STATEMENT OF REASONS OF COMMISSIONERS ALLEN J. DICKERSON, DARA LINDENBAUM AND JAMES E. “TREY” TRAINOR, III

I. INTRODUCTION

This matter arises from a request for consideration of a legal question (“Request”) during an audit of Madison Project, Inc. (“Committee”), a non-connected political committee.¹ The Request challenges the legal basis for the Audit Division’s proposed finding of “Reporting of Apparent Independent Expenditures,” which took the position that a series of the Committee’s fundraising mailers constituted misreported independent expenditures.² Specifically, the Request argues that the Commission should follow the recent rejection of a similar proposed audit finding in the audit of the Mississippi Republican Party.³ The Request further argues that the action requested in the solicitations is to contribute money to the committee, as opposed to an electoral exhortation. Finally, the Request argues that for those solicitations that clearly identify a congressional candidate, the majority of the solicitations were sent outside of the candidate’s jurisdiction and thus it would be a factual impossibility for the recipient of that mailer to vote for the clearly identified candidate. The Office of General Counsel (“OGC”) recommended that the Commission reject the Committee’s arguments and include the fundraising solicitations in the Audit Division’s proposed finding.⁴ We disagreed with OGC and, therefore, voted to reject OGC’s recommendation.⁵

II. FACTUAL BACKGROUND

At issue are 26 fundraising solicitations that the Committee mass mailed to potential supporters and are attached to this Statement for reference. Interspersed with requests for donations to the Committee, the letters also describe the Committee's activities as supporting certain Republican candidates and opposing Democrats. The letters broadly fall into four categories: (1) one letter postdates the relevant election and describes the Committee's support for victorious candidates for the U.S. House of Representatives ("House") in the 2020 election;⁶ (2) letters describing the Committee's support of House candidates in an upcoming election;⁷ (3) letters describing the Committee's support of U.S. Senate candidates in an upcoming election;⁸ (4) letters describing the Committee's support of Donald Trump for the 2020 presidential election.⁹ Letters in each of the latter three categories, while containing small differences, largely follow the same format and contain the same language.

III. LEGAL ANALYSIS

The term "independent expenditure" is defined as "an expenditure by a person . . . expressly advocating the election or defeat of a clearly identified candidate" and "that is not made in . . . cooperation with . . . [the] candidate, the candidate's authorized political committee, or their agents, or a political party committee or its agents."¹⁰ "[E]xpressly advocating" is also a defined term with two categories. Sub-section (a), the so-called "magic words" section of the definition, lists specific examples of express advocacy.¹¹ Absent "magic words," the communication still expressly advocates under sub-section (b) if:

When taken as a whole and with limited reference to external events, such as the proximity to the election, could only be interpreted by a reasonable person as containing advocacy of the election or defeat of one or more clearly identified candidate(s) because—

- (1) The electoral portion of the communication is unmistakable, unambiguous, and suggestive of only one meaning; and
- (2) Reasonable minds could not differ as to whether it encourages actions to elect or defeat one or more clearly identified candidate(s) or encourages some other kind of action.¹²

⁶ Attachment 1, Letter from Jim Ryun to Mrs. H.S. Pedro (Dec. 30, 2022). Although only one letter postdates the election, several other letters are undated and thus could fall into this category.

⁷ Attachment 2. Thirteen letters follow this format.

⁸ Attachment 3. Eight letters follow this format.

⁹ Attachment 4. Four letters follow this format.

¹⁰ 52 U.S.C. § 30101(17); *accord* 11 C.F.R. § 100.16(a).

¹¹ 11 C.F.R. § 100.22(a) (listing, for example, "vote for the President," "Smith for Congress," and "support the Democratic nominee").

¹² 11 C.F.R. § 100.22(b).

The Commission’s Explanation and Justification pertaining to express advocacy, citing at length to *FEC v. Furgatch*,¹³ states that the “subjective intent of the speaker is not a relevant consideration” and that “exhortations to contribute time or money to a candidate would also fall within the revised definition of express advocacy.”¹⁴ The *Furgatch* Court held that “[a] proper understanding of the speaker’s message can best be obtained by considering speech as a whole . . . a stray comment viewed in isolation may suggest an idea that is only peripheral to the primary purpose of speech as a whole.”¹⁵

Unfortunately, when it comes to analysis of express advocacy, the Commission has not applied the same analytic rigor in audits as it has in other matters before the Commission. For example, in advisory opinions and enforcement matters, the Commission analyzes the text of each communication for express advocacy.¹⁶ By contrast, in audits, the Commission makes a conclusory audit finding for misreporting independent expenditures, but does not explain the legal basis for finding express advocacy in any given communication.¹⁷ If the Commission splits on a finding, the Commission typically gives an unhelpful threadbare explanation of the legal disagreement to comply with Directive 70.¹⁸ While each audit file contains OGC’s legal analysis, OGC does not speak for the Commission, and these memoranda do not consistently analyze the text of individual communications for express advocacy.¹⁹

¹⁷ See OGC Memorandum Request for Consideration of Legal Questions Submitted by the Madison Project, Inc. at 3-4 nn. 9-11 (Jan. 26, 2023) (collecting matters). Indeed, in some audits, the Commission has made audit findings without legal analysis even when the committee expressly challenged the proposed finding, albeit not in a formal request for consideration of a legal issue. See, e.g., Final Audit Report of the Commission on the TeaPartyExpress.org, Finding 3 (Jan. 23, 2017); TeaPartyExpress.org Response to the Draft Final Audit Report at 1 (Sept. 5, 2016) (unrepresented committee stated: “The Fundraising solicitations of the committee were not electioneering; they were fundraising for the committee’s activities.”); Final Audit Report of the Commission on Freedom’s Defense Fund, Finding 3 (Dec. 14, 2017); Freedom’s Defense Fund Response to the Interim Audit Report at 7 (June 26, 2017) (unrepresented committee stated that “these expenditures have been properly reported as solicitation expenses”).

¹⁸ See, e.g., Final Audit Report of the Commission on the Republican Party of Minnesota – Federal at 36 (Feb. 11, 2022) (stating that the Commission “did not discuss this issue”); Final Audit Report of the Commission on the Mississippi Republican Party at 17 (Apr. 16, 2021) (stating that the Commissioners who did not vote to adopt the Audit Division’s proposed finding “did not consider a solicitation to be an independent expenditure, given the nature of how state parties fundraise and solicit funds”); see also Directive 70, FEC Directive on Processing Audit Reports at 4 (May 4, 2023) (setting forth requirements in the Final Audit Report for “Additional Issues” – *i.e.*, split votes on proposed audit findings). The Commission does not publish the text of the communications, further obscuring the decision-making process.

¹⁹ See, e.g., OGC Memorandum on Interim Audit Report on Republican Party of Minnesota (Mar. 17, 2021) (conclusory statements that express advocacy exists or does not exist with citations to communications that are not publicly available); OGC Memorandum on Proposed Draft Final Audit Report on the Freedom’s Defense Fund at 2

The Commission has addressed the identical legal issue presented in this matter – whether fundraising solicitations constitute independent expenditures – no less than ten times in the past dozen years, and the paucity of legal analysis provides no more guidance for this audit than if we were deciding the issue as one of first impression. This absence of legal analysis does a disservice not only to Commissioners who lack the aid of precedent in deciding similar matters, but also to the regulated community who lack guidance on how to correctly report their solicitations and avoid being audited in the first place. Unsurprisingly, the Commission has come to inconsistent results. Over the past decade, the Commission has made audit findings in six matters,²⁰ while four matters have split and the Commission has not made the proposed audit finding.²¹ To the extent any pattern emerges, it is that sophisticated committees who briefed the legal issue prevailed, while the Commission made audit findings against those committees – often unrepresented by legal counsel – who did not contest the issue.²²

(May 8, 2017) (concluding that solicitations *can* be independent expenditures, but not analyzing the text of any solicitation); OGC Memorandum on the Interim Audit Report on the Conservative Campaign Committee (Nov. 25, 2015) (not analyzing the text of any individual communication). *But see* OGC Memorandum on the Draft Final Audit Report on the Mississippi Republican Party at 4-6 (Oct. 2, 2019) (including a chart of quotes from the solicitations along with OGC’s express advocacy analysis of each); OGC Memorandum on the Interim Audit Report on National Campaign Fund, Attachment (Nov. 10, 2011) (same); OGC Memorandum on the Interim Audit Report on the Legacy Political Action Committee (May 4, 2011) (same).

(Apr. 7, 2011) (splitting 3-3 on recommendation to include cost of fundraising communications in independent expenditure finding, which was the subject of a Request for Consideration of a Legal Question that also split 3-3); Final Audit Report on Rightmarch.com PAC, Inc., at 13-18 (Feb. 26, 2013) (identifying independent expenditure reporting as an additional issue).

²² Even this pattern, however, has exceptions. Compare Amended Certification, ADR 1083 Request for Consideration of a Legal Question by 21st Century Democrats (Apr. 9, 2021) (successfully challenging the proposed audit finding in a formal request for consideration of a legal issue); Certification, Audit Division Recommendation Memorandum on the Mississippi Republican Party (Feb. 11, 2021) (successfully challenging the proposed audit finding in its response to the Draft Final Audit Report); Certification, LRA 842, Rightmarch.com PAC, Inc. (Apr. 7, 2011) (successfully challenging the proposed audit finding in a formal request for consideration of a legal issue), *with* Certification, Audit Division Recommendation on the TeaPartyExpress.org (Nov. 3, 2016) (unrepresented committee challenging proposed audit finding by conclusory statements in its response to the Draft Final Audit

As noted above, the Commission has explained that solicitations may constitute independent expenditures.²³ For instance, a committee cannot avoid the definition of independent expenditure merely by including a “donate now” button on a communication. But this does not answer the foundational question of whether the solicitations in this matter contain express advocacy in the first place. OGC does not analyze any individual mailer for express advocacy despite the Request expressly arguing that the solicitations do not contain an electoral exhortation, but instead merely request contributions to the Committee.²⁴

After carefully reviewing the text of each solicitation, none meet the definition of express advocacy. The mailer in the first category presents the easiest analysis.²⁵ The December 30, 2020 letter postdates the general election by more than a month and only discusses the previous election.²⁶ The letter does not (indeed cannot) encourage the reader to vote a certain way because the election had already occurred. There is no plausible argument that this letter contains express advocacy.

The second category of mailers, which clearly identify House candidates, also does not contain express advocacy. For example, while the May 27, 2020 letter clearly identifies four congressional candidates that are the “caliber” of candidates that the Committee supports, the call to action is to financially support the Committee, not to vote for or against those clearly identified candidates.²⁷ Although the letter informs the reader that it will spend donations for “door-knockers” and “setting up phone banks,” which could contain express advocacy in their own right, the letter itself does not urge the reader to vote a certain way, but rather urges the reader to give money to the Committee.²⁸ Although the Commission has explained that “exhortations to contribute time or money to a candidate” constitute express advocacy,²⁹ the

Report). *But see* Legacy Committee PAC Response to the Interim Audit Report (Oct. 19, 2011) (unsuccessfully briefing the legal issue of whether the solicitations constituted independent expenditures).

²³ Express Advocacy E&J, 60 Fed. Reg. at 35,294-95.

²⁴ *See* Email from Donald F. McGahn II to LegalRequestProgram (Dec. 27, 2022) (attaching Committee Exit Conf. Resp. at 3 (Dec. 5, 2022) (arguing that “the action encouraged [in the mailers] is clear: Contribute money”).

²⁵ *See* Attachment 1.

²⁶ *See* Attachment 1 at 2-3, Letter from Jim Ryun to Mrs. H.S. Pedro (Dec. 30, 2022) (“Republicans won all 27 races that the so-called experts labeled as ‘toss ups.’ This included several top-tier conservatives our Madison Project was proud to support thanks to your generous contribution . . .”).

²⁷ Attachment 2 at 1-9, Letter from Jim Ryun to Fellow Conservative (May 27, 2020).

²⁸ *See Furgatch*, 807 F.2d at 864 (“[S]peech may only be termed ‘advocacy’ if it presents a clear plea for action, and thus speech that is merely informative is not covered by the Act.”).

