Re: MUR 938

Dear Mr. Pomerance:

This is to advise you that on April 19, 1979, the Commission determined to take no further action against the League of Conservation Voters Campaign Fund in connection with the receipt of certain contributions from Mrs. Helen Edey. Information received by the Commission's Reports Analysis Division indicates that Mrs. Edey wrote a \$2,000 check to the Campaign Fund in December, 1977, and gave it to Mrs. Marion Edey for deposit to the Fund during 1977. Since it appears that Mrs. Helen Edey intended for this contribution to be made in 1977, there was no violation of the excessive contribution limitations of 2 U.S.C. §441a(a)(1)(C).

Also in this regard, your Executive Director, Ms. Marion Edey, stated in a December 7, 1978 letter to Commission staff that the Fund would like to amend its reports to make them consistent with the records of the contributor. The Campaign Fund may amend its reports to conform with this determination.

Mr. Ralph Pomerance, Jr.
Page Two

Finally, while Ms. Marion Edey's holding of the check in question for more than five days may have constituted a violation of 2 U.S.C. §432(b), the Commission has determined that the circumstances of this matter warrant no further action.

Should you have any questions, please contact Miriam Aguiar, the staff member assigned to this matter at 202-523-4057.

GENERATION OF MATTER

On 30 March 1979, this matter was received as a referral by the Office of General Counsel from the Reports Analysis Division. The basis for the referral was an apparent excessive contribution received by affiliated committees. (Attachment I).

EVIDENCE

A review of reports filed for 1978 by the League of Conservation Voters (League) and its affiliated committee, the League of Conservation Voters Campaign Fund (Fund) disclosed that the committees may have received contributions which exceeded the \$5,000 individual contribution limitation set forth in 2 U.S.C. §441a(a)(1)(C). It appeared that Mrs. Helen Edey contributed an aggregate \$7,000 to these affiliated committees in 1978: \$2,000 on 1 February and \$2,000 on 22 June to the Fund; and \$3,000 on 22 June to the League.

The Commission notified the League of the excessive contributions in a surface violation letter dated 6 September 1978. Ms. Marion Edey, chairperson for both the League and Fund and the contributor's daughter,

responded on 6 October 1978. Regarding the contribution listed as having been made in February 1978, she stated that she had received a \$2,000 check from her mother in December 1977, but did not transfer the check to the Fund until mid-January. In a 6 December conversation with RAD, Ms. Marion Edey reported that while the \$2,000 had been "refunded," Mrs. Helen Edey refused to accept the refund, claiming that as the check was dated 12 December 1977 and given to her daughter in December, the \$2,000 was part of her 1977, not 1978, contribution limitation. Ms. Marion Edey sent a letter to the Commission, dated 7 December 1978, to confirm these conversations and articulated the Fund's desire to amend its reports to show that the \$2,000 was received in December 1977 and not February 1978 as originally recorded.

PRELIMINARY LEGAL ANALYSIS

As affiliated committees, the Fund and League are treated as a single political committee (11 CFR §110.3). Pursuant to §441a(a)(1)(C), individual contributions to both committees would be limited to an aggregate \$5,000 per year. When it first appeared that the affiliated committees here received an individual contribution in excess of \$5,000 during 1978 from Mrs. Helen Edey, the League was so notified and attempted to refund \$2,000 promptly. As uncontradicted information received from Ms. Marion Edey disclosed that Mrs. Helen Edey contributed \$2,000 in 1977 and \$5,000 in 1978, violations of §441a(a)(1)(C) by Mrs. Helen Edey and of §441a(f) by the Committee do not appear to have occurred.

We further recommend that the Commission take no further action against Marion Edey in connection with her violation of §432(b), which directs every person receiving a contribution in excess of \$50 for a political committee to transfer the contribution and an account thereof, to the Committee's treasurer with 5 days of receipt. While Ms. Edey admittedly received the \$2,000 check in mid-December 1977 and failed to transfer the check to the Fund until mid-January 1978 in violation of §432(b), Ms. Edey did notify the Fund regarding receipt of the \$2,000 in December 1977, apparently intending to transfer the money promptly. However, as her December 7, 1978 letter indicates, her failure to do so was inadvertent and unintentional.

