

# Interim Audit Report of the Audit Division on Djou for Hawaii

## Why the Audit Was Done

## Future Action

The Commission may initiate an enforcement action, at a later time, with respect to any of the matters discussed in this report.

## **Background**

### **Authority for Audit**

This report is based on an audit of Djou for Hawaii (DFH), undertaken by the Audit Division of the Federal Election Commission (the Commission) in accordance with the Federal Election Campaign Act of 1971, as amended (the Act). The Audit Division conducted the audit pursuant to 2 U.S.C. §438(b), which permits the Commission to conduct audits and field investigations of any political committee that is required to file a report under 2 U.S.C. §434. Prior to conducting any audit under this subsection, the Commission must perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act. 2 U.S.C. §438(b).

### **Scope of Audit**

Following Commission-approved procedures, the Audit staff evaluated various risk factors and as a result, this audit examined:

1. the receipt of excessive contributions and loans;
2. the receipt of contributions from prohibited sources;
3. the disclosure of contributions received;
4. the disclosure of disbursements, debts and obligations;
5. the consistency between reported figures and bank records;
6. the completeness of records; and
7. other campaign operations necessary to the review.

## **Part III**

### **Summaries**

#### **Findings and Recommendations**

##### **Finding 1. Misstatement of Financial Activity**

During audit fieldwork, a comparison of reported figures with bank records revealed that DFH overstated its December 31, 2010 cash-on-hand balance by \$53,302. The Audit staff recommends that DFH amend the cash balance on its most recently filed report. (For more detail, see p. 4.)

##### **Finding 2. Failure to File 48-Hour Notices**

During audit fieldwork, the Audit staff noted that DFH failed to file 48-hour notices for 28 contributions, totaling \$50,700, that were received prior to the special election and subsequent primary and general elections. The Audit staff recommends that DFH provide evidence that 48-hour notices were filed or that the contributions in question were not received within the 48-hour notice period. (For more detail, see p. 5.)

##### **Finding 3. Reporting of Debts and Obligations**

During audit fieldwork, the Audit staff identified debts totaling \$168,990 that were not disclosed on Schedules D (Debts and Obligations). The Audit staff recommends that DFH amend its disclosure reports to include these debts on Schedule D (Debts and Obligations). (For more detail, see p. 5.)

## **Part IV**

# **Findings and Recommendations**

### **Finding 1. Misstatement of Financial Activity**

#### **Summary**

During audit fieldwork, a comparison of reported figures with bank records revealed that DFH overstated its December 31, 2010, cash-on-hand balance by \$53,302. The Audit staff recommends that DFH amend the cash balance on its most recently filed report.

#### **Legal Standard**

**Contents of Reports.** Each report must disclose:

- the amount of cash on hand at the beginning and end of the reporting period;
  - the total amount of receipts for the reporting period and for the election cycle; and
  - the total amount of disbursements for the reporting period and for the election cycle.
- 2 U.S.C. §434(b)(1), (2), and (4).

#### **Facts and Analysis**

##### **A. Facts**

During audit fieldwork, the Audit staff reconciled DFH's reported activity with its bank records for the period covered by the audit and determined that DFH overstated the ending cash-on-hand balance as of December 31, 2010 by \$53,302. This was due primarily to reporting discrepancies noted in disclosure reports filed during the audit period.

##### **B. Interim Audit Report & Audit Division Recommendation**

At the exit conference, the Audit staff explained the misstatement and subsequently provided DFH representatives with schedules detailing the discrepancy identified during the audit period. The representatives indicated that the necessary amendment would be filed.

The Audit staff recommends that, within 30 calendar days of service of this report, DFH amend the cash balance on its most recently filed report with an explanation that the change resulted from a prior period audit adjustment. Further, DFH should reconcile the cash balance of its most recent report to identify any subsequent discrepancies that may affect the adjustment recommended by the Audit staff.

## **Finding 2. Failure to File 48-Hour Notices**

### **Summary**

During audit fieldwork, the Audit staff noted that DFH failed to file 48-hour notices for 28 contributions, totaling \$50,700, received prior to the special election and subsequent primary and general elections. The Audit staff recommends that DFH provide evidence that 48-hour notices were filed or that the contributions in question were not received within the 48-hour notice period.

### **Legal Standard**

**Last-Minute Contributions (48-Hour Notice).** Campaign committees must file special notices regarding contributions of \$1,000 or more received less than 20 days but not more than 48 hours before any election in which the candidate is running. This rule applies to all types of contributions to any authorized committee of the candidate, including:

- contributions from the candidate;
- loans from the candidate and other non-bank sources; and
- endorsements or guarantees of loans from the banks. 11 CFR §104.5(f).

### **Facts and Analysis**

#### **A. Facts**

During audit fieldwork, the Audit staff identified 199 contributions, totaling \$338,471, that were greater than \$1,000 and were received during the 48-hour notice period for the special general election, as well as subsequent primary and general elections. A review of these contributions indicated that DFH did not file 48-hour notices for 28 contributions totaling \$50,700.

#### **B. Interim Audit Report & Audit Division Recommendation**

At the exit conference, the Audit staff provided DFH representatives with schedules detailing the discrepancy. In response to the exit conference, DFH demonstrated that it had not received 20 of the contributions, totaling \$37,000, within the notice period. Those contribution amounts have been removed from the above total (\$50,700).

The Audit staff recommends that, within 30 calendar days of service of this report, DFH provide documentation demonstrating that it filed 48-hour notices for the contributions in question or documentation establishing the contributions were not subject to 48-hour notification.

## **Finding 3. Reporting of Debts and Obligations**

### **Summary**

During audit fieldwork, the Audit staff identified debts totaling \$168,990 that were not disclosed on Schedules D (Debts and Obligations). The Audit staff recommends that

DFH amend its disclosure reports to include these debts on Schedule D (Debts and Obligations).

### **Legal Standard**

**A. Continuous Reporting Required.** A political committee must disclose the amount and nature of outstanding debts and obligations until those debts are extinguished. 2 U.S.C §434(b)(8) and 11 CFR §§104.3(d) and 104.11(a).

**B. Separate Schedules.** A political committee must file separate schedules for debts owed by the committee and debts owed to the committee, together with a statement explaining the circumstances and conditions under which each debt and obligation was incurred or extinguished. 11 CFR §104.11(a).

### **C. Itemizing Debts and Obligations.**

- A debt of \$500 or less must be reported once it has been outstanding 60 days from the date incurred (the date of the transaction); the committee reports it on the next regularly scheduled report.
- A debt exceeding \$500 must be disclosed in the report that covers the date on which the debt was incurred. 11 CFR §104.11(b).

### **Facts and Analysis**

#### **A. Facts**

During audit fieldwork, the Audit staff noted that the DFH disclosure reports filed during the audit period did not disclose any debt owed. Although DFH paid the majority of its vendor invoices in a timely manner, the review of DFH disbursements identified 40 debts, totaling \$168,990<sup>2</sup>, that should have been reported on Schedule D.

#### **B. Interim Audit Report & Audit Division Recommendation**

The Audit staff informed DFH representative of this matter at the exit conference and subsequently provided schedules detailing the undisclosed debts for each reporting period of the audit cycle. DFH representatives indicated that DFH would file amended reports.

The Audit staff recommends that, within 30 calendar days of service of this report, DFH amend its reports to disclose all unreported debts and obligations.

---

<sup>2</sup> Each debt in this amount was counted once even if it required disclosure over multiple reporting periods. In order for DFH to correctly file amended reports, the schedule provided included the amount of each debt required to be reported for each reporting period.
