.00 in unitemized contributions, \$19,438.36 in expenditures, and \$13,151.66 in transfers out. (Attachment IV)

The Committee filed its April 10 quarterly report on April 17, 1978. In this report the committee failed to list its share of each gross contribution originally received and reported by DVPC, if that share, aggregated with previous contributions received by the Committee from the same individual, exceeded \$100.00. The Committee also failed to itemize its share of contributions from three union political committees which the DVPC reported as having received. (Attachment V)

The RFAI of July 17, 1978 sent to the Committee had also requested information regarding any disproportionate distribution of the DVPC's proceeds or sharing of expenses. In the Committee's August 28, 1978 response it stated that: "\$5,000 received in the first quarter of 1978 and \$1,765.13 received in the second quarter of 1978 for a total of \$6,765.13 received as 1/2 of the net profits from said dinner." (Attachment VI) While it appears from this statement that there was no disproportionate sharing or distribution, a final judgement on this issue should be withheld until the Committee submits a revised April 10, 1978 quarterly report.

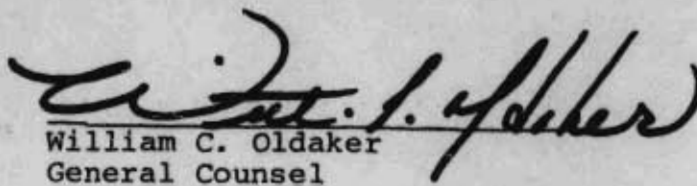

LEGAL ANALYSIS

The Committee, by not properly itemizing its proceeds from the fundraiser held by its affiliate, Dinner With The Vice President Committee is continuing its violation of 2 U.S.C. §434(b). We think the most appropriate way to deal with this matter, which is already at the reason to believe stage, is by issuing an order to the Committee for it to submit the missing §434(b) information on its April 10 quarterly report.

Please be advised that 2 U.S.C. 434(b)(9) and 11 C.F.R. 104.2(b)(9) require that the particulars of each expenditure over \$100 be reported. The committee has reported, on Schedule B, Line 20a, expenditures the purposes of which include the following;

Kathy Farley	Travel	1/19/78	\$400
Mike Muffic	Travel	3/17/78	\$400
Crest Printing	Invitations	1/10/78	\$248.14
A.F. of L. Bldg	Meeting Room Rent	1/10/78	\$133

The particulars of the expenditures presented above are not sufficient to meet the statutory requirements.

The Dinner With The Vice President Committee provided, in its January 31 Year End and April 10 Quarterly Reports, information regarding the fundraiser held by said committee, of which the DSCC-CO/Federal and People for Haskell committees were authorized affiliates. Since this is the case, certain information should have been provided in your committee's report for the April 10 Quarterly Report as per Commission Advisory Opinion 1977-61;

- 1) DSCC-CO/Federal must file a memo Schedule A, designated as related to the joint fund-raising event, which itemizes your share of each gross contribution originally received and reported by the Dinner With The Vice President Committee if that share, aggregated with the previous contributions from the same individual, exceeds \$100,
- 2) The DSCC-CO/Federal share of the contributions from political committees must be itemized on the memo Schedule A regardless of the amount as per 2 U.S.C. 434(b)(4). Specifically the following committees have contributed to the Dinner committee:

United Auto Workers
Communications Workers of America
Active Ballot Club of the Retail Clerks Union, Local #7

- 3) Any contribution(s) specifically directed to DSCC-CO/Federal must be disclosed in the amount as specifically designated if it is over \$100 from an individual contributor or in any amount from a political committee as per 2 U.S.C. 434(b)(2) & (4),
- 4) The amount disclosed on Schedule A and the Summary Page must be the actual amount transferred. However, Dinner With The Vice President Committee reports transfers totaling \$6,765.13 to your committee while your committee only reports receipts of \$5,131.72.

Of your total, You report receipts of:

1/17/78	1/2 of net profit from Dinner	\$105.49
2/1/78	1/2 of net profit from Dinner	\$ 26.23

while the Dinner Committee reports corresponding expenditures of:

1/4/78	Reimburse postage & office expense	\$105.49
1/30/78	Reimburse postage & office expense	\$ 26.23

Please explain this inconsistency.

