Re: Complaint pursuant to 2 U.S.C. 437(g)(1)

Dear Sir:

(1). I am a supporter of Lyndon H. LaRouche Jr. in his present campaign for the Democratic nomination and have previously supported Lyndon LaRouche's presidential campaigns. My full name and address are listed above.

(2). I recently discovered an Internet chat group called LaRouche Watch, which is the respondent to this complaint. Upon information and belief, this group came into existence on or about October 9, 2003 and declares itself to be a group to "stop LaRouche." (See Exhibit A)

(3). Under the indexed link on the Yahoo group page, "Who We Are and What We Do," this group explicitly espouses infiltration and harassment of LaRouche's presidential campaign (See Exhibit B paragraphs 5, 6, and 7).

(4). To the extent that LaRouche Watch engages in the activities set forth in Exhibit B and has expended more than \$1,000 for these activities, it has violated the Federal Election Campaign Act by failing to register as a political committee and report its contributions and disbursements. 2 U.S.C. 433(a).

(5). To the extent that individuals have contributed funds to LaRouche Watch and these funds exceed the limitations set forth in 2 U.S.C. 441 a(a) (1), these individuals have violated the FECA.

(6). To the extent that individuals associated with LaRouche Watch are candidates or otherwise involved with other candidates for the Democratic or Republican presidential nomination, and cause LaRouche's campaign to be infiltrated and statements to be made by their agents which do not in any way represent the candidate's position, then these individuals are in violation of 11 CFR 110.16 regarding fraudulent misrepresentations. (See Exhibit B, Who We Are and What We Do, paragraph 6.)

(7). Upon information and belief, LaRouche Watch is affiliated with one Helen Gilbert of Seattle, Washington whose book concerning LaRouche is advertised by the LaRouche Watch group, including an order form. (See Exhibit B, index, and Exhibit C linked order form). Upon information and belief, Ms. Gilbert undertook a promotional book tour concerning her book on or about the same time as the LaRouche Watch group came into existence.

(8). Ms. Gilbert's publisher, Red Letter Press is located at 4710 University Way SE, Seattle, Washington 98105 according to the links on the LaRouche Watch Website. Red Letter Press is a Washington corporation according to the Corporations Division of the Washington Secretary of State and lists Helen Gilbert as the registered agent at 1903 NE 82nd Street, Seattle, Washington 98115. (See Exhibit D). This relationship raises the suspicion that to the extent that Red Letter Press, a corporation, is subsidizing the LaRouche Watch group, a prohibited corporate contribution or expenditure has taken place. See 11 CFR 114.2.

I respectfully request that the FEC promptly investigate this complaint.

larouche watch group being formed

a group to stop larouche

We are beginning to forma group to fight the neo fascist, anti semetic racist liar who spent years in prison for scandals against the elderly with the brainashed cult. i dont need to say its larouche. we will use a variety of legal, yet amusing tactics. informing about his lies, history, and true nature are an obvious. attending meetings after being well read on his history help. infiltrating, gathering info on memebbers the same way they do (they write down info on every person they talk to to tyr to find weak points) videotaping all of them and sending it to the FBI (or whatever else fun we can do with it) and so much more. so for a good time fighting fascism, check out our yahoo group for now until the website is made.

Who we are and what we do.

In a nutshell, we fuck with LaRouche.

1 Our goal is to deplete the membership by eliminating the newer and less brainwashed members and preventing new recruits. We hope to do this by exposure of the true nature of the group and talking the reasonable ones out of it.

2 Infiltration of the group is a good way to influence them. Usually they try to have a lecture environment. If this can be changed to a discussion this is most beneficial. Take control of the conversation. Then you can use all the discrepancies between reality and what they say to create more skeptics. It is good to bring as many people with you as you can, who have been well read on LaRouche. They usually try to start with surfacy stuff with newbies, so you have to ask questions off the subject.

3 "Spy" on the group. It is well known that they collect info on all the people they talk with. Videotape the members, collect info on them. Classify them as hardcores, intermediate, newbie, transient, or any combination. Start with the lowest and work your way up the ladder. This helps when "deprogramming" them. It will also make them paranoid as hell.

4 Waste their resources. Collect as much of their propaganda as possible and put it in the recycle bin. Go to their events that require money, but get one of them to sponsor you. Find things like that to do. Drain thier resources. Together with them losing their members and resources they will bleed to death from a thousand needle pokes.

5 Be a hassle to them. One tactic of political cults is the spiral of obligation put on the new members. If you reverse it, such as living conditions, and things like that, you could force them to revise these tactics.

6 Be kind of crazy when you are working with them. Tell people you meet on the street that we have to get rid of all the liberals because they impede American progress and stuff like that.

