INSTRUCTIONS FOR SUMMARY PAGE (FEC FORM 3, PAGES 1 – 2)

Who Must File

A political committee designated in writing by a candidate for the House of Representatives or Senate to serve as his or her principal campaign committee is required to file periodic Reports of Receipts and Disbursements on FEC FORM 3.

Any other political committee authorized in writing by a candidate for the House of Representatives or Senate to receive contributions or make expenditures on the candidate's behalf is required to file FEC FORM 3 with the principal campaign committee. The principal campaign committee must compile and consolidate the reports required to be filed with it. These consolidated reports must include: the candidate's activity, reports submitted to the principal campaign committee by any other authorized committees, and the principal campaign committee's own activity. This consolidation must be made on FEC FORM 3Z.

Note: Political committees (except for principal campaign committees of Senate candidates) must file reports in an electronic format if they have either received contributions or made expenditures in excess of \$50,000 during a calendar year, or if they have reason to expect that they will exceed either of those thresholds during the calendar year. If the committee has reached this level of activity, **DO NOT FILE THIS FORM ON PAPER**. Instead, you must file this form in an electronic format.

An authorized committee is considered to have reason to expect it will exceed the electronic filing threshold for the following two calendar years after the calendar year in which it exceeds \$50,000 in contributions or expenditures. Exception: This does not apply to an authorized committee with \$50,000 or less in net debts

outstanding on January 1 of the year following the general election that anticipates terminating prior to January 1 of the next election year, as long as the candidate has not qualified as a candidate in the next election and does not intend to become a federal candidate in the next election.

A new authorized committee with no previous contributions or expenditures is considered to have reason to expect it will exceed the electronic filing threshold if it exceeds \$12,500 in contributions or expenditures during the first quarter of the calendar year, or \$25,000 in contributions or expenditures in the first half of the calendar year.

Contact the FEC for more information on filing electronically.

ALL POLITICAL COMMITTEES AUTHORIZED IN WRITING BY A CANDIDATE FOR THE OFFICE OF PRESIDENT OR VICE PRESIDENT MUST FILE ON FEC FORM 3P.

ALL POLITICAL COMMITTEES OTHER THAN THOSE AUTHORIZED BY A CANDIDATE MUST FILE ON FEC FORM 3X.

When to File

In any calendar year in which there is a "regular" November general election for which the candidate is seeking nomination for election or election, the candidate's principal campaign committee must file the following reports on FEC FORM 3:

- Quarterly reports must be filed no later than April 15, July 15, October 15 and January 31 of the following calendar year. Each such report must disclose all transactions from the last report filed through the last day of the calendar quarter. A quarterly report is not required to be filed if a Pre-Election Report is required to be filed during the period beginning on the 5th day and ending on the 15th day after the close of the calendar quarter.

- A 12-Day Pre-Election Report must be filed no later than the 12th day before any primary or general election in which the candidate seeks election and must include all transactions from the closing date of the last report filed through the 20th day before the election. A 12-Day Pre-Election Report sent by certified or registered mail must be mailed no later than the 15th day before the election.

- A 30-Day Post-General Election Report must be filed no later than 30 days after the general election and include transactions from the closing date of the last report filed through the 20th day after the general election.

In any other calendar year, quarterly reports must be filed no later than April 15, July 15, October 15, and January 31 of the following calendar year. Each such report must disclose all transactions from the last report filed through the last day of the calendar quarter.

A document is timely filed upon delivery to the appropriate office (see "Where to File") by the close of the prescribed filing date or upon deposit as registered or certified mail in an established U.S. Post Office and post-marked no later than midnight of the day the report is due, except that a Pre-Election Report so mailed must be postmarked no later than midnight of the 15th day before the date of the election. Reports and statements sent by first class mail must be received by the appropriate office by the close of business of the prescribed filing date to be timely filed. Reports filed electronically must be received and validated by the Commission's computer system on or before 11:59 p.m. Eastern Standard/Daylight Savings Time on the prescribed filing date in order to be timely filed.

Where to File

An original report and any amendments to an original report must be filed as follows:

- The principal campaign committee of a candidate for the House of Representatives must file with the Federal Election Commission, 999 E Street, NW, Washington DC 20463. Other authorized committees of the candidate must file with the principal campaign committee.
- The principal campaign committee of a candidate for the Senate must file with the Secretary of the Senate, Office of Public Records, 232 Hart Senate Office Building, Washington, DC 20510-7116. Mail addressed to the Secretary of the Senate should read: "Office of Public Records, P.O. Box 77578, Washington, DC 20013-7578." Other authorized committees of the candidate must file with the principal campaign committee.

A copy of each report filed by the principal campaign committee must be filed with the Secretary of State (or appropriate State officer) of the State in which nomination or election is sought. Exception: Principal campaign committees of House and Senate candidates must file a copy of this form with the state in which the office is sought, with the exception of committees of candidates in states that have qualified for the Commission's state filing waiver. A list of qualified states is available from the Federal Election Commission.

Report Preparation

- A political committee may use any recordkeeping or accounting system which will enable it to comply with the Act.
- The Commission recommends that political committees use a recordkeeping or accounting system that keeps a separate accounting for each of the various categories of receipts and disbursements on the Detailed Summary Page. This separate accounting will help the political committee fill out the reporting forms, since separate reporting schedules are required for each category.

- The reporting schedules should be filled out first so that the totals can be derived for each category.
- The total figures should be carried forward to pages 3 – 4 (Detailed Summary Page) and then (where appropriate) from the Detailed Summary Page to page 2 (Summary Page).
- Pages 3 and 4 (Detailed Summary Page) should be filled out before completing page 2 (Summary Page).

Treasurer's Responsibilities

A copy of this Report must be preserved by the treasurer of the political committee for a period of not less than three years from the date of filing. The treasurer of the political committee is personally responsible for the timely and complete filing of the report and for the accuracy of any information contained in it.

