FEC REPORTS ON FINANCIAL ACTIVITY

1989 - 1990

FINAL REPORT

U.S. SENATE AND HOUSE CAMPAIGNS

Federal Election Commission
999 E Street, N.W.
Washington, DC 20463

October, 1991

FEDERAL ELECTION COMMISSION

Commissioners

John McGarry, Chairman
Joan D. Aikens, Vice Chairman
Lee Ann Elliott
Thomas J. Josefiak
Danny L. McDonald
Scott E. Thomas

Donnald K. Anderson, Ex Officio
Clerk of the U.S. House of Representatives
Walter J. Stewart, Ex Officio
Secretary of the Senate

John C. Surina, Staff Director
Lawrence M. Noble, General Counsel

Comments and inquiries about format should be addressed to the Reports Coordinator, Data Systems Development Division, who coordinated the production of this REPORT.

Copies of 1989-90 FINAL REPORT may be obtained by writing to the Public Records Office, Federal Election Commission, 999 E Street, N.W., Washington, D.C. 20463. The price is \$10.00. Checks should be made payable to the Federal Election Commission.

I

DESCRIPTION OF REPORT

SCOPE:

This report is a final summary of selected campaign finance activity associated with 1989-90 House elections and with 1990 Senate contests. 1989-1990 financial information is provided for the campaigns of individuals who have registered under the Federal Election Campaign Act as candidates for the Federal offices of U.S. Senator or U.S. Representative. (Note that, for purposes of public disclosure, this study 1) contains a number of individuals who may not be statutory "candidates" under the 1979 Amendments to the Act and 2) includes, in the summary TABLES, reported financial activity pertaining to their campaigns. An example of an individual who is not a statutory "candidate" under the 1979 Amendments is one seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.) Also included in the count of the number of campaigns in this preliminary study are individuals who have been certified by the appropriate state authorities as official Senate or House candidates in a 1989 or 1990 primary, run-off, convention/caucus, or general election but who have not

registered as "candidates" under the Act, as amended.

Inclusion of candidates who are not required to file reports creates distortions if mean activity values are computed. It is arbitrarily assumed that all those who do not file have no activity, while actual receipts and disbursements for these candidates may range between \$0 and \$4,999. See page x Summary of Tables and; Table K for a listing of only those candidates who are required to file reports. (Note that different definitions used in this study and in 1977-78 Interim Report No. 3 and No. 5 on U.S. Senate and House Campaigns make exact comparisons inappropriate.)

An appendix to this report will disclose the financial activity of Senate candidates throughout the full six years of their election cycles.

WHAT IS NOT INCLUDED:

This study does not include as part of a campaign any office-account committee associated with a candidate or any committee which exists for the purpose of repaying debts incurred during a 1982 or earlier election contest. The study does not contain all of the information reported by a campaign.

Subsequent reports in this series will contain additional information; this release, which does not provide such itemized data, has, therefore, several abbreviated TABLES.

SOURCE OF INFORMATION:

The total receipts/disbursements and cash-on-hand activity for each campaign is taken from the reports filed by the candidate, his principal campaign committee, and any other committees he authorized for a 1989 or 1990 campaign. These reports are filed on a periodic basis with the selected campaign finance Secretary of the U.S. Senate or the Clerk of the U.S. House of Representatives who in turn forward the information to the Federal Election Commission.

Information on party and non-party committee contributions to and expenditures on behalf of a campaign, and on independent expenditures, are taken from the reports filed with the Commission by committees and persons undertaking these particular types of activities.

Information from these various reports was entered into the Commission's computer system. Programs that summarize this information were used to produce the TABLES included in this report.

Available at the Commission for inspection are microfilmed copies of the

original reports which show information as reported by the filers. The microfilmed public record is the official record of the Federal Election Commission. This interim study is one of several tools which have been developed to summarize the vast quantity of data available on the microfilmed public record.

PERIOD COVERED:

The beginning point in this study is financial activity which occurred after December 31, 1988. As subsequent reports were received during 1989-90 and 1991 covering 1989-90, the dollar figures contained in them were entered into the computer system and added to earlier information. The computer programs which produced the information on the total receipts/disbursements and cash-on-hand for campaigns used all information had been entered through August 4, 1989 covering the period through December 31, 1988. Information on party, non-party and independent expenditure activity includes all such transactions occurring through December 31, 1988.

LIMITATIONS:

This study is a final report designed to give a complete picture of the financial activity which occurred during the 1987-1988 election cycle.