7 Pass out essays, especially laden with quotes by Larouche, depicting his fascist nature, including to the members.

8 Go to talk to them on the streets and slowly have your freinds join the conversation. Once they are outnumbered, watch if they slowly start to dig a hole, then when they're in deep enough, Slam 'em! The way they did thier "ego stripping" was wait till they make a contradiction then go off on them for long periods of time, insulting them in as many spheres as possible until they admit they are useless and seek LaRouche's guidance. It'll be fun. Try it.

Is LaRouche a Nazi or a propaganda victim?

Let us examine some evidence from his writings:

(See the book *Lyndon LaRouche and the New American Fascism*)

He claims/claimed the world is controlled by British bankers with "Jewish sounding names."

He was a good friend of Robert Miles, a KKK grand Dragon convicted of bombing buses to protest school busing. A friend of Miles, Vernon Higgins, another high ranking KKK member, ran for Michigan house of representatives as LaRouche's candidate in 1974. (36)

When Pennsylvania KKK Grand Dragon Roy Frankhauser was arrested for transporting explosives, the LaRouchites held a press conference condemning the arrest. (36)

His front group the National Anti Drug Coalition blamed Jews for the drug trade at a convention in 1978 (32). The editor of *the Illuminator*, a neo nazi newspaper, met with many LaRouchites, including Scott Thompson. Willis Carto, who sold copies of *Mein Kampf* and *Protocols of the Elders of Zion*, and founder of the Liberty Lobby, the group that claims the Holocaust was a hoax, was a good friend of Thompson as well. (39)

He claims that Jewish parenting causes disturbing sexual desires with children, the direct result is homosexuality. He claims the Orthodox Jews in Jerusalem fear death so much that they frequently engage in large orgies. (41)

His newspaper *New Solidarity* used the Star of David to symbolize the drug trade. (42)

He has a way of changing definitions around so that Jews are Nazis, nominal Jews, (normal Jews and Zionists) are all Nazis, and the only true Jews are his Jewish followers. (44)

He wrote a pamphlet entitled "Hitler: The Runaway British Agent." In which he claims Hitler was a Jew sent to persecute Jews in Germany so they would flee to Palestine and create a puppet state of the British Jew Rothschild, who controlled most of the world due to his status as British Jew. Hitler then turned on Rothschild and attacked England to try to take over the Jewish Empire. (44)

In his book "The Secrets Known Only to the Inner Elite," he describes how Left and Right politics don't exist, only the struggle between the Humanist Elite (LaRouche) and the Oligarchic Elite (Jews). (45)

In his military plan for once he seized power, he claimed he would attack England and "root out" the "Zionist Octopus," and its "outpost in the Middle East." He mentioned several American Jewish groups to eliminate. He would then improve the West by installing "Humanist" (LaRouchite) regimes in Europe, and teach "classic German culture" to his new colonies. He would begin "Total Mobilization," following the footsteps of Hitler, to prepare for his WMD war on Russia. (50-58)

He claims the Anti Defamation League funds the KKK, and Jews planned the assassinations of Lincoln, Kennedy, and Jimmy Hoffa. (137)

He made references of the "Blood Libel," a Old European fairy tale in which Jews kidnap Christian children for use in ritual sacrifice. He accuses Jews of pushing drugs to American youth and molesting many. (137)

"It is not necessary to wear a brown shirt to be a fascist... It is not necessary to wear a swastika to be a fascist... It is not necessary to call yourself a fascist to be a fascist... It is simply necessary to be one."

-Lyndon H LaRouche

Solving the Machiavellian Problem Today

When speaking of his rise to power, Hitler commented that his party was completely ignored by most, which worked to his ultimate benefit.

Public service announcement by LaRouche Watch

Lyndon LaRouche is a Neo Fascist anti semetic presidential candidate, convicted of scamming the elderly to fund his campaign. He has a well brain washed cult to carry out his orders. In the 70's he led a campaign called "operation mop-up," in which he broke his ties to the radical left (he once tried to get the Indian Communist Party to revolt against England) by a three month period filled with severe beatings of his opposition. He then made ties with right extremist groups such as the "Liberty Lobby," a group that claims the Holocaust never happened, the KKK, the Aryan Nations, and tried to unite all the gangs in America to serve him. He believes that the Queen of England is behind the drug trade, and she, of course, is controlled by English bankers with "Jewish sounding names." He was financially connected to the ousted Panamanian drug lord/dictator Noriega. He "discovered" that only 1.5 million people died in the Holocaust, and Hitler was just a renegade Jewish agent, Nazis were really Jews, and Jews are really Nazis. Real Jews all follow him. All others are fake Jews. He uses many 1984 Orwellian tactics against his own members to avoid free thinking. He later criticized Hitler not for his actions, but for the order of them. His plan for America is after a military coup (he's using elections and the antiwar movement for recruits right now) he will employ tactics similar to Mussolini's. Jewish rights group he already said he would "eliminate."