Election Cycle Reporting

Authorized committees must report receipts and disbursements on an election-cycle basis, rather than on a calendar year basis. The election cycle for disclosure purposes begins the day after the previous general election for a seat or office, and ends on the day of the next general election for that seat or office. Note that the length of the election cycle varies depending on office sought (i.e., two years for House committees and six years for Senate committees). See 11 CFR 100.3(b).

Note that on the first report filed after your general election, receipts received and disbursements made after the date of the general election are considered to be for the next election cycle and must be aggregated separately for purposes of itemization.

The committee's full name and the coverage dates for the report must be entered in the appropriate blocks. If there are no receipts or disbursements for a particular category for a reporting period or election cycle enter "0."

To derive the "election cycle-to-date" figure for each category, the political committee should add the "election cycle-to-date" total from the previous report to the "Total This Period" from Column A for the current report. For the first report filed for an election cycle, the "election cycle-to-date" figure is equal to the "Total This Period" figure.

Special Instructions for Last Report Filed for Your Election Cycle

For this report ONLY, principal campaign committees must fill out Parts I and II on pages 5 – 8, (Post-Election Detailed Summary Page) in lieu of filling out pages 3 and 4 (Detailed Summary Page). Note: Committees must also fill out Parts III and IV of page 8 (Post-Election Detailed Summary Page) in lieu of filling out Lines 6 and 7 of page 2 (Summary Page). This requirement applies to the Post-General report filed by general election candidates or to the Year-End Report filed by all other candidates in that election cycle.

INSTRUCTIONS FOR SCHEDULE A, ITEMIZED RECEIPTS (FEC FORM 3)

The Detailed Summary Page is broken down into various categories of receipts. Use Schedule A to list each receipt required to be itemized. **DO NOT** combine more than one category of receipts on the same Schedule A. Instead, use a separate Schedule A for each category of receipts. The line number of the Detailed Summary Page to which each Schedule A pertains should be identified in the upper right corner of each Schedule. In addition, the committee's full name must be entered in the appropriate block. For each receipt required to be itemized during the reporting period, the political committee must provide the identification, date and amount of the receipt, and the aggregate election cycle-to-date total. If disclosing a contribution from a federal political committee, enter the FEC identification number of the committee making the contribution. (This number is readily available from the Commission's Web site or its Public Disclosure Division.)

The term "identification" means, in the case of an individual, his or her full name, including: first name, middle name or initial, if available, and last name; mailing address; occupation; and the name of his or her employer; and, in the case of any other person, the person's full name and address. Do not abbreviate committee names.

The occupation and name of employer are only required to be provided for receipts from individuals. "Occupation" means the principal job title or position of an individual. "Employer" means the organization or person by whom an individual is employed, and not the name of his or her supervisor. Use "self-employed," if applicable.

The date of receipt for reporting purposes is the date the committee (or its agent) actually obtains possession of the contribution. See 11 CFR 102.8(a). The "election cycle-to-date"

total for each entry represents the total amount received from that source since the beginning of the election cycle (starting the day after the last general election through the date of the general election). (Note that on the first report filed after your general election, receipts received after the date of the general election are considered to be for the next election cycle and must be aggregated separately.) If a receipt is the only receipt from a person during the election cycle, the aggregate election cycle-to-date total must still be entered. Authorized committees must indicate the election for which the receipt was given. In the event the receipt was given for an election other than the current primary or general election, the "Other" block must be checked and the type of election specified (i.e., "General 2000," "Primary 2004").

Check the 'Memo' box for informational entries that do not affect the committee's cash on hand (e.g., contributor attribution, conduit information, ultimate payee information, etc.)

The "Total This Period" amount (the last line on Schedule A) must be added to all other receipts for that category which are not itemized and carried forward to Column A of the corresponding line of the Detailed Summary Page.

If a contribution is received from a business entity or is drawn on what is or appears to be a business account, the political committee must either determine that the contribution is not from a corporation, government contractor, or other prohibited source or refund it within thirty days of its receipt.

Contributions to a candidate or authorized committee that are not designated or redesignated by the contributor for a specific election must be counted toward the contributor's limitation for the next election after the contribution is made, unless they are presumptively redesignated as described below. Contributions may be made for a past election only to the extent that the recipient has net

debts outstanding from that particular election. A contribution that appears to be excessive, either on its face or when aggregated with other contributions from the same person, may be presumptively redesignated or reattributed, if either is applicable, or it may be returned or deposited into a campaign depository but not used. If deposited, the contributor may be asked if a joint contribution was intended and, if so, to submit a written reattribution of the contribution signed by each contributor. The contributor may also be asked to redesignate in writing the contribution for a different election if such a contribution would otherwise be permissible. Alternatively, the excessive portion of contributions before the primary election may be presumptively redesignated to the general election if the redesignation does not cause the contributor to exceed any other contribution limit. Contributions after the primary but before the general election may be presumptively redesignated for the primary election to the extent the committee has net debts outstanding from the primary election. Contributions may also be presumptively reattributed to a joint contributor whose name also appears imprinted on the contribution check if the reattribution will not cause the contributor to exceed any contribution limits. If the committee presumptively redesignates or reattributes the excessive contribution, the committee must notify the contributor of its action, and offer the opportunity to request a refund, within sixty days of its receipt of the original contribution. Both written redesignations and written reattributions are to be reported as memo entries on the report covering the period in which the committee receives the redesignations or reattributions. Indicate how any such contributions were reported initially, followed by the redesignated or reattributed entry(ies). Presumptive redesignations or reattributions must also be noted as such. See 11 CFR 110.1(b)(5)(ii)(B) and (C) for

presumptive redesignations, 11 CFR 110.1(k)(3)(ii)(B) for presumptive reattributions, and 11 CFR 104.8 and the Campaign Guide for the reporting of these types of contributions.