- 5) In-Kind contributions resulting from a disproportionate distribution of the Dinner Committee's proceeds or a disproportionate sharing of expenses must be within the contribution limits and be properly reported as In-Kind contributions.
- 6) It should be kept in mind that since most of the contributions and transactions transpired in 1977, they apply against the limitations of 1977.

Please amend your report accordingly.

Re: FEC Reports for Quarters
3/31/78
6/30/78

Dear Mr. Gore:

We are in receipt of your letters requesting additional information on the FEC reports filed for the above referred to quarters.

We are attempting to compile the information requested by you, but need a little more time to do so, as we have to go back into our 1977 files to consolidate the ticket sales for the Dinner with the Vice-President. After doing so, we will forward amended reports for these quarters.

In response to item 4, page 2 of your July 17, 1978 letter, regarding monies we received from the Dinner with the Vice President Committee, we actually received the following:

\$4,131.72 in the form of checks, of which checks in the amount of \$105.49 and \$26.23 were for reimbursement of postage and office expenses, and not 1/2 of net profit as listed on the original filing of the report. We also received \$1,765.13 on 4/18/78, and said amount was reported as being received in the report filed for the second quarter of 1978. Therefore, our receipts equal the amount shown on the report filed by the Dinner with the Vice President, Committee. \$5,000.00 received in the first quarter of 1978 and \$1,765.13 received in the second quarter of 1978 for a total of \$6,765.13 received as 1/2 of the net profits from said dinner. The balance of the checks we received were to reimburse us for postage and office expenses.

The balance of our cash on hand was a deficit balance

caused by the fact that a wage check was due and payable the last day of the quarter, but not actually paid until the following month. Perhaps this should not have been shown as an expense for the quarter in question, but was shown in this manner, and therefore the cash on hand was short, when we actually did not have a cash short situation with the bank.

I trust the above clarifies some of the things you wanted answered, and will file the amended reports to consolidate the ticket sales with the other receipts we had reported for 1977.

I would appreciate your giving us an extension to respond to your request.

Very truly yours,

[§5291] AO 1977-51: Transfer of Funds to Political Committees

[A political committee may transfer all of its funds to two other committees if proper records are maintained and safeguards are established to prevent excessive contributions. Answer to Josie Johnson, The Colorado Democratic Party, 1500 Grant Street, Denver, Colorado 80203.]

This refers to your letter of October 28, 1977, wherein you request an advisory opinion concerning application of the Federal Election Campaign Act of 1971, as amended, to a fundraising event by the Dinner with the Vice-President Committee ("DVPC").

Your letter explains that the DVPC is a political committee affiliated with People for Haskell ("PH") and the Colorado State Democratic Central Committee ("CDC") which will raise funds through a single event. You then plan to transfer all of its funds to PH and CDC on an equal basis and dissolve the DVPC. You state that PH and CDC will each designate the bank where DVPC's account is maintained as an additional depository, will each report 50% of each ticket sold and will each maintain records on each contributor to insure that the limits of 2 U.S.C. §441a are not exceeded. In addition, you state that DVPC will itself report pursuant to Commission regulations and will provide a method for contributors to specially allocate their contributions if they so desire.

As described, your proposed procedures for receiving, transferring, and reporting funds received in connection with the mentioned fund raising event are acceptable to the Commission to the extent they insure:

- (1) that the DVPC is authorized in writing by the CDC and PH;
- (2) that all participating committees comply with, among other provisions, the record-keeping, registration, reporting and contribution limit provisions of the Act;
- (3) that all contributors are, for purposes of 2 U.S.C. §441a, treated as making equal contributions* to both PH and CDC unless they make special designations as discussed in (4);
- (4) that a procedure is available which permits persons who have already contributed their allowable limit to either PH or CDC to expressly direct their contribution to the committee as to which they may still make contributions within the limits of the Act;
- (5) that solicitations for the event include sufficient notice of the applicability of the contribution limits and the procedure described in (3) and (4);
- (6) that none of the committees will retain any contribution which exceeds the applicable limits; and

- (7) that expenses are shared in the same ratio as contributions received to avoid any in-kind contributions from one participating committee to another, or that in-kind contributions resulting from a disproportionate sharing of expenses are within the contribution limits and properly disclosed. See Advisory Opinions 1977-14 and 1977-23, copies enclosed.