II

SUMMARY OF TABLES

The tables are designed to provide information on the 1989-90 financial activity of campaigns of individuals who have registered under the Federal Election Campaign Act as 1989 or 1990 candidates for the Federal offices of U.S. Senator or U.S. Representative. Tables A through J appear first for only those candidates who participated in the November, 1990 general election. They are then repeated for all candidates participating in any election during 1989-90.

The EXPLANATION OF COLUMNS provides detailed definitions for each column and explanations of organization; it should be used in conjunction with the TABLES.

TABLE A, "SELECTED FINANCIAL ACTIVITY SUB-TOTALLED BY OFFICE AND PARTY WITHIN A STATE AND GRAND TOTALLED BY OFFICE, PARTY, AND INCUMBENT /CHALLENGER/OPEN- SEAT STATUS. "SEAT STATUS," displays total receipts and total breakdown of the sources of receipts. It next provides a campaign's "cash on hand" figures. Finally, support of and opposition to the campaigns by party and non-party political committees and by persons making independent

expenditures, as reported by those filers, are shown.

TABLE B, "TOTAL RECEIPTS FOR DIFFERENT CAMPAIGN TYPES BY OFFICE AND RECEIPT AMOUNT," displays the relationship between the type of campaign and the size of total receipts, e.g., do incumbent Democratic campaigns have larger total receipts than those of open-seat other-party candidates.

TABLE C, "TOTAL DISBURSEMENTS FOR DIFFERENT CAMPAIGN TYPES BY OFFICE AND DISBURSEMENT AMOUNT," presents the relationship between the type of campaign and the size of total disbursements, e.g., do incumbent Democratic campaigns have larger total disbursements than the campaigns of open-seat other-party candidates.

TABLE D, "BEGINNING CASH-ON-HAND OF DIFFERENT CAMPAIGN TYPES BY OFFICE AND CASH-ON-HAND AMOUNT," sets out the relationship between the type of campaign and the size of 1/1/89 "cash on hand," e.g., do campaigns of incumbent Democratic candidates begin the cycle

with larger cash balances than those of open-seat other party candidates.

TABLE E, "LATEST CASH-ON-HAND OF DIFFERENT CAMPAIGN TYPES BY OFFICE AND CASH-ON-HAND AMOUNT," shows the relationship between the type of campaign and the size of latest 1990 "cash on hand," e.g., do incumbent Democratic campaigns have larger latest 1990 "cash on hand" than open-seat other-party candidates.

TABLE F, "SELECTED INCOME OF DIFFERENT CAMPAIGN TYPES BY OFFICE AND TYPE OF CAMPAIGN," shows total receipts of various campaign types e.g., Senate Republican Challengers, along with the proportion of those receipts coming from selected sources e.g. total individual contributions, contributions from the candidate, etc.

TABLE G, "REPORTED NON-PARTY CONTRIBUTIONS TO CAMPAIGNS BY OFFICE AND TYPE OF CAMPAIGN," shows non-party committee contributions to particular types of candidate, e.g., Senate Republican Challengers, etc, isolated by special interest group of the contributing committee, e.g., corporation, labor organization, etc.

TABLE H, "REPORTED CONTRIBUTIONS TO

CAMPAIGNS BY OFFICE AND CONTRIBUTION AMOUNT," takes all the contributions to campaigns from party and non-party political committees and subdivides them by amount and by source, e.g., what amount and per cent of contributions are in the \$15,000-and-over range and, further, what type of political committee gave these levels of support.

TABLE I, "EXPENDITURES AND COMMUNICATIONS FOR AND AGAINST CAMPAIGNS (NON-PARTY AND OTHER FILERS)," identifies independent expenditure and partisan communication activity by the type of filer undertaking the activity (e.g. non-party committees) and the type of campaign either supported or opposed.

TABLE J, "REPORTED PARTY CONTRIBUTIONS AND EXPENDITURES ON BEHALF OF CAMPAIGNS BY OFFICE AND TYPE OF CAMPAIGN," separates party committee activity by type of support (contributions vs coordinated expenditures) and by type of campaign receiving support.

TABLE K, "SELECTED FINANCIAL ACTIVITY OF INDIVIDUAL SENATE AND HOUSE CAMPAIGNS WHICH HAVE TOTAL RECEIPTS OR TOTAL DISBURSEMENTS IN EXCESS OF \$5,000,"

Provides information similar to TABLE A for individual campaigns. The following

table summarizes the receipts and disbursements of these 'statutory' campaigns.

