FEC PUBLISHES LIST OF 1977 YEAR-END REPORT "NON-FILERS"

WASHINGTON - March 27 - The Federal Election Commission today published the names of 203 Federal candidates, their principal campaign committees, and other political committees from 50 states and the District of Columbia, which failed to file 1977 year-end campaign finance reports.

NOTE: The list of 1977 year-end "Non-Filers" follows:

All federal candidates without personal reporting waivers, their principal campaign committees, and all other political committees were required to file a 1977 year-end finance report by January 31, 1978, regardless of the amount of money raised or spent during the year. Committees active during 1977 which had filed a termination report prior to the end of the year were exempt.

The Federal Election Campaign Act of 1971, as amended in 1974 and 1976, states that "it shall be the duty of the Commission to...prepare and publish from time to time special reports listing those candidates...for whom...reports were not filed as so required."

In addition to publishing the names of non-filers, the FEC has the authority to undertake further enforcement action under the statute, including civil court enforcement and imposition of civil fines (\$5,000 for "any violation" and \$10,000 for a "knowing and willful violation.")

Under FEC procedures, three notices are sent to the candidates and committees reminding them of their reporting obligations, and urging compliance. If a report is not filed following these notices, the names of all "non-filers" are made public.

"Prior notice" is the first reminder sent on a routine basis prior to the filing date, to all candidates on election ballots in their respective states, as certified by their Secretary of State, and confirmed by lists with the Clerk of the House and the Secretary of the Senate and to all other candidates and political committees registered with the Commission. This notice simply reminds candidates and committees of their required reports, and the appropriate filing dates.

The second notice is sent only to candidates and committees whose reports have not been received by or shortly after the filing date, and states that this "apparent failure...gives the Commission 'reason to believe' that the candidate or committee is in violation of the reporting requirements."

The third notice is sent only to candidates and committees whose reports are not filed in response to the second notice, and states that "continued failure to file has given the Commission 'reasonable cause to believe' that they are in violation and that 'failure to report' may subject the candidate or committee to civil penalties and...to publication of the candidate's or committee's name on a list of non-filers."

When a candidate or committee continues to fail to file after receiving the three notices, the Commission publishes the name of the candidate and/or committee on a list of "non-filers".
