Future Action

The Commission may initiate an enforcement action, at a later time, with respect to any of the matters discussed in this report.

Part I

Background

Authority for Audit

This report is based on an audit of the National Tooling & Machining Association (NTMA) Committee for a Strong Economy, undertaken by the Audit Division of the Federal Election Commission (the Commission) in accordance with the Federal Election Campaign Act of 1971, as amended (the Act). The Audit Division conducted the audit pursuant to 52 U.S.C. §30111(b), which permits the Commission to conduct audits and field investigations of any political committee that is required to file a report under 52 U.S.C. §30104. Prior to conducting any audit under this subsection, the Commission must perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act. 52 U.S.C. §30111(b).

Scope of Audit

Following Commission-approved procedures, the Audit staff evaluated various risk factors and as a result, this audit examined:

1. the disclosure of individual contributors' occupation and name of employer;
2. the disclosure of disbursements made to federal candidate committees;
3. the consistency between reported figures and bank records;
4. the completeness of records; and
5. other committee operations necessary to the review.

Part IV

Findings and Recommendations

Finding 1. Misstatement of Financial Activity – Increased Activity

A comparison of NTMA's bank records with its originally filed reports revealed that receipts were understated by \$93,655 for calendar years 2017 and 2018. In response to the Interim Audit Report recommendation, NTMA stated they have no further comments.

Legal Standard

A. Reporting Requirements. All political committees other than authorized committees of a candidate shall file either:

- Quarterly reports. 52 U.S.C. § 30104(a)(4)(A); or
- Monthly reports in all calendar years shall be filed no later than the 20th day after the last day of the month and shall be complete as of the last day of the month, except that, in lieu of filing the reports otherwise due in November and December of any year in which a regularly scheduled general election is held, a pre-general election report shall be filed in accordance with 52 U.S.C. § 30104(2)(A)(i), a post-general election report shall be filed in accordance with 52 U.S.C. § 30104(2)(A)(ii), and a year-end report shall be filed no later than January 31 of the following calendar year. 52 U.S.C. § 30104(a)(4)(B)

B. Contents of Reports. Each report must disclose:

- The amount of cash on hand at the beginning and end of the reporting period;
- The total amount of receipts for the reporting period and for the calendar year;
- The total amount of disbursements for the reporting period and for the calendar year; and
- Certain transactions that require itemization on Schedule A (Itemized Receipts) or Schedule B (Itemized Disbursements). 52 U.S.C. § 30104 (b)(1),(2),(3),(4) and (5).

Facts and Analysis

A. Facts

During audit fieldwork, in addition to examining NTMA's most recent reports filed prior to audit notification, the Audit staff compared its originally filed reports with its bank records. The purpose of this additional reconciliation was to identify the degree to which NTMA had misstated its original filings.

The Audit staff calculated that NTMA understated receipts by \$93,655 on the original reports filed for the two-year period ending December 31, 2018. Most of the understatement was due to NTMA not reporting any receipts on its originally filed

reports covering calendar year 2017. NTMA subsequently amended its reports to materially disclose the receipts.

B. Interim Audit Report & Audit Division Recommendation

The Audit staff discussed this matter with NTMA representatives during the exit conference and provided the relevant schedule. In response to the exit conference, NTMA representatives commented that the understated receipts reported on the original disclosure reports were corrected on amended disclosure reports (other than \$7,350 which was due to reporting voided checks incorrectly). As noted above and at the exit conference, the Audit staff compared NTMA's original reports to its bank records to identify the degree to which NTMA misstated the activity disclosed on its original filings. NTMA underreported its receipts by \$93,655 between the time the original reports were filed on or near their respective due dates and when the amendments were filed in 2017, 2018 and 2019.

The Interim Audit Report recommended that NTMA provide any additional comments it deemed relevant to this matter.

C. Committee Response to Interim Audit Report

In response to the Interim Audit Report recommendation, NTMA stated they have no further comments.

Finding 2. Disclosure of Contributions Made to Federal Candidate Committees

Summary

During audit fieldwork, the Audit staff determined that NTMA failed to properly disclose the required information for contributions made to federal candidate committees totaling \$52,887. In response to the exit conference, NTMA filed amended disclosure reports that corrected the errors. In response to the Interim Audit Report recommendation, NTMA stated they have no further comments.

Legal Standard

- The amount of the expenditures;
- The date when the expenditures were made;
- The name and address of the payee;
- The purpose of the expenditures 52 U.S.C. § 30104(b)(5)(A) and 11 CFR §104.3(b)(3)(i); and
- The candidate's name and office sought (including the state and, if applicable, Congressional district) 11 CFR § 104.3(b)(3)(v).

Facts and Analysis

A. Facts

During audit fieldwork, the Audit staff reviewed NTMA's disbursement records and disclosure reports for proper reporting of contributions made to federal candidate committees. This review identified 51 contributions totaling \$52,887 that were either incorrectly disclosed or missing the required disclosure information. The majority of these errors were the result of the candidate's office sought, district or state not being disclosed. Additionally, in-kind contributions made to federal candidates were incorrectly disclosed as direct contributions.

Interim Audit Report & Audit Division Recommendation

The Audit staff discussed this matter with NTMA representatives at the exit conference and provided a schedule of the disclosure errors noted above. In response to the exit conference, NTMA filed amended reports that corrected the disclosure errors. NTMA also stated they have now hired an accounting firm to prepare and file disclosure reports and that a staff member attended the FEC regional conference in February 2020, to increase their knowledge of campaign finance law and reporting requirements.

The Interim Audit Report recommended that NTMA provide any additional comments it deemed relevant to this matter.

C. Committee Response to Interim Audit Report

In response to the Interim Audit Report recommendation, NTMA stated they have no further comments.