APPENDIX I, "SENATE CAMPAIGNS: SIX YEAR SUMMARY," shows the net receipts, selected sources of receipts, net disbursements, and debts of Senate campaigns through each two-year period in the six-year Senate cycle. Many Senate candidates raise monies throughout the six-year cycle; this appendix presents the full six-year cycle data for all Senate candidates. Because many incumbents begin the six-year cycle in debt, and subsequently raise funds to retire these debts during the first two-year period, debts at the end of each period are also presented.

SUMMARY-CNDIDATES WHO RAISED OR SPENT AT LEAST \$5,000.

	<u>Number of</u> <u>Candidates</u>	<u>Net</u> <u>Receipts</u>	<u>Net</u> <u>Disburse-</u> <u>ments</u>		<u>Number of</u> <u>Candidates</u>	<u>Net</u> <u>Receipts</u>	<u>Disburse-</u> <u>ments</u>
<u>Senate</u>	104	\$186.1	\$180.5	<u>House</u>	997	\$284.6	\$265.7

Other Party	1	0	0	Other Party	18	1.1	1.1

Receipts and disbursements in millions of dollars.

III

EXPLANATION OF COLUMNS

This section explains the special terms that appear as labels of the different columns, how the amount is derived for each column and, where appropriate, the significance of the column. Words included in this section are listed in the order in which they appear in each table. For example, the column labeled TOTAL RECEIPTS, appears under TABLE A, as the first entry. Readers are encouraged to consult this section regularly as they use the report.

Readers should be aware that the terms as used in this report may be defined differently than they are in the Federal Election Campaign Act of 1971, as amended.

The line number and (where appropriate) the schedule letter of the April 1987 FEC Form 3 on which the receipt and disbursement information was reported are indicated.

**TABLE A - SELECTED FINANCIAL ACTIVITY
SUB- TOTALLED BY OFFICE AND PARTY WITHIN
A STATE AND GRAND TOTALLED BY OFFICE,
PARTY, AND INCUMBENT/CHALLENGER/OPEN-
SEAT STATUS**

CAMPAIGNS:

TABLE A provides information on the

1989-1990 financial activity of the campaigns of individuals who have registered under the Federal Election Campaign Act as 1989 or 1990 candidates for the Federal offices of U.S. Senator or U.S. Representative. (Note that, for purposes of public disclosure, this study 1) contains a number of individuals who may not be statutory "candidates" under the 1979 Amendments to the Act and 2) includes, in this summary TABLE, reported financial activity pertaining to their campaigns. An example of an individual who is not a statutory "candidate" under the 1979 Amendments is one seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.) Also included in the count of the number of campaigns are individuals who have been certified by the appropriate state authorities as official Senate or House candidates in a 1983 or 1984 primary, run-off, convention/caucus, or general election but who have not registered as "candidates" under the Act, as amended.

The TABLE is constructed so that states and territorial units appear in alphabetical order. In TABLE A - ALL CAMPAIGNS the final state is called "SPECIAL ELECTIONS." This is used to

display information on the campaigns for the one Senate and seven House special elections held in 1989 and 1990 to fill vacant seats. (Special elections in Alabama 3rd District, California 15th, Florida 18th, Indiana 4th, Mississippi 5th, New York 14th and 18th, Texas 12th and 18th and Wyoming. All activity for these campaigns is included in the normal state listing.) For the campaigns of individuals who ran only in a special election the full amount of reported 1989-90 financial activity is given in the "Special Elections" state. There were a number of individuals who were candidates in a special election and who also ran again for the same seat during the regular 1990 election process. For the campaigns of these individuals only that portion of 1989-1990 financial activity which was disclosed on post-special-election and earlier reports is included in the "Special Elections" state, while their remaining activity disclosed on later reports is placed in the normal state where the seat is located.

Within a state or territorial unit information is subdivided by the office contested (Senate or House). The number of Senate and House seats is shown. Information is further subdivided by the party of the contestants (Democratic, Republican, Other). The number of campaigns mounted by the different

partisans is given.

At the end of the TABLE subtotals of several kinds and a grand total are provided.

The following terms which have been used to classify campaigns need to be defined:

Democratic - Democratic campaigns are those of members of the 101st Congress who belong to the Democratic caucus or are the campaigns of candidates whose most recent participation in a state's election procedures has been within the candidate-selection process of the Democratic party or who have declared that they are Democrats on their Statement of Candidacy.

Republican - Republican campaigns are categorized in the same fashion.

Other-Party - Other party campaigns are those whose candidates have participated or declared as other than major party standardbearers or those whose candidates' party affiliation cannot be determined.

