Subject: Audit Division Recommendation Memorandum on the New Jersey
Republican State Committee (A17-17)

Pursuant to Commission Directive No. 70 (FEC Directive on Processing Audit Reports), the Audit staff presented the Draft Final Audit Report (DFAR) to the New Jersey Republican State Committee (NJRSC) on March 14, 2019 (see attachment). In response to the DFAR, NJRSC stated it would not be submitting an additional response or requesting an audit hearing.

This memorandum provides the Audit staff's recommendation for each finding outlined in the DFAR. The Office of General Counsel has reviewed this memorandum and concurs with the recommendations.

Finding 1. Misstatement of Financial Activity

In response to the Interim Audit Report, NJRSC stated the understatement of receipts by \$100,000 and the understatement of disbursements by \$99,980 was a "clerical oversight" in the reporting of a transfer and that the misstatements were corrected with an amended report filed on August 14, 2018. The amended report corrected the public record. Additionally, NJRSC filed a Form 99 (Miscellaneous Electronic Submission) changing its cash on hand as of November 26, 2018. NJRSC stated it would not be submitting an additional response to the DFAR.

The Audit staff recommends that the Commission find that NJRSC misstated its receipts and disbursements for calendar year 2016.

Finding 2. Reporting of Debts and Obligations

In response to the Interim Audit Report, NJRSC filed a Form 99 disclosing debts and obligations, which corrected the public record. NJRSC stated it would not be submitting an additional response to the DFAR.

The Audit staff recommends that the Commission find that NJRSC failed to disclose debts and obligations to eight vendors totaling \$58,324.

If this memorandum is approved, a Proposed Final Audit Report will be prepared within 30 days of the Commission's vote.

In case of an objection, Directive No. 70 states that the Audit Division Recommendation Memorandum will be placed on the next regularly scheduled open session agenda.

Draft Final Audit Report of the Audit Division on the New Jersey Republican State Committee

Why the Audit Was Done

Federal law permits the Commission to conduct audits and field investigations of any political committee that is required to file reports under the Federal Election Campaign Act (the Act). The Commission generally conducts such audits when a committee appears not to have met the threshold requirements for substantial compliance with the Act.¹ The audit determines whether the committee complied with the limitations, prohibitions and disclosure requirements of the Act.

Future Action

The Commission may initiate an enforcement action, at a later time, with respect to any of the matters discussed in this report.

Background

Authority for Audit

This report is based on an audit of the New Jersey Republican State Committee (NJRSC), undertaken by the Audit Division of the Federal Election Commission (the Commission) in accordance with the Federal Election Campaign Act of 1971, as amended (the Act).

The Audit Division conducted the audit pursuant to 52 U.S.C. §30111(b), which permits the Commission to conduct audits and field investigations of any political committee that is required to file a report under 52 U.S.C. §30104. Prior to conducting any audit under this subsection, the Commission must perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act. 52 U.S.C. §30111(b).

Scope of Audit

Following Commission-approved procedures, the Audit staff evaluated various risk factors and as a result, this audit examined:

1. the receipt of excessive contributions;
2. the receipt of contributions from prohibited sources;
3. the disclosure of contributions received;
4. the disclosure of individual contributors' occupation and name of employer;
5. the disclosure of disbursements, debts and obligations;
6. the disclosure of expenses allocated between federal and non-federal accounts;
7. the consistency between reported figures and bank records;
8. the completeness of records; and
9. other committee operations necessary to the review.

Summaries

Findings and Recommendations

Finding 1. Misstatement of Financial Activity

During audit fieldwork, a comparison of NJRSC's reported financial activity with its bank records revealed a misstatement of receipts and disbursements in calendar year 2016. Specifically, NJRSC understated its receipts and disbursements by \$100,000 and \$99,980, respectively. Subsequent to the exit conference, NJRSC filed an amended disclosure report that corrected the receipts and disbursements. In response to the Interim Audit Report recommendation, NJRSC stated the understatement of receipts and disbursements was a "clerical oversight". Additionally, on January 16, 2019, NJRSC filed a Form 99 (Miscellaneous Electronic Submission) correcting its cash on hand as of November 26, 2018.

(For more detail, see p. 4.)

Finding 2. Reporting of Debts and Obligations

During audit fieldwork, the Audit staff noted that NJRSC failed to disclose debts and obligations owed to eight vendors totaling \$58,324. In response to the Interim Audit Report recommendation, NJRSC filed a Form 99 on February 13, 2019 to disclose these debts and obligations, which corrected the public record.

(For more detail, see p. 5.)

Part IV

Findings and Recommendations

Finding 1. Misstatement of Financial Activity

Summary

During audit fieldwork, a comparison of NJRSC's reported financial activity with its bank records revealed a misstatement of receipts and disbursements in calendar year 2016. Specifically, NJRSC understated its receipts and disbursements by \$100,000 and \$99,980, respectively. Subsequent to the exit conference, NJRSC filed an amended disclosure report that corrected the receipts and disbursements. In response to the Interim Audit Report recommendation, NJRSC stated the understatement of receipts and disbursements was a "clerical oversight". Additionally, on January 16, 2019, NJRSC filed a Form 99 (Miscellaneous Electronic Submission) correcting its cash on hand as of November 26, 2018.

Legal Standard

Contents of Reports. Each report must disclose:

- the amount of cash on hand at the beginning and end of the reporting period;
- the total amount of receipts for the reporting period and for the calendar year;
- the total amount of disbursements for the reporting period and for the calendar year; and
- certain transactions that require itemization on Schedule A (Itemized Receipts) or Schedule B (Itemized Disbursements). 52 U.S.C. §30104(b)(1), (2), (3), (4), and (5).