Contributions In-Kind. Contributions in-kind (i.e., goods and services provided to a political committee) are treated as any other contribution and must be reported and itemized under the appropriate category of receipts. For example, a contribution in-kind from an individual must be itemized on Schedule A and reported under the category for “Contributions From Individuals/Persons Other Than Political Committees.” The value of each contribution in-kind must be entered in the “Amount of Each Receipt This Period” column. The amount or value of the contribution in-kind is the difference between the usual and normal charge for the goods or services at the time of the contribution and the amount charged the political committee. The “aggregate election cycle-to-date” total must include the total amount of all contributions which the person has contributed to the committee during the election cycle. The item must be labeled “contribution in-kind” and include the nature of the contribution (e.g., consulting, polling, etc.). Each contribution in-kind must also be reported in the same manner as an operating expense on Schedule B and included in the total for “Operating Expenditures” (Note: A political committee which makes a contribution in-kind only reports it as a disbursement and itemizes the transaction on Schedule B with a notation “contribution in-kind.” The purpose of the expenditures (e.g., consulting, polling, etc.) and the aggregated election cycle-to-date amount must also be provided. The committee receiving the contribution in-kind must report it as both a receipt and an expenditure.) Note that special reporting rules apply when an individual makes an advance of personal funds for a good or service but expects to be reimbursed. See the instructions for reporting “reimbursed advances by staff” in the Campaign

Guide for Congressional Candidates.

Contributions of stocks, bonds, art objects, and other similar items to be liquidated must be reported as follows:

(1) If the item has not been liquidated at the close of the reporting period, the committee must record as a memo entry (not as cash) on Schedule A the item’s fair market value on the date received, including the name and mailing address (and when in excess of \$200, the occupation and name of the employer) of the contributor. The total amount of items to be liquidated must be entered under “Total This Period” on the last line of Schedule A. This amount must NOT be carried forward to the Detailed Summary Page.

(2) When the item is sold, the committee must report the proceeds and include them in the appropriate categories on the Detailed Summary Page. It must also report the (i) name and mailing address (and, where in excess of \$200, the occupation and name of employer) of the purchaser on Schedule A, if purchased directly from the committee (the purchaser is considered to have made a contribution to the committee); and (ii) the identification of the original contributor on Schedule A.

Exempt Legal or Accounting Services. Legal or accounting services rendered to or on behalf of an authorized committee of a candidate or any other political committee are not contributions or expenditure and are not, therefore, subject to the contribution limitations and prohibitions, if the person paying for the services is the regular employer of the individual rendering the services and if the services are solely to ensure compliance with the Act.

The political committee must itemize as a memo entry on a separate Schedule A each person who provides legal or accounting services to the political committee in an aggregate value or amount in excess of \$200 within the election cycle, together with the date of receipt and amount or

value of the exempt legal or accounting services, and state that the receipt is for “exempt legal or accounting service.” The total amount of exempt legal or accounting services must be entered on the line for “Total This Period” on the bottom of Schedule A, but the total amount may not be carried forward to any category or line number on the Detailed Summary Page.

Earmarked Contributions. For each earmarked contribution received (regardless of the amount), the political committee must report on Schedule A the name and address of the original contributor, the date of receipt and the amount of the contribution and, if the original contributor makes contributions aggregating in excess of \$200 to the political committee during the election cycle, the occupation and name of employer. If the contribution passes through the political committee’s account and is forwarded to another political committee or federal candidate, the conduit committee must disclose each contribution, regardless of the amount, on both Schedule A and Schedule B and include the amount under the appropriate category of receipts and disbursements. If the contribution was passed on in the form of the contributor’s check, the conduit must disclose each contribution on a separate Schedule A attached to the conduit’s (intermediary) next report and the amounts of such contributions are not required to be included in the totals for the appropriate categories of receipts and disbursements. If a political committee is not a conduit, but is the intended recipient, the political committee must report each conduit through which the earmarked contribution passed, including the name and address of the conduit, the date the earmarked contribution was received from the conduit by the recipient committee, and whether the contribution was passed on in cash, by the contributor’s check, or by the conduit’s check. If the conduit exercises direction and control over the contribution, the earmarked contribution must also be

attributed to the contribution limitations of the conduit.

Checks Returned Due to Insufficient Funds. If a contributor's check is returned to the political committee due to insufficient funds and the receipt of the check was previously reported, the political committee must report the return under the appropriate category of receipts as a negative entry and subtract the amount of the check from the total for that category. If the original receipt of the check was previously itemized on Schedule A, the return of the check must also be itemized as a negative entry on Schedule A. If the receipt of the check was never reported, the return of the check should not be reported.

Check Refunded to the Committee.

A contribution may be refunded to the committee in one of two ways:

(1) The original check is returned uncashed. If the contribution was previously reported, the refund should be reported as a negative entry on Schedule B on the current report, and the amount of the contribution refund subtracted from the disbursement totals on the line of the Detailed Summary Page that it was previously reported on.

(2) The original check is not returned and the refund is made by a check from the recipient of the contribution. Such a transaction should be reported as a receipt on Schedule A for the appropriate line of the Detailed Summary Page on the current report. This procedure is applicable regardless of whether the amount refunded is the full or only a partial refund of the contribution or whether the contribution was previously reported.

Best Efforts. When the treasurer of a political committee shows that best efforts have been used to obtain, maintain and submit the information required, the committee shall be considered in compliance with the Act. With regard to reporting the identification of each person whose contribution(s) to the committee and

its affiliated committees aggregate in excess of \$200 in an election cycle, the treasurer will only be deemed to have exercised best efforts to obtain, maintain and report the required information if all written solicitations for contributions include a clear request for the information (i.e., name, mailing address, occupation and name of employer) and include an accurate statement of federal law regarding the collection and reporting of individual contributor identifications. In addition, for each contribution requiring itemization which lacks contributor information, the treasurer must, within 30 days of receipt of the contribution, make one effort to obtain the missing information. See 11 CFR 104.7 and the Campaign Guide for Congressional Candidates for more information.

Loans. Report a loan received on Schedule A for the appropriate line number of the Detailed Summary Page, in the reporting period during which the loan is received. Also, disclose the loan on Schedule C, and, if from a lending institution, on Schedule C-1.

