SUPPLEMENTARY INFORMATION:

Principal Campaign Committees

Special Primary Only

All principal campaign committees of candidates only participating in the Florida Special Primary shall file a consolidated Pre-Primary and Year-End Report on January 16, 2025. (See charts

below for the closing date for the report.)

Special Primary and Special General Elections

If two elections are held, all principal campaign committees of candidates who participate in the Florida Special Primary and Special General Election shall file a consolidated Pre-Primary and Year-End Report on January 16, 2025; a Pre-General Report on March 20, 2025, and a Post-General Report on May 1, 2025. (See charts below for the closing date for each report.)

Special General Election

If only one election is held, all principal campaign committees of candidates who participate in the Florida Special General Election shall file a consolidated Pre-General and Year-End Report on January 16, 2025, and a Post-General Report on February 27, 2025. (See charts below for the closing date for each report.)

Note that these reports are in addition to the campaign committee’s regular quarterly filings. (See charts below for the closing date for each report.)

Unauthorized Committees (PACs and Party Committees)

Political committees not filing monthly are subject to special election reporting if they make previously undisclosed contributions or expenditures in connection with the Florida Special Primary or Special General Election by the close of books for the applicable report(s). (See charts below for the closing date for each report.)

Since disclosing financial activity from two different calendar years on one report would conflict with the calendar year aggregation requirements stated in the Commission’s disclosure rules, unauthorized committees that trigger the filing of the consolidated Pre-

Primary and Year-End Report (if two elections are held) or the consolidated Pre-General and Year-End Report (if one election is held) will be required to file this report on two separate forms: One form to cover 2024 activity, labeled as the Year-End Report; and the other form to cover only 2025 activity, labeled as the Pre-Primary or Pre-General Report, as applicable. Both forms must be filed by January 16, 2025.

Committees filing monthly that make contributions or expenditures in connection with the Florida Special Primary or Special General Election will continue to file according to the monthly reporting schedule.

Additional disclosure information for the Florida special elections may be found on the FEC website at <https://www.fec.gov/help-candidates-and-committees/dates-and-deadlines/>.

Disclosure of Lobbyist Bundling Activity

Principal campaign committees, party committees and leadership PACs that are otherwise required to file reports in connection with the special elections must simultaneously file FEC Form 3L if they receive two or more bundled contributions from lobbyists/registrants or lobbyist/registant PACs that aggregate in excess of the lobbyist bundling threshold during the special election reporting periods. (See charts below for closing date of each period.) 11 CFR 104.22(a)(5)(v), (b), 110.17(e)(2), (f).

The lobbyist bundling disclosure threshold for calendar year 2024 is \$22,700. This threshold amount may change in 2025 based upon the annual cost of living adjustment (COLA). As soon as the adjusted threshold amount is available, the Commission will publish it in the **Federal Register** and post it on its website. 11 CFR 104.22(g) and 110.17(e)(2).