²⁹ Express Advocacy E&J, 60 Fed. Reg. at 35,294 (“Please note that exhortations to contribute time or money to a candidate would also fall within the revised definition of express advocacy. The expressions enumerated in *Buckley* included ‘support,’ a term that encompasses a variety of activities beyond voting.”).

exhortation to contribute time or money here is to the Committee, a non-connected PAC, not a candidate.³⁰

The third and fourth categories of letters referencing candidates for U.S. Senate and Trump inch closer to the line of express advocacy but ultimately fall short. The November 8, 2019 letter asks for the reader to “help” and “support” the Committee elect two Senate candidates.³¹ Similarly, the July 15, 2020 letter asks the reader to help the Committee give Trump four more years.³² But the help requested is not to vote for the candidates, to donate to the candidates directly, or to volunteer for their races, but to give money to the Committee. For example, the November 8, 2012 letter states: “To win their races, defeat 2 anti-Trump Democrats, and bring 2 more conservatives to Washington who will fight shoulder-to-shoulder alongside President Trump to Keep America Great these 2 top-tier candidates need your support now more than ever.”³³ But read in context, the support the letter asks for is not to “support” those candidates directly, but to contribute money to the Committee. In another example, the July 15, 2020 letter states “Yes! You can count on me to support your campaign to re-elect President Trump for four more years. To help fund all your efforts to remind voters of all the great wins we’ve enjoyed under President Trump’s leadership, I’m rushing back my most generous contribution”³⁴ While the phrase “re-elect President Trump” read in isolation would constitute express advocacy under 100.22(a), when read in the context of the communication as a whole, the purpose of the statement is to solicit contributions and inform the potential donor how the Committee might spend the funds it receives. The letters do not expressly advocate for Trump or the Senate candidates, but rather ask for financial support for the Committee who, the letter informs, is an organization that supports conservative candidates.³⁵

³⁰ Given the analysis above, it is unnecessary to address the Committee’s argument that the mailers cannot expressly advocate because most of the letters were delivered outside of the electoral district of the relevant House candidate.

³¹ See Attachment 3 at 1-9, Letter from Jim Ryun to My Fellow Conservative (Nov. 8, 2019).

³² See Attachment 4 at 1-9, Letter from Jim Ryun to Fellow Conservative (July 15, 2020).

³³ Attachment 3 at 2-3.

³⁴ Attachment 4 at 6.

³⁵ See *Furgatch*, 807 F.2d at 864 (express advocacy requires “a clear plea for action, and thus speech that is merely informative is not covered by the Act”).

In sum, reading each communication as a whole and in context, the communications do not urge the election or defeat of a candidate, but rather urge the reader to contribute to the Committee. Therefore, we voted to reject OGC's recommendation to include these communications in the proposed audit finding.³⁶

Presidential Medal of Freedom Recipient

December 30, 2020

Dear Mrs. Pedro,

I'm not in the habit of sending a **\$2 bill** in the mail like this.

Gosh, most days I don't even see a **\$2 bill**.

But today I took the drastic step of sending you this special **\$2 bill** because I had to make sure I got your attention.

As I know you'd agree, our Founding Fathers would be appalled by what today's Democrats have planned for us in 2021.

Today they are really progressive socialists who desperately want to rewrite our history, shutdown our economy, and take away our freedoms.

Mrs. Pedro, with the New Year upon us... it's up to us to stop Nancy Pelosi's Democrats from destroying our great country.

That's why I'm asking you to use the enclosed **URGENT REPLY ENVELOPE** to get back to me in the next 48 hours.

I've even placed a brand-new **FIRST CLASS STAMP** on it so you don't have to.

Mrs. Pedro, as you may know despite all the odds staked against us we narrowed Nancy Pelosi's majority to single digits.

In fact, Republicans won all 27 races that the

so-called experts labeled as "toss ups."

This included several top-tier conservatives our Madison Project was proud to support thanks to your generous contribution:

- *** **REP. ASHLEY HINSON (IOWA-1)** Ashley was a conservative Iowa House representative, a former award-winning journalist and a proud mom. In the State House, Ashley has worked successfully to balance the budget, cut taxes and protect the right to life.

- *** **REP. MICHELLE FISCHBACH (MINNESOTA-7)** Michelle's a proven conservative leader. She recently served as the 49th Lieutenant Governor of Minnesota and before that she served in the State Senate where she earned a strong 100% pro-life and pro-gun owner record.

- *** **REP. TOM TIFFANY (WISCONSIN-7)** Tom's been a successful small business owner. As a State Senator he cut taxes by more than \$13 billion, defended the lives of the unborn, and ensured our 2nd Amendment rights were protected.

I could tell you about countless more conservatives like these, but with lots of battles ahead of us in 2021 I'll keep it brief.

Knowing the kind of passionate conservative you are, Mrs. Pedro, I hope you'll stick with us as we work to put America first in 2021 and lay the groundwork needed to take back the House in 2022.

You see, for conservatives to takeback control of Congress in the midterms they'll need your help earlier than ever.

Thanks to friends like you, Mrs. Pedro, our Madison Project was there in past elections when the GOP

Establishment abandoned us conservatives.

Two of our biggest success stories are Senators **Ted Cruz** (R-TX) and **Mike Lee** (R-UT). After his epic come-from-behind primary victory, Ted Cruz declared:

"Madison Project jump-started my campaign and gave me the critical momentum I needed to win."

Mrs. Pedro, we need conservative leaders in Washington like Ted Cruz and Mike Lee.

Not more "Republicans-In-Name-Only" who cave in and vote with Democrats, like Mitt Romney.

It turns my stomach to think what our Founder Fathers would say if they could see such weak-kneed leaders in Congress today.

They risked their lives because they wanted liberty to reign for generations.

NOT to have career Washington politicians, like Speaker Pelosi push for tyrannical socialist policies.

Our Founding Fathers took a stand when others wouldn't.

Now it's your turn.

You and I must save America.

And that's why we need to be there for the patriots fighting for us today.

That's why I'm asking you to rush back your **\$2 bill** along with your urgent contribution of \$200.

Now I realize that since **\$2 bills** are rare now a days you might like to hold onto yours, and perhaps show it to your children or grandchildren.

If you do, that's definitely alright by me. I'm a grandfather myself and I love to share stories and lessons

from America's rich history with all my grandchildren.

Your most generous \$200 contribution will be put to good use immediately to help fight to stop Pelosi's Democrats from destroying America.

Mrs. Pedro, I know times are tough right now.

But today is the day to invest in America's future.

So if \$200 is more than you can afford to send in right now I hope you'll consider sending \$150 or at least another \$100.

The key is that I receive it in the next **48 hours**.

So please, do not delay, use your enclosed **FIRST CLASS STAMPED URGENT REPLY ENVELOPE** to send in your very best contribution to help stop Nancy Pelosi's radical Democrats.

God Bless,

Congressman Jim Ryun (ret.)
Madison Project Chairman

P.S. Mrs. Pedro, Nancy Pelosi's Democrats must be defeated. We are within striking distance of taking back control of Congress.

Now as we enter 2021 and look toward the battles ahead, I hope I can count on you to stick by my side with a very special contribution of \$200 to help put America first and lay the groundwork needed to take back the House in 2022.

Nancy Pelosi's Democrats stole from us.

Madison Project Chairman

Dear Fellow Conservative,

I need your help to win back 30 Republican-held seats Nancy Pelosi's Democrats stole from us.

Sign and return your **WIN BACK THE HOUSE** reply form using the TRIPLE-STAMPED-ENVELOPE I've sent you today.

During the 2018 midterm election, 30 Democrats snuck into the House by a total of just 57,000 votes. That's ONLY 1% of the vote!

These were razor-thin margins in reliably red districts.

President Trump won these same districts in 2016 and with your help we can turn them back into red districts again in 2020.

With all that's going on right now in Congress --- never ending attacks on President Trump, pointless investigations, and baseless impeachment --- we conservatives must mount a comeback.

"IF WE DON'T IMPEACH THE PRESIDENT, HE WILL GET RE-ELECTED."

Those were the exact words of liberal Congressman Al Green and it really sums up what Pelosi's Democrats are all about...

...they hate President Trump so much that facts don't matter.

Nancy Pelosi, Adam Schiff, Jerry Nadler and the rest of the "IMPEACH TRUMP" gang have turned Congress into a complete circus.

Today with your help I want to turn things around, win back 30 seats, and regain a Republican majority in the House.

My name is Jim Ryun and I'm the Chairman of Madison Project.

As a former Olympic Athlete and a five-term member of Congress I know what it takes to win. Hard work and devotion propelled me to 3 Olympic appearances, world records in the mile, and 5 elections to the U.S. House of Representatives.

With the right caliber of candidates, the right game plan and the right resources...

We will take the Speaker's gavel away from Nancy Pelosi.

We will flip 30 very winnable seats.

And we will **WIN BACK THE HOUSE** in 2020.

So please, sign your **WIN BACK THE HOUSE** reply form and rush it back to me in the enclosed **TRIPLE-STAMPED-ENVELOPE** today.

At the start of every race, Madison Project looks for the brightest and best conservatives running for office.

Solid pro-life, pro-gun owner, and pro-taxpayer Republicans.

Our first four endorsed "**RIGHT CALIBER OF CANDIDATES**" running for the U.S. House of Representatives in 2020 include:

****** DAVID HILL (OKLAHOMA-5)**

David is a dedicated father, a successful businessman, and a conservative outsider who won't go along to get along. He's not a career politician. He's a fixer, a tough negotiator, and a leader.

President Trump won this district by 13 points in 2016 and with your help top-tier contender David Hill will win it for conservatives in November 2020.

****** MICHELLE FISCHBACH (MINNESOTA-7)**

Michelle is a proven conservative leader. She recently served as the 49th Lieutenant Governor of Minnesota and before that she served in the State Senate where she earned a strong 100% pro-life and pro-gun owner record.

President Trump won this district by 31 points in 2016 and with your help Lt. Gov. Fischbach will win it for conservatives in November 2020.

****** TOM TIFFANY (WISCONSIN-7)**

Tom's a successful small business owner and current State Senator. He's worked to cut taxes by more than \$13 billion, defend the lives of the unborn, and ensure our 2nd Amendment rights are protected.

President Trump won this district by 21 points in 2016 and with your help State Senator Tiffany will win it for conservatives in November 2020.

[Next page, please]

****** DAVID VALADAO (CALIFORNIA-21)**

David's a battle-tested conservative behind enemy lines in liberal California. During his time in Congress, David voted to repeal ObamaCare and to pass the wildly successful Trump tax cuts.

In 2018, the Democrats stole this district from David by only 862 votes (less than 1% of the vote) and with your help Congressman Valadao will win his comeback bid for conservatives in November 2020.

David Hill, Michelle Fischbach, Tom Tiffany, and David Valadao are the right caliber of candidates!

Now let's talk strategy or what I call the "**RIGHT GAME PLAN.**"

As the old saying goes "all politics is local." During my campaigns I found the #1 most effective approach to win votes was to pound the pavement.

By that I mean going out knocking on doors, making phone calls, and listening to my constituents.

That's why over the years here at the Madison Project we've focused our efforts deploying door-knockers, setting up phone banks, and helping our right caliber candidates to mobilize their "ground game."

We can only do all of the above if we have the "**RIGHT RESOURCES.**"

Thanks to American patriots, like you, our Madison Project has been able to raise the resources to elect some great conservative leaders.

We've helped elect dozens of Republicans including Senators Ted Cruz (R-TX), Mike Lee (R-UT), Marco Rubio (R-FL) and Reps. Mark Meadows (R-NC), Chip Roy (R-TX), and Jim Banks (R-IN).

So now I must ask, will you help us **WIN BACK THE HOUSE** with a \$30 contribution today?

That's \$1 for every one of the 30 Republican-held seats Nancy Pelosi's Democrats stole from us.

We've got the "right caliber of candidates" with rock-solid conservatives David Hill, Michelle Fischbach, Tom Tiffany, and David Valadao.

We've got the "right game plan" that's proven successful to

win election after election.

Now all we need is your financial support to give us the "**RIGHT RESOURCES**" to push our candidates across the finish line and into the winner's circle.

