**STATEMENT OF CHAIRMAN MATTHEW S. PETERSEN
ON THE PASSING OF SENATOR ROBERT BENNETT**

May 5, 2016

I am deeply saddened to learn that Robert Bennett, former U.S. Senator from the State of Utah, has passed away. I had the privilege of working for Senator Bennett when he served as Ranking Member of the Senate Rules Committee and I was the committee's Republican Chief Counsel. Senator Bennett was a remarkably intelligent man whose eloquence, command of policy details, and dedication to his constituents made him a model public servant. But the characteristics I will remember most about Senator Bennett are his kindness, his humility, his integrity, and his fundamental decency. I am a better person for having known and associated with Senator Bennett, and I will always be grateful for the example he set for me. My prayers go out to his wife Joyce and his family as they reflect upon and celebrate the life of a truly great man.
