1. As part of the ongoing development of its Information Systems, the Commission has transferred historical enforcement matters information from its obsolete programs to a modern database. Commission staff are continually reviewing historical files to verify the date entered for the years 1977-1990. The information ensuring may be subject to random access as the data transfer is completed and verified.
2. The ADR program began in October 2000.
3. The AF program began in July 2000.
4. A large proportion of Reason to Believe (RtB) in Administrative Fine cases are made in connection with the reporting requirements surrounding the general election and the Year-End Report is due at the end of the two-year election cycle. While the end of the election cycle falls at the end of the even-numbered calendar year, it falls in the first quarter of the odd-numbered fiscal year.