With that in mind would you please consider contributing \$60 (\$2 per seat), \$90 (\$3 per seat), or \$150 (\$5 per seat) to help take back 30 seats and **WIN BACK THE HOUSE?**

Or if you have been richly blessed to be able to give a special one-time contribution of \$250, \$500, \$1,000, or any amount up to the legal max of \$5,000 --- that would definitely help give all our conservative contenders the winning edge in November 2020.

We cannot afford two more years of Speaker Pelosi's circus.

As a father and grandfather, I'm appalled by the Democrats lack of morals and their hurtful attacks on our President and our way of life.

As a former Congressman, it pains me to watch the Democrats lie through their teeth as they seek to torpedo the Trump presidency.

And as a former Olympic athlete who proudly represented the USA, I'm saddened by the Democrats march toward Soviet-style socialism.

So please, join me in my mission to **WIN BACK THE HOUSE** today.

I've already paid the return postage on your **TRIPLE-STAMPED-ENVELOPE** so that nothing delays your reply back to me.

All I ask is that you give what you can to help us reclaim the 30 Republican seats Pelosi's Democrats stole from us.

Whether that's \$30 or \$500 or \$5,000 -- please know that I am grateful for your faithful support and steadfast friendship.

God Bless,

Congressman Jim Ryun (ret.)
Madison Project Chairman

P.S. Will you help me win back 30 Republican-held seats, take the Speaker's gavel away from Nancy Pelosi, and keep America great? If so, sign your **WIN BACK THE HOUSE** reply form and send it back along with your very best campaign contribution of \$30 or more using the **TRIPLE-STAMPED-ENVELOPE** I've sent you today.

Dear Mrs. Pedro,

I hope you are still doing alright since the last time I was able to write to you.

In the last couple of weeks, President Trump has continued to fight-off the partisan attacks of Nancy Pelosi's Democrats and he's delivered for the American people.

It's also a reminder of what's at stake this November for all of us who care about the future of our great Republic.

Now more than ever I need your help to win back 30 Republican-held seats Nancy Pelosi's Democrats stole from us.

So please, sign and return your **WIN BACK THE HOUSE** reply form using the SIX-STAMPED-ENVELOPE I've sent you today.

During the 2018 midterm election, 30 Democrats snuck into the House by a total of just 57,000 votes. That's ONLY 1% of the vote!

These were razor-thin margins in reliably red districts.

President Trump won these same districts in 2016 and with your help we can turn them back into red districts again in 2020.

With all that's going on right now in Congress --- never ending attacks on President Trump, pointless investigations, and partisan games --- we conservatives must mount a comeback.

"A TREMENDOUS OPPORTUNITY TO RESTRUCTURE THINGS TO FIT OUR VISION."

Mrs. Pedro, those were the exact words of Democratic Majority Whip James Clyburn during the COVID-19 outbreak and it really sums up what Pelosi's Democrats are all about...

...they hate President Trump so much that they don't care about the consequences of their actions.

Nancy Pelosi, James Clyburn, and the rest of the "ANTI-TRUMP" gang have turned Congress into a complete circus.

Today with your help I want to turn things around, win back 30

Paid for by The Madison Project and not authorized by any candidate or candidate's committee.
www.MadisonProject.com

seats, and regain a Republican majority in the House.

With the right caliber of candidates, the right game plan and the right resources...

We will take the Speaker's gavel away from Nancy Pelosi.

We will flip 30 very winnable seats.

And we will **WIN BACK THE HOUSE** in 2020.

So please, Mrs. Pedro, sign your **WIN BACK THE HOUSE** reply form and rush it back to me in the enclosed SIX-STAMPED-ENVELOPE today.

At the start of every race, Madison Project looks for the brightest and best conservatives running for office.

Solid pro-life, pro-gun owner, and pro-taxpayer Republicans.

Our first four endorsed "**RIGHT CALIBER OF CANDIDATES**" running for the U.S. House of Representatives in 2020 include:

****** DAVID HILL (OKLAHOMA-5)**

David is a dedicated father, a successful businessman, and a conservative outsider who won't go along to get along. He's not a career politician. He's a fixer, a tough negotiator, and a leader.

President Trump won this district by 13 points in 2016 and with your help top-tier contender David Hill will win it for conservatives in November 2020.

****** MICHELLE FISCHBACH (MINNESOTA-7)**

Michelle is a proven conservative leader. She recently served as the 49th Lieutenant Governor of Minnesota and before that she served in the State Senate where she earned a strong 100% pro-life and pro-gun owner record.

President Trump won this district by 31 points in 2016 and with your help Lt. Gov. Fischbach will win it for conservatives in November 2020.

****** TOM TIFFANY (WISCONSIN-7)**

Tom's a successful small business owner and current State Senator. He's worked to cut taxes by more than \$13 billion, defend the lives of the unborn, and ensure our 2nd Amendment rights are protected.

President Trump won this district by 21 points in 2016

and with your help State Senator Tiffany will win it for conservatives in November 2020.

****** DAVID VALADAO (CALIFORNIA-21)**

David's a battle-tested conservative behind enemy lines in liberal California. During his time in Congress, David voted to repeal ObamaCare and to pass the wildly successful Trump tax cuts.

In 2018, the Democrats stole this district from David by only 862 votes (less than 1% of the vote) and with your help Congressman Valadao will win his comeback bid for conservatives in November 2020.

David Hill, Michelle Fischbach, Tom Tiffany, and David Valadao are the right caliber of candidate!

Now let's talk strategy or what I call the "**RIGHT GAME PLAN.**"

Mrs. Pedro, as the old saying goes "all politics is local." During my campaigns I found the #1 most effective approach to win votes was to pound the pavement.

By that I mean going out knocking on doors, making phone calls, and listening to my constituents.

That's why over the years here at the Madison Project we've focused our efforts setting up phone banks, deploying door-knockers (once it's safe again), and helping our right caliber candidates to mobilize their "ground game."

We can only do all of the above if we have the "**RIGHT RESOURCES.**"

Thanks to American patriots like you, Mrs. Pedro, our Madison Project has been able to raise the resources to elect some great conservative leaders.

We've helped elect dozens of Republicans including Senators Ted Cruz (R-TX), Mike Lee (R-UT), Marco Rubio (R-FL) and Reps. Mark Meadows (R-NC), Jim Jordan (R-OH), and Chip Roy (R-TX).

So now I must ask, will you help us **WIN BACK THE HOUSE** with a \$20 contribution today?

We've got the "right caliber of candidates" with rock-solid conservatives David Hill, Michelle Fischbach, Tom Tiffany, and David Valadao.

We've got the "right game plan" that's proven successful to

win election after election.

Now all we need is your continued financial support to give us the "**RIGHT RESOURCES**" to push our candidates across the finish line and into the winner's circle.

With that in mind would you please consider contributing \$30 to help take back 30 seats and **WIN BACK THE HOUSE?**

Or if you have been richly blessed to be able to give a special one-time contribution of \$40 or any amount up to the legal max of \$5,000 --- that would definitely help give all our conservative contenders the winning edge in November 2020.

We cannot afford two more years of Speaker Pelosi's circus.

July 27, 2020

Dear Mrs. Pedro,

I'm not in the habit of sending \$2 bills in the mail.

Gosh, most days I don't even see a \$2 bill.

But today I took the drastic step of sending you this special \$2 bill because I had to make sure I got your attention.

With just 99 days left until Election Day... the Democrats have gone off the deep end.

The Democratic National Committee (DNC) released a statement claiming President Trump's Fourth of July celebration at Mount Rushmore was to "Glorify White Supremacy."

Since when did celebrating America's independence at a historic national monument suddenly become racist?

Sadly, today's Democrats will do and say just about anything to win the 2020 elections, Mrs. Pedro.

That's why I'm asking you to use the enclosed **URGENT REPLY ENVELOPE** to get back to me in the next 72 hours.

I've even placed a brand-new **55-CENT STAMP** on it so you don't have to.

Mrs. Pedro, as you know we are proudly supporting several top-tier conservatives vowing to take back the control of Congress from Nancy Pelosi's Democrats, including:

***** ASHLEY HINSON (IOWA-1)** Ashley's a conservative Iowa House representative, a former award-winning journalist and a proud mom. In the State House,

Ashley has worked successfully to balance the budget, cut taxes and protect the right to life.

- *** **MICHELLE FISCHBACH** (MINNESOTA-7) Michelle's a proven conservative leader. She recently served as the 49th Lieutenant Governor of Minnesota and before that she served in the State Senate where she earned a strong 100% pro-life and pro-gun owner record.
- *** **TOM TIFFANY** (WISCONSIN-7) Tom's been a successful small business owner. As a State Senator he cut taxes by more than \$13 billion, defended the lives of the unborn, and ensured our 2nd Amendment rights were protected. Tom recently won a special election to fill a vacancy in the House.
- *** **ERIC ESSHAKI** (MICHIGAN-11) Eric's a first generation American whose life story embodies the American Dream. As a strong Christian Conservative, a Nurse, and a Lawyer he's ready to defend our American values.
- *** **ADRIENNE VALLEJO FOSTER** (KANSAS-3) Adrienne's been a successful small business owner, councilwoman, and mayor where she kept taxes down and jobs up. Now she's ready to fight for faith, family, and freedom in Congress.
- *** **NICK FREITAS** (VIRGINIA-7) Nick's a former Army Special Forces Green Beret and current member of the Virginia House of Delegates. He's a fierce advocate for our Second Amendment and will fight to keep all our God-given rights protected in Congress.
- *** **PAUL JUNGE** (MICHIGAN-8) Paul's a former Deputy District Attorney and Television News Anchor in Lansing who worked in the Trump Administration to stop illegal immigration and secure our borders.

I could tell you about countless more conservatives like these, but with time running out before Election Day I'll keep it brief.

Knowing the kind of passionate conservative you are, Mrs. Pedro, I hope you'll stick with us as the Democrats unleash their more vile and hateful attacks.

You see, for our conservative contenders to takeback control of Congress in November they need your help now more

than ever.

Thanks to friends like you, Mrs. Pedro, our Madison Project was there in past elections when the GOP Establishment abandoned conservative primary winners.

Two of our biggest success stories are Senators **Ted Cruz** (R-TX) and **Mike Lee** (R-UT). After his epic come-from-behind primary victory, Ted Cruz declared:

"Madison Project jump-started my campaign and gave me the critical momentum I needed to win."

Mrs. Pedro, we need conservative leaders in Washington like Ted Cruz and Mike Lee.

Not more "Republicans-In-Name-Only" who cave in and vote with Democrats, like Mitt Romney.

It turns my stomach to think what our Founding Fathers would say if they could see our weak-kneed leaders in Congress today.

When I look at the back of the \$2 bill and see Thomas Jefferson, John Adams, and Benjamin Franklin presenting the Declaration of Independence...

...I can't help but think of the sacrifices these great leaders made so you and I could enjoy "life, liberty, and the pursuit of happiness."

They risked their lives because they wanted liberty to reign for generations.

NOT to have career Washington politicians, like Speaker Pelosi push for tyrannical socialist policies.

Our Founding Fathers took a stand when others wouldn't.

Now it's your turn.

You and I must save America.

And that's why we need to be there for the patriots fighting for us today.

Patriots like Ashley Hinson, Michelle Fischbach, Tom Tiffany, Eric Esshaki, Adrienne Vallejo Foster, Nick Freitas, and Paul Junge.

That's why I'm asking you to rush back your \$2 bill

along with your urgent contribution of \$40.

Now I realize that since \$2 bills are rare nowadays you might like to hold onto yours, and perhaps share the historic scene on its back with your children or grandchildren.

If you do, all I ask is that you just add a couple dollars onto your very best contribution today.

Your most generous \$40 contribution will be put to good use immediately to help send 7 die-hard conservatives to Washington who will fight to stop Pelosi's Democrats from destroying America.

Mrs. Pedro, I know times are tough right now. But today is the day to invest in America's future.

And remember if you and I don't help these great conservative candidates out, Nancy Pelosi will remain Speaker!

So if \$40 is more than you can afford to send in right now I hope you'll consider sending \$30 or at least another \$20.

The key is that I receive it in the next 72 hours.

So please, do not delay, use your enclosed **55-CENT STAMPED URGENT REPLY ENVELOPE** to send in your very best contribution to help elect true conservative leaders running against Nancy Pelosi's radical Democrats.