Incumbent - Incumbent campaigns are those of candidates who have held a Congressional office at any time during the 101st Congress. With respect to the seven special elections in 1989 and 1990 for vacant House seats, post-election

receipts and disbursements reported by the winners are included in the incumbent-campaign category. Earlier monies reported by these campaigns are placed in the open-seat category.

Challenger - Challenger campaigns are those of candidates who are not incumbent or open-seat candidates.

Open-Seat - Open-seat campaigns are those of candidates seeking election during 1989 or 1990 to seats where an incumbent did not seek re-election. With respect to the seven special elections in 1989 and 1990 for vacant House seats, monies received and disbursed by the winners before the election are included in this category. Their post-election activity is to be found in the incumbent-campaigns category. The same rule has been applied to the funds of those losers of a special election who ran again for the same seat during the regular 1990 election process, i.e., funds received and disbursed before the election are included in this category, while post-election funds appear in the challenger-campaign category. Candidates in the Senate special election in North Carolina are all classified as open seat.

NET RECEIPTS:

This column shows the actual receipts of all committees authorized for

a particular 1989-1990 campaign. It is equal to the total receipts reported by those committees minus any transfers they have received from each other. ("Transfers" reported on Line 12 of Schedule A are the movement of money, goods, property or services between committees authorized by a single candidate.) Note that transfers for an office account or joint fundraising committee or authorized committee which exists for the purpose of paying off debts are not regarded as transfers for the purposes of this study.

TOTAL INDIVIDUAL CONTRIBUTIONS:

This represents the sum of all contributions from individuals as reported on Line 11a Column A of each report.

CONTRIBUTIONS FROM CANDIDATE:

The sum of contributions to the campaign made by the candidate as reported on Line 11d Column A of each report. Note that these contributions may represent funds originally loaned to the campaign if those loans were subsequently forgiven by the candidate. In this instance, reports might show an initial loan from the candidate followed by a loan repayment and a contribution entry. As a result, the sum of contributions from the candidate and loans from the candidate would overstate

actual candidate activity. The same "overstatement" may occur in total receipts and total disbursements.

LOANS FROM CANDIDATE:

This column includes the sum of loans made or guaranteed by the candidate as reported on Line 13a Column A. These loans may or may not have been repayed by the committee. See the previous paragraph (CONTRIBUTIONS FROM CANDIDATE) for a description of reporting variations which may effect the meaning of this information

OTHER LOANS:

The sum of all loans received by the campaign from sources other than the candidate as reported on Line 13b Column A is displayed here. The process of obtaining and servicing loans varies across campaigns. In some cases campaigns may refinance loans by borrowing additional funds periodically throughout the campaign. Others will use funds from other sources to make loan repayments. These variations have differing effects on both total receipts and total loan activity. Researchers are encouraged to explore individual campaigns in detail if these variations are significant for particular research questions. Copies of actual reports may be required to clarify this activity, and can be obtained from the Public Records

Office of the FEC.

NET DISBURSEMENTS:

This column shows the actual disbursements of all authorized committees for a particular 1989-1990 campaign. It is equal to the total disbursements reported by those committees minus any transfers they have made to each other. These transfers are reported on Line 18 of Schedule B.

CANDIDATE LOAN REPAYMENT:

All repayments of loans made or guaranteed by the candidate as reported on Line 19a Column A are displayed in this column. These repayments may represent loans originally made in this or a previous election cycle.

OTHER LOAN REPAYMENTS:

This column includes the sum of repayments made in this election cycle of loans received from sources other than the candidate. These loans may have been made in this or a previous election cycle.

INDIVIDUAL CONTRIBUTION REFUNDS:

The sum of contribution refunds made to individuals as reported on Line 20a Column A.

BEGIN CASH-ON-HAND:

A campaign's "cash on hand" on

January 1, 1989 (or its initial 1989 "cash on hand" if it registered subsequent to 1/1/89) is given in this column. This beginning cash balance is reported on Line 23.

LATEST CASH-ON-HAND:

This amount is a campaign's most recently reported 1990 "cash on hand." This balance is taken from Line 27.

DEBTS OWED BY:

This column represents debts owed by the campaign as reported on Line 10 of the most recent report filed covering the period through December 31, 1990.

