

United States Court of Appeals
FOR THE DISTRICT OF COLUMBIA CIRCUIT

No. 21-1213**September Term, 2021****FEC-LRA1021****Filed On: April 28, 2022**

Jill L. Stein, Dr. and Jill Stein For President,

Petitioners

v.

Federal Election Commission,

Respondent

BEFORE: Millett and Pillard, Circuit Judges**ORDER**

Upon consideration of the motion to supplement the record; the opposition thereto; and the reply, it is

ORDERED that the motion to supplement the record be granted in part and referred to the merits panel in part. Because the materials submitted to the Federal Election Commission (“FEC”) on February 18, 2021, and February 19, 2021, should be added to the administrative record, the motion is granted as to those materials. See Fed. R. App. P. 16(b). To the extent that the motion seeks to add to the record the materials submitted to the FEC between March 1, 2021, and March 4, 2021 (“March materials”), the motion is referred to the merits panel to which this petition for review is assigned. The parties are directed to address in their briefs the issues presented in the motion rather than incorporate those arguments by reference. The parties may refer to the March materials in their briefs, but they must identify them as such.

The Clerk is directed to enter a new briefing schedule.
