Re: MUR 097 (76)

Dear Mr. White:

On December 22, 1976, the Commission voted to terminate its inquiry into alleged violations of 2 U.S.C. §434(b) by Robert White. The Commission determined that there was no reason to believe that the Federal Election Campaign Act of 1971, as amended, had been either substantially or willfully violated and that voluntary compliance had been achieved. Accordingly, the Commission intends to close its file in this matter.

A copy of the Commission's determination and the General Counsel's Report is enclosed for your information. If you have any questions, please contact Carol Darr (telephone no. 202/382-4041), the attorney assigned to this matter.

Sincerely yours,

GENERAL COUNSEL'S REPORT

I. Allegations

This MUR was initiated through a notarized complaint dated February 23, 1976, filed by Walter E. White, and received by the Commission on February 25, 1976; and two unnotarized complaints dated April 8, 1976, and July 3, 1976, filed by Walter E. White, and received by the Commission on April 12, 1976, and July 6, 1976, respectively.

The complainant alleges that the respondent's committee reports are inaccurate, in that they involve errors in computation, as well as omissions or mistakes with regard to certain contributions and expenditures. The claims are predicated not only on a facial reading of the respondent's reports, but also on the claimant's alleged investigation of certain items in the reports. In the unnotarized follow-up

77040013500

letters, the complainant asserts that the respondent received an illegal corporate contribution from the Disneyland Hotel in the form of a commercially unreasonable extension of credit.

II. Evidence

The complainant alleges eleven (11) violations which occurred in the reports, in 1974, filed by the two committees supporting Bob White for Congress from the 33rd District of California.

The complaints allege that:

1. On the Summary Page of the 5th Day Report Preceding the General Election filed by the "Bob White for Congress Committee", there is listed a cash balance of \$208.88 instead of the correct \$7,208.88.
2. The reports list an expense of \$3,045.45 for a fundraising dinner at the Disneyland Hotel, which remained unpaid for 4 months.
3. When the payment of \$3,045.45 was finally made to the Disneyland Hotel on February 24, 1975, the Termination Report showed only \$91.52 cash on hand as of January 30, 1975. The complainant questions the source of the payment.

77040013500

OFFICIAL FILE COPY

4. On the 5th Day Report Preceding the General Election filed by the "Bob White for Congress Committee" two contributions are listed on Schedule A, parts 2 and 5, which do not appear on the Summary Page. Schedule A, part 5, lists a \$250.00 contribution from the DSCC Federal Candidates' Fund Committee; Schedule A, part 2, lists a \$200.00 contribution from the Retain Gasoline Association.

5. There are "numerous" instances in which either the date of the contribution is missing, or the occupation or complete address of the contributor is missing.

6. There is no expense entry on any of the reports for the \$425.00 filing fee that was paid on March 5, 1974.

7. There is no expense entry for the installation charge and the monthly telephone charge at the office used in the primary.

8. There is no expense entry on any of the reports for rent of the primary campaign headquarters. Complainant suggests a "nominal" rent of \$50.00 per month.

9. There is a discrepancy in the September 10th Report filed by the "Committee to Elect Bob White" between Section A which lists total receipts as \$2,300.00, and Section C "Add

77040013510

FEDERAL ELECTION COMMISSION
OFFICIAL FILE COPY
OFFICE OF GENERAL COUNSEL

total receipts" which lists \$2,100.00.

10. The Summary Page of the September 10th Report filed by the "Committee to Elect Bob White" fails to list two contributions of \$200.00 each which appear in Schedule A, part 2.

11. There is a mathematical error in the 5th Day Report Preceding the General Election filed by the "Committee to Elect Bob White". The contributions listed in Schedule A, part 1, actually total \$2,450.00 instead of the \$2,350.00 listed on the Summary Page.

Respondent replied to these allegations on July 9, 1976, and December 6, 1976, through his attorney, Gene Sproul. In addition, the office of General Counsel examined pertinent records filed on behalf of Mr. White. The evidence pertinent to each of complainants allegations is as follows:

1. The Amendment to the 5th Day Report Preceding the General Election filed by the "Bob White for Congress Committee" corrects the typographical error that was made in listing \$208.88 as a cash balance instead of the correct \$7,208.88.