MAJOR PARTY CONTRIB:

Taken from the reports of Democratic and Republican party political committees, this figure represents contributions (donations of money or in-kind contributions of services, goods, or property) to the campaign. The amounts are as reported on Line 21 of Schedule B of FEC Form 3X. (A party committee means any committee that is part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

CORPORATION:

This amount reflects contributions

(donations of money or in-kind contributions of services, goods, or property) to the campaign reported by non-party political committees which have identified themselves as being connected with a corporate entity. The source is Line 21 of Schedule B of FEC Form 3X of the non-party political committees' reports. (A non-party political committee means any committee that has not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

LABOR:

Shown here are contributions (donations of money or in-kind contributions of services, goods, or property) to the campaign which have been reported by non-party political committees connected with a labor organization. The amounts are from Line 21 of Schedule B of FEC Form 3X. (A non-party political committee means any committee that has not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

NON-CONNECT:

The amounts here are contributions (donations of money or in-kind contributions of services, goods, or property) to the campaign as reported on Line 21 of Schedule B of FEC Form 3X of the reports filed by non-party political committees which have not reported a connected organization. The exception to this is that contributions from political committees in the health-related field are included in the following column. (A non-party political committee means any committee that has not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

TRADE/MEMBER/HEALTH:

This column shows contributions (donations of money or in-kind contributions of services, goods, or property) to the campaign from non-party political committees which have reported a connection with a trade association or membership organization and from political committees in the health-related field. The amounts are taken from Line 21 of Schedule B of FEC Form 3X of the reports of the non-party political committees. (A non-party political committee means any committee that has

not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

COOPERATIVE:

Figures here are contributions (donations of money or in-kind contributions of services, goods, or property) to the campaign from non-party political committees which report that they are connected with a cooperative. Line 21 of Schedule B of FEC Form 3X of the reports filed by the non-party political committees is the source. (A non-party political committee means any committee that has not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

CORP W/O STOCK (Corporation Without Capital Stock):

Support from non-party political committees which have reported a connection with a corporation without capital stock is indicated. Contributions (donations of money or in-kind contributions of services, goods, or property) are as reported on Line 21 of

Schedule B of FEC Form 3X by these non-party political committees. (A non-party political committee means any committee that has not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

TOTAL NON-PARTY COMMITTEE (Total Non-Party Political Committee Contributions to a Campaign):

This column, a summation of the preceding six, represents the total contributions (donations of money or in-kind contributions of services, goods, or property) to a campaign from non-party political committees. Amounts are from Line 21 of Schedule B of FEC Form 3X of the reports filed by the non-party political committees. (A non-party political committee means any committee that has not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

MAJOR PARTY 441A(D) EXPENDITURES:

Figures here represent expenditures on behalf of the campaign made by major party political committees which are permitted by 2 U.S.C. Section 441a(d).

These expenditures are made during the general election only by the party committees in coordination with the campaigns. Limits on expenditures for Senate races are based on the size of the state. The limit for House races in 1990 was \$25,040. The amounts are taken from the reports filed by Democratic and Republican party political committees. The source is Line 23 of Schedule F of FEC Form 3X. (A party committee means any committee that is part of the official party structure at the national, State, or local level which has registered as a political committee under the Federal Election Campaign Act, as amended.)

NON-PARTY EXPEND FOR (Non-Party Political Committee Independent Expenditures for a Candidate):

The figure here shows independent expenditures made by registered non-party committees advocating the election of a clearly identified candidate registered with the Commission. (Independent expenditures are expenditures for communications which are made expressly to advocate the election of a clearly identified candidate but which are not made with the cooperation of, or in consultation with, the candidate or his agents or authorized committees.)

Amounts are from Line 22 of Schedule E of FEC Form 3X of the reports filed by

non-party political committee. (A non-party political committee means any committee that has not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

INDEP EXPEND FOR (Independent Expenditures For a Candidate by Persons Other Than a Political Committee):

The figure here shows independent expenditures made by persons or groups other than political committees advocating the election of a clearly identified candidate registered with the Commission. (Independent expenditures are expenditures for communications which are made expressly to advocate the election of a clearly identified candidate but which are not made with the cooperation of, or in consultation with, the candidate or his agents or authorized committees.)

Amounts are from FEC Form 5 reports filed by persons other than registered political committees who have made independent expenditures.

COMMUNICATION COST FOR:

This column shows the total amount of treasury funds spent by corporations, labor unions, and other membership

organization, to make internal communications which advocate the election of a clearly identified candidate.

These communications may be made only to certain categories of individuals (i.e. by a corporation to its stockholders or executive and administrative personnel, or by a membership organization (including a labor organization) to its members.) The organization is required to report Communication costs to the Commission on FEC Form 7 when they exceed \$2,000 per election.