RECOMMENDATION

(1) Take no further action against the League of Conservation Voters, the League of Conservation Voters Campaign Fund, Helen W. Edey and Marion Edey.

(2) Send letter of notification to the League of Conservation Voters Campaign Fund and Ms. Marion Edey.

(3) Close the file.

FEDERAL ELECTION COMMISSION

1325 K STREET N.W.
WASHINGTON, D.C. 20463

Ralph Pomerance, Jr., Treasurer
League of Conservative Voters
317 Pennsylvania Ave., S.E.
Washington, D.C. 20003

September 6, 1978

Dear Mr. Pomerance:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act), as amended. During review of the July 20 Monthly Report filed with the Federal Election Commission, we noticed entries indicating that you and your affiliated committee may have received contributions which exceed the limits set forth in the Act. Copies of those portions of your report are attached so that a review of your records can be made.

The Act precludes an individual from making a contribution to a multi-candidate political committee in any calendar year, which, in the aggregate, exceeds \$5,000. All of the political committees set up by the same membership organization are treated as a single political committee.

The Commission recommends that if you find that the contributions you received were in excess of the limits set forth in the Act, you return the amounts in excess of \$5,000 to the donor. This return should be reported immediately by letter and should be reflected as contribution refunds on your next report of Receipts and Expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify this particular matter for the public record. You may do so by amending your original report(s) by letter.

Please notify the Commission within fifteen (15) days of receipt of this letter of the determination made on this matter. If you have any questions, please do not hesitate to contact Mark Kleinman (800)424-9530, our reports analyst assigned to you. Our local telephone number is (202)523-4048.

Individual contributor was Mother of caller(Helen Edey). Ms.

the money from her mother in 1977 and not turning it over to
the committee until 1978. (Note: this refers to transfer received
2-1-78 by League of Conservation Voters Campaign Fund(affiliated

1. Contributor, Helen Edey, refused to accept refund saying contribution was not in excess because she gave in 1977.
2. Committee now states that contribution in question shown as received 2-1-78 by the League of Conservation Voters Campaign Fund was actually given in 1977.
3. Ms. Edey stated date of check was 12-12-77 (in question), that Ms. Edey (Marion) failed to turn check over to committee until mid-January 1978. Ms. Edey was not with the committee at the time that she received contribution from Helen Edey (her mother).

Mr. Mark Kleinman
Federal Elections Commission
1325 K Street N.W.
Washington D.C. 20463

Dear Mr. Kleinman:

The League of Conservation Voters Campaign Fund would like to amend its Federal Election Report for the last quarter of 1977 and for the first quarter of 1978. The amendments should show that a check for \$2,000 from Dr. Helen Edey (the same person as Mrs. Maitland Edey) was received by the League of Conservation Voters Campaign Fund on December 18, 1977 rather than February 1, 1978.

The situation is this: my mother, Dr. Helen Edey, wrote that check and sent it to me in December 1977 with instructions that I was to give the check to the League of Conservation Voters Campaign Fund immediately. Since I had been Chairman of this organization for many years she believed that giving the check to me was tantamount to sending the check to the Campaign Fund. I was thus a conduit for this contribution. However, I was no longer working at the Campaign Fund offices and I failed in my duty to transfer the check within 5 days. I notified the people at the Campaign Fund offices that the organization had received a \$2,000 contribution from Dr. Edey, but went away for the Christmas holidays without giving them the check. Afterwards, I had trouble finding the check again among my papers.

When the League of Conservation Voters Campaign Fund office did receive the \$2,000 they recorded it as received on the day that it was deposited in the bank rather than the day that I had received it. (The secretary at that time was in the habit of recording all checks as received on the day they were deposited rather than the day they were actually received.)