2. The Disneyland Hotel bill remained unpaid from October 10, 1974 to February 24, 1975. The complainant

77040013511

FEDERAL ELECTION COMMISSION
OFFICIAL FILE COPY
OFFICE OF GENERAL COUNSEL

alleges that during this time the Disneyland Hotel, a corporation, made no attempt to collect the debt, such as by filing suit. The respondent, however, paid the bill within 4 months.

3. In response to the complainant's question as to the source of the payment to the Disneyland Hotel, Gene Sproul states that the hotel bill was paid by the candidate from his own funds with his personal check, and enclosed a zerox copy of the cancelled check to the Disneyland Hotel in the amount of \$3,054.89.

4. The \$250.00 contribution from the DSCC Federal Candidate Fund which was omitted from the 5th Day Report Preceding the General Election filed by the "Bob White for Congress Committee" was included in the Amended 5th Day Report Preceding the General Election filed by the "Bob White for Congress Committee."

The \$200.00 contribution from the Retail Gasoline Association is listed on both the 5th Day Report Preceding the General Election filed by the "Bob White for Congress Committee."

5. There are two instances in which the occupation of a contributor of over \$100.00 is missing, and 10 instances

77040013512
FEDERAL ELECTION COMMISSION
OFFICIAL FILE COPY
OFFICE OF GENERAL COUNSEL

in which the date of the contribution is missing. In the July 9th letter, the attorney for the respondent states that they "simply did not have the information." As evidence of their good faith he emphasizes that they submitted their reports on time and included every contribution and expenditure of which they had any knowledge, including many contributions which they were not required to report, in an attempt to comply with the spirit of the law.

6. In his December 6, 1976 letter to the Commission Mr. Sproul amended the candidate's reports to show the \$425.00 filing fee as an itemized expenditure. He states, "the Candidate's report for the fifteenth day preceding the primary should be amended to show part 9, itemized (Schedule C) as \$425.00 filing fee and \$292.74 unitemized, with a total of \$717.74."

7. In response to the allegation that there was no expense entry for the installation and monthly telephone charge, Mr. Sproul states that the telephone installation charges were included in the unitemized portion of the candidate's report. There are also two itemized entries in the September 10th Report filed by the candidate. There is

77040013511

an entry for "office phone" to General Telephone of California for \$103.35, and an entry for "telephone deposit" to General Telephone of California for \$400.00.

8. In response to the charge that there was no entry for rent for the primary campaign headquarters, Mr. Sproul states in the July 9th letter that "no rent was paid for the premises on Clarksdale. That premises had been vacant for over a year prior to the candidate's occupancy. No rent was charged or reported."

9. In the September 10th Report filed by the "Committee to Elect Bob White" the discrepancy between the \$2,300.00 listed in Section A as total receipts, and the \$2,100.00 listed in Section C "Add Total Receipts" was corrected in the Amended 5th Day Report Preceding the General Election filed by the "Committee to Elect Bob White". This report lists \$2,350 in Section C "Add Total Receipts."

10. The charge is unfounded that two items of \$200.00 each listed in Schedule A, part 2, are not included in the itemized amounts on the Summary Page of the September 10th Report filed by the Committee to Elect Bob White.

11. Mr. Sproul's December 6, 1976 letter to the Commission corrects the report filed on the 5th Day Preceding the General

77040013511

FEDERAL ELECTION COMMISSION
CENTRAL FILE COPY
GENERAL COUNSEL

Election for 1974, to show \$2,450.72 as total receipts instead of \$2,350.76.

III. Analysis

All of complainant's allegations have been corrected or resolved by later reports, amended reports, and letters to the Commission from Mr. Sproul. Respondent is now in compliance with the Federal Election Campaign Laws.

IV. Recommendation

There has been substantially compliance. The file should be closed and the attached letters sent.