If a candidate personally receives a loan from a lending institution, or an advance from a brokerage account, credit card or line of credit, and then contributes or loans some or all of those funds to the campaign, report the amount of funds contributed or loaned on Schedule C-1. If the candidate treats the funds as a personal contribution, report the receipt of the contribution from the candidate on Schedule A for Line 11(d). If the candidate treats the funds as a loan, report the receipt of the loan on Schedule A for Line 13(a). See also the instructions for Schedule C-1. A loan obtained by the candidate from a brokerage account, credit card, home equity line of credit or other line of credit that is used exclusively for routine living expenses does not have to be reported, provided the loan is not guaranteed by third parties and the loan is repaid exclusively from the

personal funds of the candidate. If such a loan is used in part for routine living expenses and in part for influencing the candidate's election for federal office, only the latter part must be reported.

INSTRUCTIONS FOR SCHEDULE B, ITEMIZED DISBURSEMENTS (FEC FORM 3)

The Detailed Summary Page is broken down into various categories of disbursements. Use Schedule B to list each disbursement required to be itemized. DO NOT combine more than one category of disbursements on the same Schedule B. Instead, use a separate Schedule B for each category of disbursements. The line number of the Detailed Summary Page to which each Schedule B pertains should be identified in the upper right corner of each Schedule. In addition, the committee's full name must be entered in the appropriate block.

For each disbursement required to be itemized during the reporting period, the political committee must provide the full name, mailing address, date, amount, and purpose of the disbursement. The term "purpose" means a brief statement or description of why the disbursement was made. Examples of adequate descriptions include the following: dinner expenses, media, salary, polling, travel, party fees, phone banks, travel expenses, travel expense reimbursement, and catering costs. However, statements or descriptions such as "advance," "election day expenses," "other expenses," "expense reimbursement," "miscellaneous," "outside services," "get-out-the-vote," and "voter registration," would not meet the requirement for reporting the purpose of an expenditure. If the disbursement is a "loan repayment," "contribution refund," or other similar category of disbursement (other than an operating expenditure), the name of the category of disbursement (i.e., "loan repayment," etc.) is sufficient to meet the requirement for reporting the purpose of an expenditure.

Along with reporting the purpose of the expenditure as required above, the committee should also broadly characterize disbursements by pro-

viding the code for each category of disbursement. Examples of the types of disbursements that fall within each of the broad categories are listed below. Use only one code for each itemized disbursement. In cases where the disbursement was for several purposes, the committee should assign one code according to the primary purpose of the disbursement. Note that some of the category titles are not acceptable as the "purpose" of the disbursement and that the categories are not intended to replace or to serve as a substitute for the "purpose of disbursement."

Check the 'Memo' box for informational entries that do not affect the committee's cash on hand (e.g., contributor attribution, conduit information, ultimate payee information, etc.)

- 001 Administrative/Salary/Overhead Expenses (e.g., rent, staff salaries, postage, office supplies, equipment, furniture, ballot access fees, petition drives, party fees and legal and accounting expenses)
- 002 Travel Expenses—including travel reimbursement expenses (e.g., costs of commercial carrier tickets; reimbursements for use of private vehicles, advance payments for use of corporate aircraft; lodging and meal expenses incurred during travel)
- 003 Solicitation and Fundraising Expenses (e.g., costs for direct mail solicitations and fundraising events including printing, mailing lists, consultant fees, call lists, invitations, catering costs and room rental)
- 004 Advertising Expenses—including general public political advertising (e.g., purchases of radio/television broadcast/cable time, print advertisements and related production costs)
- 005 Polling Expenses
- 006 Campaign Materials (e.g., buttons, bumper stickers, brochures, mass mailings, pens, posters and balloons)
- 007 Campaign Event Expenses (e.g., costs associated with candidate

appearances, campaign rallies, town meetings, phone banks, including catering costs, door-to-door get-out-the-vote efforts and driving voters to the polls)

- 008 Transfers (e.g., to other authorized committees of the same candidate)
- 009 Loan Repayments (e.g., repayments of loans made or guaranteed by the candidate or any other person)
- 010 Refunds of Contributions (e.g., contribution refunds to individuals/persons, political party committees or other political committees)
- 011 Political Contributions (e.g., contributions to other federal candidates and committees, donations to non-federal candidates and committees)
- 012 Donations (e.g., donations to charitable or civic organizations)

For disbursements that are contributions to federal candidates, or authorized committees, the committee must include under "Purpose of Disbursement" the name of the candidate and office sought (including State and congressional district, where applicable) and the aggregate election cycle-to-date total of contributions made to that candidate or committee in the purpose of disbursement box. If disclosing a contribution to a federal political committee, enter the FEC identification number of the committee receiving the contribution. (This number is readily available from the Commission's Website.)

For each contribution to a federal candidate or authorized committee, indicate in the election check-off box the election for which the contribution was made. Contributions to a candidate or authorized committee which are not designated by the contributor for a specific election must be counted toward the contributor's limitation for the next election after the contribution is made. Contributions may be made for a past election only to the extent that the recipient has net debts outstanding from that particular

election. In the event the contribution was made for an election prior to the current election cycle, the “Other” box must be checked and the type of election specified (e.g., “General 2016,” “Primary 2016”). The election check-off boxes provided for each itemized entry on Schedule B should not be used when itemizing operating expenditures.

The “Total This Period” amount (the last line on Schedule B) must be added to all other disbursements for that category which are not itemized and carried forward to Column A of the corresponding line of the Detailed Summary Page.

Contributions In-Kind Received

Contributions in-kind received by the committee which are itemized on Schedule A must also be itemized as an operating expenditure on Schedule B. In addition, in the “Purpose of Disbursement” box include the notation “Contribution In-Kind,” and the nature of the expenditure (e.g., consulting, polling, etc.).

INSTRUCTIONS FOR SCHEDULE C, LOANS (FEC FORM 3)

A loan is a contribution at the time it is made and is a contribution to the extent it remains unpaid. A **LOAN WHICH EXCEEDS THE CONTRIBUTION LIMITATIONS IS UNLAWFUL WHETHER OR NOT IT IS REPAYED.** The aggregate amount loaned to a candidate or committee by another individual or political committee, when added to other contributions from that individual or political committee to that candidate or committee, shall not exceed the contribution limitations. A loan, to the extent it is repaid, is no longer a contribution. All loans to a political committee (regardless of amount) must be disclosed on the first report filed with the Commission after the date the loan is made.