DVPC, the joint fundraising event committee is required to report contributions for the event as contributions to it and must identify contributors as required by the Act. See 2 U.S.C. §434(b)(2), (4), (6) and 11 CFR 104.2(b) (2), (4), (6).

The contributions become subject to the reporting requirements upon receipt by DVPC and must be included in the first DVPC report required to be filed after the event. DVPC is required to disclose all required contributor identification on Schedule A and must also provide a Schedule D relating to the fundraising dinner. The DVPC must also report all expenditures it makes in connection with the event.

As to reporting requirements applicable when the proceeds are distributed, the Commission offers the following guidance.

Reporting by DVPC

The distribution of net proceeds from the event to PH and CDC should be reported by DVPC as transfers-out with an explanation (on Schedule B) stating that the transfer is a distribution of proceeds from joint fundraising with PH and CDC. When the proceeds are distributed, DVPC should furnish to PH and CDC a copy of its Schedule A (or equivalent) disclosing contributors to the event. Contributions which were specially designated for PH and CDC in amounts different than the agreed upon 50-50 formula should be separately identified so that PH and CDC can properly disclose them and assure compliance with the \$441a limits. In addition, when distributing the proceeds DVPC should forward information from its contributor records for those persons (not identified on its Schedule A) who contributed more than \$50 to the event so that PH and CDC can itemize any future contributions from those same contributors which cause them to exceed the \$100 reporting threshold in 2 U.S.C. §434(b)(2).

Reporting by PH and CDC

The receipt of joint fundraising proceeds is reportable by PH and CDC as a transfer in with an explanation on Schedule A stating that the transfer is a receipt of proceeds from joint fundraising with DVPC. The actual amount of the transfer should be the amount disclosed on Schedule A and the summary page. However, PH and CDC must file a memo Schedule A, designated as related to the joint fundraising event, which itemizes their respective share (one-half) of each gross contribution originally received and reported by DVPC if that share (together with previous contributions from the same individual) exceeds \$100. The respective PH and CDC shares of contributions from political committees would need to be itemized on the memo Schedule A regardless of amount. 2 U.S.C. §434(b)(4). A contribution specially directed to PH and CDC would have to be disclosed in the amount as specially designated if it is over \$100 from an individual contributor or in any amount from a political committee. 2 U.S.C. §434(b)(2), (4). PH and CDC should not report expenditures for the event which are made and reported by DVPC.

This response constitutes an advisory opinion concerning the application of a general rule of law stated in the Act or prescribed as a Commission regulation, to the specific factual situation set forth in your request. See 2 U.S.C. §437f.

Dated: February 21, 1978.

*/The contributions are divided equally since that is the formula agreed upon by DVPC, CDC, and PH. The Act and Commission regulations do not preclude other agreements for the sharing of joint fundraising proceeds.

Dear Sirs:

This is a request for an advisory opinion concerning application of the Federal Election Campaign Act of 1971 concerning the following proposed procedures of the Dinner with the Vice-President Committee (DVPC).

DVPC is a non-profit, fundraising organization, the DVPC will hold only one event: a \$25.00 per ticket dinner, December 10, 1977, with Vice President Mondale as guest of honor. DVPC is registered with the FEC.

DVPC is registered as an affiliated organization of People for Haskell (PH) and the Colorado State Democratic Central Committee (CDC). The account which DVPC will use to deposit the money derived from ticket sales and contributions designated on the PH and CDC statements of organization (FEC form 1) as an additional depository. The income and expenses have been agreed upon by PH and CDC to be equally shared.

Upon dissolution, the DVPC will transfer all its funds to PH and CDC on a 50%-50% basis. Ticket contributors and purchasers shall be informed of this.

PH and CDC will report to FEC according to normal procedures 50% of the gross amount of each ticket sold.

Records concerning each contributor kept by DVPC will be duplicated and maintained both by PH and CDC.

PH and CDC will, upon receiving distributions from DVPC, individually assume responsibility for assuring that a contribution is not retained if it exceeds the applicable limits of the contributor to whom it is attributable.

