

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

STATEMENT BY VICE CHAIRMAN DONALD F. McGAHN

Finally, President Obama has submitted FEC nominees to the Senate for consideration. As many well know, I have long desired to leave, but committed to stay to prevent the FEC from further trampling on our First Amendment and Due Process Rights. I am pleased that a willing and capable successor has been vetted and nominated, and look forward to returning to practice law in the future.
