FEC RELEASES LIST OF "NON-FILERS"

WASHINGTON-OCTOBER 30 - The FEC today published the names of House and Senate candidates and their "principal campaign committees" which failed to file the required 10-day "pre-election" report of their campaign finances, due October 23, 1976.

In addition to publishing the names of non-filers, the FEC has the authority to undertake further enforcement action under the statute, including civil court enforcement and imposition of civil fines (\$5,000 for "any violation" and \$10,000 for a "knowing and willful violation").

The Federal Election Campaign Act of 1971, as amended in 1974 and 1976, states that "It shall be the duty of the Commission to...prepare and publish from time to time special reports listing those candidates...for whom...reports were not filed as so required."

Federal candidates and committees must file a "pre-election report 10 days before each election, covering their financial transactions up to 15 days before the election. Under FEC procedures, three notices are sent to the candidates and committees, reminding them of their reporting obligations, and urging compliance. If a report is not filed following these notices, the names of all "non-filers" are made public.

"Prior notice" is the first reminder, sent on a routine basis prior the filing date, to all candidates whose names are on the November 2 general election ballot in their respective states, as certified by their Secretary of State, and confirmed by lists with the Clerk of the House and the Secretary of the Senate. This notice simply reminds candidates and committees of their required 10-day pre-election, and 30-day post-election reports, and the appropriate filing dates.

"The second notice is sent, by mailgram, only to candidates and committees whose reports have not been received 8 days before the general election, and states that this "apparent failure...gives the Commission reason to believe" that the candidate or committees is in violation of the reporting requirements.

The third notice is sent, by mailgram, only to candidates and committees whose reports are not filed 6 days before the general election, and states that "continued failure to file has given the Commission 'reasonable cause to believe' that they are in violation, and that "failure to respond may subject [the candidate or committee] to...civil penalties and...to publication of [the candidate's or committee's] name on a list of non-filers."

When a candidate or committee continues to fail to file after receiving the "prior notice" reminder, and the "reason to believe" and "reasonable cause to believe" notices, the Commission publishes the names of the candidates and/or his committee on a list of non-filers.

The following candidates and/or their "principal campaign committees" failed to file October 23 "pre-election" reports for the November 2 general election:

"Prior notice" is the first reminder, sent on a routine basis prior to the filing date, to all candidates whose names are on the November 2 general election ballot in their respective states, as certified by their Secretary of State, and confirmed by lists with the Clerk of the House and the Secretary of the Senate. This notice simply reminds candidates and committees of their required October 10 quarterly, 10-day pre-election, and 30-day post-election reports, and the appropriate filing date.

The second notice is sent, by mailgram, only to candidates and committees whose reports have not been received within a week after the filing date, and states that this "apparent failure...gives the Commission 'reason to believe'" that the candidate or committee is in violation of the reporting requirements.

The third notice is sent, by mailgram, only to candidates and committees whose reports are not filed within ten days after the filing date, and states that "continued failure to file has given the Commission 'reasonable cause to believe'" that they are in violation and that "failure to respond may subject the candidate or committee to civil penalties and...to publication of the candidate's or committee's name on a list of non-filers."

When a candidate or committee continues to fail to file after receiving the "prior notice" reminder, and the "reason to believe" and "reasonable cause to believe" notices, the Commission publishes the name of the candidate and/or his committee on a list of non-filers.

In addition to publishing the names of non-filers, the FEC has the authority to undertake further enforcement action under the statute, including civil court enforcement and imposition of civil fines (\$5,000 for "any violation" and \$10,000 for a "knowing and willful violation.")