God Bless,

Congressman Jim Ryun (ret.)
Madison Project Chairman

P.S. Mrs. Pedro, Nancy Pelosi's Democrats must be defeated. We must take back control of Congress on Election Day by sending Ashley Hinson, Michelle Fischbach, Tom Tiffany, Eric Esshaki, Adrienne Vallejo Foster, Nick Freitas, and Paul Junge to Washington to fight for us.

Now with Election Day - November 3rd - coming up fast, I hope I can count on you to stick by my side with a very special contribution of \$80 to help our conservatives get across the finish line and into the winner's circle.

Dear Mrs. Pedro,

I hope you are still doing alright since the last time I was able to write to you.

In the last couple of weeks, President Trump has continued to fight-off the partisan attacks of Nancy Pelosi's Democrats and he's delivered for the American people.

It's also a reminder of what's at stake this November for all of us who care about the future of our great Republic.

Now more than ever I need your help to win back 30 Republican-held seats Nancy Pelosi's Democrats stole from us.

So please, sign and return your **WIN BACK THE HOUSE** reply form using the SIX-STAMPED-ENVELOPE I've sent you today.

During the 2018 midterm election, 30 Democrats snuck into the House by a total of just 57,000 votes. That's ONLY 1% of the vote!

These were razor-thin margins in reliably red districts.

President Trump won these same districts in 2016 and with your help we can turn them back into red districts again in 2020.

With all that's going on right now --- we conservatives must mount a comeback.

"A TREMENDOUS OPPORTUNITY TO RESTRUCTURE THINGS TO FIT OUR VISION."

Mrs. Pedro, those were the exact words of Democratic Majority Whip James Clyburn during the COVID-19 outbreak and it really sums up what Pelosi's Democrats are all about...

...they hate President Trump so much that they don't care about the consequences of their actions.

Nancy Pelosi, James Clyburn, and the rest of the "ANTI-TRUMP" gang have turned Congress into a complete circus.

Today with your renewed help I want to turn things around, win back 30 seats, and regain a Republican majority in the House.

With the right caliber of candidates, the right game plan and the right resources...

Paid for by The Madison Project and not authorized by any candidate or candidate's committee.
www.MadisonProject.com

We will take the Speaker's gavel away from Nancy Pelosi.

We will flip 30 very winnable seats.

And we will **WIN BACK THE HOUSE** in 2020.

So please, Mrs. Pedro sign your **WIN Back THE HOUSE** reply form and rush it back to me in the enclosed *SIX-STAMPED-Envelope* today.

At the start of every race, Madison Project looks for the brightest and best conservatives running for office.

Solid pro-life, pro-gun owner, and pro-taxpayer Republicans.

Our top-tier endorsed "**RIGHT CALIBER OF CANDIDATES**" running for the U.S. House of Representatives in 2020 include:

****	<u>ASHLEY HINSON (IOWA-1)</u>	****	<u>DARRELL ISSA (CALIFORNIA-50)</u>
****	<u>MICHELLE FISCHBACH (MINNESOTA-7)</u>	****	<u>JIM JORDAN (OHIO-4)</u>
****	<u>TOM TIFFANY (WISCONSIN-7)</u>	****	<u>NICK FREITAS (VIRGINIA-7)</u>
****	<u>DAVID VALADAO (CALIFORNIA-21)</u>	****	<u>PAUL JUNGE (MICHIGAN-8)</u>
****	<u>ERIC ESSHAKI (MICHIGAN-11)</u>		

Ashley Hinson, Michelle Fischbach, Tom Tiffany, David Valadao, Eric Eshhaki, Jim Jordan, Nick Freitas, and Paul Junge are the right caliber of candidate!

Now let's talk strategy or what I call the "**RIGHT GAME PLAN.**"

Mrs. Pedro, as the old saying goes "all politics is local." During my campaigns I found the #1 most effective approach to win votes was to pound the pavement.

By that I mean going out knocking on doors, making phone calls, and listening to my constituents.

That's why over the years here at the Madison Project we've focused our efforts setting up phone banks, deploying door-knockers, and helping our right caliber candidates to mobilize their "ground game."

We can only do all of the above if we have the "**RIGHT RESOURCES.**"

Thanks to American patriots, like you Mrs. Pedro, our Madison Project has been able to raise the resources to elect some great conservative leaders.

We've helped elect dozens of Republicans including Senators Ted Cruz (R-TX), Mike Lee (R-UT), Marco Rubio (R-FL) and Reps. Mark Meadows (R-NC), Jim Banks (R-IN), and Chip Roy (R-TX).

So now I must ask, will you help us **WIN BACK THE HOUSE** with a \$40 contribution

today?

We've got the "right caliber of candidates" with rock-solid conservatives Ashley Hinson, Michelle Fischbach, Tom Tiffany, David Valadao, Eric Esshaki, Jim Jordan, Nick Freitas, and Paul Junge.

We've got the "right game plan" that's proven successful to win election after election.

Now all we need is your continued financial support to give us the "**RIGHT RESOURCES**" to push our candidates across the finish line and into the winner's circle.

With that in mind would you please consider contributing \$60 to help take back 30 seats and **WIN BACK THE HOUSE?**

Or if you have been richly blessed to be able to give a special one-time contribution of \$80 or any amount up to the legal max of \$5,000 --- that would definitely help give all our conservative contenders the winning edge in November 2020.

We cannot afford two more years of Speaker Pelosi's circus.

As a father and grandfather, I'm appalled by the Democrats lack of morals and their hurtful attacks on our President and our way of life.

As a former Congressman, it pains me to watch the Democrats lie through their teeth as they seek to torpedo the Trump presidency.

And as a former Olympic athlete who proudly represented the USA, I'm saddened by the Democrats march toward Soviet-style socialism.

So please, continue to support our mission at Madison Project to **WIN BACK THE HOUSE** today.

I've already paid the first class return postage on your SIX-STAMPED-ENVELOPE so that nothing delays your reply back to me.

All I ask is that you give what you can to help us reclaim the 30 Republican seats Pelosi's Democrats stole from us.

Whether that's \$20 or \$40 or \$80 -- please know that I am grateful for your faithful support and steadfast friendship.

God Bless,

Congressman Jim Ryun (ret.)
Madison Project Chairman

P.S. Mrs. Pedro, will you help me win back 30 Republican-held seats, take the Speaker's gavel away from Nancy Pelosi, and keep America great? If so, sign your **WIN Back THE HOUSE** reply form and send it back along with your very best renewal contribution of \$40 or more using the enclosed SIX-STAMPED-Envelope.

Dear Mrs. Pedro,

I took the drastic step of sending you this new \$1 bill because I had to make sure I got your attention.

With just 34 days left until Election Day... the Democrats have gone off the deep end.

During the Democrats' National Convention a "who's who" of liberal politicians, socialist celebrities, and even a few washed up Never Trump RINOs all took turns slamming President Trump and his America First agenda.

Since when did putting America First suddenly become a bad thing?

Sadly, today's Democrats will do and say just about anything to win the 2020 elections, Mrs. Pedro.

That's why I'm asking you to use the enclosed **URGENT REPLY ENVELOPE** to get back to me in the next 72 hours.

I've even enclosed a brand-new **55-CENT STAMP** so you don't have to worry about postage.

Mrs. Pedro, as you know we are proudly supporting several top-tier conservatives vowing to take back the control of Congress from Nancy Pelosi's Democrats, including:

- *** **ASHLEY HINSON (IOWA-1)** Ashley's a conservative Iowa House representative, a former award-winning journalist and a proud mom. In the State House, Ashley has worked successfully to balance the budget, cut taxes and protect the right to life.
- *** **MICHELLE FISCHBACH (MINNESOTA-7)** Michelle's a proven conservative leader. She recently served as

the 49th Lieutenant Governor of Minnesota and before that she served in the State Senate where she earned a strong 100% pro-life and pro-gun owner record.

- *** **TOM TIFFANY (WISCONSIN-7)** Tom's been a successful small business owner. As a State Senator he cut taxes by more than \$13 billion, defended the lives of the unborn, and ensured our 2nd Amendment rights were protected. Tom recently won a special election to fill a vacancy in the House.
- *** **ERIC ESSHAKI (MICHIGAN-11)** Eric's a first generation American whose life story embodies the American Dream. As a strong Christian Conservative, a Nurse, and a Lawyer he's ready to defend our American values.
- *** **ADRIENNE VALLEJO FOSTER (KANSAS-3)** Adrienne's been a successful small business owner, councilwoman, and mayor where she kept taxes down and jobs up. Now she's ready to fight for faith, family, and freedom in Congress.
- *** **NICK FREITAS (VIRGINIA-7)** Nick's a former Army Special Forces Green Beret and current member of the Virginia House of Delegates. He's a fierce advocate for our Second Amendment and will fight to keep all our God-given rights protected in Congress.
- *** **PAUL JUNGE (MICHIGAN-8)** Paul's a former Deputy District Attorney and Television News Anchor in Lansing who worked in the Trump Administration to stop illegal immigration and secure our borders.

I could tell you about countless more conservatives like them, but with time running out before Election Day I'll keep it brief.

Knowing the kind of passionate conservative you are, Mrs. Pedro, I hope you'll stick with us as the Democrats unleash their more vile and hateful attacks.

You see, for our conservative contenders to take back control of Congress in November they need your help now more than ever.

Thanks to friends like you, Mrs. Pedro, our Madison

Project was there in past elections when the GOP Establishment abandoned conservative primary winners.

Two of our biggest success stories are Senators **Ted Cruz** (R-TX) and **Mike Lee** (R-UT). After his epic come-from-behind primary victory, Ted Cruz declared:

"Madison Project jump-started my campaign and gave me the critical momentum I needed to win."

Mrs. Pedro, we need conservative leaders in Washington like Ted Cruz and Mike Lee.

Not more "Republicans-In-Name-Only" who cave in and vote with Democrats, like Mitt Romney.

It turns my stomach to think what our Founding Fathers would say if they could see our weak-kneed leaders in Congress today.

When I look at the image of President George Washington on the front of the \$1 bill...

...I can't help but think of the sacrifices he and all our nation's Founding Fathers made so you and I could enjoy "life, liberty, and the pursuit of happiness."

They risked their lives because they wanted liberty to reign for generations.

NOT to have career Washington politicians, like Speaker Pelosi push for tyrannical socialist policies.

Our Founding Fathers took a stand when others wouldn't.

Now it's your turn.

You and I must save America.

And that's why we need to be there for the patriots fighting for us today.

Patriots like Ashley Hinson, Michelle Fischbach, Tom Tiffany, Eric Esshaki, Adrienne Vallejo Foster, Nick Freitas, and Paul Junge.

That's why I'm asking you to rush back your \$1 bill

along with your urgent contribution of \$40.

Dear Fellow Conservative,

I need your help to win back 30 Republican-held seats Nancy Pelosi's Democrats stole from us.

President Trump won these same districts in 2016 and with your help we can turn them back into red districts again in 2020.

With all that's going on right now in Congress --- never ending attacks on President Trump, pointless investigations, and baseless impeachment --- we conservatives must mount a comeback.

"IF WE DON'T IMPEACH THE PRESIDENT, HE WILL GET RE-ELECTED."

Those were the exact words of liberal Congressman Al Green and it really sums up what Pelosi's Democrats are all about...

...they hate President Trump so much that facts don't matter.

Nancy Pelosi, Adam Schiff, Jerry Nadler and the rest of the "IMPEACH TRUMP" gang have turned Congress into a complete circus.

Today with your help I want to turn things around, win back 30 seats, and regain a Republican majority in the House.

My name is Jim Ryun and I'm the Chairman of Madison Project.

As a former Olympic Athlete and a five-term member of Congress I know what it takes to win. Hard work and devotion propelled me to 3 Olympic appearances, world records in the mile, and 5 elections to the U.S. House of Representatives.

With the right caliber of candidates, the right game plan and the right resources...

We will take the Speaker's gavel away from Nancy Pelosi.

We will flip 30 very winnable seats.

And we will **WIN BACK THE HOUSE** in 2020.

So please, sign your **WIN BACK THE HOUSE** reply form and rush it back to me in the enclosed TRIPLE-STAMPED-ENVELOPE today.

