Title: Medical Exception Request to the COVID-19 Vaccination Requirement.

OMB Control No.: 3079-0001.

Abstract: The Safer Federal Workforce Task Force (Task Force) issued guidance, in accordance with the President’s Executive Order 14043 (September 9, 2021), requiring Federal employees to be vaccinated against COVID-19 by November 22, 2021 absent an exception required by law. To determine whether employees who request a medical exception qualify for the exception sought, or, alternatively, must comply with the November 22 deadline, FMSHRC developed the “Medical Exception Request to the COVID-19 Vaccination Requirement” which was approved by OMB under an Emergency approval on November 30, 2021. This renewal request seeks to extend the use of the Information Collection Form in the event that COVID-19 Vaccination Requirements are subsequently required in the next three years. This form was developed, consistent with guidance issued by the Task Force, to gather information from employees and applicants for employment who have requested medical exceptions to determine whether such employees qualify for legal exceptions to the vaccine requirement.

Affected Public: Businesses or other for-profit; individuals.

Estimated Number of Respondents: 8 Job Applicants, 8 employees, and 36 medical professionals.