Dr. Edey has since complained that she filed Federal gift tax returns indicating that this \$2,000 check had been given to the League of Conservation Voters Campaign Fund in 1977. The League of Conservation Voters Campaign Fund would like to amend its reports to make them consistent with the records of our contributor. The Campaign Fund was legally entitled to this check on the day that I first received it, and I will take responsibility for having caused this confusion by failing to pass on the check within the required five days.

Sincerely,

Marion Edey

FEDERAL ELECTION COMMISSION

1325 K STREET N.W.
WASHINGTON, D.C. 20463

Ralph Pomerance, Jr., Treasurer
League of Conservative Voters
317 Pennsylvania Ave., S.E.
Washington, D.C. 20003

September 6, 1978

Dear Mr. Pomerance:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act), as amended. During review of the July 20 Monthly Report filed with the Federal Election Commission, we noticed entries indicating that you and your affiliated committee may have received contributions which exceed the limits set forth in the Act. Copies of those portions of your report are attached so that a review of your records can be made.

The Act precludes an individual from making a contribution to a multi-candidate political committee in any calendar year, which, in the aggregate, exceeds \$5,000. All of the political committees set up by the same membership organization are treated as a single political committee.

The Commission recommends that if you find that the contributions you received were in excess of the limits set forth in the Act, you return the amounts in excess of \$5,000 to the donor. This return should be reported immediately by letter and should be reflected as contribution refunds on your next report of Receipts and Expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify this particular matter for the public record. You may do so by amending your original report(s) by letter.

Please notify the Commission within fifteen (15) days of receipt of this letter of the determination made on this matter. If you have any questions, please do not hesitate to contact Mark Kleinman (800)424-9530, our reports analyst assigned to you. Our local telephone number is (202)523-4048.

3. Ms. Edey stated date of check was 12-12-77 (in question), that Ms. Edey (Marion) failed to turn check over to committee until mid-January 1978. Ms. Edey was not with the committee at the time that she received contribution from Helen Edey (her mother).

December 7, 1978

Mr. Mark Kleinman
Federal Elections Commission
1325 K Street N.W.
Washington D.C. 20463

Dear Mr. Kleinman:

The League of Conservation Voters Campaign Fund would like to amend its Federal Election Report for the last quarter of 1977 and for the first quarter of 1978. The amendments should show that a check for \$2,000 from Dr. Helen Edey (the same person as Mrs. Maitland Edey) was received by the League of Conservation Voters Campaign Fund on December 18, 1977 rather than February 1, 1978.

The situation is this: my mother, Dr. Helen Edey, wrote that check and sent it to me in December 1977 with instructions that I was to give the check to the League of Conservation Voters Campaign Fund immediately. Since I had been Chairman of this organization for many years she believed that giving the check to me was tantamount to sending the check to the Campaign Fund. I was thus a conduit for this contribution. However, I was no longer working at the Campaign Fund offices and I failed in my duty to transfer the check within 5 days. I notified the people at the Campaign Fund offices that the organization had received a \$2,000 contribution from Dr. Edey, but went away for the Christmas holidays without giving them the check. Afterwards, I had trouble finding the check again among my papers.

When the League of Conservation Voters Campaign Fund office did receive the \$2,000 they recorded it as received on the day that it was deposited in the bank rather than the day that I had received it. (The secretary at that time was in the habit of recording all checks as received on the day they were deposited rather than the day they were actually received.)

Dr. Edey has since complained that she filed Federal gift tax returns indicating that this \$2,000 check had been given to the League of Conservation Voters Campaign Fund in 1977. The League of Conservation Voters Campaign Fund would like to amend its reports to make them consistent with the records of our contributor. The Campaign Fund was legally entitled to this check on the day that I first received it, and I will take responsibility for having caused this confusion by failing to pass on the check within the required five days.

Sincerely,

Marion Edey
