

FEDERAL ELECTION COMMISSION  
WASHINGTON, D.C. 20463

**STATEMENT OF  
COMMISSIONER LEE E. GOODMAN**

**Audit of the Kansas Democratic Party (A13-08)**

The Commission's audit found that the Kansas Democratic Party failed to disclose \$53,555.80 in debts that remained outstanding at the time reports were due. My review indicates that two of the invoices in this universe, totaling \$2,251.13, were timely paid and did not remain outstanding for reporting purposes at the time reports were due. Therefore, I would have subtracted these two invoices from the total amount of the audit finding. *See* Statement of Reasons of Commissioner Lee E. Goodman, MUR 6732 (North Carolina Democratic Party).