DVPC will report according to FEC regulations applying to Federal campaigns. A method for allowing contributors to allocate their contributions among PH and/or CDC shall be provided but will not be required. People for Haskell is the principal campaign committee for Floyd K. Haskell who is a candidate for U.S. Senator. CDC is a Colorado committee of the Democratic Party. CDC will use money from DVPC to retire debts accrued from only state campaigns.

The co-signers of this request will accept responsibility for actions of DVPC which fall under FEC regulations.

DVPC will follow these procedures pending notification from the FEC.

Respectfully submitted,

Claims that in the YE 76 the treasurer used the CCH for
for 11.76 & then used it for 11.77 on the report 10. By the
July 16 she had picked up the minutes and council papers
were entered. She then amended the report 10. However
this was then not in line with the YE 76 figures.

The above summation was discussed and agreed to
the appearance which is coming forth.

Also asked about connection with the YOUNG and
the V.P. Centre. It informed him that discrepancies
spotted in YE. Warned them, especially the Treasurer,
not to close the books on the committee.

SUBJECT: 76 Year End coh

Mr. Hogan called to inform me that the CPA was done on the internal audit, that the problem with the COH figure on the YE 76 report had been solved and the letter would be signed and mailed today. Also checked to find out if we had received his letter of 2/24/78. We had and it was in Burkhartt's possession.

I informed him about the 18u's in the YE 77 and about the information asked for in the RFAI. Told him he needn't respond until the letter was received. Also was told that the Dinner with the Vice-President Committee was ready to disband and file their TER report. Had previously mentioned that ~~there~~^{there} were some problems with their report and that letters were forthcoming. They haven't gone out yet, but the books should be available when needed.

The In-Kind to Haskell was for office space shared by them when campaign coordinated. The receipt from the Holme for State senate committee was for the use of the Xerox machine. Felt that the Jane Jefferson Dem. Club of Lake Cnty was probably a sustaining membership.

Hagan said no one had received a copy of 1077-11.
Forwarded two (2) copies so one could be given to
Clara Howard of DVPC.

Explained reporting procedure for receipt from DVPC
and subsequent memo line 12, Sch A for appropriate
itemization.

Receipts of \$5 on VE77 are sustaining memberships
 dues of the Century Club. The \$40-kind to Haskell
 is connected with his campaign, not the DVPC.

The expenditures for "fundraising" are minimum.

The activity in question were party functions
 at the Whitehouse and/or Thomson with the \$1000
 for all campaign volunteers.

Senate filers should file their submission(s) with the Secretary of the Senate, Office of Public Records, 119 D St. N.E., Washington, D.C. 20510. House filers should file their submission(s) with the Clerk of the House, Office of Records and Registration, 1036 Longworth House Office Building, Washington, D.C. 20515.

Please be advised that 2 U.S.C. 434(b)(9) and 11 C.F.R. 104.2(b)(9) require that the particulars of each expenditure over \$100 be reported. The committee has reported, on Schedule B, Line 20a, expenditures the purposes of which include the following;

Kathy Farley	Travel	1/19/78	\$400
Mike Muffic	Travel	3/17/78	\$400
Crest Printing	Invitations	1/10/78	\$248.14
A.F. of L. Bldg	Meeting Room Rent	1/10/78	\$133

The particulars of the expenditures presented above are not sufficient to meet the statutory requirements.

The Dinner With The Vice President Committee provided, in its January 31 Year End and April 10 Quarterly Reports, information regarding the fundraiser held by said committee, of which the DSCC-CO/Federal and People for Haskell committees were authorized affiliates. Since this is the case, certain information should have been provided in your committee's report for the April 10 Quarterly Report as per Commission Advisory Opinion 1977-61;

- 1) DSCC-CO/Federal must file a memo Schedule A, designated as related to the joint fund-raising event, which itemizes your share of each gross contribution originally received and reported by the Dinner With The Vice President Committee if that share, aggregated with the previous contributions from the same individual, exceeds \$100.
- 2) The DSCC-CO/Federal share of the contributions from political committees must be itemized on the memo Schedule A regardless of the amount as per 2 U.S.C. 434(b)(4). Specifically the following committees have contributed to the Dinner committee:

- United Auto Workers
- Communications Workers of America
- Active Ballot Club of the Retail Clerks Union, Local #7

- 3) Any contribution(s) specifically directed to DSCC-CO/Federal must be disclosed in the amount as specifically designated if it is over \$100 from an individual contributor or in any amount from a political committee as per 2 U.S.C. 434(b)(2) & (4).
- 4) The amount disclosed on Schedule A and the Summary Page must be the actual amount transferred. However, Dinner With The Vice President Committee reports transfers totaling \$6,765.13 to your committee while your committee only reports receipts of \$5,131.72.

