CONVENTION AND GENERAL ELECTION CERTIFICATION PROCEDURES

The following procedures set forth the payment mechanism for the Presidential Nominating Conventions entitled to receive payments under 26 U.S.C. Section 9008 and the General Election Campaigns entitled to receive payments under 26 U.S.C. Section 9004.

The time deadline set forth in this Directive, except for any specified by the Commission’s regulations, are guidelines for internal use only. They are not legally binding requirements.

National Nominating Convention

To qualify for entitlement, each National Committee (the Committee) must submit to the Commission an application that includes the information outlined in paragraphs (i) through (v) of 11 C.F.R. §9008.3(a)(3) and each Convention Committee must submit a statement or letter agreeing to the conditions outlined in §9008.3(a)(4). Suggested formats for the application and agreements are attached at Appendices 1 and 2 and will be made available on the Commission’s website.

Within one (1) business day of submission of the application and agreement to the Commission, the Deputy Assistant Staff Director for Public Financing (DASD) and the Office of General Counsel will concurrently review them for compliance with 11 C.F.R. §9008.3. The DASD will attempt to informally resolve any problems with the Committee. If this cannot be accomplished within five (5) business days of receipt of the agreement, the matter will be presented to the Commission for its next regularly scheduled open meeting with recommendations on how the Committee can be brought into compliance with §9008. If the agreement meets the requirements of the Act and Commission Regulations, the Audit Division will present a report to the Commission within two (2) business days of receipt.

Along with its agreement, the Committee may submit a request to receive all, part or none of the amount to which it is entitled. The Audit Division will process the request for payment along with the application and agreement. The application and letter of agreements may be submitted at any time after June 1 of the calendar year preceding the year in which the Presidential nominating convention is held but no later than the first day of the convention.
The Audit Division and the Office of General Counsel will review any request for payment before the Audit Division forwards it to the Commission for certification. Once the Commission certifies the payment, the DASD will deliver the Commission’s certification to the Secretary of the Treasury within one (1) business day. However, no payments may be made before July 1st of the calendar year immediately preceding the year in which the convention is held.

The amount paid to the committees under 26 U.S.C. §9008(b)(1) is $4,000,000, adjusted by the percentage increase in the consumer price index. The Secretary of Labor sends a letter to the Commission annually certifying the percent increase in the consumer price index for the previous calendar year.

The payment certified to Treasury in the year before the election is calculated using the CPI in the Labor Department letter for the previous year. In February or March of the election year, the CPI from the year prior to the election will be received. At that time, an adjusting payment is certified to Treasury. The committees do not have to request the adjusting payment; it is automatically certified within five (5) business days of the receipt of the CPI change.

In calculating the payment, the CPI is rounded to three (3) decimal places (one tenth of a percent or .1%).

If the committee has not requested the full amount it is entitled to receive, all subsequent requests following the initial request for payment will be processed in the same manner as for the full amount, including certification by the Commission to the Secretary of the Treasury.

General Election Campaigns

To become eligible to receive payments under 26 U.S.C. §9006(b) the Presidential and Vice Presidential candidates of a political party must agree in a letter signed by the Candidates that they and their authorized committees will comply with conditions set forth in 26 U.S.C. §9003(a) and (b) and 11 C.F.R. §§9003.1(b) and 9003.2. Suggested formats for the agreements and certification are attached at Appendix 3 and will be made available on the Commission’s website.

Within one (1) business day of submission of the agreement to the Commission, the DASD and the Office of General Counsel will concurrently review it for compliance with 11 C.F.R. §§9003.1(b) and 9003.2. The DASD will attempt to informally resolve any problems with the Committee. If this cannot be accomplished within five (5) business days of receipt of the agreement, the matter will be presented to the Commission for its next regularly scheduled open meeting with recommendations on how the Committee can be brought into compliance with §9003. If the agreement meets the requirements of the Act and Commission Regulations, the Audit Division will present a report to the
Commission within two (2) business days of receipt that the candidates are eligible to receive a payment under 26 U.S.C. §9006(b), and provides the amount of the payment. Once the Commission certifies the payment, the DASD will deliver the certification to the Secretary of the Treasury within one (1) business day.

This Directive was adopted on June 20, 2007.