Re: MUR 097 (76)

Dear Mr. Oldaker,

Please forgive this late response to your letter of Oct. 21, 1976, but I have been engaged in a four week felony trial in Orange County (followed by a brief bout with the flu).

The Fifth Day Preceding the General Election in 1974 report should be corrected to show a total receipt figure of \$2,350.00, rather than the \$2,450 figure incorrectly made. The same correction should be made regarding the CASH BALANCE figures in the same report (to wit: \$2,350.72 should read \$2,450.72).

It is my understanding that Bob White reported his filing fee expenditure in the first Candidate's report submitted, but the expenditure was not separately broken out, as we now know was required. According to my records, the "Candidate's" report for the Fifteenth day preceding Primary should be amended to show Part 9., Itemized (schedule C) as \$425.00 filing fee, and \$292.74 Unitemized; with a total of \$717.74.

It is also my understanding that the aforementioned reports will be deemed amended upon receipt of this letter. If such is not the case, please advise.

Very truly yours,

I received your letter of October 23, 1975, and was surprised to find that your files indicate that the Bob White for Congress Committee is active. I was under the impression that we filed termination reports for Bob White and the two election committees that were formed in support of his candidacy.

Please be advised that we did not receive any funds during the quarter preceding October 10, 1975, and that the Bob White for Congress Committee, as well as the Committee to Elect Bob White are not, and have not been active since the election of November 1974.

Dear ~~Mr. White~~:

In order to resolve the controversy set forth in the above numbered matter under review, it appears that additional information is needed.

In particular, we would appreciate your sending us a letter to amend ~~your~~ reports stating:

1. A correction in the amount of total contributions listed in the 5th Day Report Preceding the General Election in 1974, filed by the "Committee to Elect Bob White." The amount should be \$2,450 instead of the \$2,350 listed. A copy of this report is enclosed for your reference.

2. The "candidate's report" which includes the \$425.00 filing fee as an unitemized expenditure. In his letter of July 9, 1976, Mr. Sproul states that the \$425.00 filing fee "was reported as part of the unitemized expenditures in the candidate's report." In the reports you have filed there is an entry for unitemized expenditures in the 15th Day Preceding the Primary in the amount of \$717.74, and an entry for unitemized expenditures in the September 10th Report in the amount of \$736.89. We are unable to ascertain which of these entries includes the \$425.00 fee.

We apologize for the delay in writing you. Your response to the above matters will enable us to dispose of this matter expeditiously. Please send us your response within 10 days of receipt of this letter. If you have any questions, please contact Carol Darr (telephone no. 202/382-4041), the attorney assigned to this matter.

Re: MUR 097 (76)

Dear Mr. White:

In order to resolve the controversy set forth in the above numbered matter under review, it appears that additional information is needed.

In particular, we would appreciate your sending us a letter to amend your reports stating:

1. A correction in the amount of total contributions listed in the 5th Day Report Preceding the General Election in 1974, filed by the "Committee to Elect Bob White." The amount should be \$2,450 instead of the \$2,350 listed. A copy of this report is enclosed for your reference.

2. The "candidate's report" which includes the \$425.00 filing fee as an unitemized expenditure. In his letter of July 9, 1976, Mr. Sproul states that the \$425.00 filing fee "was reported as part of the unitemized expenditures in the candidate's report." In the reports you have filed there is an entry for unitemized expenditures in the 15th Day Preceding the Primary in the amount of \$717.74, and an entry for unitemized expenditures in the September 10th Report in the amount of \$736.89. We are unable to ascertain which of these entries includes the \$425.00 fee.

We apologize for the delay in writing you. Your response to the above matters will enable us to dispose of this matter expeditiously. Please send us your response within 10 days of receipt of this letter. If you have any questions, please contact Carol Darr (telephone no. 202/382-4041), the attorney assigned to this matter.

Re: MUR 097 (76)

Dear Mr. Murphy:

We appreciate the opportunity to respond to the "complaints" made by Walter E. White.