Then dissidents, leftists, other Jews, and anyone else who disagrees. All aspects of life are controlled by the government. Education, media, art, leisure, are all part of the "Total Mobilization," (copy of Hitler.) He then would wage war on England, the center of the Jewish Empire. After taking this he would prepare for "Total War" (Hitler again) against the Russia. This means a pre-emptive "ABC" (Atomic Biological Chemical) strike. He estimated 100-150 million Americans would die. He now complains that only he can prevent fascism. It's a different story he tells now to ignorant students disillusioned with the system, who he now tells he will leave the world in peace, but they don't read much on him, they only read what he says to read. Members are put into groups, homes, working 70-100 hrs a week to support LaRouche in his mansion, compared to the little amount of money they receive from their job, which varies from group to group. They have no free time, and all aspects of their lives are controlled by the cult. Free thinking and things that might provoke this are not allowed. They have an elaborate conspiracy theory they are obsessed with. Everything they cannot explain is "British Geo Politics," which doesn't mean anything, but they hope you don't know that. All of this man's atrocities are not possible to put in one piece of paper. Dennis Miller still failed to do so in his book *Lyndon LaRouche and the New American Fascism*, a rather extensive book on LaRouche.

What we are doing.

We are a group to expose this man and what he has done. If we leave them alone they will continue to grow. We intend to prevent new members from forming and pull away those who have already joined. This must be done on an ideological front, by infiltrating the group and presenting information that they would not normally come into contact with, or just plain talking some sense into them. Already we are among more than 6 chapters of LaRouche within our first few weeks in existence.

His members know little about real politics, their leaders just give babbling speeches about nothing, giving the impression they know everything about everything. The newbies stare with awe and occasionally ask questions just to be dazzled with a pseudoanswer. This is what is changing now. We will transform all of the cult meeting into discussion groups with comrades well educated on the matters. If you have ever spoken with a LaRouchite you know how they would react of ten people all contradicting them at their own meeting. We will completely drain their membership, for common sense is on our side. They can attempt whatever they wish with their members, they will fail.

We have a discussion group at

LYNDON LaROUCHE: FASCISM RESTYLED FOR THE NEW MILLENNIUM

"Highly recommended...packed with vital up-to-date information to refute the egregious deceptions of LaRouche organizers on college campuses and within the anti-globalization movement."

—DENNIS KING, author of **Lyndon LaRouche and the New American Fascism**

Recruiters for the LaRouche movement are highly visible on campuses and street corners. Though frequently denounced as a cult, the far-right politics of the movement are buried under mountains of misdirection, half-truths and inflammatory assertions. This brief but detailed study exposes LaRouche's origins and current stance on key issues, and shows how he is using classic fascist manipulation and scapegoating to recruit the disaffected.

Lyndon LaRouche Exposed

Review by Alison Thorne, *Green Left Weekly*, November 12, 2003
Melbourne, Australia

Helen Gilbert's *Lyndon LaRouche: Fascism Restyled for the New Millennium*, is a highly revealing look at the background and politics of the LaRouche movement, which is sure to stand candidates in the coming federal election under the name Citizens Electoral Council (CEC).

Dennis King, whose definitive book on LaRouche was published in 1989, has called the new publication, "Highly recommended...packed with vital up-to-date information to refute the egregious deceptions of LaRouche organisers."

This small, well-documented booklet from Red Letter Press reviews LaRouche's origins as a one-time socialist who took a turn to the far-right in the 1970s. He instigated his followers to physically attack leftwing organisations and published hysterical diatribes against women, people of colour, Jews, and gays.

In the U.S., LaRouchites actively sabotaged the labour reform group, Teamsters for a Democratic Union, and built a multi-million-dollar empire through political spying and defrauding of senior citizens. In Australia, the CEC scapegoats Aborigines; in 1997 it published a pamphlet titled *Aboriginal 'Land Rights': Prince Philip's Racist Plot to Splinter Australia*.

As a perennial U.S. presidential candidate, LaRouche is now taking a milder public tone, but Gilbert finds his essential message the same. She has studied current LaRouche publications and found a far-right agenda that combines racist, homophobic and anti-Semitic scapegoating with extreme hostility toward women and environmentalists.

LaRouche also promotes nuclear power and the banned pesticide DDT. He seeks to "save" the free market economy. Gilbert defines fascism as a mass movement that aims to preserve capitalism by smashing working-class gains and eliminating democratic rights. On this basis, she concludes that LaRouche is a peculiar variety of 21st century fascist.

Gilbert is a longtime feminist, anti-Nazi activist and socialist. She first became aware of LaRouche in the 1970s when he was actively threatening radicals and spouting conspiracy theories.