At the start of every race, Madison Project looks for the brightest and best conservatives running for office.

Solid pro-life, pro-gun owner, and pro-taxpayer Republicans.

Our first four endorsed "**RIGHT CALIBER OF CANDIDATES**" running for the U.S. House of Representatives in 2020 include:

****** DAVID HILL (OKLAHOMA-5)**

David is a dedicated father, a successful businessman, and a conservative outsider who won't go along to get along. He's not a career politician. He's a fixer, a tough negotiator, and a leader.

President Trump won this district by 13 points in 2016 and with your help top-tier contender David Hill will win it for conservatives in November 2020.

****** MICHELLE FISCHBACH (MINNESOTA-7)**

Michelle is a proven conservative leader. She recently served as the 49th Lieutenant Governor of Minnesota and before that she served in the State Senate where she earned a strong 100% pro-life and pro-gun owner record.

President Trump won this district by 31 points in 2016 and with your help Lt. Gov. Fischbach will win it for conservatives in November 2020.

****** TOM TIFFANY (WISCONSIN-7)**

Tom's a successful small business owner and current State Senator. He's worked to cut taxes by more than \$13 billion, defend the lives of the unborn, and ensure our 2nd Amendment rights are protected.

President Trump won this district by 21 points in 2016 and with your help State Senator Tiffany will win it for conservatives in November 2020.

[Next page, please]

****** DAVID VALADAO (CALIFORNIA-21)**

David's a battle-tested conservative behind enemy lines in liberal California. During his time in Congress, David voted to repeal ObamaCare and to pass the wildly successful Trump tax cuts.

In 2018, the Democrats stole this district from David by only 862 votes (less than 1% of the vote) and with your help Congressman Valadao will win his comeback bid for conservatives in November 2020.

David Hill, Michelle Fischbach, Tom Tiffany, and David Valadao are the right caliber of candidate!

Now let's talk strategy or what I call the **"RIGHT GAME PLAN."**

As the old saying goes "all politics is local." During my campaigns I found the #1 most effective approach to win votes was to pound the pavement.

By that I mean going out knocking on doors, making phone calls, and listening to my constituents.

That's why over the years here at the Madison Project we've focused our efforts deploying door-knockers, setting up phone banks, and helping our right caliber candidates to mobilize their "ground game."

We can only do all of the above if we have the **"RIGHT RESOURCES."**

Thanks to American patriots, like you, our Madison Project has been able to raise the resources to elect some great conservative leaders.

We've helped elect dozens of Republicans including Senators Ted Cruz (R-TX), Mike Lee (R-UT), Marco Rubio (R-FL) and Reps. Mark Meadows (R-NC), Chip Roy (R-TX), and Jim Banks (R-IN).

So now I must ask, will you help us **WIN BACK THE HOUSE** with a \$30 contribution today?

That's \$1 for every one of the 30 Republican-held seats Nancy Pelosi's Democrats stole from us.

We've got the "right caliber of candidates" with rock-solid conservatives David Hill, Michelle Fischbach, Tom Tiffany, and David Valadao.

We've got the "right game plan" that's proven successful to

win election after election.

Now all we need is your financial support to give us the "**RIGHT RESOURCES**" to push our candidates across the finish line and into the winner's circle.

With that in mind would you please consider contributing \$60 (\$2 per seat), \$90 (\$3 per seat), or \$150 (\$5 per seat) to help take back 30 seats and **WIN BACK THE HOUSE**?

Or if you have been richly blessed to be able to give a special one-time contribution of \$250, \$500, \$1,000, or any amount up to the legal max of \$5,000 --- that would definitely help give all our conservative contenders the winning edge in November 2020.

We cannot afford two more years of Speaker Pelosi's circus.

As a father and grandfather, I'm appalled by the Democrats lack of morals and their hurtful attacks on our President and our way of life.

As a former Congressman, it pains me to watch the Democrats lie through their teeth as they seek to torpedo the Trump presidency.

And as a former Olympic athlete who proudly represented the USA, I'm saddened by the Democrats march toward Soviet-style socialism.

So please, join me in my mission to **WIN BACK THE HOUSE** today.

I've already paid the return postage on your TRIPLE-STAMPED-ENVELOPE so that nothing delays your reply back to me.

All I ask is that you give what you can to help us reclaim the 30 Republican seats Pelosi's Democrats stole from us.

Whether that's \$30 or \$500 or \$5,000 -- please know that I am grateful for your faithful support and steadfast friendship.

God Bless,

Dear Fellow Conservative,

I need your help to win back 30 Republican-held seats Nancy Pelosi's Democrats stole from us.

Sign and return your **WIN BACK THE HOUSE** reply form using the **TRIPLE-STAMPED-ENVELOPE** I've sent you today.

During the 2018 midterm election, 30 Democrats snuck into the House by a total of just 57,000 votes. That's ONLY 1% of the vote!

Dear Fellow Conservative,

I need your help to win back 30 Republican-held seats Nancy Pelosi's Democrats stole from us.

Sign and return your **WIN BACK THE HOUSE** reply form using the TRIPLE-STAMPED-ENVELOPE I've sent you today.

During the 2018 midterm election, 30 Democrats snuck into the House by a total of just 57,000 votes. That's ONLY 1% of the vote!

These were razor-thin margins in reliably red districts.

President Trump won these same districts in 2016 and with your help we can turn them back into red districts again in 2020.

With all that's going on right now in Congress --- never ending attacks on President Trump, pointless investigations, and partisan games --- we conservatives must mount a comeback.

"A TREMENDOUS OPPORTUNITY TO RESTRUCTURE THINGS TO FIT OUR VISION."

Those were the exact words of Democratic Majority Whip James Clyburn during the COVID-19 outbreak and it really sums up what Pelosi's Democrats are all about...

...they hate President Trump so much that they don't care about the consequences of their actions.

Nancy Pelosi, James Clyburn, and the rest of the "ANTI-TRUMP" gang have turned Congress into a complete circus.

Today with your help I want to turn things around, win back 30 seats, and regain a Republican majority in the House.

My name is Jim Ryun and I'm the Chairman of Madison Project.

As a former Olympic Athlete and a five-term member of Congress I know what it takes to win. Hard work and devotion propelled me to 3 Olympic appearances, world records in the mile, and 5 elections to the U.S. House of Representatives.

With the right caliber of candidates, the right game plan and

the right resources...

We will take the Speaker's gavel away from Nancy Pelosi.

We will flip 30 very winnable seats.

And we will WIN BACK THE HOUSE in 2020.

So please, sign your WIN BACK THE HOUSE reply form and rush it back to me in the enclosed TRIPLE-STAMPED-ENVELOPE today.

At the start of every race, Madison Project looks for the brightest and best conservatives running for office.

Solid pro-life, pro-gun owner, and pro-taxpayer Republicans.

Our first four endorsed "**RIGHT CALIBER OF CANDIDATES**" running for the U.S. House of Representatives in 2020 include:

****** DAVID HILL (OKLAHOMA-5)**

David is a dedicated father, a successful businessman, and a conservative outsider who won't go along to get along. He's not a career politician. He's a fixer, a tough negotiator, and a leader.

President Trump won this district by 13 points in 2016 and with your help top-tier contender David Hill will win it for conservatives in November 2020.

****** MICHELLE FISCHBACH (MINNESOTA-7)**

Michelle is a proven conservative leader. She recently served as the 49th Lieutenant Governor of Minnesota and before that she served in the State Senate where she earned a strong 100% pro-life and pro-gun owner record.

President Trump won this district by 31 points in 2016 and with your help Lt. Gov. Fischbach will win it for conservatives in November 2020.

****** TOM TIFFANY (WISCONSIN-7)**

Tom's a successful small business owner and current State Senator. He's worked to cut taxes by more than \$13 billion, defend the lives of the unborn, and ensure our 2nd Amendment rights are protected.

President Trump won this district by 21 points in 2016 and with your help State Senator Tiffany will win it for conservatives in November 2020.

[Next page, please]

****** DAVID VALADAO (CALIFORNIA-21)**

David's a battle-tested conservative behind enemy lines in liberal California. During his time in Congress, David voted to repeal ObamaCare and to pass the wildly successful Trump tax cuts.

In 2018, the Democrats stole this district from David by only 862 votes (less than 1% of the vote) and with your help Congressman Valadao will win his comeback bid for conservatives in November 2020.

David Hill, Michelle Fischbach, Tom Tiffany, and David Valadao are the right caliber of candidates!

Now let's talk strategy or what I call the "**RIGHT GAME PLAN.**"

As the old saying goes "all politics is local." During my campaigns I found the #1 most effective approach to win votes was to pound the pavement.

By that I mean going out knocking on doors, making phone calls, and listening to my constituents.

That's why over the years here at the Madison Project we've focused our efforts setting up phone banks, deploying door-knockers, (once it's safe again), and helping our right caliber candidates to mobilize their "ground game."

We can only do all of the above if we have the "**RIGHT RESOURCES.**"

Thanks to American patriots, like you, our Madison Project has been able to raise the resources to elect some great conservative leaders.

We've helped elect dozens of Republicans including Senators Ted Cruz (R-TX), Mike Lee (R-UT), Marco Rubio (R-FL) and Reps. Mark Meadows (R-NC), Jim Jordan (R-OH), and Chip Roy (R-TX).

So now I must ask, will you help us **WIN BACK THE HOUSE** with a \$30 contribution today?

That's \$1 for every one of the 30 Republican-held seats Nancy Pelosi's Democrats stole from us.

We've got the "right caliber of candidates" with rock-solid conservatives David Hill, Michelle Fischbach, Tom Tiffany, and David Valadao.

We've got the "right game plan" that's proven successful to win election after election.

[Next page, please]

Now all we need is your financial support to give us the "**RIGHT RESOURCES**" to push our candidates across the finish line and into the winner's circle.

With that in mind would you please consider contributing \$60 (\$2 per seat), \$90 (\$3 per seat), or \$150 (\$5 per seat) to help take back 30 seats and **WIN BACK THE HOUSE?**

Or if you have been richly blessed to be able to give a special one-time contribution of \$250, \$500, \$1,000, or any amount up to the legal max of \$5,000 --- that would definitely help give all our conservative contenders the winning edge in November 2020.

We cannot afford two more years of Speaker Pelosi's circus.

As a father and grandfather, I'm appalled by the Democrats lack of morals and their hurtful attacks on our President and our way of life.

As a former Congressman, it pains me to watch the Democrats lie through their teeth as they seek to torpedo the Trump presidency.

And as a former Olympic athlete who proudly represented the USA, I'm saddened by the Democrats march toward Soviet-style socialism.

So please, join me in my mission to **WIN BACK THE HOUSE** today.

I've already paid the return postage on your TRIPLE-STAMPED-ENVELOPE so that nothing delays your reply back to me.

All I ask is that you give what you can to help us reclaim the 30 Republican seats Pelosi's Democrats stole from us.

Whether that's \$30 or \$500 or \$5,000 -- please know that I am grateful for your faithful support and steadfast friendship.

God Bless,

Congressman Jim Ryun (ret.)
Madison Project Chairman

P.S. Will you help me win back 30 Republican-held seats, take the Speaker's gavel away from Nancy Pelosi, and keep America great? If so, sign your **WIN BACK THE HOUSE** reply form and send it back along with your very best campaign contribution of \$30 or more using the TRIPLE-STAMPED-ENVELOPE I've sent you today.

Congressman Jim Ryun
Chairman

Tuesday morning

My Fellow Conservative,

I've sent you this **URGENT RED ALERT REPLY ENVELOPE** because I need your help, and I need it fast.

With Nancy Pelosi's Democrats launching official impeachment investigations against President Trump, it's a blaring "**RED ALERT**" siren for all of us conservatives.

WE CANNOT ALLOW THESE RADICAL DEMOCRATS TO STEAL CONTROL OF THE SENATE NEXT NOVEMBER.

My name is Jim Ryun and I'm the Chairman of Madison Project. As a former Olympic Athlete and a five-term member of Congress I know what it takes to win.

Hard work and devotion propelled me to 3 Olympic appearances, world records in the mile, and 5 elections to the U.S. House of Representatives.

That's why I know what happens in the next 2 days is absolutely critical.

