Danita Alberico  JS for DA
Attorney

SUBJECT: Debt Settlement Plan #23-01
Americans for Decency and Democracy (C00756635)

Americans for Decency and Democracy (“Committee”) has submitted a debt settlement plan (“DSP” or “plan”) for Commission approval. The DSP discloses that the Committee has no cash on hand, owes a total of $50,000 to one creditor, and has offered that creditor a settlement of $0. Attachment at 3. The $50,000 debt represents approximately 6% of the cost of services provided by the creditor to the Committee, as the Committee repaid nearly $800,000 to the creditor for services rendered in 2020 and 2021. We recommend the Commission approve the debt settlement plan because it satisfies the regulatory factors the Commission considers in evaluating such plans.

I. THE COMMISSION SHOULD APPROVE THE COMMITTEE’S DEBT SETTLEMENT PLAN

A. The Debt Settlement Plan Meets the Six Factors Under Section 116.7

See Attachment. The Committee filed an incomplete DSP on May 2, 2023. Attachment at 10-14. The Committee’s Amended DSP, which is the subject of this memorandum, was filed on August 7, 2023. Attachment at 3-7.
The Commission reviews debt settlement plans to ensure that neither excessive nor prohibited contributions result from the creation and settlement of a committee’s debts. Debts Owed by Candidates and Political Committees, 55 Fed. Reg. 26,378 (June 27, 1990). The Commission considers six factors in evaluating debt settlement plans: (1) information provided by the Committee and its creditors; (2) the amount of each debt that remains unpaid and the length of time each debt has been overdue; (3) the amount and percentage of each debt that would be forgiven under the plan; (4) the total amount of debts and obligations owed by the terminating committee to all creditors, compared to the total amount of cash on hand and other amounts available to pay those debts and obligations; (5) the year-to-date expenditures and receipts of the terminating committee; and (6) whether the total percentage that was or will be repaid on any loans made by the candidate to the terminating committee is comparable to the total percentage that was or will be paid to other creditors. 11 C.F.R. § 116.7(f)(1)-(6).

Application of the Six Factors.

With respect to the first factor, the Committee must submit information that supports the plan. 11 C.F.R. § 116.7(f)(1); see also id. § 116.7(e) (listing required information). The supporting information must include information about the origination and satisfaction of the debt, including 1) the terms of the initial extension of credit, 2) the candidate’s or the committee’s efforts to satisfy the debts, and 3) the creditor’s use of remedies to satisfy the debt. Id. § 116.7(e)(1)(i)-(iii).

The Committee submitted information in support of the DSP. The plan discloses that the Committee owes $50,000 to Rally Campaigns for consulting services in 2020. Rally Campaigns represents that it extended credit based on the Committee’s agreement to pay the consulting fee when it became active in the 2022 elections. Rally Campaigns agreed to delay payment from the Committee, without penalty, but states that it continued to ask the Committee’s fundraiser to fundraise to settle the debt. Attachment at 6. Rally Campaigns states that it did not contact the Committee to collect the debt because the Committee did not become active in the 2022 election year, and it was aware that the Committee had not raised funds. Id.; 11 C.F.R. § 116.7(e)(1)(ii)-(iii).

Rally Campaigns’ representative signed the plan on August 1, 2023, stating that Rally Campaigns’ extension of credit to the Committee was in conformity to the usual and normal practice in its trade or industry, affirming that it does not have any political or non-political debtors with which to compare its debt collection efforts or the debt settlement terms it extended to the Committee, and acknowledging that it accepted the Committee’s settlement offer of $0. Attachment at 7; 11 C.F.R. § 116.7(e)(2).

