Subject: RE: CWA - COPE PCC Reminder to Respond to DFAR
Date: Friday, March 17, 2023 10:59:53 AM

Mr. Carrell,

The Committee has received and reviewed the Draft Final Audit Report (DFAR) and is in the process of preparing a brief response. However, the Committee is still having difficulty submitting the updated occupation and name of employer information for the 16,798 contributions totaling \$597,808 for which it has obtained that information. The Committee initially prepared to disclose the information on Form 99, but the limited technical capabilities of the Form 99 filing system would have resulted in the Committee's having to file dozens of Forms. We are still hopeful that RAD can assist the Committee in filing the information on Form 99 and are working to find a way to do so. For that reason, we request a two-week extension of the Committee's time to respond to the DFAR, until April 3, 2023. If the Committee is not able to disclose the information via Form 99 by that time, our response will explain the alternative means by which the Committee will disclose the required information (if it has not already done so).

Thank you for your consideration.

Sincerely,

Renata Strause