Addressing ourselves first to Mr. White's letter of February 23, 1976, by paragraph, we wish to note as follows:

1. The Amendment to the Fifth (5th) Day Report corrects the typographical error that was made.
2. The Disneyland Hotel bill was paid by the candidate personally, February 24, 1975 (see copy of check attached), and that payment will be reported by the candidate in the Candidate's report.
3. The two contributions were included in the Summary Page of the Amended Report referred to above.
4. In those instances where the dates, occupations and/or addresses of the contributors are missing we simply did not have the information to include in the report.
5. The \$425.00 filing fee was reported in the Candidate's report as part of the unitemized expenditures.

77040013534

6. The phone installation charges were also included in the unitemized portion of the Candidate's report.

7. No rent was paid for the premises on Clarkdale. That premises had been vacant for over a year prior to the Candidate's occupancy. No rent was charged, or reported.

Regarding Mr. White's letter of April 8, 1976, we are at a loss to understand the nature of his complaint. The Disneyland Hotel was paid in full, finally, and all but the last payment has been reported in the various reports, including the Candidate's report. There certainly was no "contribution" from the Disneyland Hotel. All the costs for food, service, premises and entertainment were paid.

I hope the Commission will bear in mind the rather hectic atmosphere that prevailed during the campaign, especially during the general election, with the many voluntary "helpers" that were collecting money, and spending money. We had begged for professional accounting assistance from the beginning, but that was one contribution we never received. We did our best to understand and comply with the reporting requirements of the Federal Election Campaign Act.

Let me assure you that we made every effort to comply with the spirit of the reporting law. We submitted our reports on time, and we included every contribution of which we had any knowledge. We reported with as much information as we had available to us at the time of doing the reports. We also reported all expenditures, including many expenditures (and contributions) which the Act did not require us to report, because we were endeavouring to meet the spirit of that law.

We are still reviewing our records in order to locate other errors which may be in the reports. We have submitted some amendments and we may submit additional amendments.

We still could certainly use the assistance of an accountant to review our accounting procedures and figures. I know of no contributions or expenditures that were not reported, nor have I heard of anybody complaining that we did not report all of the contributions and expenditures. I pray (literally) that our review of this matter will result in an intergrated and final report, so that this matter can be put to rest.

Very truly yours,

Dear Mr. Sterling:

RE: MUR 097 (76)

I have been advised that this case has been assigned to you.

My copy of the letter I sent in dated February 23, 1976 seems to be misfiled, however I believe that I did not mention all of the discrepancies that I had found in the reports. Therefore I am listing these additional items:

As to the report as filed by the "Bob White for Congress Committee", attached to the Fifth Day report preceding General Election is Schedule A Part No. 2 listing a \$200.00 contribution from Retail Gasoline Association, Schedule A Part No. 5 listing a \$250.00 contribution from D.S.C.C.. These items do not seem to appear on the Summary page and are not included in the total receipts for that period.

As to the reports filed by the "Committee to Elect Bob White", I am listing the following items:

1. Summary page September 10th report, Section A lists Total Receipts as \$2,300.00, but the Section C "Add total receipts" lists \$2,100.00. \$200.00 vanished.
2. Also as to the September 10th report, the two items of \$200.00 each listed in Schedule A Part No. 2 are not listed in the itemized amounts on the Summary Page. Also no dates are listed as to the contribution dates for James E. Presley and the Good Gov't Club. \$400.00 seems to have vanished.
3. The Fifth day Report preceding General Election, the contributions actually add up to \$2,450.00 instead of the amount listed on the Summary Page of \$2,300.00. \$100.00 vanished.

In an unnotarized follow-up letter complainant asserts additionally, that Congressman White received an illegal corporate contribution.

PRELIMINARY LEGAL ANALYSIS

Complainant's allegations may involve violations of the Act; however, the so-called reporting errors may be fully explainable, and, if necessary, amendable through a routine administrative inquiry.

