Subject Waiver of Hearing

History:  This message has been forwarded.

Hi Terry,

This email is to notify you that The Ohio Republican Party State Central & Executive Committee will not be requesting a hearing regarding the audit findings for the 2007-2008 election cycle.

Please let me know if you require any additional notification – the voice mail you left said an email was fine – but if you need this in letter form, just let me know.

Thank you,

*Pam Patton*
