SUBJECT: Administrative Termination Referral – Powell for Congress (AT 15-03)

I. INTRODUCTION

We recommend that the Commission, on its own initiative, administratively terminate Powell for Congress (“Committee”), the principal campaign committee of Adam Clayton Powell IV, who lost the 2010 primary election for New York’s 15th Congressional District. The Committee filed a 2012 October Quarterly Report, disclosing \$0.00 in receipts and \$0.00 in disbursements and an ending cash-on-hand balance of \$36,596.33. The Reports Analysis Division (“RAD”) referred the Committee to the Office of General Counsel (“OGC”) for possible administrative termination pursuant to Standard 4 of RAD’s 2013-2014 *Review and Referral Procedures for Authorized Committees*. See Attachment 1. See also 11 C.F.R. § 102.4(a) (containing standards for administrative termination).

II. LEGAL STANDARD FOR ADMINISTRATIVE TERMINATION

The Commission may administratively terminate a political committee’s reporting obligation on its own initiative or upon the committee’s request based on the following eight factors set forth at 11 C.F.R. § 102.4(a):

- (1) The committee’s aggregate reported financial activity in one year is less than \$5,000;
- (2) The committee’s reports disclose no receipt of contributions for the previous year;

- (3) The committee's last report disclosed minimal expenditures;
- (4) The committee's primary purpose for filing its reports has been to disclose outstanding debts and obligations;
- (5) The committee has failed to file reports for the previous year;
- (6) The committee's last report disclosed that the committee's outstanding debts and obligations do not appear to present a possible violation of the prohibitions and limitations of 11 C.F.R. parts 110 and 114;
- (7) The committee's last report disclosed that the committee does not have substantial outstanding accounts receivable; and
- (8) The committee's outstanding debts and obligations exceed the total of the committee's reported cash-on-hand balance.

The Committee satisfies all but one of the factors which apply to it under 11 C.F.R. § 102.4(a). We address these factors and make our recommendation below. Our analysis includes a review of written information provided by the candidate regarding the disposition of the Committee's last reported cash-on-hand.

III. THE COMMISSION SHOULD ADMINISTRATIVELY TERMINATE THE COMMITTEE

A. Factor 8 and the Committee's cash-on-hand

The Committee's 2012 October Quarterly Report, its last filed report, did not disclose any outstanding debts and obligations, but it showed a cash-on-hand balance totaling \$36,596.33. *See* 11 C.F.R. § 102.4(a)(8). OGC contacted the Committee by letter and telephone to inquire about the disposition of its last reported cash-on-hand.¹

The treasurer of the Committee, Debra E. Fields, stated in a phone conversation with OGC that she was no longer treasurer, but that Mark Weinstein is the treasurer.² She said that

¹ *See* Memorandum from Office of General Counsel to Commission: New Proposed Procedure for Contacting Committees in Administrative Termination Referrals, December 8, 2011 (Commission authorized OGC to contact committees whose cash-on-hand balances and debts owed to the committee exceed the committee's total debt and obligations by \$35,000 to determine how the committee disposed of or intended to dispose of the remaining funds prior to making a recommendation to the Commission about a committee's eligibility for administrative termination).

² Mr. Weinstein is the treasurer of the candidate's 2016 committee. Adam Clayton Powell for Congress (C00542761). *See* Statement of Organization, available at http://docquery.fec.gov/pdf/085_13031050085_13031050085.pdf. He was not the treasurer of record of the Committee at issue here.

she would have Mr. Weinstein contact the OGC. Mr. Weinstein never called. After some research, we were able to contact Mr. Weinstein. We informed Mr. Weinstein that the Commission was considering administrative termination of that Committee, and needed to know the disposition of the Committee's cash on hand. Mr. Weinstein indicated the treasurer of the Committee absconded with the cash on hand, [REDACTED].³ Mr. Weinstein agreed to arrange for a statement from the Committee regarding the disposition of the funds, however, he failed to produce this statement at the agreed time. We, therefore, made further attempts to reach Mr. Weinstein again regarding this matter. *See Attachment 2.*

After further attempts to reach Mr. Weinstein were unsuccessful, we conducted further research and were able to leave a message with the candidate. *See Attachment 2.* The candidate, with Mr. Weinstein conferenced into the phone call, then contacted OGC and discussed the matter in detail over the phone. The candidate stated that he confronted the treasurer over the missing funds, and that the treasurer offered to return the funds to the Committee. Shortly after this confrontation, the treasurer disappeared. [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED] The candidate stated that he did not take further action because he planned to participate in a future election and he thought pursuing the matter could be a source of frustration and embarrassment for his candidacy.

Mr. Weinstein and the candidate agreed to provide a written statement regarding the circumstances of the treasurer's actions at an agreed upon time. However, despite follow-up conversations and emails, along with subsequent deadlines, we have not received a written statement. We also looked into the allegations by researching news reports and court filings, and by checking for information regarding the last treasurer of record, but found no information supporting the allegation.⁴

Given the Commission resources already expended in this matter in attempts to contact the candidate and Committee, and the amount of the cash on hand, we do not believe it would be an efficient use of Commission resources to determine how the Committee disposed of the remaining cash-on-hand. *See Attachment 2.*

³ The Committee has had two different treasurers of record, and according to the candidate, Ms. Fields was not the treasurer that Mr. Weinstein and the candidate were referencing regarding the disappearance of the cash-on-hand. Ms. Fields was the last treasurer to appear on the Committee's amended statements of organization. *See Statement of Organization received by FEC on July 26, 2010, available at http://docquery.fec.gov/pdf/477_10030393477_10030393477.pdf.*

⁴ OGC is not suggesting that the allegation is false, but only that we could not find anything to support it.
[REDACTED]

B. The Committee satisfies factors 1, 3, 5 and 7

We do, however, have enough information to analyze the remaining factors that apply to the Committee. The Committee satisfies factor one because its last report disclosed no financial activity. *See* 11 C.F.R. § 102.4(a)(1). The Committee satisfies factor three because its last report disclosed no expenditures. *See* 11 C.F.R. § 102.4(a)(3). The committee satisfies factor five because it failed to file disclosure reports for the previous year (and in fact failed to file for over three years). *See* 11 C.F.R. § 102.4(a)(5). The Committee also satisfies factor seven because the Committee's last report disclosed that it did not have any outstanding accounts receivable. *See* 11 C.F.R. § 102.4(a)(7).

C. Factors 2, 4, and 6 do not apply to the Committee

Factor two does not apply since the Committee did not file any disclosure reports for the previous year. *See* 11 C.F.R. § 102.4(a)(2). Additionally, factors four and six do not apply since the Committee's last filed report indicated that it did not have any outstanding debts or obligations. *See* 11 C.F.R. § 102.4(a)(4) and (6).

IV. RECOMMENDATION

We recommend that the Commission administratively terminate Powell for Congress.