FEDERAL ELECTION
COMMISSION

76 APR 12 P 4: 13

April 8, 1976

Honorable Thomas B. Curtis, Chairman
Federal Elections Commission
1325 K Street, NW
Washington, D.C. 20463

Dear Chairman Curtis,

On or about March 2, 1976, Mr. Edmund L. Henshaw, Jr., Clerk of the U.S. House of Representatives forwarded to your office my complaint as to irregularities in the campaign contributions and expenses for 1974 candidate for Congress in the 33rd California Congressional district--Robert E. White and the committees set up in behalf of Robert E. White.

To date I have not heard from your office on this complaint.

I also wish to add to my complaint the following information. According to a witness who attended a \$100.00 a plate fund raising dinner at the Disneyland Hotel on or about October 19, 1974 there were about 100 people there including some freebees. There was no entertainment to be included as an expense, yet the filed report lists an unpaid expense of that fundraising dinner as \$3,045.45. Such an expense would be most unusual. I wrote to Mr. Ralph D. Boethling, executive vice-president of Disneyland Hotel at 1150 West Cerritos Avenue, Anaheim, Calif. He refused to confirm the listed charge of \$3,045.45 and he refused to confirm as to whether the sum was paid or unpaid. I believe that if any part of that sum is unpaid and Disneyland Hotel has not made any attempt to collect (such as filing suit), then Disneyland Hotel, which is a corporation, may be in violation of the election laws.

Please advise me.

Dear Mr. White:

This is in response to your letter of February 23, 1976.

Candidates for the U.S. House of Representatives and political committees supporting such candidates are to continue to file reports and statements required by the Federal Election Campaign Act, as amended, with the Clerk of the House of Representatives.

The Act does not authorize the Clerk of the House to receive and investigate complaints, but instead vests that authority in the Federal Election Commission. [See 2 U.S.C. 437g].

Accordingly, I have transmitted your complaint to the Federal Election Commission for whatever action they deem appropriate.

The Honorable W. Pat Jennings
Clerk of the House of Representatives

Dear Sir:

RE: Report of Receipts and Expenditures

Robert E. White
Bob White for Congress
Committee to Elect Bob White (H.R. 039985)

I wish to enter a formal complaint wherein I believe a violation has occurred as to the reporting of campaign contributions and expenses of the above named candidate and of the two committees set up in 1974 as to the 33rd Congressional District primary and general election in California.

This complaint is based on my personal knowledge and also copies of the filings made with the Clerk/Registrar of Los Angeles County.

1. On the Summary Page, Bob White for Congress Committee, for the period of 10-15-74 thru 10-24-74 there is listed at Section "C" a cash balance of \$ 208.88. The balance should be \$7,208.88. The Summary Page for the period of 10-25-74 thru 1-30-75 (Final) lists under Section "C" a beginning cash on hand as \$208.88. The amount should be apparently \$7,208.88.
2. Also, as listed on the Summary Page of 10-25-74 thru 1-30-75 (Final) is the debt of \$3,045.45. My phone call last week to Disneyland Hotel revealed that the debt was paid in February 1975. However, the cash on hand as of 1-30-75 was reported as \$91.52.
3. As to the Summary Page and Schedule "A" pages for the 10-15-74 thru 10-24-74 report, there is listed on Schedule A part 5 a \$250.00 contribution from D.S.C.C. Federal Candidates Fund Committee, and on Part 2 a \$200.00 contribution from Retail Gasoline Association. These two amounts are not listed on the Summary Page.
4. There are numerous instances where either the date of the contribution is missing (see Schedule A, part 2 of Sept. 10th report, Committee to Elect Bob White), or the occupation or complete address of the contributor is missing.
5. I do not find an entry for the \$425.00 filing fee that was paid March 5, 1974.
6. I do not find an expense entry for the installation charge and the monthly telephone charge at the office used in the primary.
7. I do not find an expense entry for rent for the primary campaign headquarters at 13406-08 Clarkdale Ave., Norwalk. The nominal rent was \$100.00 per month.

Therefore, I request a full and complete investigation of the campaign contributions and expenses as to all of the reports filed in behalf of Robert E. White and the committees in support of Robert E. White.