With your help we can give two men vowing to stand-up against the "impeachment obsessed" Democrats, defend our President, and Keep America Great the critical boost they need to win their all-important races!

Both men have proven themselves to be solid all-around conservatives...they are 100% Pro-Life, Pro-Second Amendment and Pro-Taxpayer.

The two men I'm speaking of are our Madison Project's 2020 top-tier Senate Candidates:

Captain John James in Michigan
Congressman Jason Lewis in Minnesota

To win their races, defeat 2 anti-Trump Democrats, and bring 2 more conservatives to

Paid for by The Madison Project and not authorized by any candidate or candidate's committee.
www.MadisonProject.com

Washington who will fight shoulder-to-shoulder alongside President Trump to Keep America Great these 2 top-tier candidates need your support now more than ever.

Before I go any further I'd like to tell you a little more about them...

ARMY CAPTAIN JOHN JAMES (RET.) IN MICHIGAN

U.S. Army Apache pilot John James is a true patriot.

After graduating from West Point and Ranger school, John went on to serve with distinction in Iraq where he logged more than 750 flight hours leading two Apache platoons and earning a Combat Action Badge (CAB) and two Air Medals.

Now he's running as a pro-life, pro-Second Amendment, and pro-business Republican in Michigan --- a state President Trump won in 2016.

His opponent is ultra-liberal Senator Gary Peters whose approval rating sits at only 33% --- making him a prime target for defeat.

Not to mention, Peters was recently ranked second to last (#99 out of 100) for his effectiveness in the Senate.

Senator Peters is the poster boy for "do nothing" politicians.

And worse still, since he's running for re-election, he's pandering to the radical left including his home state "Socialist Squad" member Rep. Rashida Tlaib.

That's right! Peters is running together with Rep. Tlaib who you probably know is the loudest and most foulmouthed anti-Trump radical in Washington. Remember, she's the Congresswoman who screamed profanities while calling for President Trump's impeachment on her first day in office.

Meanwhile, Captain John James is running with the full support and backing of President Trump.

"He has every single quality to be your next Great Senator from Michigan. When the people of Michigan get to know John, they will say he is a true star. Also, distinguished Military and a Combat Vet!"

-President Trump

With your help conservative veteran John James will make a great U.S. Senator from Michigan.

[Next page, please]

CONGRESSMAN JASON LEWIS IN MINNESOTA

Congressman Jason Lewis is exactly the kind of conservative you and I love.

Like President Trump, he's a no-nonsense kind of guy who knows how to effectively communicate his conservative message.

Before being elected to the House in 2016, Rep. Lewis was a popular conservative talk radio host who regularly filled-in for Rush Limbaugh. He's even been called President Trump's "Mini-Me."

During his brief time on Capitol Hill he made a name for himself as a strong constitutional conservative by voting to repeal ObamaCare and pass the wildly successful Trump Tax Cuts.

His opponent is ultra-liberal Senator Tina Smith whose approval rating sits at only 43% --- making her a prime target for defeat.

If you have not heard of Senator Smith, you're not alone.

She was first appointed to her seat after former Senator Al Franken resigned in the midst of a wildly publicized sexual harassment scandal in 2018.

Make no mistake: she's a radical pro-abortion, anti-Second Amendment, and pro-impeachment liberal.

"In 2020, because of America hating anti-Semite Rep. Omar, & the fact that Minnesota is having its best economic year ever, I will win the State!"

-President Trump

When asked why he's running for U.S. Senate, Rep. Lewis replied: "I refuse to sit back on the sidelines and watch our state, country, and way of life continue to come under blistering attack from radical politicians like Ilhan Omar and her foot soldier Tina Smith."

With your help conservative Congressman Jason Lewis will make a great U.S. Senator from Minnesota.

So to help send both of our top-tier conservative Senate candidates to Washington where they will fight for us I ask that you use the **URGENT RED ALERT REPLY ENVELOPE** I've sent you today to contact me immediately.

[Over, please]

Thanks to the hard work and devotion of Americans like you, Madison Project has helped elect some good conservatives over the years including: Senators Ted Cruz (R-TX) and Mike Lee (R-UT).

Today with your help we can go 2-for-2 in 2020, defeat 2 liberals, and expand the impeachment-proof Senate Majority for Conservatives by helping elect John James and Jason Lewis next November.

Please take just a few moments right now to show your support for both of these outstanding conservatives by generously supporting Madison Project with a much-needed \$40 contribution.

\$40 equals \$20-each for James and Lewis.

Your most generous \$40 contribution will be put to good use immediately to help send 2 die-hard conservatives to Washington who will fight to stop the impeachment obsessed Democrats from destroying America.

My friend, I know times might be tough this time of year.

But today is the day to invest in America's greatness. So if \$40 is more than you can afford to send in right now I hope you'll consider sending \$30 or at least \$20.

I am asking you send in whatever you can right now because every single dollar makes a difference as Election Day fast approaches.

So please, do not delay – use the **URGENT RED ALERT REPLY ENVELOPE** I've enclosed for you today to send in your very best contribution to help Keep America Great!

Thank you in advance for your support and friendship.

God Bless.

Congressman Jim Ryun (ret.)
Madison Project Chairman

P.S. Will you help me stand-up against the “impeachment obsessed” Democrats, defend our President, and Keep America Great?

Please use the **URGENT RED ALERT REPLY ENVELOPE** to rush your reply back to me within the next 2 days.

I'll be eagerly awaiting your answer.

Wednesday morning

Dear Mrs. Pedro,

As one of my most faithful supporters I wanted to check in with you to make sure you and your loved ones are alright.

Today as I sit down to write you this letter our nation is facing a national crisis brought on by the coronavirus pandemic (COVID-19). I truly hope and pray you are safely at home and are doing well under the circumstances, Mrs. Pedro.

I've sent you this *postage-paid* **USPS PRIORITY MAIL ENVELOPE** because despite everything going on at the moment...

...Nancy Pelosi and Chuck Schumer are still launching attacks against President Trump, blaming him and all Republicans for the crisis, and even trying to sneak funding for Planned Parenthood and other leftist special interests into disaster relief legislation.

June 11, 2020

Dear Mrs. Pedro,

I'm not in the habit of sending \$1 bills in the mail - but I sent you this \$1 bill because I just had to get your attention.

And I couldn't take the chance you'd overlook my letter with the rest of your mail.

Joe Biden, Chuck Schumer, and Senate Democrats must be stopped from turning our country into the Socialist States of America.

What happens in the next four weeks is absolutely critical in our campaign to gain a conservative majority in Congress.

That is why we're targeting the *two Democrat Senators* who are the most vulnerable.

Both of these Senators have proven themselves to be extreme Left-wing liberals...they are 100% Anti-Taxpayer, Anti-Family, and Anti-Freedom.

The two Democrats I am speaking of are our Madison Project's top Senate targets for 2020:

Senator Gary Peters of Michigan
Senator Tina Smith of Minnesota

To defeat these two liberals I'm going to need your support now more than ever, Mrs. Pedro.

Now I hope you see why I took the risk of sending you this

\$1 bill.

I'm hoping you will mail this \$1 bill back to me along with a \$200 contribution to help defeat these two Democrat Senators.

\$200 equals \$100 each for defeating vulnerable Democrat Senators Gary Peters and Tina Smith.

The choice is up to you, Mrs. Pedro:

You can keep this dollar bill...

Or you can return it to me and help make sure these two vulnerable liberal Democrat Senators lose their races to their conservative challengers.

Mrs. Pedro, this \$1 bill by itself won't make a difference.

But this \$1 bill combined with your gift of \$200 will make a difference.

Now let me take a moment to explain why each race is so important.

Democrat Gary Peters (MI)

Ultra-liberal Senator Gary Peters' approval rating sits at only 33% --- making him a prime target for defeat.

Not to mention, Peters was recently ranked second to last (#99 out of 100) for his effectiveness in the Senate.

Senator Peters is the poster boy for "do nothing" politicians. And worse still, since he's running for re-election, he is pandering to the radical Left including his home state "Socialist Squad" member Rep. Rashida Tlaib.

That's right, Mrs. Pedro! Peters is running together with Rep. Tlaib who you probably know is the loudest most foulmouthed anti-Trump radical in Washington. Remember, she's the Congresswoman who screamed profanities while calling for

President Trump's impeachment on her first day in office.

Democrat Tina Smith (MN)

Ultra-liberal Senator Tina Smith's approval rating sits at only 43% --- making her a prime target for defeat.

If you haven't heard of Senator Smith, you're not alone.

She was first appointed to her seat after former Senator Al Franken resigned in the midst of a sexual harassment scandal in 2018.

But make no mistake she's a radical pro-abortion, anti-Second Amendment, and pro-impeachment liberal.

Donald Trump almost won Minnesota in 2016 and with Smith's unpopularity this a prime pickup opportunity for conservatives.

Mrs. Pedro, to help fire these two Senate Democrats I ask that you rush back your \$1 bill back to me along with a \$200 contribution today in the enclosed reply envelope.

I've even gone ahead and attached a 55-CENT FIRST-CLASS STAMP to your reply envelope so you don't have to.

Thanks to the hard work and devotion of Americans like you, Mrs. Pedro, the Madison Project has raised millions of dollars over the years and helped elect some great conservatives.

In fact, we were the very first national organization to endorse **Ted Cruz** during his first Senate race where we played a critical role in propelling him to victory.

As Senator Cruz says, "it was the early support of the Madison Project that jump-started my campaign and gave me the critical momentum I needed to win the GOP nomination in a very competitive Republican Senate primary run-off race."

But only with your continued support will we have the

resources necessary to elect two great conservatives and send two liberal senators packing.

\$200 equals \$100 each for knocking off vulnerable Democrat Senators Gary Peters and Tina Smith.

Your generous \$200 contribution will be put to good use to help defeat these two ultra-liberal Democrats who are actively working with Joe Biden to defeat President Donald Trump.

We need to Make America Great Again and not let the liberal Left drag us back to the worst of the Obama Years.

Mrs. Pedro, I know times are tough in this crisis. But today is the day to invest in America's future.

So if \$200 is more than you can afford to send in right now I hope you'll consider sending \$150 or at least try to match your previous gift of \$100.

Thank you in advance for your continued support and friendship.

God Bless,

P.S. Mrs. Pedro, please help me stop Joe Biden, Chuck Schumer, and the Senate Democrats from turning our country into the Socialist States of America.

I'm counting on you to use the enclosed stamped reply envelope to mail me your \$1 bill and your vital contribution of \$200, \$150, or at least another \$100 in the next 4 days.

Thank you in advance for your generosity.

25 Days from Election Day

Dear Mrs. Pedro,

I've sent you this *postage-paid* **SECURE POUCH ENVELOPE** because there's only a few days left to make a difference in the campaigns of our TOP 2 SENATE RACES...

... Chuck Schumer and the Democratic Senatorial Campaign Committee (DSCC) are desperate to save two of their most vulnerable far-left Senators as they attempt to steal control away from Republicans.

Mrs. Pedro, it's a blaring "**RED ALERT**" siren for all of us conservatives.

WE CANNOT ALLOW THESE RADICAL DEMOCRATS TO STEAL CONTROL OF THE SENATE ON NOVEMBER 3RD.

That's why what happens in the next 2 days is absolutely critical.

With your help we can give two men vowing to stand-up against the Schumer Democrats, defend our President, and Keep America Great the critical boost they need to win their all-important races, Mrs. Pedro!

Both men have proven themselves to be solid all-around conservatives...they are 100% Pro-Life, Pro-Second Amendment and Pro-Taxpayer.

The two men I'm speaking of are our Madison Project's 2020 top-tier Senate Candidates:

Captain John James in Michigan

Congressman Jason Lewis in Minnesota

To win their races, defeat 2 anti-Trump Democrats, and bring 2 more conservatives to

Washington who will fight shoulder-to-shoulder alongside President Trump to Keep America Great these 2 top-tier candidates need your support now more than ever.

Before I go any further I'd like to tell you a little more about them...

ARMY CAPTAIN JOHN JAMES (RET.) IN MICHIGAN

U.S. Army Apache pilot John James is a true patriot.