NON-PARTY EXPEND AGAINST (Non-Party Political Committee Independent Expenditures Against a Candidate):

The figure here shows independent expenditures made by registered non-party committees advocating the defeat of a clearly identified candidate registered with the Commission. (Independent expenditures are expenditures for communications which are made expressly to advocate the defeat of a clearly identified candidate but which are not made with the cooperation of, or in consultation with, the candidate or his agents or authorized committees.)

Amounts are from Line 22 of Schedule E of FEC Form 3X of the reports filed by non-party committees. (A non-party political committee means any committee

that has not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

INDEP EXPEND AGAINST (Independent Expenditures Against a Candidate by Persons Other Than a Political Committee):

The figures here show independent expenditures made by persons or groups other than political committees advocating the defeat of a clearly identified candidate registered with the Commission. (Independent expenditures are expenditures for communications which are made expressly to advocate the defeat of a clearly identified candidate but which are not made with the cooperation of, or in consultation with, the candidate or his agents or authorized committees.)

Amounts are from FEC Form 5 reports filed by persons other than registered political committees who have made independent expenditures.

COMMUNICATION COST AGAINST:

This column shows the total amount of treasury funds spent by corporations, labor unions, and other membership organizations to make internal communications which advocate the defeat of an identifiable candidate. Amounts

are from FEC Form 7 as filed by the organization undertaking the communication cost activity.

TABLE B - TOTAL RECEIPTS FOR DIFFERENT CAMPAIGN TYPES BY OFFICE AND RECEIPT AMOUNT.

CAMPAIGNS:

Definitions of campaigns included, party, and candidate status (incumbent, challenger, open seat) are consistent with TABLE A, p. xii.

RECEIPT AMOUNT:

The "number" portion of the "total receipts" columns shows the number of campaigns in a group (e.g., incumbent Democratic campaigns) which have reported "total receipts" in the dollar range of the particular column (e.g., \$100,000-499,999 for Senate campaigns). The "dollars" portion of the columns gives the total amount of "total receipts" for the campaigns which fall into the particular dollar range. The "per cent" segment of the columns is the proportion which the total dollars in a particular dollar range constitute of all all "total receipts" reported by all campaigns in a group.

C - TOTAL DISBURSEMENTS FOR DIFFERENT CAMPAIGNS TYPES BY OFFICE AND DISBURSEMENT AMOUNT

CAMPAIGNS:

Definitions of campaigns included, party, and candidate status (incumbent, challenger, open-seat) are provided on p. xii referencing TABLE A.

DISBURSEMENT AMOUNT:

The "number" portion of the "total disbursements" columns shows the number of campaigns in a group (e.g., incumbent Democratic campaigns) which have reported "total disbursements" in the dollar range of the particular column (e.g., for Senate campaigns). The "dollars" portion of the columns give the total amount of the "total disbursements" for the campaigns which fall into the particular dollar range. The "per cent" segment of the columns is the proportion which the total dollars in a particular dollar range constitute of all "total disbursements" reported by all campaigns in a group.

TABLE D - BEGINNING CASH-ON-HAND OF DIFFERENT CAMPAIGN TYPES BY OFFICE AND CASH-ON-HAND AMOUNT

CAMPAIGNS:

Definitions of campaigns included, party, and candidate status (incumbent, challenger, open-seat) are provided on p. xii

CASH-ON-HAND AMOUNT:

The "number" portion of the 1/1/89 "cash on hand" columns shows the number of campaigns in a group (e.g., incumbent Democratic campaigns) which have reported 1/1/89 "cash on hand" in the dollar range of the particular column (e.g., for Senate campaigns). The "dollars" portion of the columns gives the total amount of the 1/1/89 "cash on hand" for the campaigns which fall into the particular dollar range. The "per cent" segment of the columns is the proportion which the total dollars in a particular dollar range constitute of all 1/1/89 "cash on hand" reported by all campaigns in a group.

TABLE E - LATEST CASH-ON-HAND OF DIFFERENT CAMPAIGN TYPES BY OFFICE AND CASH-ON-HAND AMOUNT

CAMPAIGNS:

Definitions of campaigns included, party, and candidate status (incumbent, challenger, open-seat) can be found on p. xii.

CASH-ON-HAND AMOUNT:

The "number" portion of the latest 1990 "cash on hand" columns shows the number of campaigns in a group (e.g., incumbent Democratic campaigns) which have reported latest 1990 "cash on hand" in the dollar range of the particular column (e.g., for Senate Campaigns). The

"dollars" portion of the columns gives the total amount of the latest 1990 "cash on hand" for the campaigns which fall into the particular dollar range. The "per cent" segment of the columns is the proportion which the total dollars in a particular dollar range constitute of all latest 1990 "cash on hand" reported by all campaigns in a group.