Of your total, You report receipts of:

1/17/78	1/2 of net profit from Dinner	\$105.49
2/1/78	1/2 of net profit from Dinner	\$ 26.23

while the Dinner Committee reports corresponding expenditures of:

1/4/78	Reimburse postage & office expense	\$105.49
1/30/78	Reimburse postage & office expense	\$ 26.23

Please explain this inconsistency.

- 5) In-Kind contributions resulting from a disproportionate distribution of the Dinner Committee's proceeds or a disproportionate sharing of expenses must be within the contribution limits and be properly reported as In-Kind contributions.
- 6) It should be kept in mind that since most of the contributions and transactions transpired in 1977, they apply against the limitations of 1977.

Please amend your report accordingly.

Re: FEC Reports for Quarters
3/31/78
6/30/78

Dear Mr. Gore:

We are in receipt of your letters requesting additional information on the FEC reports filed for the above referred to quarters.

We are attempting to compile the information requested by you, but need a little more time to do so, as we have to go back into our 1977 files to consolidate the ticket sales for the Dinner with the Vice-President. After doing so, we will forward amended reports for these quarters.

In response to item 4, page 2 of your July 17, 1978 letter, regarding monies we received from the Dinner with the Vice President Committee, we actually received the following:

\$4,131.72 in the form of checks, of which checks in the amount of \$105.49 and \$26.23 were for reimbursement of postage and office expenses, and not 1/2 of net profit as listed on the original filing of the report. We also received \$1,765.13 on 4/18/78, and said amount was reported as being received in the report filed for the second quarter of 1978. Therefore, our receipts equal the amount shown on the report filed by the Dinner with the Vice President, Committee. \$5,000.00 received in the first quarter of 1978 and \$1,765.13 received in the second quarter of 1978 for a total of \$6,765.13 received as 1/2 of the net profits from said dinner. The balance of the checks we received were to reimburse us for postage and office expenses.

The balance of our cash on hand was a deficit balance

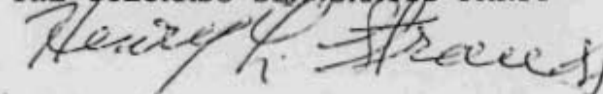

caused by the fact that a wage check was due and payable the last day of the quarter, but not actually paid until the following month. Perhaps this should not have been shown as an expense for the quarter in question, but was shown in this manner, and therefore the cash on hand was short, when we actually did not have a cash short situation with the bank.

I trust the above clarifies some of the things you wanted answered, and will file the amended reports to consolidate the ticket sales with the other receipts we had reported for 1977.

I would appreciate your giving us an extension to respond to your request.

Very truly yours,

THE COLORADO DEMOCRATIC PARTY

§5291] AO 1977-61: Transfer of Funds to Political Committees

[A political committee may transfer all of its funds to two other committees if proper records are maintained and safeguards are established to prevent excessive contributions. Answer to Josie Johnson, The Colorado Democratic Party, 1500 Grant Street, Denver, Colorado 80203.]

This refers to your letter of October 28, 1977, wherein you request an advisory opinion concerning application of the Federal Election Campaign Act of 1971, as amended, to a fundraising event by the Dinner with the Vice-President Committee ("DVPC").

Your letter explains that the DVPC is a political committee affiliated with People for Haskell ("PH") and the Colorado State Democratic Central Committee ("CDC") which will raise funds through a single event. You then plan to transfer all of its funds to PH and CDC on an equal basis and dissolve the DVPC. You state that PH and CDC will each designate the bank where DVPC's account is maintained as an additional depository, will each report 50% of each ticket sold and will each maintain records on each contributor to insure that the limits of 2 U.S.C. §441a are not exceeded. In addition, you state that DVPC will itself report pursuant to Commission regulations and will provide a method for contributors to specially allocate their contributions if they so desire.

