Part IV

Findings and Recommendations

Finding 1. Net Outstanding Campaign Obligations

Summary

The Audit staff's review of BRFP's financial activity through December 31, 2013, and estimated winding down costs indicated that the Candidate did not receive matching fund payments in excess of his entitlement.

Legal Standard

A. Net Outstanding Campaign Obligations (NOCO). Within 15 days after the candidate's date of ineligibility (see definition below), the candidate must submit a statement of "net outstanding campaign obligations." This statement must contain, among other things:

- The total of all committee assets including cash on hand, amounts owed to the committee and capital assets listed at their fair market value;
- The total of all outstanding obligations for qualified campaign expenses; and
- An estimate of necessary winding-down costs. 11 CFR §9034.5(a).

B. Date of Ineligibility. The date of ineligibility is whichever of the following dates occurs first:

- The day on which the candidate ceases to be active in more than one state;
- The 30th day following the second consecutive primary in which the candidate receives less than 10 percent of the popular vote;
- The end of the matching payment period, which is generally the day when the party nominates its candidate for the general election; or
- In the case of a candidate whose party does not make its selection at a national convention, the last day of the last national convention held by a major party in the calendar year. 11 CFR §§9032.6 and 9033.5.

C. Qualified Campaign Expense. Each of the following expenses is a qualified campaign expense.

- An expense that is:
 - Incurred by or on behalf of the candidate (or his or her campaign) during the period beginning on the day the individual becomes a candidate and continuing through the last day of the candidate's eligibility under 11 CFR §9033.5;
 - Made in connection with the candidate's campaign for nomination; and
 - Not incurred or paid in violation of any federal law or the law of the state where the expense was incurred or paid. 11 CFR §9032.9.
- An expense incurred for the purpose of determining whether an individual should become a candidate, if that individual subsequently becomes a candidate, regardless of when that expense is paid. 11 CFR §9034.4.

- An expense associated with winding down the campaign and terminating political activity. 11 CFR §9034.4(a)(3).

D. Entitlement to Matching Payments after Date of Ineligibility. If, on the date of ineligibility (see above), a candidate has net outstanding campaign obligations as defined under 11 CFR §9034.5, that candidate may continue to receive matching payments provided that he or she still has net outstanding campaign debts on the day when the matching payments are made. 11 CFR §9034.1(b).

Audit staff subsequently provided a revised NOCO statement to BRFP's representative, who stated that the workpapers would be reviewed and he would provide any additional comments as necessary.

Preliminary Audit Report Recommendation

The Audit staff recommends that, within 60 calendar days of service of this report, BRFP demonstrate any adjustments it believes are required in connection with any part of the NOCO statement or provide any other additional comments.

Finding 2. Reporting of Debts and Obligations

Summary

During audit fieldwork, the Audit staff identified debts totaling \$42,097 that were not disclosed on Schedule D-P (Debts and Obligations) as required. Subsequent to the exit conference, BRFP clarified the public record with respect to these debts. The Audit staff recommends that BRFP provide any additional comments it feels necessary with respect to this matter.

Legal Standard

A. Continuous Reporting Required. A political committee must disclose the amount and nature of outstanding debts and obligations until those debts are extinguished. 2 U.S.C. §434(b)(8) and 11 CFR §§104.3(d) and 104.11(a).

B. Separate Schedules. A political committee must file separate schedules for debts owed by and to the committee with a statement explaining the circumstances and conditions under which each debt and obligation was incurred or extinguished. 11 CFR §104.11(a).

^b BRFP's last matching fund payment was deposited on July 5, 2012.

C. Itemizing Debts and Obligations.

- A debt of \$500 or less must be reported once it has been outstanding 60 days from the date incurred (the date of the transaction); the committee reports it on the next regularly scheduled report.
- A debt exceeding \$500 must be disclosed in the report that covers the date on which the debt was incurred. 11 CFR §104.11(b).

Facts and Analysis

During audit fieldwork, the Audit staff reviewed disbursement records and disclosure reports for proper reporting of debts and obligations. BRFP reported no debt during the audit period; however, the review identified debts totaling \$42,097⁹ to five vendors that BRFP should have disclosed on Schedule D-P. Based on the records, these five vendors provided mainly legal services, website development, and consulting services. Most of the identified debts were greater than \$500 and all remained outstanding during the reporting period in which they were incurred. These debts were outstanding for periods ranging from 31 to 238 days. Further, debts totaling \$15,737 were paid within 40 days of the invoice date.

Preliminary Audit Report & Audit Division Recommendation

The Audit staff discussed the reporting of debts and obligations with BRFP representatives at an exit conference and provided a schedule detailing the transactions requiring disclosure via email prior to the exit conference. During the exit conference, BRFP representatives indicated amendments would be filed during the post-exit conference response period. Subsequent to the exit conference, BRFP clarified the public record with respect to these debts and obligations.

The Audit staff recommends that, within 60 calendar days of service of this report, BRFP provide any additional comments it feels necessary with respect to this matter.

⁹ Each debt in this amount was counted once even if it required disclosure over multiple periods. In order for BRFP to correctly file amended reports, schedules were provided that included the amount of each debt required to be reported for each reporting period.