Facts and Analysis

A. Facts

During audit fieldwork, the Audit staff reconciled NJRSC's reported financial activity with its bank records for calendar years 2015 and 2016. The reconciliation identified that NJRSC misstated receipts and disbursements for 2016. The following chart details the discrepancies between NJRSC's disclosure reports and bank activity. The succeeding paragraphs explain why the discrepancies occurred.

2016 Committee Activity			
	Reported	Bank Records	Discrepancy
Beginning Cash on hand @ January 1, 2016	\$62,830	\$59,129	\$3,701 Overstated
Receipts	\$2,606,298	\$2,706,298	(\$100,000) Understated
Disbursements	\$2,588,279	\$2,688,259	(\$99,980) Understated
Ending Cash on hand @ December 31, 2016	\$80,849	\$77,168	\$3,681 Overstated

The reported 2016 beginning cash on hand was overstated by \$3,701 and is unexplained, but likely resulted from prior period reporting discrepancies.

The understatement of receipts resulted from the following:

• Transfer from affiliated committee not reported	<u>\$100,000</u>
Understatement of Receipts	<u>\$100,000</u>

The understatement of disbursements resulted from the following:

• Transfer to affiliated committee not reported	\$99,980
• Wire fee for transfer to affiliated committee not reported	20
• Transfer to affiliated committee reported incorrectly	<u>(20)</u>
Net Understatement of Disbursements	<u>\$99,980</u>

B. Interim Audit Report & Audit Division Recommendation

At the exit conference, the Audit staff discussed the misstatements for calendar year 2016 with NJRSC representatives and provided schedules detailing the misstatements. NJRSC representatives did not provide any comments.

Subsequent to the exit conference, NJRSC filed an amended disclosure report that corrected the receipts and disbursements.

The Interim Audit Report recommended that NJRSC provide any additional comments it may have with respect to this matter.

C. Committee Response to Interim Audit Report

In response to the Interim Audit Report recommendation, NJRSC stated the understatement of receipts and disbursements was a “clerical oversight” in the reporting of transfers and that the misstatements were previously corrected with an amended report, filed on August 14, 2018. Additionally, NJRSC filed a Form 99 stating that its cash on hand as of November 26, 2018 was \$147,184, and that this amount would serve as the beginning cash on hand for the Year End 2018 report.

Finding 2. Reporting of Debts and Obligations

Summary

During audit fieldwork, the Audit staff noted that NJRSC failed to disclose debts and obligations owed to eight vendors totaling \$58,324. In response to the Interim Audit Report recommendation, NJRSC filed a Form 99 on February 13, 2019 to disclose these debts and obligations, which corrected the public record.

Legal Standard

A. Continuous Reporting Required. A political committee must disclose the amount and nature of outstanding debts and obligations until those debts are extinguished. 52 U.S.C. §30104(b)(8) and 11 CFR §§104.3(d) and 104.11(a).

B. Separate Schedules. A political committee must file separate schedules for debts owed by the committee and debts owed to the committee, together with a statement explaining the circumstances and conditions under which each debt and obligation was incurred or extinguished. 11 CFR §104.11(a).

C. Itemizing Debts and Obligations.

- A debt of \$500 or less must be reported once it has been outstanding 60 days from the date incurred (the date of the transaction); the committee would report it on the next regularly scheduled report.
- A debt exceeding \$500 must be disclosed in the report that covers the date on which the debt was incurred. 11 CFR §104.11(b).

Facts and Analysis

A. Facts

During audit fieldwork, the Audit staff reviewed NJRSC's disbursement records and disclosure reports for proper reporting of debts and obligations. This review identified debts owed to eight vendors totaling \$58,324² that NJRSC failed to report on Schedule D (Debts and Obligations) during the audit period. Based on a review of the records, these vendors mainly provided parking space, utilities³, marketing, advertising, solicitation/fundraising, consulting, and legal services. NJRSC reported debt totaling \$91,849 on Schedule D during the audit cycle. The Audit staff calculated the debts owed to the vendors based on the invoice date and the subsequent payment date.⁴ Debts were outstanding for periods ranging from 18 to 300⁵ days.

B. Interim Audit Report & Audit Division Recommendation

The Audit staff discussed the reporting of debts and obligations with NJRSC representatives at the exit conference and provided a schedule detailing the transactions requiring disclosure on Schedule D. NJRSC representatives asked questions pertaining to the calculation of debt, and stated that they would verify the amounts paid.

The Interim Audit Report recommended that NJRSC provide additional documentation demonstrating that these transactions were not obligations which required reporting on Schedule D. Absent such documentation, the Audit staff recommended that NJRSC amend its reports or file a Form 99⁶ to correctly disclose these debts and obligations.

² Each debt in this amount was counted only once even if it was required to be disclosed over multiple periods.

³ Utilities were gas and electric payments for a NJRSC satellite office. The debt was incurred in 2014 but was not paid until March 2015. Therefore, the debt should have been reported on the 2015 February, March, and April Monthly reports.

⁴ For one vendor, where the invoice date was unavailable, the ending date of the period of service for which the service was performed was utilized. For example, if services were performed during the period ranging from April-June 2015, then the Audit staff used June 30, 2015 as the invoice date.

⁵ Two debts were outstanding for 18 and 29 days, respectively. Both of these items were outstanding at the end of reporting periods and therefore reportable.

⁶ NJRSC was advised by the Audit staff that if it chose to file a Form 99, instead of amending its disclosure reports, the form must contain all pertinent information that is required on each schedule.

C. Committee Response to Interim Audit Report

In response to the Interim Audit Report recommendation, NJRSC filed a Form 99 on February 13, 2019, properly disclosing the debts and obligations, and correcting the public record.