When filling out Schedule C, the committee must enter its full name in the box at the top of the page.

DO NOT combine loans owed **TO** the committee with those owed **BY** the committee on the same Schedule C. Instead, use a separate Schedule C. Report each loan separately until extinguished.

Loans Owed By the Committee

Itemize each loan received by the committee on Schedule A for the appropriate line of the Detailed Summary Page, and also disclose it on Schedule C (see also instructions for Schedule A for itemizing loans received by the committee) and Schedule C-1 (if applicable). For each loan owed **BY** the reporting committee at the close of the reporting period, the committee must report certain basic information on Schedule C in the appropriate boxes: (1) full name, mailing address and zip code of the creditor; (2) the election to which the loan applies (i.e., primary, general or other); (3) the original amount of the loan; (4) the cumulative payment to date on the loan; and (5) the out-

standing balance at the close of the reporting period (i.e., the remaining unpaid portion of the loan).

Enter certain additional information on Schedule C in the box entitled **TERMS**: (1) if an intermediary is reported as the source of the loan, the original source of the loan (which must be disclosed in the first box for endorsers and guarantors with a notation that the person identified is the original source); (2) the date the obligation was incurred; (3) whether the loan is from the personal funds of the candidate; (4) the date the loan is due or the amortization schedule (if there is no due date or amortization schedule, enter “None” on the appropriate line); (5) the actual rate of interest charged on each loan (if the loan does not bear an interest rate, enter “0” on the appropriate line); and (6) check the box if the loan has been secured.

In instances where the loan has endorsers or guarantors, supply the following information: (1) the identification of each endorser or guarantor, and (2) the amount of the endorsement or guarantee outstanding at the close of the reporting period. The term “identification” means (a) in the case of an individual, his or her full name, mailing address, occupation, and name of employer; and (b) in the case of any other person, the person’s full name and address.

In instances where the loan is derived from either a bank loan to the candidate or from an advance on the candidate’s brokerage account, credit card, home equity line of credit or other line of credit, report the candidate as the source of the loan on Schedule C. In addition to reporting the terms of the loan in the appropriate boxes, disclose the type/source of loan the candidate received (i.e., bank loan, brokerage account, credit card, home equity line of credit, other line of credit, or personal funds of the candidate) in the first box for endorsers and guarantors with a notation for loan type or in the box for “Loan Source” after the candidate’s name. If the source of the loan is the

candidate’s personal funds, check the “Personal Funds of the Candidate” box on Schedule C.

Continue to report loans owed **BY** the committee on each subsequent report until repaid. When a payment is made to reduce or extinguish the amount of a loan owed **BY** the committee, the payment must be itemized on Schedule B, reported on the appropriate line of the Detailed Summary Page, and included in the “Cumulative Payment to Date” column on Schedule C. If any extension for repayment is granted, report this on the first report after the extension is made.

If a loan is settled for less than the reported amount, the reporting committee must include a statement as to the circumstances and conditions under which the debt or obligation was extinguished and the amount paid. A loan owed **BY** a political committee which is forgiven or settled for less than the amount owed is a contribution. Enter the total amount of loans owed **BY** the committee at the close of the reporting period on the line for “Total This Period” on the bottom of the last page and transfer the total to Line 3 of the last page of Schedule D. If no debts or obligations are reported on Schedule D, carry the outstanding balance forward to the Summary Page.

Loans Owed To the Committee

A loan made by the committee must be itemized on Schedule B and must also be disclosed on Schedule C. For each loan owed **TO** the committee at the close of the reporting period, report certain basic information on Schedule C in the appropriate boxes: (1) the full name, mailing address and zip code of each debtor; (2) if the loan was made to another Federal candidate or authorized committee, the election to which the loan applies (i.e., primary, general or other); (3) the original amount of the loan; (4) the cumulative payment to date on the loan; and (5) the outstanding balance at the close of the reporting period (i.e., the remaining unpaid portion of the loan).

Certain additional information must be entered on Schedule C in the box entitled TERMS: (1) the date the obligation was incurred; (2) the date the loan is due or the amortization schedule (if there is no due date or amortization schedule, enter “None” on the appropriate line); (3) the actual rate of interest charged on the loan (if the loan does not bear an interest rate, enter “0” on the appropriate line); and (4) check the box if the loan has been secured. Continue to report loans owed TO the committee on each subsequent report until repaid. When a payment is received to reduce or extinguish a loan owed TO the committee, itemize the payment on Schedule A, report on the appropriate line of the Detailed Summary Page, and include in the “Cumulative Payment to Date” column on Schedule C. If any extension of repayment is granted or made, report this on the first report after the extension is made.

Enter the total amount of loans owed TO the committee at the close of the reporting period on the line for “Total This Period” on the bottom of the last page and transferred to Line 3 of the last page of Schedule D. If no debts or obligations are reported on Schedule D, carry the outstanding balance forward to the Summary Page.

Miscellaneous

Loans by Financial Institutions. A loan of money by a State bank, a federally chartered depository institution (including a national bank) or a depository institution whose deposits and accounts are insured by the Federal Deposit Insurance Corporation or the National Credit Union Administration is not a contribution by the lending institution if the loan is made in accordance with applicable banking laws and regulations and is made in the ordinary course of business. A loan will be deemed to be made in the ordinary course of business if it: bears the usual and customary interest rate of the lending institution for the category of loan involved; is made

on a basis that assures repayment; is evidenced by a written instrument; and is subject to a due date or an amortization schedule.