TABLE F - SELECTED INCOME OF DIFFERENT CAMPAIGN TYPES BY OFFICE AND TYPE OF CAMPAIGN

Table F provides on a single page information included throughout Table A for candidates grouped by race, candidate status (incumbent, challenger, open seat), and party. Definitions of particular columns can be found on p. xii referencing Table A. Also included here is the sum of itemized contributions of \$200 and over from individuals. The contributions may be either monies given directly to the campaign or earmarked through another political committee or they may be in-kind contributions of services, goods or property. The source is Line 11a of Schedule H. Two cautions regarding this information should be reiterated. First, information on party and non-party committee contributions is taken from the reports of those committees while other receipt information is taken from campaign

committee reports.

Second, patterns for reporting of candidate loan and contribution activity vary across campaigns. As a result, some loans made or guaranteed by the candidate and later converted to contributions will appear in both the loan and contribution columns. As such, each column is an accurate representation of the particular form of activity (contributions and loans) but the sum of the two may artificially inflate overall candidate support.

TABLE G - REPORTED NON-PARTY CONTRIBUTIONS TO CAMPAIGNS BY OFFICE AND TYPE OF CAMPAIGN

The Table displays 1989-90 non-party political committee contributions to candidates for U.S. Senate or U.S. Representative in 1989 or 1990 elections. The non-party committees are grouped by Special Interest Group classification; i.e., committees connected to corporations, to labor organizations, to trade, membership, and health organizations, to cooperatives, to corporations without stock, and to committees with no connected organization.

Campaign types are defined on pp. xii.

TABLE H - REPORTED CONTRIBUTIONS TO CAMPAIGNS BY OFFICE AND CONTRIBUTIONS

AMOUNT

CAMPAIGNS:

TABLE H provides information on 1989-1990 financial assistance to the campaigns of individuals who have registered under the Federal Election Campaign Act as 1989 or 1990 candidates for the Federal offices of U.S. Senator or U.S. Representative. (Note that some of this assistance may have been to individuals who may not be statutory "candidates" under the 1979 Amendments to the Act, e.g., an individual seeking nomination to Federal office who has not received contributions or made expenditures aggregating in excess of \$5,000.)

CONTRIBUTION AMOUNT:

The "number" portion of the contribution amount columns shows the number of instances where a registered political committee in the group (e.g., Democratic political committees) has contributed to a campaign an amount falling within the dollar range of the particular column (e.g., \$1 - \$249). (Multiple contributions by a committee to the same campaign are summarized and counted as one instance.) The "dollars" portion of the columns gives the total amount of contributions which fall into the particular dollar range. The "percent" segment of the columns is the

proportion which the dollars in a particular dollar range constitute of all contributions made to campaigns by all political committees.

REPORTING ENTITY:

The information in this TABLE has been taken from the reports of party and non-party political committees.

Party political committees are those committees that are part of official party structure at the national, State, or local level, which have registered as political committees under the Federal Election Campaign Act, as amended.

Non-party committees are grouped under the following organization categories: committees connected to corporations; to labor organizations; to trade, membership and health organizations; to cooperatives; and to corporations without stock; committees with no connected organization. (A non-party committee means any committee that has not been authorized by any candidate and is not part of the official party structure at the national, State, or local level, which has registered as a political committee under the Federal Election Campaign Act, as amended.)

TABLE I - EXPENDITURES AND COMMUNICATIONS FOR AND AGAINST CAMPAIGNS (NON-PARTY AND OTHER FILERS)

Table I displays independent expenditure and communication cost activity on behalf of or against candidates for U.S. Senate or U.S. Representative in 1989 or 1990 elections. Independent expenditures are expenditures for communications which are made expressly to advocate the election of a clearly identified candidate but which are not made with the cooperation of, or in consultation with the candidate or his agents or authorized committees. The first column shows expenditures made on behalf of candidates by non-party political committees. The second column shows expenditures on behalf of candidates reported by persons or groups other than political committees. Communication costs include treasury funds spent by corporations, labor unions, and other membership organizations to make internal communications to defined groups of employees or members which advocate the election of clearly identified candidates. The organization is required to report communication costs to the Commission on FEC Form 7 when they exceed \$2,000 per election.

Campaigns are grouped by office sought, candidate status (incumbent, challenger, open seat) and by party.