With respect to the second and third factors, the debt totaling $50,000 was incurred on December 16, 2020. This debt remains unpaid. Under the plan, the Committee would not pay any amount to Rally Campaigns in settlement of the debt. The proposed settlement would thus result in Rally Campaigns forgiving 100% of the debt. 11 C.F.R. § 116.7(f)(2)-(3). The $50,000 debt represents approximately 6% of the cost of services provided by Rally Campaigns to the
Committee, based on the Committee’s reported payments of $792,534.24 to Rally Campaigns in 2020 and 2021.²

Analysis of the fourth factor shows that the total amount of the Committee’s debt of $50,000 exceeds its available cash on hand, which was $0 as of June 30, 2023, and that the Committee has no remaining assets to liquidate.

The Committee’s ability to pay its debt to Rally Campaigns Strategies is limited by the funds available to it or funds the Committee may be able to raise. The plan discloses that the Committee planned to repay the debt once it became active in the 2022 election year. Attachment at 5. The Committee did not become active in the 2022 election year and has reported raising only one contribution since December 13, 2021, totaling $7,361.17 on March 28, 2023.³ Because the Committee is not active, has received only one contribution in nearly two years, and has no other funds, we conclude that the Committee is unlikely to be able to pay the debt.

For the fifth factor, the DSP discloses the Committee’s 2023 year-to-date receipts total as $7,361.14, and its year-to-date disbursements total as $7,454.38.⁴

The sixth and final factor involves comparing the total percentage of any loans that were or will be repaid to the candidate with the total percentage that was or will be repaid to other creditors. 11 C.F.R. § 116.7(f)(6). Because the Committee is an independent expenditure-only committee, there are no candidate loans in the debt settlement plan.

² The Committee reported 18 payments to Rally Campaigns in 2020 and 2021 totaling $792,534.24 for “digital ads,” “billboards,” “digital billboards,” and “logo, website, and consulting.” See FEC Disbursements: Filtered Results, https://www.fec.gov/data/independent-expenditures/?data_type=processed&q_spender=C00756635&is_notice=false&most_recent=true&payee_name=rally+campaigns (last visited Oct. 29, 2023) (reflecting Committee payments to Rally Campaigns). Thus, the Committee has paid approximately 94% of its total financial obligation to Rally Campaigns. If the Commission approves the plan, Rally Campaigns will ultimately forgive approximately 6% of the Committee’s total financial obligation.

³ See Attachment at 22 (Americans for Decency and Democracy, 2023 Mid-Year Report, FEC Form 3X at 6 (July 28, 2023) (“2023 Mid-Year Report”)).

⁴ See id. at 3 (Amended DSP); 11 C.F.R. § 116.7(f)(5). These amounts match those on the Committee’s most recent report, which reports that the Committee disbursed funds to pay in full debts to another vendor, Deane & Company, for reporting services. See Attachment at 18, 23-32 (2023 Mid-Year Report at 2).

The Commission’s debt settlement regulations do not require that a terminating committee settle its debts with all of its creditors in comparable percentage terms nor do the regulations require that a terminating committee pay a specific settlement amount. The Commission has previously approved debt settlement plans in which committees proposed 100% debt forgiveness for creditors. In Jim Gilmore for President, DSP #10-01, the terminating committee proposed 100% debt settlement with three creditors, in amounts ranging between $5,000.00 and $29,000.00. In Ferraro for U.S. Senate, DSP # 01-02, the terminating committee proposed such settlements with five creditors in amounts ranging from $15,000.00 to $100,000.00. Also, in Jim Gilmore for President, DSP #10-01, the terminating committee proposed settlements with its different creditors in percentage amounts ranging from 53% to 100% of the debt, depending on the individual creditor.
B. The Debt Settlement Plan Does Not Result in An Excessive Contribution to The Committee

We conclude that the foregoing factors weigh in favor of approving the debt settlement plan. 11 C.F.R. § 116.7(f). The information the Committee provided demonstrates that the debt owed to Rally Campaigns will be settled under the terms of the debt settlement plan, that the creditor agrees to the terms of the settlement, and that there will be no residual funds. Because the requirements for the debt settlement plan have been met, we conclude that the debt settlement with Rally Campaigns would not result in an excessive contribution from that creditor to the Committee. Id.; see Debts Owed by Candidates and Political Committees, 55 Fed. Reg. at 26,378. Accordingly, we recommend that the Commission approve the debt settlement plan.

