Re: Comments on FECA's Enforcement Procedures
 Administered by the Commission

Dear Ms. Lebeaux:

These comments are submitted in response to the Commission's Notice 2003-9, regarding its enforcement procedures.

As an attorney who practices before the Commission regularly, I have participated in several enforcement matters, and believe I can offer some constructive comment on the Commission's processes and procedures.

I request an opportunity to testify before the Commission on several of the topics set forth in the Commission's notice. Specifically, I would ask for the opportunity to testify regarding four subjects: designating respondents in a complaint; confidentiality; discovery obtained during Matters Under Review; and the intriguing notion of appearances before the Commission.

Thank you for the opportunity to testify on this critical matter.

Respectfully submitted,

Donald F. McGahn II