TABLE J - REPORTED PARTY CONTRIBUTIONS AND EXPENDITURES ON BEHALF OF CAMPAIGNS BY OFFICE AND TYPE OF CAMPAIGN

This table displays contributions and coordinated expenditures to 1989-90 U.S. Senate and U.S. House candidates by major party political committees. Party political committees are those committees that are part of the official party structure at the national, state, or local level, which have registered as political committees under the Federal Election Campaign Act, as amended. Coordinated expenditures are permitted under 2 U.S.C. Section 441a(d). They represent expenditures made by party committees on behalf of identified candidates which can be coordinated with the candidate. These expenditures are limited to \$25,040 for House candidates and two cents times the voting age population of the state plus an adjustment for inflation since 1974 for Senate contests. National and State/local party committees have separate limits for each office.

TABLE K - SELECTED FINANCIAL ACTIVITY OF INDIVIDUAL SENATE AND HOUSE CAMPAIGNS WHICH HAVE TOTAL RECEIPTS OR TOTAL DISBURSEMENTS IN EXCESS OF \$5,000

CAMPAIGNS:

TABLE K provides 1989-90 information on the financial activity of the campaigns of individuals 1) who have registered under the Federal Election Campaign Act as 1989 or 1990 candidates

for the Federal offices of U.S. Senator or U.S. Representative and 2) whose total receipts or total disbursements were in excess of \$5,000.

This TABLE is constructed so that states and territorial units appear in alphabetical order. The final state is called "Special Elections." This term is used to display information on the campaigns for the seven special elections held in 1989 and 1990 to fill vacant Senate or House seats. For the campaigns of individuals who ran only in a special election the full amount of reported 1989-1990 financial activity is given in the "Special Elections" state. There were a number of individuals who were candidates in a special election and who also ran again for the same seat during the regular 1990 election process. For the campaigns of these individuals only that portion of 1989-1990 financial activity which was disclosed on post-special-election and earlier reports is included in the "Special Elections" state, while their remaining activity disclosed on later reports is placed in the normal state where the seat is located.

Within a state or territorial unit, campaigns are ordered by the office contested (Senate, House), by congressional district number, and by party (Democratic, Republican, Other).

The number which appears in

parentheses after the candidate's name is the identification number assigned to the candidate by the Commission. The following terms which have been used to classify campaigns need to be defined.

Democratic - Democratic campaigns are those of members of the 101st Congress who belong to the Democratic caucus or are the campaigns of candidates whose most recent participation in a state's election procedures has been within the candidate-selection process of the Democratic party or who have declared that they are Democrats on their Statement of Candidacy.

Republican - Republican campaigns are categorized in the same fashion.

Other-Party - Other party campaigns are those whose candidates have participated or declared as other than major party standardbearers or those whose candidates' party affiliation cannot be determined.

Incumbent - Incumbent campaigns are those of candidates who have held a Congressional office at any time during the 101st Congress. With respect to the seven special elections in 1989 and 1990 for vacant House seats, post-election receipts and disbursements reported by the winners are included as part of their

incumbent campaigns. Earlier monies reported by these eight campaigns are placed in their open-seat campaigns which appear in the "Special Elections" state.

Challenger - Challenger campaigns are those of candidates who are not incumbent or open-seat candidates.

Open-Seat - Open seat campaigns are those of candidates seeking election during 1989 or 1990 to seats where an incumbent did not seek re-election. With respect to the ten special elections in 1989 and 1990 for vacant House seats, monies received and disbursed by the winners before the election are in their open-seat campaign in the "Special Elections" state. Their post-election activity is to be found in the incumbent campaigns. The same rule has been applied to the funds of those losers of a special election who ran again for the same seat during the regular 1990 election process, i.e., funds received and disbursed before the election are included as part of their open-seat races in the "Special Elections" state, while post-election funds appear in their challenger campaigns.

TOTAL RECEIPTS THROUGH COMMUNICATION COST AGAINST:

These terms have the same meanings as those given above in TABLE A.

NOTES:

Variations in reporting patterns regarding candidate contributions and loan activity require caution in interpreting this data. Any attempt to determine the amount of financial activity of candidates to their own campaigns should involve detailed examination of the records of the campaigns in question. The patterns of reporting differ from campaign to campaign, and efforts to sum contributions by the candidate and candidate loans will produce misleading results.

Congressman Richard Gephardt had a joint fundraising committee. The Gephardt Committee whose name was very similar to the name of the principal campaign committees. (The Gephardt for Congress Committee.) As a result of the similarity, some committees reporting contributions to the campaign may have actually made those contributions to the joint fundraising effort. These contributions would then be divided among all those participating in the joint fundraising.