II. RECOMMENDATIONS

1. Approve the debt settlement plan filed by Americans for Decency and Democracy;
2. Approve the appropriate letter; and
3. Close the file.

SUBJECT: Referral of Americans for Decency and Democracy – Debt Settlement Plan

Attached is the Amended debt settlement plan (DSP) filed by Americans for Decency and Democracy (C00756635) on August 7, 20231, along with other supporting documents relating to this matter in accordance with 11 C.F.R. §116.7.

The total amount of non-candidate debt currently owed by the Committee as disclosed on the 2023 Mid-Year Report filed on July 28, 2023 and requested for settlement in Part II of the DSP is $50,000.002. According to the 2023-2024 RAD Review and Referral Procedures (Standard 19), all DSPs seeking to settle an individual debt greater than $50,000 or combined debts greater than $100,000 require further examination by your office.

---

1 The Committee filed the original DSP on May 2, 2023. The Reports Analysis Division sent an RFAL for the Debt Settlement Plan (MS-C) on July 2, 2023, which requested additional information related to the DSP. The Amended DSP filed on August 7, 2023, adequately addressed the issues questioned in the MS-C.

2On July 28, 2023, the Committee filed the 2023 Mid-Year Report which disclosed $6,076.19 in payments to Deane & Company.
All the information provided by the Committee within the DSP has been reviewed. At this time, the Committee is otherwise eligible for termination. Copies of any reports or letters either filed by the Committee or sent by RAD and referenced in this referral are available for your review on the FEC website. If you have any questions regarding this referral, please contact Jackie Gausepohl at 694-1277 or Kristin Roser at 694-1153.

F. LIST EFFORTS MADE BY THE COMMITTEE TO PAY THE DEBT ▼

The committee did not raise enough funds during the 2020 election to pay this debt. The plan was to pay the balance owed once the committee became active in the 2022 election year. The committee did not end up becoming active and they were not able to raise enough funds to pay off the consulting cost. The committee did pay the reimbursements owed to the vendor, but were not able to pay the remaining consulting fees.

A. List terms of the initial extension of credit and nature of the debt ▶  
I charged the committee these fees in conjunction with my role as a consultant for this PAC. The committee was going to become active in the 2022 elections and I agreed to forego payment until that time. The committee was not able to raise funds for the 2022 election year, did not become active, and is now terminating. We do not have any other debtors, political or non-political. We continued to ask the primary fundraiser of the committee, Matt Cheney, to fundraise to settle the debt and he was not able to do so.  

Were the terms under which credit was extended to the committee similar to those under which the creditor extended credit to non-political debtors of similar risk and obligation size? ▶ No ▶ Yes ▶  

Describe the terms of credit extension by the creditor to non-political debtors of similar risk and obligation size ▶  
My role was as a campaign consultant and thus I do not have non-political debtors with which to compare this situation. The original charge was for $50,000 for strategic consulting services. The committee spent all of its funds on voter communication and did not raise funds to pay the entirety of the consulting fee. In order to ensure other vendors were paid, we agreed to delay the payment, without penalty, until the committee was able to raise funds to cover the fee.  

B. Did the creditor agree to provide the committee additional time to pay beyond the original due date(s)? ▶ No ▶ Yes ▶  
If yes, list the terms of any additional payment agreement(s) ▶  
Due to the activity in which the committee was engaged, I often provided them extra time to pay my invoices so that they could pay for political activity rather than my invoices. As disclosed above, the committee was to pay my outstanding invoices once they became active in the 2022 elections.  

C. If the creditor is a commercial vendor, does the creditor’s usual and normal business involve providing the same type(s) of goods or services that it provided to the committee? ▶ No ▶ Yes ▶  

D. List steps by the creditor to collect the debt ▶  
As disclosed above, the agreement was that I would be paid when the committee raised funds. I did not contact them to collect as I was aware they had not raised funds.