As described, your proposed procedures for receiving, transferring, and reporting funds received in connection with the mentioned fund raising event are acceptable to the Commission to the extent they insure:

- (1) that the DVPC is authorized in writing by the CDC and PH;
- (2) that all participating committees comply with, among other provisions, the record-keeping, registration, reporting and contribution limit provisions of the Act;
- (3) that all contributors are, for purposes of 2 U.S.C. §441a, treated as making equal contributions* to both PH and CDC unless they make special designations as discussed in (4);
- (4) that a procedure is available which permits persons who have already contributed their allowable limit to either PH or CDC to expressly direct their contribution to the committee as to which they may still make contributions within the limits of the Act;
- (5) that solicitations for the event include sufficient notice of the applicability of the contribution limits and the procedure described in (3) and (4);
- (6) that none of the committees will retain any contribution which exceeds the applicable limits; and

- (7) that expenses are shared in the same ratio as contributions received to avoid any in-kind contributions from one participating committee to another, or that in-kind contributions resulting from a disproportionate sharing of expenses are within the contribution limits and properly disclosed. See Advisory Opinions 1977-14 and 1977-23, copies enclosed.

DVPC, the joint fundraising event committee is required to report contributions for the event as contributions to it and must identify contributors as required by the Act. See 2 U.S.C. §434(b)(2), (4), (6) and 11 CFR 104.2(b) (2), (4), (6).

The contributions become subject to the reporting requirements upon receipt by DVPC and must be included in the first DVPC report required to be filed after the event. DVPC is required to disclose all required contributor identification on Schedule A and must also provide a Schedule D relating to the fundraising dinner. The DVPC must also report all expenditures it makes in connection with the event.

As to reporting requirements applicable when the proceeds are distributed, the Commission offers the following guidance.

Reporting by DVPC

The distribution of net proceeds from the event to PH and CDC should be reported by DVPC as transfers-out with an explanation (on Schedule B) stating that the transfer is a distribution of proceeds from joint fundraising with PH and CDC. When the proceeds are distributed, DVPC should furnish to PH and CDC a copy of its Schedule A (or equivalent) disclosing contributors to the event. Contributions which were specially designated for PH and CDC in amounts different than the agreed upon 50-50 formula should be separately identified so that PH and CDC can properly disclose them and assure compliance with the §441a limits. In addition, when distributing the proceeds DVPC should forward information from its contributor records for those persons (not identified on its Schedule A) who contributed more than \$50 to the event so that PH and CDC can itemize any future contributions from those same contributors which cause them to exceed the \$100 reporting threshold in 2 U.S.C. §434(b)(2).

Reporting by PH and CDC

The receipt of joint fundraising proceeds is reportable by PH and CDC as a transfer in with an explanation on Schedule A stating that the transfer is a receipt of proceeds from joint fundraising with DVPC. The actual amount of the transfer should be the amount disclosed on Schedule A and the summary page. However, PH and CDC must file a memo Schedule A, designated as related to the joint fundraising event, which itemizes their respective share (one-half) of each gross contribution originally received and reported by DVPC if that share (together with previous contributions from the same individual) exceeds \$100. The respective PH and CDC shares of contributions from political committees would need to be itemized on the memo Schedule A regardless of amount. 2 U.S.C. §434(b)(4). A contribution specially directed to PH and CDC would have to be disclosed in the amount as specially designated if it is over \$100 from an individual contributor or in any amount from a political committee. 2 U.S.C. §434(b)(2), (4). PH and CDC should not report expenditures for the event which are made and reported by DVPC.

This response constitutes an advisory opinion concerning the application of a general rule of law stated in the Act or prescribed as a Commission regulation, to the specific factual situation set forth in your request. See 2 U.S.C. §437f.

Dated: February 21, 1978.

*/The contributions are divided equally since that is the formula agreed upon by DVPC, CDC, and PH. The Act and Commission regulations do not preclude other agreements for the sharing of joint fundraising proceeds.
