RE: MUR 3774

Dear Mr. Hensarling:

The Federal Election Commission has the statutory duty of enforcing the Federal Election Campaign Act of 1971, as amended. The Commission has issued the attached Subpoena to Produce Documents and Order to Submit Written Answers which requires you to provide certain information in connection with an investigation it is conducting. The Commission does not consider you a respondent in this matter, but rather a witness only.

Because this information is being sought as part of an investigation being conducted by the Commission, the confidentiality provision of 2 U.S.C. § 437g(a)(12)(A) applies. That section prohibits making public any investigation conducted by the Commission without the express written consent of the person with respect to whom the investigation is made. You are advised that no such consent has been given in this case.

You may consult with an attorney and have an attorney assist you in the preparation of your responses to this Subpoena and Order. However, you are required to submit the information within 30 days of your receipt of this Subpoena and Order. All answers to questions must be submitted under oath.

If you have any questions, please contact me at (202) 219-3400.

Sincerely,

Each answer is to be given separately and independently, and unless specifically stated in the particular discovery request, no answer shall be given solely by reference either to another answer or to an exhibit attached to your response.

The response to each interrogatory propounded herein shall set forth separately the identification of each person capable of furnishing testimony concerning the response given, denoting separately those individuals who provided informational, documentary or other input, and those who assisted in drafting the interrogatory response.

Should you claim a privilege with respect to any documents, communications, or other items about which information is requested by any of the following interrogatories and requests for production of documents, describe such items in sufficient detail to provide justification for the claim. Each claim of privilege must specify in detail all the grounds on which it rests.

Unless otherwise indicated, the discovery request shall refer to the time period from January 1, 1992 to the present.

The following interrogatories and requests for production of documents are continuing in nature so as to require you to file supplementary responses or amendments during the course of this investigation if you obtain further or different information prior to or during the pendency of this matter.