Candidate Loans. When a candidate obtains a loan that is then loaned to the campaign to influence the candidate’s election to federal office, the information the principal campaign committee must disclose depends on the source of the money being loaned. If the candidate obtains a bank loan or a loan of money derived from an advance on the candidate’s brokerage account, credit card, home equity line of credit or other line of credit, only the candidate needs to be listed as the source of the loan on Schedule C. The type of loan the candidate receives (i.e., bank loan, brokerage account, credit card, home equity line of credit, other line of credit, personal funds of the candidate) must also be disclosed in either the first box for endorsers and guarantors with a notation for loan type or in the box for “Loan Source” after the candidate’s name. The terms of the loan between the candidate and the committee (not the terms between the candidate and lending institution) must be reported in the appropriate boxes along with information regarding the endorsers and guarantors. If the candidate obtains a loan from another person, list the other person as the original source of the loan and the candidate as the intermediary. Loans obtained by an individual prior to becoming a candidate that are subsequently used to influence the candidate’s election to Federal office must be reported as an outstanding loan owed to the candidate by the principal campaign committee, if the loan is outstanding at the time an individual becomes a candidate.

Loans by Political Committees. If a political committee makes a loan TO any person, the loan shall be subject to the contribution limitations. Repayment to the political committee of the principal amount of the loan

is not a contribution by the debtor to the lender committee. The repayment must be made with funds which are permissible under the Act. The payment of interest to the committee by the debtor is a contribution only to the extent that the interest paid exceeds a commercially reasonable rate prevailing at the time the loan is made. All payments of interest must be made from funds which are permissible under the Act.

Endorsers and Guarantors. A loan is a contribution by each endorser or guarantor. Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement. Any reduction in the unpaid balance of the loan shall reduce proportionately the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. In the event that such agreement does not stipulate the portion of the loan for which each endorser or guarantor is liable, the loan shall be considered a loan by each endorser or guarantor in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors.

Loan Repayments. Each committee must disclose all loan payments received or made by the committee. When a loan repayment is received by a committee, the repayment must be itemized on Schedule A and included in the “Cumulative Payment to Date” column on Schedule C. When a loan repayment is made by a committee, the repayment must be itemized on Schedule B for the appropriate line and included in the “Cumulative Payment to Date” column on Schedule C. The total amount of loan repayments of loans made or guaranteed by the candidate and the total amount of loan repayments of all other loans must be disclosed on the appropriate lines of the Detailed Summary Page. For candidate loans, the candidate’s

authorized committee may repay the loan directly to the candidate or to the original lender. The amount of repayment must not exceed the amount of the principal used for the purpose of influencing the candidate's election for Federal office and interest that has accrued on that principal. When repayments are made to the candidate for candidate loans, the committee is not required to report the repayments made by the candidate to the lending institution.

INSTRUCTIONS FOR SCHEDULE C-1, LOANS AND LINES OF CREDIT FROM LENDING INSTITUTIONS (FEC FORM 3)

Background:

1. FEC Regulations on Loans from Lending Institutions to the Committee

Schedule C-1 seeks information on loans—including lines of credit—from lending institutions such as state or federally chartered banks, federally insured savings and loan associations or federally insured credit unions. The purpose of Schedule C-1 is to verify that a loan or line of credit does not result in a prohibited contribution from the lending institution, a violation of the federal campaign finance law.

Under FEC regulations at 11 CFR 100.82, 100.83, 100.142 and 100.143, a loan “made in accordance with applicable banking laws” and “in the ordinary course of business” is not considered a contribution or an expenditure if certain conditions are met. One of these conditions is that the loan “is made on a basis which assures repayment.” Schedule C-1 documents whether or not the loan complies with these requirements.

2. FEC Regulations on Loans Used for Loans or Contributions from the Candidate to the Committee

Schedule C-1 also seeks information when a candidate obtains a bank loan or a loan derived from an advance on the candidate’s brokerage account, credit card, home equity line of credit, or other line of credit available to the candidate, including an overdraft made on a personal checking or savings account of the candidate and that loan is used for the purpose of influencing the candidate’s election for

Federal office. The loan must be made in accordance with applicable law and under commercially reasonable terms, and the person making the loan to the candidate must make loans in the normal course of business.

Who Must File Schedule C-1

A political committee that obtains a loan or line of credit from a bank or other lending institution must file Schedule C-1. An authorized committee of a candidate must also file Schedule C-1 when the candidate obtains a bank loan or loan of money derived from an advance on the candidate’s brokerage account, credit card, home equity line of credit or other line of credit and the borrowed funds are used for the purpose of influencing the candidate’s election for Federal office. 11 CFR 104.3(d)(1). (See Schedule C instructions on Candidate Loans.)

When to File Schedule C-1

A Schedule C-1 must be filed for each loan and each line of credit obtained from either a lending institution or from the candidate, when the loan is derived from a bank loan or from an advance on the candidate’s brokerage account, credit card, home equity line of credit or other line of credit. 11 CFR 104.3(d)(1).

Loans. A committee must file a Schedule C-1 with its next report when it first obtains a loan and in succeeding reporting periods each time the terms of the loan are restructured. 11 CFR 104.3(d)(1) and (3). (A restructured loan is considered a new loan.)

Lines of Credit. A committee must file a Schedule C-1 with its next report when a line of credit is established and in succeeding reporting periods each time any draws are made on the line of credit and each time the line of credit is restructured to change the repayment terms. 11 CFR 104.3(d)(1) and (3).

Reporting Loans and Lines of Credit on Schedules A and C

Schedule A. When a candidate or committee obtains a loan that is used for the purpose of influencing the candidate’s election for federal office, the committee must itemize the receipt on a Schedule A for the appropriate line number. However, a line of credit is itemized on Schedule A only when the candidate or committee obtains funds by making a draw on the credit.

Schedule C. All loans to a committee must be continuously disclosed on Schedule C, starting with the first report due after the committee obtains the loan and continuing with each report thereafter until the loan is repaid.

Line-by-Line Instructions

Schedule C Cross-Reference. Enter the Schedule C page number where information on the loan or line of credit appears.

Name of Committee Obtaining Loan. Enter the full name of the reporting committee.

Identification Number. Enter the reporting committee’s FEC identification number. If the committee is newly registered and has not yet obtained a number, enter “not yet assigned.”

Name/Address of Lender. Enter the full name, address and zip code of the lending institution. For loans from the candidate that are obtained from a bank or derived from an advance on the candidate’s brokerage account, credit card, home equity line of credit or other line of credit, the lending institution’s full name and address should be provided, rather than that of the candidate.

