Subject: Democratic Party of Wisconsin Response to the Draft Final Audit Report (DFAR)

Good morning Tyler.

This is a follow up email to your phone call received on 11/24/2014. Your message stated that the Democratic Party of Wisconsin has read the DFAR; does not request an audit hearing; and is not providing any written response to the DFAR. Please verify that this is correct.

Per Directive 70, any response to the DFAR will be posted on the FEC website once the Final Audit Report of the Commission has been issued to you.

Thank you
