Mr. Tom Hintermister  
Assistant Staff Director, Audit Division  
Federal Election Commission  
999 E Street NW  
Washington, DC 20463

Dear Mr. Hintermister:

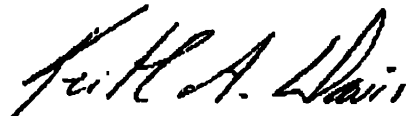

John Kennedy for US Senate is filing this response to FEC Audit Division's Interim Audit Report of June 16, 2011.

With respect to the \$131,122 identified in the audit report:

1. The Committee is submitting contributor documentation consisting of check copies and credit card receipts in the amount of \$ 123,400, along with copies of presumptive reattribution/presumptive redesignation letters sent, as recommended in the Report.
2. From the list provided by the Audit Division, the Committee in 2010 issued three refunds in the amount of \$ 2,300 each to Byron A Adams, Jr., John W. Colbert, and Gayle B. or Vinton Crosby, and is attaching front and back copies of the negotiated refund checks.
3. The Committee is sending to the Audit Division a check payable to the US Treasury in the amount of \$22,600, representing uncashed contribution refund checks. Included in this amount is \$ 1,000 from the donation of Consuelo Walk from the list provided to the Committee by the Audit Division.
4. It is the Committee's understanding that with respect to the LLC donations identified in the Report, the documentation previously provided to the Audit Division satisfactorily confirms that these donations were not excessive, and were not from an impermissible source.

Thank you for your consideration of this response.

Sincerely:

Keith A. Davis, Treasurer  
John Kennedy for US Senate