After graduating from West Point and Ranger school, John went on to serve with distinction in Iraq where he logged more than 750 flight hours leading two Apache platoons and earning a Combat Action Badge (CAB) and two Air Medals.

Now he's running as a pro-life, pro-Second Amendment, and pro-business Republican in Michigan --- a state President Trump won in 2016.

His opponent is ultra-liberal Senator Gary Peters whose approval rating sits at only 33% --- making him a prime target for defeat.

Not to mention, Peters was recently ranked second to last (#99 out of 100) for his effectiveness in the Senate.

Senator Peters is the poster boy for "do nothing" politicians. And worse still, since he's running for re-election, he's pandering to the radical left including his home state "Socialist Squad" member Rep. Rashida Tlaib.

That's right, Mrs. Pedro! Peters is running together with Rep. Tlaib who you probably know is the loudest and most foulmouthed anti-Trump radical in Washington. Remember, she's the Congresswoman who screamed profanities while calling for President Trump's impeachment on her first day in office.

Meanwhile, Captain John James is running with the full support and backing of President Trump.

"He has every single quality to be your next Great Senator from Michigan. When the people of Michigan get to know John, they will say he is a true star. Also, distinguished Military and a Combat Vet!"

-President Trump

With your sustaining support, Mrs. Pedro, conservative veteran John James will make a great U.S. Senator from Michigan.

[Next page, please]

CONGRESSMAN JASON LEWIS IN MINNESOTA

Congressman Jason Lewis is exactly the kind of conservative you and I love, Mrs. Pedro.

Like President Trump, he's a no-nonsense kind of guy who knows how to effectively communicate his conservative message.

Before being elected to the House in 2016, Rep. Lewis was a popular conservative talk radio host who regularly filled-in for Rush Limbaugh. He's even been called President Trump's "Mini-Me."

During his brief time on Capitol Hill he made a name for himself as a strong constitutional conservative by voting to repeal ObamaCare and pass the wildly successful Trump Tax Cuts.

His opponent is ultra-liberal Senator Tina Smith whose approval rating sits at only 43% --- making her a prime target for defeat.

If you have not heard of Senator Smith, you're not alone.

She was first appointed to her seat after former Senator Al Franken resigned in the midst of a wildly publicized sexual harassment scandal in 2018.

Make no mistake she's a radical pro-abortion, anti-Second Amendment, and pro-impeachment liberal.

"In 2020, because of America hating anti-Semite Rep. Omar, & the fact that Minnesota is having its best economic year ever, I will win the State!"

-President Trump

When asked why he's running for U.S.

Senate, Rep. Lewis replied: "I refuse to sit back on the sidelines and watch our state, country, and way of life continue to come under blistering attack from radical politicians like Ilhan Omar and her foot soldier Tina Smith."

With your sustaining support, Mrs. Pedro, conservative Congressman Jason Lewis will make a great U.S. Senator from Minnesota.

So to help send both of our top-tier conservative Senate candidates to Washington where they will fight for us I ask that you use the *postage-paid* **SECURE POUCH**

[Over, please]

ENVELOPE I've sent you today to contact me immediately.

Thanks to the hard work and devotion of Americans like you, Mrs. Pedro, Madison Project has helped elect some good conservatives over the years including: Senators Ted Cruz (R-TX) and Mike Lee (R-UT).

Today with your renewed support we can go 2-for-2 in 2020, defeat 2 liberals, and expand the Republican Senate Majority for Conservatives by helping elect John James and Jason Lewis on November 3rd.

Please take just a few moments right now to show your ongoing support for both of these outstanding conservatives by generously supporting Madison Project with a much-needed \$40 contribution.

\$40 equals \$20/each for James and Lewis.

Your most generous \$40 contribution will be put to good use immediately to help send 2 die-hard conservatives to Washington who will fight to stop the Trump-hating Democrats from destroying America.

Mrs. Pedro, I know times might be tough right now.

But today is the day to invest in America's greatness. So if \$40 is more than you can afford to send in right now I hope you'll consider sending \$30 or at least \$20.

I am asking you send in whatever you can right now because every single dollar makes a difference as Election Day fast approaches.

So please, do not delay – use the *postage-paid* **SECURE POUCH ENVELOPE** I've enclosed for you today to send in your very best contribution to help Keep America Great!

Thank you in advance for your continued support and friendship.

God Bless,

Now he's running as a pro-life, pro-Second Amendment, and pro-business Republican in Michigan --- a state President Trump won in 2016.

His opponent is ultra-liberal Senator Gary Peters whose approval rating sits at only 33% --- making him a prime target for defeat.

Not to mention, Peters was recently ranked second to last (#99 out of 100) for his effectiveness in the Senate.

Senator Peters is the poster boy for "do nothing" politicians.

And worse still, since he's running for re-election, he's pandering to the radical left including his home state "Socialist Squad" member Rep. Rashida Tlaib.

That's right! Peters is running together with Rep. Tlaib who you probably know is the loudest and most foulmouthed anti-Trump radical in Washington. Remember, she's the Congresswoman who screamed profanities while calling for President Trump's impeachment on her first day in office.

Meanwhile, Captain John James is running with the full support and backing of President Trump.

"He has every single quality to be your next Great Senator from Michigan. When the people of Michigan get to know John, they will say he is a true star. Also, distinguished Military and a Combat Vet!"

- President Trump

With your help conservative veteran John James will make a great U.S. Senator from Michigan.

CONGRESSMAN JASON LEWIS IN MINNESOTA

Congressman Jason Lewis is exactly the kind of conservative you and I love.

Like President Trump, he's a no-nonsense kind of guy who knows how to effectively communicate his conservative message.

Before being elected to the House in 2016, Rep. Lewis was a popular conservative talk radio host who regularly filled-in for Rush Limbaugh. He's even been called President Trump's "Mini-Me."

During his brief time on Capitol Hill he made a name for himself as a strong constitutional conservative by voting to repeal ObamaCare and pass the wildly successful Trump Tax Cuts.

His opponent is ultra-liberal Senator Tina Smith whose approval rating sits at only 43% --- making her a prime target for defeat.

If you have not heard of Senator Smith, you're not alone.

She was first appointed to her seat after former Senator Al Franken resigned in the midst of a wildly publicized sexual harassment scandal in 2018.

Make no mistake: she's a radical pro-abortion, anti-Second Amendment, and pro-impeachment liberal.

"In 2020, because of America hating anti-Semite Rep. Omar, & the fact that Minnesota is having its best economic year ever, I will win the State!"

- President Trump

When asked why he's running for U.S. Senate, Rep. Lewis replied: "I refuse to sit back on the sidelines and watch our state, country, and way of life continue to come under blistering attack from radical politicians like Ilhan Omar and her foot soldier Tina Smith."

With your help conservative Congressman Jason Lewis will make a great U.S. Senator from Minnesota.

So to help send both of our top-tier conservative Senate candidates to Washington where they will fight for us I ask that you use the **URGENT RED ALERT REPLY ENVELOPE** I've sent you today to contact me immediately.

Tuesday morning

My Fellow Conservative,

I've sent you this **URGENT RED ALERT REPLY ENVELOPE** because I need your help, and I need it fast.

With Nancy Pelosi's Democrats launching never ending attacks on President Trump, it's a blaring **"RED ALERT"** siren for all of us conservatives.

WE CANNOT ALLOW THESE RADICAL DEMOCRATS TO STEAL CONTROL OF THE SENATE THIS NOVEMBER.

My name is Jim Ryun and I'm the Chairman of Madison Project. As a former Olympic Athlete and a five-term member of Congress I know what it takes to win.

Hard work and devotion propelled me to 3 Olympic appearances, world records in the mile, and 5 elections to the U.S. House of Representatives.

That's why I know what happens in the next 2 days is absolutely critical.

With your help we can give two men vowing to stand-up against the "anti-Trump" Democrats, defend our President, and Keep America Great the critical boost they need to win their all-important races!

Both men have proven themselves to be solid all-around conservatives...they are 100% Pro-Life, Pro-Second Amendment and Pro-Taxpayer.

The two men I'm speaking of are our Madison Project's 2020 top-tier Senate Candidates:

Captain John James in Michigan
Congressman Jason Lewis in Minnesota

To win their races, defeat 2 anti-Trump Democrats, and bring 2 more conservatives to

Paid for by The Madison Project and not authorized by any candidate or candidate's committee.

Washington who will fight shoulder-to-shoulder alongside President Trump to Keep America Great these 2 top-tier candidates need your support now more than ever.

Before I go any further I'd like to tell you a little more about them...

ARMY CAPTAIN JOHN JAMES (RET.) IN MICHIGAN

U.S. Army Apache pilot John James is a true patriot.

After graduating from West Point and Ranger school, John went on to serve with distinction in Iraq where he logged more than 750 flight hours leading two Apache platoons and earning a Combat Action Badge (CAB) and two Air Medals.

Now he's running as a pro-life, pro-Second Amendment, and pro-business Republican in Michigan --- a state President Trump won in 2016.

Dear Fellow Conservative,

I've put **FOUR STAMPS** on your special *postage-paid* **RED RETURN ENVELOPE** today because after all we've been through this year...

...the impeachment hoax, the President's acquittal, and then the prolonged battle against the Chinese coronavirus outbreak...

~~...I need to hear back from you within the next **FOUR DAYS**.~~

President Trump deserves **FOUR MORE YEARS** but Joe Biden, Bernie Sanders, and the Democrats are hell-bent on destroying him.

No other leader in my lifetime has come under such vicious and unrelenting personal attacks as President Trump has these last four years.

Four years of Democrats phony investigations, blame games, and impeachment witch hunts.

Four years of "Never Trump" Republicans insider attacks.

And four years of fake news coming from the failing lamestream media.

DESPITE EVERYTHING, PRESIDENT TRUMP MADE AMERICA GREAT AGAIN.

Then the Chinese coronavirus hit and the Democrats looked to exploit the situation. One of Nancy Pelosi's top henchmen in Congress called it "**a tremendous opportunity to restructure things to fit our vision.**"

While many hardworking Americans lost their jobs these Democrats dragged their feet to make the President look bad.

Then these same lying liberals tried to use the coronavirus rescue bill to force through the "Green New Deal," payments to Planned Parenthood, and all sorts of liberal pet projects.

Meanwhile the fake news crowd went into overdrive to "tar-and-feather" President Trump. Just look at some of the

outrageous anti-Trump propoganda they spewed:

- *** New York Times ran the headline "Of Course Trump Deserves Blame for the Coronavirus Crisis"
- *** CNN anchor said "It's On Him" Trump To Blame For Coronavirus
- *** MSNBC hosted a panel to discuss "Coronavirus fight, failures of Trump"
- *** NBC host asked "Do you think there is blood on the president's hands considering the slow response?"

That's why here at the Madison Project we are gearing up our **FOUR MORE YEARS** campaign to re-elect President Trump.

So please, use the **FOUR STAMPED RED RETURN ENVELOPE** I've sent you today to join us.

My name is Jim Ryun.

As a former Olympic Athlete and a five-term member of Congress I know what it takes to win.

Hard work and devotion propelled me to 3 Olympic appearances, world records in the mile, and 5 elections to the U.S. House of Representatives.

That's why after leaving Congress I set my sights on helping rock-solid conservatives win their races as the Chairman of the Madison Project political action committee.

If you've heard of Madison Project before, then you know our proven track record of results is second to none.

We've helped elect some great conservatives such as **Senators Mike Lee, Ted Cruz, Marco Rubio, and Pat Toomey** as well as **Congressmen Jim Jordan, Mark Meadows, Chip Roy, and Jim Banks**.

And today, with your help we'll re-elect President Trump!

Take a moment to fill out your **FOUR MORE YEARS** reply and mail it back to me using the enclosed **FOUR STAMPED RED RETURN ENVELOPE**.

You and I both know, America needs President Trump in the White House for **FOUR MORE YEARS**.

Not only does President Trump deserve to be re-elected, but at the same time the alternative would be an absolute disaster.

Joe Biden back in the White House now would be worse than a

third term for Barack Obama.

Especially when you think about how far to the left today's Democrats have gone. You have AOC and her socialist "squad" who call Obama a "centrist" and practically the same as a Republican.

President Trump said it best: "America will NEVER be a socialist country!"

