

FEDERAL ELECTION COMMISSION
Instructions For FEC Form 3P, Page 3
Post-Election Detailed Summary Page

WHEN TO USE THIS FORM:

Use this form in lieu of the Detailed Summary Page and Line Numbers 14 and 15 of the Report of Receipts and Disbursements for the reporting period that includes the date of the general election. (The election cycle for disclosure purposes begins the day after the general election for a seat or office, and ends on the day of the next general election for that seat or office. See 11 CFR 100.3(b).) For example, if the candidate participated in the general election, use this form for the 30-day Post-General report, since the coverage dates for that report would include general election day.

This form covers activity spanning two election cycles. There are three Columns of activity disclosed on the report. The first column, Column A, is used to report the total amount of receipts and disbursements for each category of activity during the reporting period; i.e., activity that occurred both before and after the date of the general election. The second column, Column B, discloses the aggregate election cycle-to-date totals for each category of activity, incorporating information from the last report filed. Finally, Column C only includes activity that occurred after the date of the general election through the end of the reporting period.

If there are no receipts or disbursements for a particular category during a reporting period or election cycle, enter "0."

INSTRUCTIONS FOR COLUMN A

Column A includes the total receipts and disbursements for each category of activity during the reporting period. Use the appropriate Schedules A-P or B-P to list each receipt or disbursement required to be itemized. The total for

each category ("Total This Period" from Schedule A-P or Schedule B-P) should then be added to any unitemized receipts or disbursements for that category, and entered on the appropriate line of the Post-Election Detailed Summary Page, page 3, in Column A.

INSTRUCTIONS FOR COLUMN B

Fill in the date of the just-ended general election. To derive the totals for Column B, first separate the Column A receipts and disbursements for each category by date—those that occurred through the date of the general election, and those that occurred after the date of the general election. Column B will include those receipts and disbursements received or made from the beginning of the reporting period through the date of the general election, added to the "Election Cycle-to-Date" figure from Column B of the Detailed Summary Page, page 2, of the committee's last report. Column B will then represent all of the activity that occurred during the just-ended election cycle up through the date of the general election.

INSTRUCTIONS FOR COLUMN C

Fill in the date of the day after the just-ended Presidential election. (For example, for the 2012 election, fill in "11/7/12.") Fill in the last day of the reporting period. To derive the total for each line, add those transactions from Column A that occurred during the period beginning the day after the general election through the end of the reporting period. Column C will then represent those receipts and disbursements received or made the day after the general election and throughout the remainder of the reporting period.