Loan Amount. For loans or lines of credit made to the committee directly

from a lending institution, enter the amount of the loan or line of credit. If reporting a restructured loan or line of credit, enter the amount under the new terms. 11 CFR 104.3(d)(1)(i) and (3). If a candidate obtains a loan from a bank or derived from an advance on a brokerage account, credit card, home equity line of credit or other line of credit and contributes or loans some or all of that amount to the committee for the purpose of influencing the candidate's election for Federal office, report here only the amount used for the purpose of influencing the candidate's election for Federal office. For loans derived from a draw on the candidate's line of credit the committee need only report the amount of the draw in this section, and not the entire amount of the line of credit.

Interest Rate. Enter the annual percentage rate (APR) of interest on the loan or each draw on the line of credit. If reporting a restructured loan or line of credit, enter the interest rate under the new terms. 11 CFR 104.3(d)(1)(ii) and (3). For loans from the candidate that are obtained from a bank or derived from an advance on the candidate's brokerage account, credit card, home equity line of credit or other line of credit, provide the interest rate for the loan from the lending institution to the candidate, not the interest rate for the loan from the candidate to the committee.

Date Incurred or Established. Enter the date the candidate or committee incurred the debt by signing the loan agreement (the original agreement or a restructured agreement, as appropriate). 11 CFR 104.3(d)(1)(i) and (3). For loans from the candidate that are obtained from a bank or derived from an advance on the candidate's brokerage account, credit card, home equity line of credit or other line of credit, provide the date incurred or established for the loan from the lending institution to the candidate, not the date incurred or established

for the loan from the candidate to the committee.

Due Date. Enter the date on which full repayment of the loan or line of credit is due (under the original agreement or a restructured agreement, as appropriate). 11 CFR 104.3(d)(1)(ii) and (3). The due date is not required for a loan of money from an advance on the candidate's brokerage account, credit card, home equity line of credit, or other line of credit and such loans are used in the candidate's campaign.

A. Restructured Loans. Check yes if the loan or line of credit has been restructured to change the terms; enter the date on which the original loan or line of credit was incurred. 11 CFR 104.3(d)(3).

B. Draws on Line of Credit. If reporting a draw on a line of credit, enter the amount of the draw and the outstanding balance owed on the line of credit (cumulative draws less any repayments made). 11 CFR 104.3(d)(1)(ii). This information is not required for loans derived from the candidate's home equity line of credit or other line of credit and used for the purpose of influencing the candidate's election for Federal office.

C. Secondary Sources of Repayment. Check yes if the loan or line of credit was endorsed or guaranteed by secondary parties. 11 CFR 104.3(d)(1)(iii). Information on endorsers and guarantors must be disclosed on Schedule C. (Note that guarantees and endorsements of loans are considered contributions; see Schedule C instructions.)

D. Traditional Collateral. Check yes if the loan or line of credit was obtained using traditional sources of collateral, and list the specific assets that were pledged. Enter the total fair market value of the collateral as of the date of the loan agreement. Indicate whether the lender has a perfected security interest in the collateral. 11 CFR 104.3(d)(1)(iii). (Note that a perfected security interest is a requirement under FEC regulations. 11 CFR 100.82(e)(1)(i) and 100.142(e)(1)(i).

E. Future Receipts as Collateral. Check yes if the loan or line of credit was obtained using future receipts as collateral; list the types of receipts that were pledged; and enter their estimated amount. 11 CFR 104.3(d)(1)(iii). Enter the date the separate account was established for the deposit of pledged receipts. (A depository account is required under 11 CFR 100.82(e)(2)(iii) and 100.142(e)(2)(iii).) Provide the full name and address of the depository institution where the account was established.

F. Other Means of Obtaining Loan. Complete this section if "no" was checked in sections C, D, and E or if the amount cosigned and/or pledged for the loan or line of credit is less than the loan amount. If so, state the basis upon which the loan was made and the basis on which it assures repayment. 11 CFR 104.3(d)(1)(iv).

G. Treasurer's Signature and Date. The committee treasurer (or properly designated assistant treasurer) must sign and date the form; the signer's name should be printed or typed beside the signature. The treasurer's signature and date are not required for bank loans obtained by the candidate or a loan of money from an advance on the candidate's brokerage account, credit card, home equity line of credit, or other line of credit.

H. Copy of Loan Agreement. Attach a copy of the signed agreement. 11 CFR 104.3(d)(2). A copy of the loan agreement is not required for bank loans obtained by the candidate or a loan of money from an advance on the candidate's brokerage account, credit card, home equity line of credit, or other line of credit.

I. Lender Certification. An authorized representative of the lending institution must sign and date the form to certify that the lender has complied with items I through III. 11 CFR 104.3(d)(1)(v). The representative's name should be printed or typed beside his or her signature. The representative's title must also be entered. Lender certification is not required for bank loans obtained by the candidate

INSTRUCTIONS FOR FEC FORM 3 AND RELATED SCHEDULES

or a loan of money from an advance on the candidate's brokerage account, credit card, home equity line of credit, or other line of credit.

INSTRUCTIONS FOR SCHEDULE D, DEBTS AND OBLIGATIONS (FEC FORM 3)

When filling out Schedule D, the committee must enter its full name in the box at the top of the page.

DO NOT combine debts and obligations owed to the committee with those owed by the committee on the same Schedule D. Instead, use a separate Schedule D.

Debts and Obligations Owed by the Committee (Other Than Loans)

For debts and obligations owed BY the reporting committee at the close of the reporting period and which are required to be disclosed, the committee must report the full name and mailing address of each creditor, the amount of the debt outstanding at the beginning of the period, the amount of the debt or obligation incurred this period (including any finance charges), the payment(s) this period to retire the debt or obligation, the outstanding balance at the close of the reporting period and the nature or purpose of the debt and obligation. The terms “nature” or “purpose” mean a brief statement or description of why the debt or obligation was incurred (e.g., media, salary, polling, supplies, mailing).