We cannot allow a "democratic" socialist to become President either --- we absolutely must keep America great by keeping President Trump in the White House for **FOUR MORE YEARS**.

Together we'll remind voters that under President Trump's leadership we've seen some great WINS as a country:

+++ **PRO-LIFE**: President Trump has championed the pro-life cause and is starting to put abortion providers, like Planned Parenthood, out of business.

+++ **PRO-GUN**: President Trump has repeatedly defended our Second Amendment rights against the gun grabbers on the radical left.

+++ **PRO-TAXPAYER**: President Trump's tax cuts helped all hard-working Americans bring home more money in each paycheck.

*** **PRO-JOBS**: President Trump's economic policies had our economy soaring before COVID-19 and they will lead us to bounce back stronger than ever.

*** **PRO-CONSTITUTION**: President Trump put Neil Gorsuch and Brett Kavanaugh on the Supreme Court and he's appointed hundreds of great judges to the federal courts.

So don't delay, please complete and return the enclosed **FOUR MORE YEARS** reply within the next **four days**.

America needs **FOUR MORE YEARS** of President Trump's leadership to steer us out of the short term economic chaos caused by China and their awful Coronavirus.

So once you've completed your enclosed **FOUR MORE YEARS** reply I'd like you to please consider making a generous contribution of at least \$20.20.

The liberal anti-Trump fake news media hates everything you and I stand for: pro-life, pro-faith, pro-freedom.

But to me these liberals are a bunch of bias political hacks.

These same liberals would love nothing more than for you to

throw this letter away and sit back as they promote the destruction of America.

We already witnessed it during the COVID-19 outbreak.

My friend, I sincerely hope you value our country's future more than that.

In fact, I hope that you care enough to fill out your enclosed **FOUR MORE YEARS** reply and help us make America great again by including your very best contribution of at least \$20.20.

Your \$20.20 contribution today means more than dollars and cents.

IT TELLS ME YOUR INVESTED IN SEEING AMERICA WIN.

Whether you can give \$20.20 or more, that is for you to decide.

To combat the Democrats' fake news media machine we are certainly going to need all the help we can get.

So if you can afford to give \$50, \$100, \$250, \$500, or even \$1,000, I hope that you will.

In fact, for your contribution of \$50 or more I will send you an autographed copy of the best-selling book Restoring Our Republic. After reading it, President Trump announced:

"This is a great book, a must read!"
- President Donald J. Trump

But please act quickly, we cannot afford to miss this golden opportunity to seize the moment and steer our country back in the right direction after this national crisis.

I look forward to hearing back from you within the next **four days**.

God Bless,

Congressman Jim Ryun (ret.)
Madison Project Chairman

P.S. Please use the **RED RETURN ENVELOPE** to let me know whether or not I can count on you to support our campaign to re-elect President Trump for **FOUR MORE YEARS**.

And don't forget, for your contribution of \$50 or more you'll receive a brand new copy of Restoring Our Republic --- the book President Trump called "GREAT" and a "MUST READ!"

- +++ **PRO-TAXPAYER**: President Trump's tax cuts helped all hard-working Americans bring home more money in each paycheck.
- *** **PRO-JOBS**: President Trump's economic policies had our economy soaring before COVID-19 and they will lead us to bounce back stronger than ever.
- *** **PRO-CONSTITUTION**: President Trump put Neil Gorsuch and Brett Kavanaugh on the Supreme Court and he's appointed hundreds of great judges to the federal courts.

So don't delay, please complete and return the enclosed **FOUR MORE YEARS** reply within the next **four days**.

America needs **FOUR MORE YEARS** of President Trump's leadership to steer us out of the short term economic chaos caused by China and their awful Coronavirus.

So once you've completed your enclosed **FOUR MORE YEARS** reply I'd like you to please consider making a generous contribution of at least \$20.20.

The liberal anti-Trump fake news media hates everything you and I stand for: pro-life, pro-faith, pro-freedom.

But to me these liberals are a bunch of bias political hacks.

These same liberals would love nothing more than for you to

throw this letter away and sit back as they promote the destruction of America.

We already witnessed it during the COVID-19 outbreak.

My friend, I sincerely hope you value our country's future more than that.

In fact, I hope that you care enough to fill out your enclosed **FOUR MORE YEARS** reply and help us make America great again by including your very best contribution of at least \$20.20.

Your \$20.20 contribution today means more than dollars and cents.

IT TELLS ME YOUR INVESTED IN SEEING AMERICA WIN.

Whether you can give \$20.20 or more, that is for you to decide.

To combat the Democrats' fake news media machine we are certainly going to need all the help we can get.

So if you can afford to give \$50, \$100, \$250, \$500, or even \$1,000, I hope that you will.

In fact, for your contribution of \$50 or more I will send you an autographed copy of the best-selling book Restoring Our Republic. After reading it, President Trump announced:

"This is a great book, a must read!"
- President Donald J. Trump

But please act quickly, we cannot afford to miss this golden opportunity to seize the moment and steer our country back in the right direction after this national crisis.

I look forward to hearing back from you within the next **four days**.

God Bless,

Congressman Jim Ryun (ret.)
Madison Project Chairman

P.S. Please use the **RED RETURN ENVELOPE** to let me know whether or not I can count on you to support our campaign to re-elect President Trump for **FOUR MORE YEARS**.

And don't forget, for your contribution of \$50 or more you'll receive a brand new copy of Restoring Our Republic --- the book President Trump called "GREAT" and a "MUST READ!"

JIM RYUN RECEIVES PRESIDENTIAL MEDAL OF FREEDOM

FOX & friends

From the desk of...
Congressman Jim Ryun
Madison Project Chairman
Presidential Medal of Freedom Recipient

Dear Fellow Conservative,

I've put **FOUR STAMPS** on your special *postage-paid* **RED RETURN ENVELOPE** today because after all we've been through this year...

...the impeachment hoax, the President's acquittal, and then the prolonged battle against the Chinese coronavirus outbreak...

...I need to hear back from you within the next **FOUR DAYS**.

President Trump deserves **FOUR MORE YEARS** but Joe Biden, Bernie Sanders, and the Democrats are hell-bent on destroying him.

No other leader in my lifetime has come under such vicious and unrelenting personal attacks as President Trump has these last four years.

Four years of Democrats phony investigations, blame games, and impeachment witch hunts.

Four years of "Never Trump" Republicans insider attacks.

And four years of fake news coming from the failing lamestream media.

DESPITE EVERYTHING, PRESIDENT TRUMP MADE AMERICA GREAT AGAIN.

Then the Chinese coronavirus hit and the Democrats looked to exploit the situation. One of Nancy Pelosi's top henchmen in Congress called it "**a tremendous opportunity to restructure things to fit our vision.**"

While many hardworking Americans lost their jobs these Democrats dragged their feet to make the President look bad.

Now these same lying liberals are trying to defund our police, rip down our historic monuments, and bail out abortion providers like Planned Parenthood.

Meanwhile the fake news crowd went into overdrive to "tar-and-feather" President Trump. Just look at some of the

outrageous anti-Trump propaganda they spewed:

- *** New York Times ran the headline "The Real Reason Biden Is Ahead of Trump? He's a Man"
- *** CNN anchor said "It's On Him" Trump To Blame For Coronavirus
- *** Washington Post claims "Trump's Presidency Crumbling"
- *** Mother Jones published a story entitled "Donald Trump Listens to His Gut. And It's the Gut of a Racist"

That's why here at the Madison Project we are gearing up our **FOUR MORE YEARS** campaign to re-elect President Trump.

So please, use the **FOUR STAMPED RED RETURN ENVELOPE** I've sent you today to join us.

My name is Jim Ryun. As a former Olympic Athlete and a five-term member of Congress I know what it takes to win.

Hard work and devotion propelled me to 3 Olympic appearances, world records in the mile, and 5 elections to the U.S. House of Representatives.

Recently, President Trump honored me for my lifetime of achievement with the PRESIDENTIAL MEDAL OF FREEDOM.

Today as the Chairman of the Madison Project political action committee I've set my sights on helping rock-solid conservatives win their races.

If you've heard of Madison Project before, then you know our proven track record of results is second to none.

We've helped elect some great conservatives such as **Senators Mike Lee, Ted Cruz, Marco Rubio,** and **Pat Toomey** as well as **Congressmen Jim Jordan, Mark Meadows, Chip Roy,** and **Jim Banks.**

And today, with your help we'll re-elect President Trump!

Take a moment to fill out your **FOUR MORE YEARS** reply and mail it back to me using the enclosed **FOUR STAMPED RED RETURN ENVELOPE.**

You and I both know, America needs President Trump in the White House for **FOUR MORE YEARS.**

Not only does President Trump deserve to be re-elected, but at the same time the alternative would be an absolute disaster.

Joe Biden back in the White House now would be worse than a

third term for Barack Obama.

Especially when you think about how far to the left today's Democrats have gone. You have AOC and her socialist "squad" who call Obama a "centrist" and practically the same as a Republican.

President Trump said it best: "America will NEVER be a socialist country!"

We cannot allow a "democratic" socialist to become President either --- we absolutely must keep America great by keeping President Trump in the White House for **FOUR MORE YEARS**.

Together we'll remind voters that under President Trump's leadership we've seen some great WINS as a country:

+++ **PRO-LIFE**: President Trump has championed the pro-life cause and is starting to put abortion providers, like Planned Parenthood, out of business.

+++ **PRO-GUN**: President Trump has repeatedly defended our Second Amendment rights against the gun grabbers on the radical left.

+++ **PRO-TAXPAYER**: President Trump's tax cuts helped all hard-working Americans bring home more money in each paycheck.

*** **PRO-JOBS**: President Trump's economic policies had our economy soaring before COVID-19 and they will lead us to bounce back stronger than ever.

*** **PRO-CONSTITUTION**: President Trump put Neil Gorsuch and Brett Kavanaugh on the Supreme Court and he's appointed hundreds of great judges to the federal courts.

JIM RYUN RECEIVES PRESIDENTIAL MEDAL OF FREEDOM

FOX & friends

From the desk of...
Congressman Jim Ryun

Madison Project Chairman
Presidential Medal of Freedom Recipient

Dear Mrs. Pedro,

Thank you so much for your faithful support of our work here together at the Madison Project.

As you may know, President Trump recently honored me at the White House where he presented me with the Presidential Medal of Freedom in front of my family and friends.

It was truly the honor of a lifetime, Mrs. Pedro.

During his speech, President Trump spoke about my constant and unrelenting pursuit of excellence -- and well, while I am humbled by those words -- they also perfectly describes how President Trump has approached his duty as our Commander-in-Chief.

Over the last four years President Trump has put America first, promoted our greatness, and made us great again.

Today I've put **FOUR STAMPS** on your special *postage-paid RETURN ENVELOPE* today because President Trump deserves **FOUR MORE YEARS** in the White House.

But right now, Joe Biden, Nancy Pelosi, and the Democrats are hell-bent on destroying him.

Mrs. Pedro, no other leader in my lifetime has come under such vicious and unrelenting personal attack as President Trump has these last four years.

Four years of Democrats phony investigations, blame games, and impeachment witch hunts.

Four years of "Never Trump" Republicans insider attacks.

And four years of fake news coming from the failing lamestream media.

DESPITE EVERYTHING, PRESIDENT TRUMP MADE AMERICA GREAT AGAIN.

Then the Chinese coronavirus hit and the Democrats looked to exploit the situation. One of Nancy Pelosi's top henchmen in Congress called it "**a tremendous opportunity to restructure**

While many hardworking Americans lost their jobs these Democrats dragged their feet to make the President look bad.

That's why here at the Madison Project we are gearing up our **FOUR MORE YEARS** campaign to re-elect President Trump.

So please, use the **FOUR STAMPED RETURN ENVELOPE** I've sent you to renew your support for Madison Project today.

Mrs. Pedro, as you know our proven track record of results is second to none.

We've helped elect some great conservatives such as **Senators Mike Lee, Ted Cruz, Marco Rubio, and Pat Toomey** as well as **Congressmen Jim Jordan, Mark Meadows, Chip Roy, and Jim Banks**.

The liberal anti-Trump fake news media hates everything you and I stand for: pro-life, pro-faith, pro-freedom.

I look forward to hearing from you within the next four days.
