Dear Mr. Favin,

Please allow this to serve in response to the Federal Election Commission DFAR for the Mike Bishop for Congress Committee dated April 26, 2018.

The Committee is pleased that the Audit Division acknowledges our amended disclosure reports materially correct the public record and the Committee does not seek an Audit Hearing.

The Committee sincerely appreciates the professionalism demonstrated by the Audit Division during this process.

Thank you,

Valerie Tillstrom, Treasurer  
Mike Bishop for Congress Committee