A written contract (including a media contract), promise, or agreement to make an expenditure which has not been paid for by the committee is an expenditure as of the date the contract, promise or obligation is made and is subject to the reporting requirements. Accounts payable and written contracts, promises, or agreements to make expenditures, in amounts of \$500 or less, need not be disclosed until outstanding for sixty days or more. Note that special reporting rules apply when an individual makes an advance of personal funds for a good or service but expects to be reimbursed. See the instructions for reporting “reimbursed advances

by staff” in the Campaign Guide for Congressional Candidates.

Debts and obligations owed BY the committee must continue to be reported on each subsequent report until extinguished or settled in a manner permitted by Federal Election Commission regulations (see 11 CFR Part 116 for settlement of corporate debts). When a payment is made to reduce or extinguish an obligation owed BY the committee, the payment must be itemized on Schedule B, reported on the appropriate line of the Detailed Summary Page, and included in the “Payment This Period” column on Schedule D. If a debt or obligation is settled for less than the reported amount or value, the reporting committee must include a statement as to the circumstances and conditions under which the debt or obligation was extinguished and the amount paid. A debt owed BY a political committee which is forgiven or settled for less than the amount owed is a contribution unless the debt is forgiven or settled in accordance with 11 CFR Part 116. The extension of credit by any person for a length of time beyond normal business or trade practice is a contribution, unless the creditor has made a commercially reasonable attempt to collect the debt. The total amount of debts and obligations owed BY the committee during the reporting period must be entered at the bottom of the last page under “Total This Period” and added to the total loans owed BY the committee from Schedule C. The total amount of debts and obligations owed BY the committee (including loans) must be carried forward to the Summary Page.

Debts and Obligations Owed to the Committee (Other Than Loans)

For each debt and obligation owed TO the committee at the close of the reporting period, the committee must report: the full name and mailing address of each debtor, the amount of the debt outstanding at the beginning of the period, the amount of the debt

or obligation incurred this period, the payment(s) this period to retire the debt or obligation, the outstanding balance at the close of the reporting period and the nature or purpose of the debt or obligation. The terms “nature” or “purpose” mean a brief statement or description of why the debt or obligation was incurred (e.g., media, salary, polling, supplies, mailing). Written contracts or agreements (such as signed pledge cards), or oral promises to make contributions are not required to be reported.

Debts and obligations owed TO the committee must continue to be reported on each subsequent report until extinguished. When a payment is received to reduce or extinguish a debt or obligation owed TO the committee, the payment must be itemized on Schedule A, reported on the appropriate line of the Detailed Summary Page, and included in the “Payment This Period” column on Schedule D. The total amount of debts and obligations owed TO the committee during the reporting period must be entered at the bottom of the last page under “Total This Period” and added to the total loans owed TO the committee from Schedule C. The total amount of debts and obligations owed TO the committee (including loans) must be carried forward to the Summary Page.

INSTRUCTIONS FOR CONSOLIDATION REPORT OF RECEIPTS AND DISBURSEMENTS (FEC FORM 3Z)

A principal campaign committee that is the only authorized committee of a candidate does not need to file FEC Form 3Z.

If a candidate has a principal campaign committee and one or more other authorized political committees, the principal campaign committee must submit a “Consolidation Report” (Form 3Z) with its Form 3, showing the consolidated activity for all authorized committees of the candidate. Form 3Z must include a separate page for each authorized committee of the candidate, including the principal campaign committee, and must show a total of each committee’s activity by Form 3 line number (Form 3Z, Part 1). Form 3Z must also include a “Consolidated Totals for All Authorized Committees” page providing a sum of the activity for all committees authorized by the candidate.

The lines referenced in the “Line Description” field correspond to the numbered lines on the Summary Page of Receipts and Disbursements (FEC Form 3, page 2) and Column A of the Detailed Summary Page of Receipts and Disbursements (FEC Form 3, pages 3-4). Note: For the last report filed during an election cycle, the committee should use pages 5-8 of the Post-Election Detailed Summary Page instead of pages 3-4 of the Detailed Summary Page. See special instructions below.

Report Totals for Each Authorized Committee (Part 1)

The principal campaign committee must complete a separate page of Form 3Z (Part 1) for each committee authorized by the candidate (including the principal campaign committee).

Part 1 for the Principal Campaign Committee: Enter the name of the principal campaign committee and the coverage dates for the report in the appropriate blocks at the top of the page. Enter the name of the principal campaign committee in the “Name of Committee Authorized by Candidate” block. Transfer the amount from each line of the Summary Page and each Column A line of the Detailed Summary Page of the principal campaign committee’s Form 3 to the appropriate line of the Consolidation Report.

Part 1 for Each Additional Committee Authorized by the Candidate: Fill out a separate page of Form 3Z (Part 1) for each authorized committee of the candidate. For each authorized committee other than the principal campaign committee, enter the name of the principal campaign committee and the coverage dates for the report in the appropriate blocks at the top of the page, and then enter the authorized committee’s name in the “Name of Committee Authorized by Candidate” box. Transfer the amount from each line of the Summary Page and each Column A line of the Detailed Summary Page of that additional authorized committee’s Form 3 to the appropriate line of the Consolidation Report.

Consolidate the Totals for All Authorized Committees (Part 2)

Part 2: Consolidated Totals for All Authorized Committees: Enter the name of the principal campaign committee and the coverage dates for the report in the appropriate blocks at the top of the “Consolidated Totals for All Authorized Committees” page of Form 3Z. For each line, sum the amounts provided for that line number from Part 1 of Form 3Z for each authorized committee’s totals, and disclose the grand total.

Special instructions for last report filed during the election cycle.

For this report only, transfer the line totals from pages 5-8 of the Post-Election Detailed Summary Page. For Lines 6(c) and 7(c), transfer the amounts from Section III and IV on page 8 (Post-Election Detailed Summary Page). For Lines 9 and 10, transfer the amounts from Lines 9 and 10 on page 2 (Summary Page). For Lines 11-22, transfer totals from Column A, pages 5-8 (Post-Election Detailed Summary Page). For Lines 23 and 27, there is no Column A and the amounts are transferred from Lines 23 and 27 in Section V on page 8 (Post-Election Detailed Summary Page).
